—Thank Haven! the fruit has not been frozen so far. —William Keeler, driver for R. B. Taylor, is quite ill with pneumonia in the Bellefonte hospital. —Grant Charles has resigned his position as second clerk at the Bush house, a place now filled by Louis Daggett. —Bellefonte fishermen who make pilgrimages to Fishing Creek in quest of trout come home with very small catches. —R B Taylor expects to begin work next week on the new state road through Milesburg borough, and which he will have to finish within sixty days from the time he begins work thereon. —T. Paxton Cowdick and William and Augustus Wolf on Tuesday finished the brick work for three new houses in Howard, and on Wednesday intended starting work on two houses at Pleasant Gap but the rain that day and yesterday has so far prevented them from doing so. —The Bellefonte Lumber company has begun work on a big brick smokestack which they are having built on the west side of their planing mill. A concrete boiler and engine house will also be erected there and a new battery of boilers installed as soon as the building is in shape. —At a recent meeting of the vestry of St. John's Episcopal church Maurice A. Jackson was elected treasurer to succeed W. S. Zeller. Mr. Zeller, who has been a member of the vestry for the past forty years, was made an honorary vestryman for life, the only one on the official board of that church. —Mrs. Jennie M. Bassett, deputy great commander of the Ladies of the Maccabees, from Kane, was in Bellefonte the past week for the purpose of canvassing the town with a view of organizing a tent in Bellefonte. Any woman between the ages of eighteen and fifty-five years is eligible to membership. —If he cannot have a new machine F. R. Brussler is determined to have one that will attract attention, anyway. He has overhauled his sixth-hand Cadillac runabout so that he says he will now get about three horse power more out of it than formerly and in addition has painted the hood a bright vermilion red with black bolts heads. He expects to bring it out for the first time tomorrow. —Last Friday Bertha Detrick, daughter of Mr. and Mrs. Frank Detrick, was taken to the Bellefonte hospital and operated upon for appendicitis. As her condition was not very bad the operation was not a difficult one and the patient is getting along very nicely. On Saturday Anna Shuey, daughter of Mr. and Mrs. C. C. Shuey, was admitted to the hospital and was also operated upon for appendicitis. Her condition at the time was very grave as gangrene had set in and the operation was a difficult as well as a serious one. Since that time, however, she has been getting along as hopefully as possible and there is a fair chance of her recovery. Mrs. Harry Yeager was also admitted to the hospital this week for treatment.

DALE.—In the death of Mrs. Helena Dale, wife of George Dale, of Dale Summit, College township lost one of its best known women. She had been ailing with heart trouble and other complications for eight months or more so it was not entirely unheralded when death claimed her as its victim at one o'clock last Saturday afternoon. Deceased, whose maiden name was Miss Helena Musser, was born at Penn Hall on February 21st, 1830, making her age 78 years, 2 months and 13 days. On the 27th day of December, 1855, she was united in marriage to George Dale at Lewistown and the first of the following April they moved on the farm at Dale Summit, where they have lived ever since. There all her children were born and there in December, 1905, they celebrated their golden wedding amid a happy gathering of their many friends. Mrs. Dale was well-known throughout Centre county. Her husband is Master of the Centre county Pomona Grange and she herself having been a member of the organization acquired a wide acquaintance and was a woman universally esteemed by all. She was a member of the Lutheran church and just as earnest in her labors in the Master's cause as she was zealous in friendship, so that her death, even at her advanced age, is a source of deep regret. In addition to her husband she is survived by the following children: H. C. Dale, cashier of the National bank at Rushville, Neb.; Mr. F. W. Musser, Bellefonte; John S. and Willard Dale, of College township, and Miss Lillian, at home. She also leaves the following brothers: Daniel Musser, of Orangeville, Ill.; Michael, of Rushville, Neb.; William and Benjamin, of Jewel City, Kan., and Charles, of Peal City, Ill. The funeral was held at ten o'clock on Wednesday morning and was very largely attended. Rev. J. I. Stonecypher officiated at the services and interment was made in the Shiloh cemetery. COWHER.—Miss Lucy Cowher died at 5:30 o'clock on Sunday evening at the home of her parents, Mr. and Mrs. Adam Cowher, at Port Matilda, of tuberculosis. She had been afflicted for the past four years, but had been confined to her bed only a little more than one month. Deceased was born at Port Matilda April 9th, 1875, so that her age at death was 33 years and 24 days. When a young girl she became a member of Columbia avenue Methodist church, of Tyrone, of which she had been a member ever since. She was a young woman of very pleasing disposition and her death is very generally lamented. In addition to her parents she is survived by the following brothers and sisters: Eli, of Osceola Mills; James, of Bald Eagle; T. C., of Pittsburgh; Miss Mary Ellen and Mrs. George W. Givler, of Tyrone; Mrs. Walter Williams, Ruth and Gertrude, of Port Matilda. The funeral services were held in the Methodist church at Port Matilda at two o'clock on Wednesday afternoon. Rev. C. W. Karos, of Tyrone, had charge of the services and was assisted by Rev. Bierly, of Port Matilda. Interment was made in the Presbyterian cemetery at that place. STOVER.—William K. Stover, one of the oldest and best known men in Brush valley, died at the home of his son-in-law, Samuel Gephart, at Wolf's Store, on Sunday. His death was caused by cancer with which he had been a sufferer for years. He was born in Haines township and was 71 years, 9 months and 20 days old. He was one of the leading and influential farmers of Haines township most all his life and was a man universally respected. Surviving him are his wife and two children, Fred H. Stover, of Sheridan, Wyoming, and Mrs. Samuel Gephart, of Wolf's Store. The remains were taken to the home of Ralph E. Stover, at Aaronsburg, from where the funeral was held on Wednesday afternoon, interment being made in St. Paul's cemetery at that place. RENWICK.—Lawson Renwick, an old and highly esteemed resident of Chester Hill, died on Saturday evening of heart trouble, aged sixty-four years. He was born in Germany but came to this country in 1869 and for many years has lived in the vicinity of Philipsburg. He is survived by his wife and the following children: Lawson, John S., Matthew, Thomas and Mrs. Patrick McQueeney, of Madera; Mrs. S. A. Stiffler, of Chester Hill; Mrs. Pearl Thompson, of Beaverdale; Mrs. Robert Perks, of Osceola Mills, and Mrs. John Henry, of Chester Hill. The funeral was held on Tuesday afternoon. WILSON.—Miss Rebecca Wilson, an aged maiden lady who made her home with the family of Samuel McKinley, at Pleasant View, died on Sunday morning as the result of a stroke of paralysis with which she was stricken last December. She was 83 years, 1 month and 16 days old and is survived by one brother, Thomas Wilson, also of Pleasant View. Rev. M. C. Pifer officiated at the funeral which was held on Tuesday afternoon, the remains being taken to the Advent cemetery for interment. GRAY.—David A. Gray, a native of Philipsburg, died at the home of his son at Point Lookout, on Saturday evening, as the result of having been stricken with paralysis about a year ago. Deceased was seventy-five years of age and a good part of his life was spent in and near Philipsburg. His wife died eleven years ago and his only survivors are one son, a daughter and one sister. The funeral was held on Tuesday.

AMMERMAN.—A peculiarly sad death in Philipsburg was that on Sunday of Mrs. Charles Ammerman. Some time ago scarlet fever invaded the Ammerman home and attacked the children of the household. Mrs. Ammerman was entering in her duties of caring for the sick and about ten days ago, with two of her children ill, the mother herself was stricken. In her overworked condition her system was so run down that she was not able to withstand the insidious ravages of the disease and she died as above stated. Deceased, whose maiden name was Mary Daugherty, was born at Hawk Run about thirty years ago. Twelve years ago she was married to Charles Ammerman and ever since the family have made Philipsburg their home. She was a woman who had a large circle of friends and her untimely death under such distressing circumstances is deeply lamented by all. In addition to her husband she is survived by four young children, namely: Malcolm, Ruth, Helen and Lawrence. She also leaves her father, stepmother, two sisters and a brother. Owing to the contagious nature of the disease the funeral was held on Monday afternoon. Rev. S. D. Wilson officiated at the services which were held in the cemetery following the interment of the remains. EMBENHIZER.—Just five weeks after the death of his wife William C. Embenizer died at his home in Boggs township on April 26th, aged 75 years, 7 months and 5 days. He was an old soldier and a member of Dr. George L. Potter Post 261. The funeral was held on April 29th, interment being made in the Milesburg cemetery. —Mrs. John Houser is quite ill with pneumonia. —We are sorry for our good friend, Hammon Seohler, who is confined to the house, suffering with a generally run down system. —The abundance of rain we have been having the past week is giving the farmers considerable trouble getting their corn ground in shape. —Mrs. J. Allison Platts was taken to the Bellefonte hospital, on Monday, for treatment and Dr. Rider, the veterinarian, was also admitted for treatment for dropsy. —Matthew Hemmis and Daniel Ryver, two residents of South Philipsburg, were arrested on Monday for stealing chickens from John Dalton. They were given a hearing before Justice of the peace John B. Hoffman and in default of \$300 bail were brought to Bellefonte and lodged in jail to await trial at court. —One of the best Italian films obtainable will be the attraction at the theater on tonight. Tomorrow night an up-to-date French film will be exhibited and Christy Smith's orchestra will be present to furnish the music. Both evenings will afford the best of amusement and you don't want to miss attending. —Are you going to State College this afternoon to see the State-Dickinson baseball game. In their first game at Carlisle the game was a tie up to the thirteenth inning when State won by piling up eight runs. It was a phenomenal streak but will hardly be repeated today, though the game will no doubt be exciting enough. —Having served twenty-six years as treasurer of the Logan fire company James D. Seibert recently tendered his resignation. A special meeting of the company was held on Tuesday evening to elect a new treasurer but so unanimous was the sentiment in favor of Mr. Seibert that he was the only man nominated and elected, consequently is back in the same old harness. Of course, every member of the company realized that they could not get a more faithful or better man than just Mr. Seibert. —From all indications considerable state highway will be built in Centre county this summer. In addition to the piece through Milesburg and another in Rush township, contracts for which have been let, the state highway department has approved the application for another piece in Rush township and also for a highway from Oak Hall to Boalsburg. Advertisements for the building of these two pieces will be published in the near future and as soon as the contracts have been awarded work will be begun on the same. There are also a number of other applications pending some of which will likely be granted. DID JUDGE KUNKEL SUSPECT?—As a matter of interest to the Bellefonte merchants who so willingly assisted along the movement to have the mercantile tax law repealed, as presented to them last Wednesday morning by two gentlemen from Philadelphia, the following dispatch sent out from Harrisburg on Monday, is published herewith: "These people all appear to be from Philadelphia. Why don't they ask the Philadelphia courts to give them a charter?" said Judge Kunkel in the Dauphin County Court this afternoon, when Attorney Michael Stroup presented the petition for a charter for "The Business Association of Pennsylvania." Mr. Stroup explained that the association was for the purpose of bringing about the repeal or modification of the mercantile tax law, and that it would operate in Harrisburg. "Lobbying, perhaps," said Judge Kunkel. "I think we will hold his application under advisement." The names and residences of the applicants are: President, Alexis J. Limebaker, 2024 North Twenty-second street; vice president, Charles W. Dickenshead, 2211 Baltimore avenue; secretary, Thomas C. Thompson, 1001 Federal street; treasurer, Robert Haight, 1224 Chestnut street.

The request of the American Union Telegraph and Telephone company for permission to lay underground cables on Allegheny street was granted by council upon the recommendation of the Street committee. A new light was placed on Logan street as requested at last meeting of council. The borough solicitor submitted a new water tax ordinance to council and after it was read action was deferred until the next meeting. Baudis, the merry-go-round man, asked permission to put up his merry-go-round in the borough and run it for two weeks

Last week was cold and disagreeable, ending Saturday evening with a real snow storm and when the sun came up over the eastern hills on Sunday morning all the mountain peaks were white, reminding one of winter, rather than May weather. While Clarence A. Houtz was plowing a piece of land near his home he unearthed a piece of pig-iron about four feet in length and weighing almost one hundred pounds. It was found on the old road leading from Centre Furnace to Bellefonte, and it is supposed that it was left by the teamsters who hauled from the old furnace to the forge near town more than half a century ago.
