His unfortunate accident will keep him[®] housed up six weeks or more. CANOEING ON BALD EAGLE CREEK. -Canoeing on Bald Eagle creek is just now a favorite pastime for quite a number of young people, although just at present the pleasure seems to be confined mostly to residents of Lock Haven. Last Saturday party of nine with three canoes came up from Lock Haven to the dam at Curtin where they embarked for their voyage down the valley. In the party were Mr. and Mrs. Robert Cushing and Miss Martha Peale, who occupied one canoe ; Capt. W. A. Simpson, Miss Helen Lesher and Miss Anna Kress in the second canoe and Wilson C. Kress and Miss Elizabeth Peale and Miss Anna Bickford in the third canoe. The creek was quite high, owing to re cent rains, and the party had no trouble floating with the tide at a good pace. Below Howard they beached their canoes and ate luncheon, completing the trip in the afternoon. At this time in the year the water is just high enough in the Bald Eagle to render canoeing a pleasant pastime, attended with little or no danger, and the only wonder is that it is not participated directors room in the stone building on in by more young people.

HONORING THE NATION'S DEAD .- Last Saturday started in an ideal Memorial day but several hard rain storms in the afternoon interfered to a great extent with the program for honoring the nation's dead in the various cemeteries throughout the county. Notwithstanding this fact, however, memorial exercises were held and the

graves of all old soldiers strewn with flowers and marked with a miniature flag. The program for the day in Bellefonte provided for a march to the cemetery at two o'clock p. m., but just about the time journed to the court house where the latter part of the exercises as arranged for the mander of Greeg Post, presided and after a

THEY FEEL AGGRIEVED .-- Quite a number of Bellefonte merchants yesterday received letters from the Business Association of Penbsylvania in which the WATCHMAN was denounced for the article it published had better stick pretty close to their hiding at the time Messrs. Limeburner and Dickensheid were in Bellefonte soliciting names to a petition for the repeal of the mercantile tax law and at the same time taking contributions to help pay the expenses. The letter charges that the WATCHMAN'S article was inspired because we did not want to lose the publication of the mercantile appraisement. In this the Business Men's Association of Pennsylvania, which has offices in the Weightman building, Philadelphia, and to which Judge Kunkel, at Harrisburg, some time |ago declined to grant a'charter, is entirely wrong. Our article was inspired by the merchants of Bellefonte who had contributed and who

when they "woke up" believed they had been faked, and was published purely as a news item. And in this connection it might be pertinent to add that notwithstanding the plausibility of the letters received yesterday Bellefonte merchants have not changed their minds in the least.

SCHOOL BOARD ORGANIZES. - The school directors of Bellefonte met in the

Monday evening and organized the board for the ensuing year by the election of the following officers : President, Henry C. Quigley; secretary, James K. Barnhart; treasurer, G. Ross Parker. When the question of the election of a supervising

principal for the Bellefonte schools was rought before the board there were two nominations : John D. Meyer, who has been supervising principal for a number of years, and Jonas A. Wagner, principal of the high school. On the first ballot Meyer was re-elected by a vote of five to four. The only other business of importance was fixing the date for the election of teachers as next Monday evening, June 8th. The salary of the superintendent was fixed at \$1,500 a year.
