Headquarters Democratic County Committee.

BELLEFONTE, PA., Aug. 5th, 1908.
The Democrats of Centre county are hereby requested to meet in a mass meeting on Monday, August 17th, at 7:30 p. m., in the arbitration room in the court house at Bellefonte, Pa., for the purpose of amending the present rules governing the Democratic party of Centre county and adopt such new rules as may be deemed necessary for the government of the party in said county.

W. D. ZERBY,
Chairman Democratic County Committee.

ADDITIONAL LOCALS.

—Once again the story has been revived regarding the building of a proposed air line railroad from New York to Chicago by the appearance of a gang of engineers in the vicinity of Sandy Ridge, who are making surveys over the same route mapped out about a year ago.

—On Monday afternoon Jacob Walk, of Sandy Ridge, was picking blackberries on the farm of Christ Sharer in Taylor township when he came across a monster rattlesnake. He succeeded in killing the reptile which measured four feet six inches and had fifteen rattles and a button.

—Centre county members of the Ammerman family do not want to forget that the annual reunion will be held at Lakemont park, Altoona, next Wednesday. As the gathering will be in the shape of a basket picnic, everybody is requested to take their baskets with them. A good program has been prepared for the day.

—The postoffice department is determined to break up the practice of writing on newspapers and then sending them through the mails at newspaper rates and to this end postoffice inspectors are visiting most every office in the county. Centre countians had better make a note of this and if any have been indulging in this custom they had better desist at once, as they are liable to be caught at any time.

—The dates for the big Centre county fair this year will be Tuesday, Wednesday, Thursday and Friday, October 6th, 7th, 8th and 9th. As this has been an unusual good year for all kinds of agricultural products there is no doubt but what the exhibitions in this line will excel anything of the kind ever shown in Centre county. And it might also be said that it is the intention of the management to keep everything else on a par with the agricultural exhibits, so that the fair this year will undoubtedly be the biggest ever held.

—On Tuesday a party of ten young ladies and gentlemen from Tyrone and Warriorsmark made the trip to Penn cave in Keefer's big motor car where they spent the day. They passed through Bellefonte about six o'clock in the evening on their way home and were in the vicinity of Julian when the big storm of that evening struck them. So hard was the storm up Bald Eagle valley that the roads were badly washed and the party were afraid to continue their journey home that night, so spent the night at a farm house and went home on Wednesday morning.

SMITH.—James A. Smith, a life-long resident of Blanchard and a veteran of the Civil war, died at the home of his daughter Mrs. Frank Conter, in that place on Monday morning, after a long illness with cancer, from which he was a great sufferer. He was a man of the highest integrity, honesty and sobriety, of splendid character and a christian gentleman. He was aged 61 years, 9 months and 9 days. He was a member of Company K, of the 203rd regiment, Pennsylvania volunteers, and served ten months until the close of the war. He was an active member of George Harleman post, 302 G. A. R., of Blanchard. His wife died several years ago. He is survived by his aged mother, Mrs. Thomas Smith, of Liberty township, and the following brothers and sisters: Joseph, of Liberty township; Treville and Miss Emma, at home; Mrs. E. W. Gardner, of Blanchard; and Mrs. Irvin Kunes, residing in the south. The following children survive: Mrs. Frank Conter, Farnk Smith and Samuel Smith, all of Blanchard. The funeral was held Wednesday afternoon at 2 o'clock from the home of Frank Conter. Interment will be made in the Baptist cemetery.

DAVIS.—Mrs. Annie E. Davis, widow of the late George Davis, of Phillipsburg, died quite suddenly last Friday morning. She got up that morning apparently as well as ever and while attending to her household duties was stricken with paralysis of the brain, dying in less than an hour.

Deceased was a daughter of Capt. Charles Callahan and was born in Bellefonte about seventy years ago. Just fifty years ago she was united in marriage to George Davis and ever since the family has lived in Phillipsburg. Her husband died in 1902 and of their seven children only two survive, as follows: Charles, of Phillipsburg, and Mrs. Charles Fry, of Pittsburgh. She also leaves one sister, Mrs. Cecilia Bergstresser, of Hublersburg, and two brothers, John and Wharton Callahan, of Phillipsburg. The funeral was held on Monday, interment being made in the Phillipsburg cemetery.

HARRISON.—Mrs. Matilda Jones Harrison died at her home in State College on Monday morning. She had been in feeble health for several years, caused by a general breaking down of the system, and her death was no surprise to her friends. She was almost seventy years old and a life-long member of the Methodist church. Surviving her are the following children: William, of Jersey Shore; H. B., of Boalsburg; Charles, of State College; Mrs. J. C. Rimey, of Jersey Shore; Mrs. William Hoy, of State College, and Miss Nellie, at home. The funeral was held from the Hoy home at the College at one o'clock on Wednesday afternoon. Rev. C. C. Snavely officiated at the services and the remains were taken to Pleasant Gap for burial.

EMERICK.—John F. Emerick died at his home at Farmers Mills, on July 23rd after many years illness with tuberculosis. He was a life-long member of the Union church at that place and one of its most faithful attendants. Surviving him are his widow, who before her marriage was Miss Annie Weaver, and the following brothers and sisters: George F., of Centre Hall; Samuel K., of Unionville; Luther M., of Centre Hall; Dr. Charles E., of Dauphin county; Harvey, of Galveston, Texas; Mrs. John Boyce and D. Oscar, in Illinois. Rev. B. F. Beiber, of the Lutheran church, officiated at the funeral which was held on July 26th, interment being made in the Union church cemetery.

MINNEMVER.—Mrs. Harry Minnemver died at her home at Juniata on Thursday last week of stomach trouble. She was forty-seven years of age and was born and raised at Pennsylvania Furnace, her parents being Mr. and Mrs. James Simpson. She was married in 1881 to Harry Minnemver at Spruce Creek. Three children were the result of this union, all of whom are dead. The husband with seven brothers and five sisters survive. Funeral services were held at the family home last Friday morning after which the remains were taken to Franklinville, in Huntingdon county, for interment.

BING.—On Tuesday word was received in Unionville of the death of Thomas Bing, at his home in Reynoldsville. No particulars were given and as it was not known that he was ill his friends in this county do not know as yet what caused his death. He was fifty-eight years old and was born at Unionville where his aged mother, Mrs. Melissa Bing, still lives. In addition to his wife, who was a Miss Barlow, of Stormstown, he is survived by several children, three brothers and three sisters.

WILLIAMS.—John P. Williams, an old-time resident of Worth township, died at his home at Port Matilda last Thursday, of cancer of the stomach. He was sixty years of age and was a son of Mr. and Mrs. Philip Williams, pioneer settlers of Worth township. Surviving him are his wife, ten children, three brothers and five sisters. The funeral was held on Monday, interment being made at Martha.

BRYAN.—Meda, the twelve year old daughter of Mr. and Mrs. John Bryan, of Curtin, died at Yeagertown on Wednesday night of diphtheria after only a days illness. The little girl was visiting relatives at that place and took sick only Wednesday morning, dying the ensuing night. Owing to the contagious nature of the disease the body was buried at Yeagertown yesterday.

HENDERSON.—After being an invalid for a number of years Mrs. Katharine Henderson, widow of the late Alexander Henderson, died at the home of her daughter, Mrs. Jennie Lauth, on Thursday evening of last week. She was eighty-four years old and had been a resident of Howard for many years. In addition to her daughter, Mrs. Lauth, widow of the late John Lauth, she is survived by two sons, Edward and William. The funeral was held on Saturday morning, interment being made at Jacksonsville.

—The Poorman family will hold their annual reunion in Kohlbecker's grove near Milesburg on Saturday, August 22nd. Three excellent speakers have been engaged for the day.

—The negotiations which have been pending for several weeks between Richard Shebe, of Clearfield, and the Garman for leasing the Garman house are off. Mr. Shebe was in Bellefonte on Tuesday and failing to come to a satisfactory agreement decided to look some place else for a hotel.

—Dr. Samuel G. Dixon, State Commissioner of Health, has been secured by Dr. Thomas F. Hunt to deliver a lecture on tuberculosis in relation to human health during Farmers' Week next winter. Dr. Leonard Pearson, of the University of Pennsylvania, will lecture during the same week on bovine tuberculosis in relation to human health. Each gentleman is a recognized authority upon the subject he treats.

—The bulls are having it all their own way in the stock market these days, and whenever a little bear shows himself out of the woods he is soon driven to cover. Of course this condition of affairs is very gratifying to the dealers in Centre county, and as most of them have it coming to them we hope it will continue indefinitely, but they don't want to fail to profit by former experiences when the bears got on a rampage in earnest.

—The Bellefonte friends of C. B. Williams, of Jersey City, will be interested in learning that he was recently given a well merited promotion. Since leaving Bellefonte he has been with the Central Railroad of New Jersey and his last promotion was from assistant superintendent of motive power to general purchasing agent and storekeeper of that entire system. The promotion of course carries with it a consequent increase in salary.

—The people of State College feel very much aggrieved because they have no direct telegraph facilities. It really does seem that a place the size of the College ought to have a telegraph office, but the citizens there should realize that, in the first place they are not on any direct line; and again, if the company could see it a good business proposition they would not hesitate in installing an office. The only possible reason that there is no office there now must be because the telegraph company is not satisfied that it would pay expenses.

—Since he has had his six cylinder Franklin Col. W. Fred Reynolds has come to recognize the value of the automobile over the horse and so has concluded to dispose of his horses and vehicles and turn his big stable into a garage. He will also purchase a light runabout automobile for his own use in going to and from his farms. One of his horses, as well as a wagon, he has already sold to W. L. Daugest, of the Bush house. It is possible he may keep one or two wagons in the event he may want them at some time, and also one riding horse, but the automobile will be the main thing with him.

—La Bellefonte, the publication started by Edmund G. Joseph a year ago as a small four page paper, is out this week with No. 1 of Vol. II, and in its one year of existence it has grown into a modest little sixteen page magazine with a supplement presenting a picture of the soldiers' monuments. Pictures of Hon. Fred Kurtz, who furnished an historical article on the county; W. Harrison Walker Esq., Democratic candidate for Congress, and J. Harris Olewine, who furnished an article on "Is Our Waste Wasted?" also adorn its pages. In brief it is a neat and highly creditable publication and the young editor deserves to succeed.

—Tomorrow will be the day for that big basket picnic and annual reunion of company E, Forty-fifth regiment P. V. I., at Baileyville and from all indications it will be a monster gathering. It is the one picnic of the year which is attended by almost every resident of Ferguson township while hundreds gather there from all over the county. The program this year includes among the list of speakers General Beaver, of this place. There will be plenty of amusements to keep those who attend fully occupied, with no time for a dull hour during the day. It is quite likely that one or two back loads will go from Bellefonte to be present at this gathering.

—Tuesday was without doubt the hottest day experienced this summer, or for a number of years. At two o'clock in the afternoon the thermometer registered ninety-nine degrees in the shade, and the humidity was very great. About three o'clock a hard electrical and rain storm passed over Pennsylvania and thus relieved the density of the heat to a certain extent. Down near Spring Mills one cow was killed by lightning. Tuesday evening there was another severe storm which was general all over the county, and which finally developed into a settled rain that continued through most of the night and Wednesday, putting an end to the dry season hereabouts and coming just in time to help the corn and potato crops.

ARRANGEMENTS WELL UNDER WAY FOR THE BUSINESS MEN'S PICNIC.—The executive committee of the Centre and Clinton county Business Men's Picnic association was held at the Irvin house in Lock Haven last Thursday evening, the Centre county delegation going down on the 2.40 train in the afternoon. The meeting was held in the parlor of the Irvin house at 4.30 o'clock and was presided over by T. J. Small, of Mackeyville, the newly-elected president. Following the reading of the minutes of the preceding meeting by secretary J. C. Meyer reports from the various committees were called for.

J. D. Sourbeck, chairman of the amusement committee, stated that he had secured the entire six teams of the Centre-Clinton has ball league and that three league games would be played during the day, one in the morning and two in the afternoon. This in itself will be drawing card enough to assure a large crowd.

Robert Cole reported that the picnic would be prominently advertised by big posters put up over both counties. Harl P. Harris, of the music committee, reported that the Rep-z band of Williamsport had been engaged for the day. The Central Railroad of Pennsylvania through the secretary reported that they would have plenty of cars and ample facilities for handling the crowd, however large it might be. The Bellefonte Central railroad company sent word that they would run special trains to suit the convenience of the public.

A resolution expressing sympathy to the people of Lock Haven in the destruction of their hospital by fire was adopted and then on motion of J. D. Sourbeck and R. Hayes Stewart the members present each contributed one dollar toward a fund to be presented to the nurses, most of whom lost all their clothing, money, etc. In this way the sum of \$51.00 was raised.

Some additional miscellaneous business was transacted after which the committee adjourned to the dining room and partook of an elegant supper. At eight o'clock the Centre contingent left for home over the Central Railroad of Pennsylvania, and now all that remains is to boom the picnic for all it is worth. The members of the committee present at the meeting were as follows: D. G. Stuart, J. C. Meyer, J. Will Conley, John Bullock, A. C. Mingle, H. P. Harris, John Sourbeck, John I. Olewine, Robert Cole, Harry Otto, Sidney Krumrine, Frank Warfield, Philip D. Foster, A. C. Mingle, H. Seehler, C. F. Montgomery, F. E. Nagney, A. C. Mingle, W. Francis Speer, of the Centre Democrat, Edward L. Gates, representing the Keystone Gazette, Earl C. Tuten, Daily News, all of Bellefonte; W. Gross Mingle, Centre Hall; Chas. M. Hood, State College Times; T. J. Small, Mackeyville; D. H. Stover, Mill Hall; John R. Thompson, Salona; Joel Herr, Cedar Springs; R. H. Stewart, Island; P. S. Kiff, G. W. A. MacDonald, Mayor W. H. Stevenson, H. A. Stevenson, C. F. Brown, A. L. Merrill, G. Watson Fredericks, F. E. Harder, C. H. Bressler, Torrence Shearer, P. C. Rittman, George W. Mason, A. C. Candor, D. I. McNaal, of the Democrat; U. A. Xander, Express and Republican; Lock Haven; T. B. Budinger and M. D. Kelley, of Snow Shoe.

BOROUGH COUNCIL.—The regular meeting of borough council on Monday evening was a rather quiet affair, no business of special importance being transacted. The water committee reported that the meters at the court house had been changed so as to cut off the fountains for which water is furnished free. The meter bills for the quarter ending July first amount to \$928.19.

The Village Improvement committee requested that a light be placed at the crossing over the railroad just beyond the Clifford. Since the high fence has been erected around the new athletic grounds it is so dark there as to render it dangerous. Quite a number of pavements and walks in the town were reported in a bad condition and the clerk of council was instructed to give the property owners the usual notice to repair same.

James McSoley submitted a bid for painting the bridge at the Phoenix mill. He will put on one coat for \$18.00 or two for \$24.00. He also offered to paint the fire plugs for twenty-five cents each. The following bills were approved and orders drawn:

Street pay roll.....	\$118 28
A. E. Schad.....	6 72
Police pay roll.....	52 20
Palace Livery Co.....	2 50
Pennsylvania R. R.....	5 00

Total.....	\$328 44

At a meeting of the Country club several weeks ago a committee was appointed to install some kind of a permanent lighting plant for the purpose of illuminating the house and grounds. At the time the majority of the committee were inclined to favor an acetylene plant of one hundred lights capacity, but now they are inclined to put in electric light. The committee has been in conference with officials of the Central Railroad of Pennsylvania and it is very likely both parties will go together and install the plant, which will be run by water from the upper dam at the park, and will be used for lighting both the club house and grounds and Heola park as well. As the committee has only five weeks more in which to put in the plant work on the same will have to be begun very soon.

CURRY-COOK.—A very quiet though pretty wedding was celebrated at the home of Charles F. Cook, on north Spring street, on Tuesday morning when his daughter, Miss Nestle Jane Cook, became the bride of Ben Roscoe Curry, of Beaver. The interior of the Cook home was very appropriately decorated for the occasion though not over a half dozen guests were present to witness the nuptials.

The ceremony was performed by Rev. J. Allison Platts, of the Presbyterian church, the ring service being used. Miss Laura T. Harrison, of Jersey Shore, was maid of honor and A. S. Dean, of Beaver, best man. Following the ceremony a delicious wedding breakfast was served and at 1:05 o'clock Mr. and Mrs. Curry left on the train west for Pittsburgh where they will visit his parents before going to their own home in Beaver.

The bride is the eldest daughter of Chas. F. Cook and a highly accomplished young woman. She graduated from The Pennsylvania State College in the class of '07, and during the last school year she was an instructor in modern languages in a private school near Philadelphia. The bridegroom is also a graduate of State College, class of '05. The ensuing year he was an instructor in chemistry at the college but a year or so ago he accepted a position as chemist for the Jones-Laughlin people at their iron and steel plant at Beaver and it is there the young couple will make their future home.

BASTRESS-COOL.—On Monday Robert T. Bastress, of Graybill, Ind., and Mrs. Elizabeth Corl, of Pennsylvania Furnace, were in Bellefonte and callers at the WATCHMAN office, and though they said nothing about it at the time their actions were just suspicious enough to lead us to think that something was going to happen. And something did happen, too, for on Wednesday afternoon they went to Tyrone where they were united in marriage by Rev. J. H. Daugherty, at the Methodist parsonage on Logan avenue. Mr. and Mrs. Bastress are now on their way to Graybill, Ind., where they will make their future home.

McCLELLAN-WESTWOOD.—Bellefonte friends will be interested in the announcement of the marriage of captain Clarence A. McClellan, of the Salvation Army corps, of Cleveland, Ohio, and captain Gertrude Westwood, of the same place. The wedding took place in Beulah tabernacle, Cleveland, on Monday, August 3rd. The bride is said to be a very accomplished young woman and one who takes a deep interest in Salvation Army work. The bridegroom is a son of Mr. and Mrs. Charles McClellan, of this place, and has been connected with the salvation Army for the past five years.

FOX-WOOMER.—A quiet wedding took place at the home of Mr. and Mrs. Michael Woomer, at State College, on Thursday evening, July 23rd, when their daughter, Miss Mary Gertrude Woomer, became the bride of Morris W. Fox, a graduate in the mechanical engineering department of The Pennsylvania State College. The ceremony was performed by Rev. Charles C. Snavely, of the Methodist church. The next morning Mr. and Mrs. Fox left on a wedding trip east.

RYAN-LOHR.—James H. Ryan, of Lewistown, and Miss Vernon Lohr, of Howard, were married on Thursday evening of last week at the home of Mr. and Mrs. Abraham Otto, in Altoona. Rev. H. J. Schuartz, of the Methodist church, performed the ceremony. The young couple were attended by Mr. and Mrs. Richard McDonald, cousins of the bride. Mr. and Mrs. Ryan will make their home in Altoona.

MARRIAGE LICENSES.—The following marriage licenses were issued the past week by Register Earl C. Tuten.
Victor Eves, of Stormstown, and Lulu Thomas, of Buffalo Run.
Ben R. Curry, of Beaver, and Nettie Jane Cook, of Bellefonte.

MATCH FACTORY TO BE DOUBLED.—Two months ago the WATCHMAN published an item in effect that the Pennsylvania Match company had in contemplation the erection of another building so that the present capacity of their plant could be doubled. They have now decided to go ahead with the project and work on the same will be begun at once. This will mean the spending of thousands of dollars in building and equipment but the expenditure will be fully justified as the company now cannot half meet the demand for their matches. When the new building is completed and the plant ready for operation it will mean employment for from seventy-five to one hundred additional employees.

The fifth annual reunion of the Queigle-Montgomery families will be held at Pine Station camp meeting grounds on Thursday, August 27th. It is expected that over 400 will be present. In Clinton, Lycoming and Centre counties the woods are full of the clan, and they come to the reunion from all parts of the State and from every State. John W. Grier, secretary, Jersey Shore, will furnish additional information to any one who may wish to learn about the reunion.

During the next month some extensive improvements will be made to St. John's Episcopal church in this place. All the loose trimming stones in the wall will be replaced with new ones, a choir room will be built in the rear of the church, a concrete floor laid in the basement and a new carpet and other furnishings put in the main auditorium. And while the work is being done Rev. Hewitt will take his month's vacation.

The Snow Shoe Electric Light company has been organized by John G. Uzzle, George B. Uzzle, John F. Uzzle, David Chambers and W. E. Brown and as soon as a charter can be secured a plant will be erected for the purpose of furnishing electric light for the borough of Snow Shoe.

Manager A. W. Moore, of the Western Union Telegraph company, ought to be feeling quite big-like these days from the handsome way he has had his office in the Bush Arcade fixed up. Patrons of that office have difficulty in recognizing their surroundings when called there on business.

The theaterium is one of the best places in Bellefonte to spend a half hour each evening because you are always sure of the best class of entertainment. A big double bill will be given both to-night and to-morrow night. Christy Smith's orchestra will also be present to-morrow night and play the very latest music. Five cents pays for it all.

Hon. Robert M. Foster, of State College, ended the fishing season with exceedingly good luck last Friday. He had that succeeded in landing one of the nicest baskets of trout ever brought to State College. His basket was full and the trout ranged in size from 10 1/2 to 15 inches in length. Of course Bob is as proud of his day's success as a small boy in his first pair of trousers.

S. D. Ray, proprietor of the Bellefonte shirt factory, has been busy this week during a temporary shut down installing a gasoline engine to furnish power for his sewing machines. Heretofore steam was the power used. Mr. Ray will not dispense with his boiler but will keep it for the purpose of furnishing steam to heat his factory during cold weather. The factory will likely resume work next week.

The annual convention of the Central Pennsylvania district firemen's association will be held in Phillipsburg on Thursday and Friday, August 20th and 21st. The committees who have the affair in charge have the arrangements well under way and there is every assurance that the firemen will be well entertained when they go to Phillipsburg. Both the Bellefonte companies will have large delegations present.

Several members of the Rogers Fire company No. 1, of Juniata, came to Bellefonte in an automobile last Friday on the hunt of a team for their engine. They found several teams here they liked but finally purchased the team of blacks from Roland Miller, of Coleville. The price paid was five hundred dollars. The team, Dick and Charlie, were taken to Juniata on Saturday and upon their arrival there were weighed, tipping the scales at 1300 and 1260 pounds respectively. They will be used by the company for hauling their fire engine and by the borough for hauling on the streets.

What angers well for a return of the old fashioned simplicity of living and entertainment is the present popularity of bungalow, cabin and tent life. There is increasing desire on the part of professional and society people to escape from the conventions of fashionable resorts and find relaxation in the seclusion of real country. Fortunate is the host or hostess who can offer to guests the opportunity of such indulgence! Mrs. John Walker and Miss Shortridge are at present entertaining at their cabin along Buffalo Run, Misses Harriet, Nettie and Sara Gutrie, of Philadelphia; Miss Mary Sterrett, of Titusville; Miss Winifred Woods and Master Parkinson Woods, of Carlisle, and Mrs. Mary Nolan, of Chicago.

Upon instructions from the Secretary of War, at Washington, constable Joseph B. White, of Beech Creek, last week took into custody Miles Stone, of that place, for desertion from the regular army at a post near Providence, Rhode Island, about a month ago, and only a few weeks after he had enlisted at Fort Slocum, N. Y. Mr. White took the young man to Fort Deton, Maryland, where he turned him over to the government officials at the army post. The young man apparently regretted his enlistment and became anxious for home, and managed to get away without being observed in civilian clothes. For his rash act he will have to submit to a court martial and probably undergo some imprisonment.

Pine Grove Mentions.
