Another Republican Victory.

(Continued from page one)

TEXAS. Dallas, Texas, Nov. 3.—Returns indicate the election of the entire Democratic ticket, both State and national, by the usual majorities.

MINNESOTA. St. Paul, Nov. 3.—Returns fairly indicate that Taft has carried Minnesota by 80,000, and that Johnson, Democrat, is re-elected Governor by 25,000.

These figures show a loss for both the Republican Presidential candidate and the Democratic gubernatorial candidate as Roosevelt in 1904 carried the State by 161,000, and Johnson—his first election—76,633.

ILLINOIS. Chicago, Nov. 3.—One hundred and thirty precincts out of 2611 in Illinois, outside of Cook county, gave Taft 21,185; Bryan, 13,069.

It is estimated that this city will give Taft 50,000 over Bryan. Practically complete returns from Tazewell county give Taft 3990; Bryan 4070; Deenen for Governor, 3560; Stevenson, 4170.

NORTH DAKOTA. Fargo, Nov. 3.—Conservative estimates place Taft's majority in North Dakota at 20,000.

Republicans, elected to Congress. Returns are coming in slowly from country. The United States Senatorial contest between Thomas Marshall and M. N. Johnson appears exceptionally close.

The Latest Election Results.

Since the general election returns found in this paper, were put in type, later returns have come in, showing that while Taft's election is assured beyond a doubt, the vote claimed for him in many of the States has been materially lessened.

Indiana elects its entire Democratic State ticket, secures a majority on joint ballot in the Legislature and will elect a Democratic United States Senator.

ARMAN, DEMOCRAT, ELECTED GOVERNOR OF OHIO BY 20,000 PLURALITY.

Cincinnati, Nov. 4.—Fifty thousand plurality for Taft was the election day expression of the voters of Ohio, who, however, at the same time chose the head of the opposition state ticket by a plurality of 20,000.

More than half the precincts of the state are included in the figures that show these results, and any later difference will be simply as to the size of the plurality, there being no question of the certainty of the result.

Judson Harman, attorney general for Cleveland, Democratic candidate for Governor, is conceded to have won. As to a majority in the Legislature, both sides declare a victory.

INDIANA.—DEMOCRATS IN CONTROL OF LEGISLATURE AND GAIN SEVEN CONGRESSMEN.

Indianapolis, Ind., Nov. 4.—A radical change in Indiana's representation in the national house of representatives was the most striking feature of yesterday's election.

The latest unofficial returns, complete, give the Democratic party 11 members and the Republicans two. This is a gain of seven for the Democrats.

Taft carried the state by about 8000. Thomas R. Marshall and the entire Democratic state ticket are probably elected by a plurality of about 15,000.

The state Legislature is probably Democratic, which means that a Democratic successor to Senator James A. Hemenway will be chosen.

In this connection the name of John W. Kern, Democratic candidate for Vice President, is mentioned.

Republican State Chairman Goodrich today admitted that the Republicans lack two votes of having a majority of the Legislature on joint ballot.

BRYAN MAKES CLEAN SWEEP IN NEBRASKA.

Lincoln, Neb., Nov. 4.—Beginning with a brilliant victory in his home precinct, W. J. Bryan reversed a majority of 2000 in this city, carrying his county by a handsome plurality and will win the state by 10,000.

His vote was unprecedented, Lancaster county being accounted the banner Republican stronghold of the state.

Governor George L. Sheldon probably has been defeated for re-election by 8000 votes, Ashton C. Shallenberger the Democratic candidate, running slightly ahead of Bryan.

State Chairman Keifer, of the Republican State central committee, this afternoon conceded the Legislature to the Democrats by a decisive majority.

Nebraska will not elect a Senator this year.

The Democrats probably have a clean sweep of the Congressmen.

DEMOCRAT LEADS IN NORTH DAKOTA FIGHT.

Fargo, N. D., Nov. 4.—Reports from the western part of North Dakota, in counties organized under the present state administration, give John Burke, Demo-

crat, a lead of nearly 2000 for Governor, after a neck and neck race with C. A. Johnson, Republican.

Democratic leaders claim a majority of 3000 with outlying precincts still to hear from.

THE MARYLAND VOTE. Baltimore, Nov. 4.—The political pendulum has swung once more, and to night, on the face of unofficial returns, Taft has carried Maryland by 149 votes.

Two hours earlier, with fifteen precincts on the Eastern Shore to hear from it appeared that Bryan had carried the state by 200 votes.

Both Republicans and Democrats were claiming victory at midnight. The latest official figures shown give Taft 97,596 and Bryan 97,447 votes.

BRYAN WINS COLORADO. Denver, Col., Nov. 4.—Estimated pluralities by counties, based on incomplete returns, indicate that Bryan and the entire Democratic state ticket headed by John F. Shafroth for Governor, carried Colorado with pluralities in the neighborhood of 5000.

The Democrats probably will control the Legislature by a narrow margin, insuring the election of Charles J. Hughes, Jr., as United States Senator to succeed Senator Teller, Hughes having been endorsed for the position by the state convention.

BOTH PARTIES CLAIM THEY HAVE CAPTURED THE GOVERNORSHIP IN WEST VIRGINIA.

Wheeling, W. Va., Nov. 4.—White fuller figures this afternoon showed that Taft had carried West Virginia by a safe plurality of several thousands, the state ticket may not have gone through with him, Bennett, Democrat for Governor, having the better of the argument in probably half the state.

On these figures Bennett had more than 1000 plurality. The Register claims the election of Bennett, Democrat, for Governor, by 12,000, on the basis of compilation of precinct returns.

STATES.

Table showing election results by state, including columns for Republican, Democrat, and Total Electors. States listed include Alabama, Arkansas, California, Colorado, Connecticut, Delaware, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin, Wyoming.

Total Electors: 483 299 174

Pennsylvania's Latest.

This State Shows the Highest Gains for Bryan and the Largest Plurality of any for Taft. Democrat Elect Five Congressmen—Rothermel, Palmer, McHenry, Wilson and Nicholas and Defeat Penrose's Candidate for Speaker—Haggood.

Complete returns from 58 of the 67 counties in the State and careful estimates from the other nine where the count of the vote has not been complete, give Taft a plurality of 289,534.

Philadelphia gave Taft a plurality of 110,690. Bryan carries 13 counties. Alton B. Parker in 1904 carried only six.

Yesterday's additional returns from Pennsylvania counties did not materially change the Taft plurality. This is a notable Bryan gain, when compared with the Roosevelt-Parker vote of four years ago; yet it leaves Pennsylvania the banner Republican State in the Union.

Some of the changes and conspicuous changes brought out by yesterday's additional figures were the re-election of Nichols, Democrat, to Congress, by a plurality of 174 over Farr, Republican, in the Lackawanna district; the re-election of Wilson, Democrat, to Congress in the Fifteenth district by over 2100 plurality, as compared with his two-times Republican opponent, Elias Deemer, the millionaire, and the defeat by a narrow margin of Robert P. Haggood, the Republican legislator from McKean county, who was to have been Penrose's next Speaker of the House at Harrisburg.

Pennsylvania will thus have five Democratic Congressmen in the next House at Washington—Rothermel, of the Berks-Lehigh district; McHenry, of Columbia county, also re-elected; Nichols and Wilson, the miners' Representatives, and A. Mitchell Palmer, of Monroe, for the Twenty-sixth district.

Walker Defeated for Congress.

Though beaten in his run for Congress W. HARRISON WALKER, of this place, was not humiliated by an overwhelming defeat and has the satisfaction of knowing that he at least ran away ahead of the Democratic national and state tickets, even in this year of a Republican landslide, cutting Congressman BARCLAY'S majority of over four thousand two years ago down to 2704.

And that when TAFT carried the district by over eight thousand majority. The result, therefore, shows not only the hard work Mr. WALKER did during the campaign, but the high esteem in which he was held throughout the entire district. This is especially noticeable in Clearfield county where Mr. BARCLAY received only about one-third the majority he did two years ago. Had this been even a normal year, without any semblance of a Republican landslide, Mr. WALKER would have stood a very good chance of being elected. The majorities against him in the four

counties in the district are about as follows:

Table showing vote counts for counties: Centre (223), Clearfield (732), Cameron (299), McKean (290), Total (1584).

Just a Little Rooster for Meyer.

Tuesday's Election.

The election on Tuesday passed off quietly in Belleville, there being very few disturbances. The day was a pleasant one and about eighty per cent. of the total vote in the county was polled.

Naturally the fact is already well known that J. C. MEYER, for the Legislature, was the only man on the Democratic ticket elected with the exception of the minority County Commissioner, JOHN L. DUNLAP, who had sixty-six more votes than C. A. WEAVER, and the minority Auditor, JOHN W. BECK, who had 112 more votes than JOHN L. COLE.

The Republicans elected were the Sheriff, Treasurer, Register, Recorder, two County Commissioners, two Auditors and the Coroner. For detailed vote see table.

\$500 Reward. The Pittsburg Gazette Times in Search of Story Writers.

One of the greatest strokes of enterprise by newspaper publishers is the proposal of the Pittsburg Gazette Times to pay \$100 for the best solution to the mystery in Helen Mathers' remarkably clever unfinished new serial, entitled "Love, the Thief," the first installment of which will appear in The Gazette Times on Sunday, November 8, when full details of the contest are to be published.

The balance of the \$500 will be distributed as follows: \$25 to the person who submits the second best solution, \$10 to the one sending the third best, and \$5 each to those who supply the 75 next best.

Thousands of people will hail this opportunity not alone as a means of earning Christmas money, but to show their ability at gathering up the ends of a strange mystery and clearing it in few words.

Literary talent is not necessary as The Gazette Times offers the prizes not for a literary composition, but for the best solution to the story.

Men and boys, as well as women and girls may compete. Only the employes of the publishers, in fairness to the public, will be ineligible.

Installments of the story will appear regularly in the Sunday and daily editions of The Gazette Times to the conclusion of next to the final chapter.

Then solutions will be received during the period lapsing between that issue and the issue of the following week.

The prizes will be awarded at the earliest possible date after the judges have determined the awards—in plenty of time to give the successful contestants use of the money for Christmas.

The Gazette Times announces that manuscripts of contestants must be forwarded by mail, addressed to the Prize Mystery Story Editor, care Pittsburg Gazette Times, Pittsburg, Pa. Personal interviews cannot be granted.

ADDITIONAL LOCALS.

The President has issued his proclamation designating Thursday, November 26th, as Thanksgiving day.

Daley Justice was on Tuesday sworn in as a member of the borough police force in place of William Beizer, resigned.

Even the town clock got snob a job over Tuesday's election that it stopped at 1:25 o'clock that night and hasn't run a minute since.

Before the returns were all in on Wednesday several men made their appearance at the court house in quest of the officials-elect to put in an application for a job of some kind.

You want to hear in mind that entertainment the ladies of the Episcopal church will give in the opera house about November 17th. It will be both interesting and entertaining.

Charles, the thirteen year old son of Mr. and Mrs. C. E. Council, formerly of Phillipsburg but now of Trenton, N. J., committed suicide on Saturday. Overstudy is given as the cause.

Belleville is to have a new restaurant which has just been fixed up and will be opened on Saturday evening in the room adjoining Schofield's harness house. See advertisement in this copy of the WATCHMAN.

The Pennsylvania telephone company made quite a bit on Tuesday night in the quick and complete way in which they furnished the election returns from over the country. Their reports were among the earliest received and most accurate throughout; and as their service was given free it was all the more appreciated.

Not in vain have hunters of small game had such poor success as they have had this year. Squirrel are unusually scarce and as to pheasants and rabbits, if there are many of them they are keeping themselves hid pretty closely. Wild turkeys are more plentiful than any other kind of game, as quite a number of those have been killed so far this year.

On Monday Samuel Homan, of Hecla, was in Belleville and while walking along Bishop street fell on the pavement in front of Galbraith's jewelry store. It was at first thought he had been stricken with paralysis but fortunately it was nothing more serious than a spell of dizziness caused by an attack of acute indigestion. He soon recovered sufficiently to be taken home.

HORSE SHOW AT STATE COLLEGE.—

Though it was the first attempt at anything of the kind the horse show at State College last Saturday proved a bigger affair and more interesting than even its projectors anticipated, and so well satisfied was everybody that had anything to do with it that there is no doubt but it will be made an annual affair hereafter.

The show was conceived and under the management of Thomas I. Mairs, assistant professor of animal industry, who was untiring in his efforts to make the show a success. And as evidence that it was so is given the fact that just one hundred and forty-seven horses were on exhibition and the show was attended by between five and six hundred people, mostly farmers from various portions of the county, with a sprinkling of gentlemen horse owners.

Had it not been for the cold weather the crowd would undoubtedly have been much larger.

Dr. Carl W. Gay, of Philadelphia, an authority on horses, was judge and the committee in charge consisted of A. F. Markle, W. F. Reynolds, W. L. Foster, N. E. Hess and T. I. Mairs. The prizes consisted of blue, red and white ribbons and the full list of entries and prize winners is as follows:

Monday night the house of George Hendricks, on Marsh Creek, was entirely destroyed by fire together with most of the furniture and practically all of the clothing of the entire family.

Mr. Hendricks had gone to Beech Creek on a business trip and at 8:30 o'clock Mrs. Hendricks with her six children went upstairs to retire for the night. While they were undressing the lamp exploded, the oil spluttering around the room. It took fire almost instantaneously and it was all Mrs. Hendricks could do to save herself and children.

Neighbors managed to get some of the furniture in the lower part of the house out but everything on the second floor was burned. The house was in ashes when Mr. Hendricks reached home. His loss will be about two thousand dollars, partially covered by six hundred dollars insurance on the house and two hundred on the furniture.

MARRIAGE LICENSES.—The following marriage licenses were issued the past week by Register Earl C. Tuten.

Wm. Thomas Stine and Alma Williams, of Benora. Radolph Zoli, of Benner Twp., and Annie Senko, of Belleville.

Foster Dale Walker, of Spring Mills, and Bertha Eva Weaver, of Linden Hall. Robert Hendershot and Hattie Pardoe, of Belleville. Henry G. Denneker, of Retort, and Mary Grifley, of Ocoola Mills.

Thomas Caldwell was laid up all of last week and the most of this with a very sore knee.

Now that the election is over deer hunting will engross the attention of the sporting public, and they will not have long to wait for it, either.

Memorial services in behalf of Rev. John F. Tallhelm and Rev. John Craig will be held in the United Brethren church at Julian on Sunday morning, November 15th.

Ray Hoy, of College township, and Miss Stella McCoy, of this place, will be married on Thursday next week at the home of the bride's parents, Mr. and Mrs. Charles McCoy, on Thomas street.

The first snow flakes of the season in Belleville were seen flying through the air on Saturday, while the weather felt very wintry-like. It is to be hoped, however, that it will not freeze up until there has been enough rain to replenish all the springs and streams in the county.

Nothing of special importance was transacted at the regular meeting of borough council on Monday evening. The special committee on a borough electric light plant reported progress but so far have done nothing definite except for council to take any decisive action thereon.

Nothing of any unusual moment was reported by any of the regular committees.

The scenic theatre made a hit on Tuesday evening in the complete way in which it handled the election returns. But then that was only another evidence of the determination of the manager, T. Clayton Brown, to cater to the public desires.

The pictures, of course, have been up-to-date as usual, and the fine playing of Claire Kohr, the new pianist, has attracted crowds nightly.

Because two Republican commissioners were elected on Tuesday John Trafford on Wednesday resigned his job as janitor at the court house and yesterday morning went to work as clerk and extra bartender at the Garman house. His prompt relinquishing of his old job was done new because he had the opportunity to step into a new position at once, a thing he might not have had had he waited until he was deposed by a new appointee on February 1st, 1909.

Mrs. O. H. Shaffer, of Altoona, underwent an operation in the Altoona hospital, last Thursday afternoon, for appendicitis. Before her marriage Mrs. Shaffer was Dr. Mary Thompson, a daughter of Mr. and Mrs. John I. Thompson, of State College. She was well as usual last Thursday morning, taking sick just before noon and her condition growing serious so rapidly she was operated upon the same afternoon.

Since she has been getting along splendidly and every indication is for her speedy and entire recovery.

A two-thirds grown loon was caught in the yard of the WATCHMAN editor's home last Saturday morning. How the bird got there is a mystery but in flying over the town it must have been blinded by the arc light and losing its bearings descended to the ground. Once there it was as much a captive as if penned in a steel cage as a loon cannot raise on wing only from water and of course there is no swimming pond in the editor's yard from which it could get a start. The bird was easily captured and some of these days it will occupy a place in Trudl Parker's private museum.

Robley and Westbrook, with their sanitary vacuum cleaner, arrived in Belleville on Wednesday and at two o'clock the same day started cleaning the Methodist church. The cleaner is a large one, being operated by a fourteen horse power gas engine. It took three men one day, or until yesterday noon, to clean the main auditorium on the second floor, from which over two bushels of dirt were taken. Yesterday afternoon they began on the lecture room and other rooms on the first floor which they expect to finish today some time. It is quite likely they will get considerable cleaning to do in Belleville.

Hallowe'en in Belleville passed off in a very genteel-like manner, and the young people of the town are to be commended for conducting themselves in every way like ladies and gentlemen. Of course there was the usual ringing of door bells, the throwing of corn and the turning over of a few crosses, but not a single instance of destruction of property or unwarrantable depredation of any kind has come to the knowledge of the writer. Innocent and harmless amusements on Hallowe'en should not be curtailed in any way and young people are naturally expected to enjoy themselves to the utmost. Of course there were a number of Hallowe'en parties and masquerades, all of whom had a delightful evening of it.

Workmen at the Episcopal church on Monday found a wren that had actually met death by hanging, though it is hardly likely it was a case of suicide. The little bird was evidently bent on building a nest under the cornice of the church roof and had found a piece of twine about a foot in length. The one end was caught on the bird's bill and the string was wound around the throat and knotted so it could not be gotten loose, while the other end was fast in the cornice. The fact that only the skeleton and feathers of the bird remained is evidence that it met its singular death months ago. Though this is no rare occurrence in bird-ology yet it is the first instance of the kind to come under the observation of the writer.
