They are the last word in style. They look and fit better than any clothes you have ever seen, either custom or ready made. They are better tailored, made of better materials than any clothes we ever sold. There is an assortment of styles, colors, patterns and materials on our tables larger than you will find in all of Bellefonte's other stores combined. We have prepared the clothing wants of everybody—from the honest wearing low priced to the very finest hand tailored clothes produced in America.
