

Young Men, Middle Aged, Old Men,

You may classify yourself anywhere you please; either by years or your taste in clothes style.

We Have The Right Clothes Here

for you, whatever age or taste you go by.

Young men especially will find here

THE VERY SNAPPY STYLES

they like to wear. A little extreme, maybe, but they like 'em.

The other More Conservative Styles are here too—and there's no end to selection in this enormous showing. There are really More New Clothes here than in any two other Bellefonte stores.

The Right Sort and at the Right Price

These Clothes have a Style and Finish about them; a Perfection of Tailoring; a Fitting Quality, which you get in no other clothes. A comparison will prove this and that our prices are as low as the ordinary sort of clothes.

We Are Ready When You Come.

SIM, THE CLOTHIER,

THE STORE THAT HAS ALWAYS PLEASED.
