THAT SPELLING BEE. -Just \$20.05 was spelled from the pockets of the people of Bellefoute into the fund for clearing up the debt of the new Hughes field, at an oldfashioned spelling bee in the court house -Will Rees, of Patton, was in Bellefonte last on Monday evening, and the only regret is that the sum was not larger, because the object is a most laudable one. The bee had only been advertised a few days and that might be the reason that it was not a bigger bee. But be that as it may, it was a very entertaining bee at that, and being a bee without a stinger left no pains in its trail outside of the little qualms of selfconsciousness that smote each speller as he or she went down on some word which afterwards seemed quite simple and easy.

James R. Hughes presided over the bee and gave out the words while Mrs. H. C. Quigley and Miss Helen E. Overton acted as judges, referees, etc. William A. Lyon and Rev. J. Allison Platts were selected as captains of the two sides and in the selection of their spellers both displayed a ties of their chosen lieutenants. About sixty people took part in the bee and when it once got agoin' there was more buzzing than a whole colony of bees would make. When it came to spelling down some of the participants grew tired very quickly while others, of course, stood up longer. Harry Keller Esq., carried off the honors but he had to spell some to down John Blanchard Esq. and Prof. Arthur Sloop. Taken as a whole, however, it was a nice little bee and it wouldn't be a bad thing to have them more frequently.
