

Democratic Watchman

Bellefonte, Pa., August 27, 1909.

TERMS OF SUBSCRIPTION.—Until further notice this paper will be furnished to subscribers at the following rates: Paid strictly in advance, \$1.00; Paid before expiration of year, \$1.50; Paid after expiration of year, \$2.00.

DEMOCRATIC STATE TICKET.

For Judge of the Supreme Court, C. LARUE MUNSON, of Williamsport. For State Treasurer, GEORGE W. KIPP, of Towanda. For Auditor General, J. WOOD CLARK, of Indiana. Democratic County Ticket. For Jury Commissioner, J. ADAM HAZEL, of Spring Township.

To Be Remembered.

There is one fact that every Democrat voter, and particularly every Democrat register or tax assessor should remember, and that is, that young men who voted on age last fall MUST be registered or they can not vote under any circumstances. Others who have paid a state or county tax within two years may be able to swear in their votes, if they are not upon the Registry, but the voter who cast his first ballot in 1908 has no possible chance to do this. He is not upon any duplicate, has no tax assessed against him, and consequently cannot qualify to having paid a tax, as is necessary where voters are left off the Registry. By failing to register he practically and effectually disfranchises himself. There is no way by which he can vote, and Democrats should remember and see that every young Democrat who voted on age in 1908, is upon the polling list of 1909. And this must be seen to before the evening of September first. Don't forget this.

ADDITIONAL LOCALS.

Fred Reese is now acting deputy sheriff until the regular deputy, James B. Strohm, recovers from the broken leg received last week while trying to recapture a prisoner.

The requests for tents on Grange park, Centre Hall, during the Grange Encampment and Fair, have been in such large numbers that the management has been twice obliged to increase their tent orders. All tents are 12x12 feet, with four foot walls, and will be supplied with floors, tables, banks and camp benches. Tenting is one of the most delightful features of the fair. The tents rent for \$3.00, which includes all the accommodations and conveniences offered by the management.

Sunshine and flowers are two things that always render every occasion the more delightful, and of the latter there are none which excel the roses in springtime. But roses the summer through are just cause for special remark, and that is what one can find in the yard of Mr. S. A. McQuestion, on High street, where Miss Mary reigns as culturist and has a selection of roses and other flowers that cannot be equalled in Bellefonte. One of her choicest varieties is the la France rose, which today is as fresh and fragrant as the first blooms of spring.

The bricklayers on Monday began laying brick on the new High school building. The walls on the north end of the building in which the auditorium will be located will be composed of three thickness of red brick and the facing of one layer of pompeian brick, or about sixteen inches in all. The southern portion of the building will have walls of only three layers of brick in thickness, which is deemed amply heavy for that part of it. The casing of pompeian brick will be strongly held to the main wall of red brick by galvanized iron hangers while the latter will be strongly bound together in the laying so that when completed it will make a very substantial wall. Eight or ten bricklayers are now at work on the building and this force will be increased as the shipment of pompeian brick warrant it. The building has now reached that point where a large number of the shade trees on the ground close to the building will have to be removed to get their branches out of the builder's way.

Now that the big business men's picnic is over the next event will be the Grange encampment at Centre Hall, and as it will open in two weeks from tomorrow it is none too early to make your plans to attend. The management is arranging to make this year's gathering equal to any held in former years, and the fact that the annual reunion of the Centre county veteran club will be held at Grange park on Tuesday of that week will no doubt result in attracting a larger crowd than usual. A good list of speakers will be booked for the week and the exhibitions and attractions promise to be numerous enough to keep everybody busy all the time. And then after the Grange's encampment the next event of any consequence will be the big Centre county fair on October 5, 6, 7 and 8, which this year will be just as big, if not bigger than ever. While the season has not been the best for prize exhibitions of fruit and farm produce all other departments will doubtless be in keeping with the fair in former years, and judging from the hard work the management is already doing in that line the free attractions will probably excel those of last year. So paste the fair dates in your hat and arrange to attend and help make it the success it should be.

HOOPER.—Arnold Plummer Hoover, a member of the Hoover Merchandise company, of Juniata, died at his home in that place on Saturday evening of diabetes and other complications. He had not been well for several years but was able to be around and attend to business up until two weeks prior to his death.

Deceased was a son of Joseph and Rebecca Hoover and was born at Unionville, this county, January 11th, 1861. He went to the public school and worked on the farm until he was eighteen years of age when he went west and located in St. Paul, Minn. He went to work in a flouring mill and several years later entered the employ of the Northern Pacific railroad company as a clerk. He was promoted from time to time until he finally became chief freight claim agent, a position he filled for many years. In April, 1906, he resigned the above position and coming east located in Juniata and became a member of the Hoover Merchandise company in which he took an active interest almost until his death.

While in St. Paul he was united in marriage to Miss Lottie Shutte who with four children, Ada Rebecca, Willis Plummer, Lewis Ferrington and Harry Joseph, survive. He also leaves the following brothers and sisters: J. W. Hoover, of Altoona; Mrs. Lucy A. Davidson, of Unionville; Mrs. Helen H. Colburn, of Riddlesburg, and Mrs. R. G. Stover, of Brooklyn, N. Y. Mr. Hoover was a member of the Methodist church and of the Modern Woodmen of America.

Brief funeral services were held at his late home in Juniata at ten o'clock Tuesday morning by Rev. Charles T. Dunning and later the remains were brought to Unionville where more extended services were held in the Methodist church in the afternoon, burial being made in the Unionville cemetery.

KUHN.—Catharine Carner Kuhn, relict of the late John Kuhn, died at her home at Shingletown last Sunday afternoon, after many months illness with diseases incident to old age, her death no doubt being hastened by that of her husband which occurred only a week previous. She was eighty-four years old and had lived all her life in that vicinity. She was a member of the Reformed church and a good christian woman, always kind and thoughtful in her treatment of others and ever ready to lend a helping hand to those in need.

She is survived by three children, namely: Mrs. Martha Grambine, of Vintondale; William and Anna at home. The funeral was held at nine o'clock on Tuesday morning, Rev. A. A. Black officiated and burial was made in the Boalsburg cemetery.

KELLER.—William D. Keller died at his home at Axe Mann last Thursday after a short illness. He was born at Boalsburg and was 65 years, 7 months and 19 days old. In 1865 he was united in marriage to Miss Susan E. Meese who survives with the following children: Mrs. Katharine From and Mrs. Margaret Brown, of Bellefonte; Jared, of Axe Mann, and David, at home. His aged mother, Mrs. Margaret Keller, of Warren, Ill., also survives and the following brothers: Ephraim, of Pleasant Gap; George, of Houserville, and Dr. U. S. G. Keller, of Boalsburg. He was a member of the Reformed church and Rev. Schmidt officiated at the funeral which was held on Sunday afternoon, interment being made in the Pleasant Gap cemetery.

YOUNG.—Mrs. Maggie Young, mother of Frank H. and the late George C. Young, of this place, died in the Altoona hospital Wednesday night. The death of her son George in March was a severe blow to the aged woman and after her removal with her son Frank from this place to Altoona in April she has been in poor health. Saturday she was found in her bed room suffering with a stroke of paralysis and on Sunday she was removed to the hospital. Her condition grew gradually worse until her death Wednesday evening. She was born at Shamokin and was seventy-three years of age.

LAMEY.—Mrs. Mary Lamey, widow of the late Michael Lamey, died at her home in Millheim on Thursday of last week, aged 76 years, 6 months and 1 day. She is survived by two children, W. H. Lamey and Mrs. W. F. Colyer, both of Millheim; also the following brothers and sisters: D. L. Geary, of Newport; Washington and George Geary and Mrs. Lizzie Richards, of Iowa; Mrs. Lucinda Runkle, of Spring Mills, and Mrs. William Stewart, of Axe Mann. The funeral was held last Sunday afternoon.

ROTE.—Edward J. Rote, son of Mr. and Mrs. Clayton Rote, of Wilkingsburg, but formerly of Coleville, died last Friday of kidney trouble, aged almost nine years. The remains were brought to Bellefonte on Monday and after funeral services were held in the United Brethren church burial was made in the Union cemetery.

BULLOCK.—Virginia, the bright and interesting little daughter of Mr. and Mrs. Forest Bullock, died on Friday evening of last week of cholera infantum after two days illness, aged two years. The funeral was held on Monday afternoon, interment being made in the Union cemetery.

—You can make some money if you are in the market for buggy and team sets. 54-34-21 JAMES SCHOFIELD.

—Contractor R. B. Taylor is making fair headway on digging out the foundation for the new addition to the court house, considering the proposition he is up against. To dig a hole 30x70 feet fifteen feet deep through such solid limestone rock that every foot of it must be blasted out, and at the same time exercise care that adjoining buildings are not injured is a job of no mean undertaking, and that is just what Mr. Taylor has got to do. With that he has at one point reached almost the mean depth, though his contract is not one-fifth completed, and at the rate it is going it will be well into October before the contractors will be able to lay a stone on the foundations for the new building. In the mean time it is probable that some of the alterations and improvements on the old court house will be made in order to have it completed for the November term of court.

—The suggestion made by the WATCHMAN last week to celebrate the fiftieth anniversary of Andrew G. Curtin's election as Governor of Pennsylvania next year with an Old Home week and special memorial exercises the last week in May has met with the heartiest approval of the public. There is not another county in the State that has more occasion for such a celebration than has Centre. Governor Curtin was a native of the county and a resident of Bellefonte practically all his life and his illustrious career as Governor and later in Congress and as Minister to Russia gave him a world-wide reputation and even at this late date there are thousands who would willingly participate in any event tending to do honor to his memory. In addition to that, there are thousands of Centre constituents scattered all over the country who no doubt would be very glad to take advantage of such an opportunity to come back and visit their native land and friends of earlier days. Philadelphia has an association of Centre constituents, Blair county also has a club, there is one in Ohio, Illinois, Iowa and other States and a large per cent. of the members would likely return to celebrate an Old Home week. Therefore boost the proposition and let the people of Bellefonte and Centre county get together in time and start the ball rolling.

ODD FELLOW'S PICNIC.—An excellent program has been provided for the I. O. O. F. picnic which will be held at Hunter's park, September 6th, (Labor day). There will be two games of base ball, one between the Bellefonte and State College Odd Fellows, the other between the Rebekahs of these same lodges. Appropriate prizes are offered to the winners of the fat woman's race, nail driving contest, shoe lacing contest, candle race, fat man's race, lemon race, hop race, egg race, foot race, ball throwing contest, peanut roll and bean bag contest.

The most interesting feature of the day will be a baby show. Each picnicker will be allowed to cast a vote for his favorite tot. A very pretty wicker chair will be presented to the child receiving the most votes. A cash prize of \$3 will be awarded to the man with the largest family on the ground. Anti-race outsiders get busy. Dancing will reign supreme at the pavilion all day, an excellent orchestra having been provided for the occasion.

Several special trains will be run over the Bellefonte Central, and low excursion rates have been arranged for. Aside from the regular schedule, special trains will leave Bellefonte at 8:50 a. m. and 12:50 p. m. The last train for Bellefonte will leave the park at 8:30 p. m. One train will leave Pine Grove Mills at 7:35 a. m., and State College at 8:00 a. m.

OPENING OF BELLEFONTE ACADEMY.—The Bellefonte Academy will open its fall session in the Academic and A intermediate grades on Thursday afternoon, September 9th, at two o'clock.

The B intermediate and primary departments will open in the building, corner of Spring and Bishop streets, on Monday morning, September 13th, at nine o'clock.

The prospects for a large attendance are bright. The instructors are exceptionally strong and will be in charge as follows: Rev. James P. Hughes, A. M., principal emeritus, mathematics and coaching of backward pupils.

James E. Hughes, A. M., headmaster, latin and oratory. Arthur H. Sloop, A. M., assistant headmaster, physics, chemistry and higher mathematics.

Helen E. Overton, preceptress, elementary branches. Isabella S. Hill, Ph. B., principal of ladies department, English, rhetoric and literature.

Jennie Harper, elementary branches. Rev. J. Allison Platts, Ph. D., bible lectures. Sherwood E. Hall, A. B., history, ancient languages and civics.

Gilbert H. Whitford, B. S., business manager, bookkeeping, physical geography and mathematics. Harold F. Sabine, Ph. B., French and German.

Frank H. Streightoff, A. B., higher mathematics. D. M. Evans, A. B., mathematics and director of athletics.

—Don't fail to call and examine our team and buggy sets and get prices as we are offering bargains in full dozens and sheets for the next three weeks. 54-34-21 JAMES SCHOFIELD.

BASEBALL BOOMING.—The baseball fever within the limits of the Central Pennsylvania league is now at high pitch because of the fact that the pennant is easily within reach of any one of the four teams. This fact was made possible by the good ball the Bellefonte team has been playing the past two weeks, having up until yesterday had a string of six victories out of six games played. The winning streak began two weeks ago Wednesday with a victory over Jersey Shore, followed on the next Saturday with one over Renovo. Last week the locals again defeated Renovo on Wednesday and Jersey Shore on Thursday, the latter by a 4 to 2 score.

The biggest victory was over Look Haven on Saturday when Bellefonte won out by a 3 to 0 score in one of the prettiest exhibitions of baseball seen on any diamond in the league this season. Look Haven had heretofore been Bellefonte's Jonah but that day Manager Cunningham and his team were determined to win, if good ball playing would do it. Interest in the game was at such a heat that just ninety-eight people took advantage of the excursion over the Central Railroad of Pennsylvania to go down and see the game, while thirty-five others went down in nine automobiles.

The game was called at 4:20 o'clock with Martz and Turner the battery for Bellefonte and Young and Livingstone doing the heavy work for Look Haven. Young had always been a puzzle for the Bellefonte hitters but they found him on Saturday while the Look Haven batters could not connect with Martz's curves. The Bellefonte boys had a little the better of the play from the start though neither side scored until the seventh inning when, by a pretty exhibition of the "squeeze" play Bellefonte tallied the only three runs scored in the game and it was a happy crowd of rooters who came home that evening.

They continued their winning streak on Tuesday at the business men's picnic when they again defeated Look Haven by the score of 1 to 0, though unfortunately that was only an exhibition game and does not count in the pennant contest. But on Wednesday, just when everybody had come to believe that the Bellefonte team was well nigh invincible, they lost to Renovo on the home ground by the score of 5 to 4. And the saddest part of the defeat was that it was the result of poor playing on the part of the Bellefonte boys, four errors and poor base running being the causes. But there is no use knocking over what has been and can't be helped now so let us hope that during the rest of the season the Bellefonte team will play the kind of ball they are capable of playing.

The standing of the clubs up until Wednesday evening is as follows:

Table with columns: W, L, PC. Rows: Renovo (15, 13, 536), Look Haven (15, 13, 536), Jersey Shore (15, 15, 464), Bellefonte (12, 14, 461).

NOTES.

Too much picnic Tuesday for the Bellefonte players. Four costly errors enabled Renovo to make four of her runs. Mack, of Buffalo, pitched a good game for Renovo but at that the Bellefonte batters got eight singles.

Frank P. Blair & Co. are offering a set of gold cuff links to the Bellefonte player who makes the first home run. As it looked on Wednesday the links will remain in the jewelry store.

Bellefonte's share of the gate receipts at the game at the business men's picnic was about \$127, and with the score cards sold, advertising, etc., the management cleaned up over \$160, a good help.

In the second inning on Wednesday game Klepper tore loose the ligaments of his pitching arm but pluckily pitched the game to a finish, though he is now through for the season and left for his home yesterday.

Just because we lost on Wednesday is no evidence that we will do so every time, therefore if the weather permits go out and see the game with Look Haven this afternoon. The Look Haven bunch is a fast one but Bellefonte is just as fast, when they get in the game, and today is the day they will do it.

WILLIAMS FAMILY REUNION.—Close to two thousand people attended the Williams family reunion in the John Q. Miles grove near Martha last Saturday and the gathering proved one of the most interesting ever held. The forenoon was taken up principally in greeting old friends and everybody present becoming acquainted.

At dinner time huge baskets piled with good things to eat were brought forth and the happy picnickers enjoyed a dinner such as can only be had at such a reunion. Shortly after one o'clock there was a brief concert by the Port Matilda band and about two o'clock a meeting of the large crowd was called to order by the president, A. S. Williams. Following a prayer by Rev. Ake and the address of welcome by Walter Williams, of Port Matilda, brief speeches were made by Hon. J. C. Meyer, of this place; Rev. Bergen, of Petersburg; Clement Dale Esq., of Bellefonte, and Rev. Beach, of Port Matilda.

George W. McWilliams, of Ferguson township, was seventy-one years old last Saturday and a few of his intimate friends gathered at his home and gave him a surprise party. It was just a century ago that his grandfather, Samuel McWilliams, emigrated from Ireland and going into what was then a wilderness cleared the land and built up what is now known as the old homestead at Fairbrook. It was there that George W. was born and spent his entire life. Among the presents he received last Saturday was a liberal supply of tobacco.

WAPLE-HOOP.—Quite a pretentious wedding was celebrated in the Presbyterian church at Phillipsburg at six o'clock on Wednesday evening of last week, when Miss Leannor Hoop, daughter of the late Dr. G. F. Hoop, was united in marriage to Walter Waple, son of Charles M. Waple, proprietor of the Potter house, of that place. The ceremony was performed by Rev. R. P. Miller and the attendants were as follows: Maid of honor, Miss Laura McCasland; Mrs. Joseph Braden and Miss Katharine Troutwine, Tyrone, and Miss Ruth Irvin and Della Cross, Phillipsburg, bridesmaids. Catharine Waple was flower girl and Dorothy Platt, ring bearer. The ushers were Charles P. McCasland, Walter M. Todd, Charles G. Waple and Harry Barnes. Among the guests was Mrs. H. S. Taylor, of this place.

DREIBLEIS-SHURY.—The home of Mr. and Mrs. John Shury, in College township, was the scene of a pretty wedding on Tuesday evening when their daughter, Miss Elizabeth, was united in marriage to W. E. Dreibleis. The ceremony, which took place at eight o'clock in the evening was performed by Rev. A. A. Black, of Boalsburg, and was witnessed by a number of guests. The attendants were Miss Mabel Shury, as bridesmaid, and Daniel Lutz, as best man. Following the ceremony a wedding supper was served. The young couple are spending their honeymoon with friends down Pennsylvania and upon their return will go to housekeeping at Struble where the bridegroom is farming on the Dreibleis homestead.

At a meeting of the directors of the Hayes Run Fire Brick company held in Look Haven on Monday it was decided to rebuild the burned plant at Orvis of steel and brick so as to make it not only substantial but practically fireproof. Most of the insurance losses have been adjusted and it will require an outlay of \$30,000 in addition to the insurance to erect the building which will be 70x300 feet in size. Manager Keller was authorized to go ahead and have plans for the new building prepared at once.

HECLA PARK DANCES.—On Friday afternoon and evening of this week the usual concert and dance will be on at Hecla park. Trains leave Bellefonte at 2:30 and 6:55 p. m. Fare for the round trip, adults 25 cents, children 15 cents.

Don't miss the baseball game this afternoon. It will be the last but one opportunity Bellefonters will have to see the Look Haven team play on the home grounds.

Opening of Borough Schools.

All departments of the public schools of Bellefonte will open on Monday, September 6th. On account of the limited room at our disposal, the organization of the work will not be as complete as desirable, yet we feel that if all parents will co-operate with the teachers in transitional stage, more than the usual results can be guaranteed when the pupils are admitted into the new building.

While the structure is being completed, the following order will be carried out: The High school and Midway will hold full day sessions. The remaining grades will meet in the brick building—one half beginning at 8:30 and continuing to 12:00 o'clock; the other half from 1:00 to 4:30 o'clock. All pupils entering the first grade will report to Miss Alice and Bessie Dorworth in the morning. Pupils promoted to Miss McCaffrey's and to Miss Barnes' rooms will also report in the morning. Pupils promoted to Miss Gertrude Taylor's room will report at the same place to Miss Maud Harshberger, in the forenoon.

In the afternoon pupils going to Misses Helen Crisman, Helen Harper, and May Taylor will report regularly. Those advanced to Miss Longacre's room will report to Miss Underwood, and those to Miss Harshberger's room and to Miss Underwood's room will be consolidated under Miss Gertrude Taylor, except a certain number who will be sent to the Midway. Miss Carrie Weaver will conduct the junior grammar grade in Midway and Miss Jennie Longacre the senior grammar room.

Examinations for entrance to the High school or grades, and for the removal of conditions will be held in the brick building, on Friday, September 3rd, at nine o'clock in the morning.

JONAS E. WAGNER, Supervising Principal.

Spring Mills

C. P. Long has just received a car load of Portland cement.

The K. G. E. had a picnic at Penns cave on Wednesday last.

The Evangelical festival on Saturday evening last was largely attended. Quite a neat sum was realized.

The Lutherans are erecting a neat closed shed in the rear of the church building to protect the pastor's horse in inclement weather.

Orvis Beatty and family, of Aris, who have been here on a ten days visit to his mother, Mrs. Sarah Beatty, returned home Thursday last.

The Reformed Sunday school had a picnic at the Sand Springs on last Friday afternoon. The children report having had a delightful time, only the afternoon was too short.

That wave of prosperity and roast beef three times a day, so lavishly promised by the party of "great rural ideas," has not yet reached us. Where is it? Has the late miserably tariff scared it off? The drought has ended, vegetation revived, corn improved and the potato crop saved from failure. Apples will not be very plentiful in this locality, about every tenth tree has a few apples. Of course apple butter will be somewhat scarce.

J. H. Rishel, merchant, had two fine shade trees in front of his residence eight or ten feet high protected with boxing in height about five feet. On Saturday night some vandal out of pure deviltry deliberately broke off the top of one of them, of course ruining the tree. No one but a scoundrel would be guilty of such a dastardly act.

Dr. Braucht is putting down a cement pavement in front of his office and residence. George Wolf and Frank McClellan are preparing to do likewise. When completed they will live in a continuous cement walk, with the exception of the M. E. parsonage, from the residence of J. H. Rishel down to the iron bridge over Penns creek, a distance of over twelve hundred feet.

Maurice Rachen, one of our energetic and popular young men, was given a birthday surprise party on Monday evening last which was certainly very much to that young gentleman's astonishment as a party was never thought of, but visitors arriving so numerous he soon realized that for once he was completely "beaten out" and unexpectedly had quite a large and lively party to entertain. Of course with the aid and assistance of his accomplished sister, Miss Theresa, the occasion proved a most delightful one. Refreshments of a very elegant and inviting character were duly served to which all did ample justice. At rather a late hour all the guests retired to their respective homes, assuring Mr. Rachen and his sister that they had been delightfully entertained and wishing him many returns of the day. Mr. Rachen was the recipient of quite a number of useful and valuable remembrances. Those present were—Misses Mabel Finkle, Elsie Weaver, of Philadelphia, Gertrude Ream, Estella Wolfe, Mabel Brown, Jennie Decker, Anna and Ella Cummings, Messrs John Harter, Eben Finkle, Bruce McCormick, David Taylor, Ivy Bartsge and Mr. Caldwell.

Pine Grove Mention.

The Gatesburg school house is being painted.

Our public schools will open September 6th.

W. E. Stover spent Sunday with friends at Millheim.

Mrs. George Cronmiller and Mrs. Geo. Ard are among the sick.

Allison and John Eousman, of Altoona, are visiting friends at Struble.

Merchant N. T. Krebs is in Northumberland visiting his brother, Dr. Krebs.

Miss Eliza Moore, of Centre Hall, is being entertained at the O. F. Shaw home.

This section was quite well represented at the business men's picnic on Tuesday.

The new proposed telephone line from State College to Graysville has fizzled out.

Mr. and Mrs. Harry Musser spent Sunday at the home of Mr. and Mrs. William Bowersox.

Our jolly buzzer, Will Ferris, is all a wreath of smiles when he says it's a nice boy.

Mine host Randolph, of St. Elmo, spent Monday over at McAlvey's Fort, his old home.

Mrs. Olive Bowersox and two little girls are down from Altoona visiting the McWilliams home.

Dr. F. W. Bailey closed his dental parlors at Milton and came up to attend the Baileyville picnic Saturday.

After a month's visit with friends in Chicago Mrs. Andrew Lytle returned to her home here last Friday.

Mr. and Mrs. Milton Zeigler, of DuBois, are spending their outing among their old Centre county friends.

Grandmother Houser, who is past ninety years of age, is visiting her son, Dr. R. L. Houser, at Baileyville.

Miss Minnie Collins, a trained nurse of Philadelphia, is home here convalescing after an operation for appendicitis.

Mrs. Carrie Weiland and daughter Mildred left Wednesday for a month's visit among friends at Morgantown, W. Va.

James Myrton, sheep buyer of Mooreville, was here Tuesday and gathered a nice bunch of sheep for the eastern market.

The McDonald family, who have been residents of State College for some years, moved to Milton, their former home last week.

Mr. and Mrs. G. W. McWilliams were in Altoona on Wednesday attending the funeral of their brother-in-law, W. D. Stewart.

Mrs. Anna Williams, of Altoona, has been visiting the home of her youth here the past week. She was Anna Musser before her marriage.

The Misses Barr, who have been visiting friends in the Keystone State for two months, left for their home in the Sandover State last Friday.

T. B. Jamison, of Spring Mills, Justice and insurance agent, was here last week looking after some important business and greeting friends of long ago.

Rev. Milton Danlap, a former town boy who has been very successful in the ministry, is this week shaking hands with his old chums and school mates here.

Mr. and Mrs. Robert Kustaborder, of Warriorsmark, have been visiting their many friends in this section. Mr. Kustaborder is the railroad agent at Warriorsmark.

Sigmund Joseph, who is much interested in the coming I. O. O. F. picnic at Hunters park on September 6th, was here last Friday to keep in close touch with the committee.

George Grimm is having his barn re-roofed with Galvanized roofing. The old roof was a thatched roof and the entire barn was built without a nail over one hundred years ago. It is still in a good state of preservation.

The Cabbage Aphid or Plant Louse. At this time of year State Zoologist Surface, at Harrisburg, is receiving an unusual number of inquiries concerning a destructive pest of the cabbage, which appears to be working in practically all parts of Pennsylvania and makes itself manifest by curling the leaves, stunting the growth of the plants, and causing them to look as if infested by mildew. A close examination of the infested plants shows that they are covered by hundreds of little gray plant lice or aphids, which especially crowd close together in the curled parts of the leaves and live by injecting a poison into the leaf and sucking out the modified sap.

They are true sucking insects, and can not be killed by the poisonous such as Paris green and arsenate of lead, which can safely be applied for the common green caterpillar.
