-The opening game of football in Bellefonte will be held on Hughes field one week from tomorrow, Saturday, October 2nd, when the Bucknell Reserves will be here to play the Bellefonte Academy eleven. The Academy boys are practicing daily and the outlook is for a strong team.

-Tuesday was pay day at the various plants of the American Lime and Stone company in this vicinity and more money was paid out then than at any time since since the panic started. The company now has in the neighboahood of five hundred men at work in this section and all of them on full time.

-Work in getting things in shape for the starting of the Nittany and Bellefonte furnaces is being pushed as fast as possible and it is expected that the Nittany will be ready to put in blast by October 15th. The ore mines at Scotia have been put in operation and ore is now being shipped from there to the Bellefonte furnace

-John Noll, son of Col. Emanuel Noll, was last week chosen by the Altoona school board to take charge of the machine shops in the manual training department of the Altoona High school. The young man learned his trade with Jenkins & Lingle and is fully capable of filling the position to which he was elected.

AT THE COURT HOUSE -R. B. Taylor; modeling the old court house Gebret & Lambert have a job that will keep them hustling if they want to get it in shape for holding court at the regular December THINGS ABOUT TOWN AND COUNTY term. They have now been at work on it a month or more and the only visible advance so far is that the interior of the court room looks as if it had been struck by a evelone. The seats are all torn up and heaped in piles at the sides of the room. Workmen are engaged in tearing down the the engagement of Harry Murtoff and Miss steel ceiling while the Bellefonte Electric company have a force of men engaged in rewiring the building. In order to prevent any possibility of fire the wires are all being put in iron pipes and placed beneath depredations of rats and mice as well as

This is as far as the workmen bave gotten up to this writing and when it is considered that a new ceiling is to be put on, a new roof, numerous changes in the offices, vaults, etc.; the front stairways to be raised, two public lavatories to be placed in the front part of the building and private lavatories in the various offices and for the convenience of the court upstairs; the entire heating system to be changed and a dozen and one other things to be done, it can easily be seen that the contractors will have to hustle to get through with the old building, let alone the new. -The United Brethren will hold a fes- As to the latter, at the rate Mr. Taylor's tival in the room adjoining their church on gang is working it will be three weeks or a Saturday evening, September 25th, and a mouth yet before they will have the founpleted

While the Panther club of this place has not yet had a meeting they will have one before long and begin their preparations for their winter's camp which they, of course, will pitch in the Alleghenies, though not at the same place they were that deer, if possible.

THE NEW HOSPITAL BUILDING .- Work on the new addition to the Bellefonte hospital is being pushed quite rapidly and already the bricklayers are up to the last story. With another week or ten days of good weather the building will be ready for the roof and inside finishing. Anybody who has known the demands made upon the old building and the urgent necessity for additional room will be able to appreciate what the new building will mean to that institution. When it is completed it will contain in the basement stoand Centre county can be justly proud.

-The Ladies Auxiliary of the Young Men's Christian Association will give their first reception in the Y. M. C. A. building on Thursday evening, September 30th, at 7.30 o'clock. Refreshments, speeches, games and music will be the program. The building will be gaily decorated and everything will be done to make the affair a success. Every man, woman, boy and girl in Bellefonte is invited.

-J. H. Eskridge, who for the past swenty years has been a resident of Philipsburg but who is also well known by many Bellefonters, expects to leave that town about the first of November and with his family go to California where they will locate at South Pasadena. For years past he has represented the Equitable Life Assurance company in Philipshurg and it will be in the interest of that company that he will go to California.

-On Monday ex-Senator S. R. Peale, of Lock Haven, was seventy-nine years of age and he celebrated the event with a family reunion at the Clinton Country club. In addition to himself and Mrs. Peale there were present all their sons, daughters and grandchildren, making a party of eighteen. Senator Peale entered his eightieth year as bale and hearty as he has been for years, and that is with the good health of a man a quarter of a century younger than be.

-The crowd at the opera house last Saturday night was larger than any Saturday night crowd for a long time. With the cooler weather it will undoubtedly increase until standing room will be at a pre mium. The pictures this week will be the finest we have ever shown and with Christy Smith's orchestra you ought to have an evening of rare pleasure, and all for 5 cts. Vogel's minetrels are on the road and you want to keep your eyes open as they will be here Tuesday of fair week.

-Thomas A. Shoemaker bas purchas ed from W. A. Moore the big pile of slag is the slag pile on which John C. Rowe that cement brick factory they purposed erecting, but their option having expired some time ago Mr. Shoemaker purchased it outright. If, as is rumored, the slag will be used by the Pennsylvania railroad the old glass works out to the furnace.

-- The weather this week has been cool enough to give a person the shivers, but at that it is always comfortable at the Scenic and you cannot speed a half hour each evening at a better place. The pictures are always the best obtainable, the songs and music good and the crowd composed of the best people in Bellefonte. Everybody enjoys the Scenic from the small boy and girl to the grayhaired man and woman. That's because there's something new and as the opening of the hunting season is now interesting every evening. And this is the drawing very near the query naturally reason you don't wan't to miss one night.

At the time the road supervisors convention was held here enough interest was shown by those officials throughout the county to justify the assertion that they are not opposed to the good roads movement; and to make it what it should be all over the country the work should be kept up continually. Good roads cannot be maintained by one or two month's work; but by the constant keeping at it.

BELLEFONTE ACADEMY STUDENT ELOP-

On Sunday, however, announcement was made from Pittsburg that young Mugele had eloped with Miss Stella M. Talbot, of Niagara Falls, and the couple were married on Wednesday of last week. Mugele and his bride are each but seventeen years old and Miss Talhot was at school in a convent at Toronto. Mugele being a protestant and Miss Talbot a Roman Catholic it was necessary to get a special dispensation but this the young couple succeeded in doing after which they were married at the Church of the Sacred Heart, in Niagara port and Erie. Falls, by Rev. Father J. J. Roach. From there they went to Buffalo and then notified their parents of their marriage.

Mr. Mugele, who is a wealthy distiller in Pittsburg, went to Buffalo and after seeing his new daughter-in-law forgave them both and took them home. The girl-wife is said to be very pretty and beiress to quite a fortune. Their marriage, of course, will prevent Mugele from returning to school at the Academy, though he will likely take a course in the school of engineer ing at Pittsburg.

CONDUCTOR ALLISON HAUPT TO RE-TIRE. - Within the next few weeks that veteran railroad conductor, Allison Haupt, will be placed on the retired list because of having reached the age limit of seventy years. Probably there is not another man in the employ of the Pennsylvania railroad, especially in this part of the State, nearly so well known as is Mr. Haupt. He was born at Milesburg, this county, and belped to build the Bald Eagle Valley railroad. When it was completed from Tyrone to Bellefonte and trains put on he was company, they will build a siding from placed in charge as conductor, a position he has held ever since with the exception of a short period some seven or eight years ago. At that time he concluded he had railroaded long enough and, as he had never had a serious accident, would not tempt the fates any further but quit and engage in some peaceful pursuit. Accordingly he resigned his position as conductor and opened a grocery store in Tyrone, and, strange as it may seem, he had not been in the business three weeks until a barrel fell upon him, breaking one of his legs. Of course he was laid up for two or three months but as soon as he recovered he decided that running a grocery store was too returning to Pittsburg Monday with Mrs. Morris company for his old position as conductor was given it and has been on the road ever since.
