We bought from Henry Kline, High street, Bellefonte, his entire stock of

## HIGH GRADE SHOES

at a Remarkable Low Price and will place them on sale

**FRIDAY, JANUARY 14th, 1910, AT 8.00 A. M.**

FOR FIFTEEN DAYS ONLY, ON THE SAME BASIS.

To go into the details of the deal which resulted in the great offering would necessitate too long a story: Mr. Henry Kline, who started in the shoe business a few months ago, not being familiar with this business, greatly overstocked himself; finding his trade not as large as he anticipated, he decided to discontinue business; we took a look at the stock and found it to be O. K. in every way and we bought it so as to be able to sell the goods to you at from One-fourth to One-half under Kline's prices. As this stock consists of the Best Grades of Shoes to be had, such makes as Just Wright Shoes for Men, and Dolly Madison and Patrician Shoes for Ladies, Lenox Shoes for Misses, and the Messenger Shoes for Boys, and many other good makes which he carried in stock, BIG REDUCTIONS will prevail through the entire store which consists of

### Up-to-date Clothing for Men and Boys, Furnishings, Hats and Caps.

Altogether this sale will be the biggest opportunity for the people of Bellefonte and vicinity that has been offered in years and wise men will make the most of it.

As you are no doubt aware of the fact that we have had one of the warmest winters so far ever recorded in the weather annals during the past one hundred years, you have no doubt read these facts which were copied from the government weather reports, this statement we must accept as it's of record, but we do know positively that never has Bellefonte experienced during the past twenty years, such warm weather. But just as sure as the sun rises in the morning just so sure will we have a mighty cold winter, its got to come, it has never failed, it simply delayed its coming this year and that's all, and when it does come it will be more severe, and the average person will feel the cold all the more because their blood has been kept thin by the warm weather. Although we are well aware of the facts, we find our stock entirely too large for this time of the year. To make a quick clearance of our Winter stock prices have been gratly reduced in all departments.
