THINGS ABOUT TOWN AND COUNTY.

The Lenten season began on Wednesday. Boy's \$1.50 school shoes reduced to \$1.00 at Yeager's. Boy's \$3.00 patent leather shoes reduced to \$1.48 at Yeager's.

Richard Sheehy last week sold his driving horse and buggy to Frank Bartley, the liverman. Miss Kate McCaffrey fell on the ice yesterday morning and broke her arm just above the wrist.

The little son of Mr. and Mrs. Clyde Jodon had his leg broken on Wednesday while coasting. John Woods is confined to the house at his home at Nigh bank with a bad attack of the grip.

Men's, ladies' children's all wool and cashmere 25 cent hose reduced to 15 cents a pair at Yeager's. Mr. and Mrs. Joseph L. Montgomery entertained a large party at euchre on Tuesday evening.

T. Clayton Brown is endeavoring to secure moving pictures of the Paris flood for exhibition at the Scenic. Mr. Isaac Longacre is confined to his home on South Allegheny street with dropsy and other complications.

Mrs. John Hewitt entertained a number of friends at dinner one evening last week at which ten covers were laid. Mrs. R. S. Brouse entertained with five hundred last Saturday evening and Mrs. Ross Parker entertained in like manner last evening.

Miss Helen Overton chaperoned a party from the primary department of the Bellefonte Academy on a sled ride yesterday afternoon. Last Friday evening Mrs. J. E. Ward chaperoned a party of young people to Hecla park where they had a chicken and waffle supper.

Mrs. David McKinny is dangerously ill at her home in Howard, from paralysis, with which she was stricken for the second time on Monday last. Rev. Father O'Hanlon will deliver a lecture on "Ancient and Modern Rome" in St. Mary's Catholic church, Snow Shoe, on Tuesday evening, February 22nd.

PLANS FOR NEW COUNTRY CLUB HOUSE ACCEPTED.

At a meeting of the board of governors of the Country club, held at the Bush house last Saturday afternoon, the plans of architect Robert Cole for their new club house at Hecla to take the place of the one destroyed by fire last summer, were accepted subject to a few slight alterations and it was decided to go ahead and rebuild as soon as the arrangements to do so can be completed.

The plans provide for an all-frame building fifty feet six inches square with a porch twenty feet in width running from the main entrance around past the north side entrance. On the first floor will be a large twelve foot hall running back to the rear of the stairway. To the left will be the main dining room, about thirty-five feet in length by eighteen in width. In the rear of the dining room is located the kitchen. To the right of the hall will be a large ladies parlor with a good sized private dining room in the rear. There will be sliding doors between these rooms so that if desired they can virtually be thrown into one.

On the second floor are the grill room, buffet, card room, three bedrooms and two bath rooms, while on the third floor are three bedrooms and a bath room for the use of the club and two bedrooms and a bath room for the caretaker and help of the club. A rear stairway runs from the kitchen to the third floor so that the help will at all times be isolated from the club members. The porch will be open except at each entrance where there will be a twenty foot square extend the height of the building, giving a covered porch on the second floor and an open balcony on the third story.

These porches will be supported by six eighteen inch square paneled columns which will give the building a massive as well as artistic effect. On the whole the new house will be much more roomy and convenient than the old. THAT STATE ROAD THROUGH BELLEFONTE.—The one important thing done at Monday night's meeting of council was to settle the question as to the kind of a state road to build through the borough.

When the question of building a state road through the town was finally settled council decided upon brick paving from Linn to Bishop, but the citizens living on north Allegheny street, in a petition to council, strenuously objected to the brick, maintaining that it would be too noisy for them. C. M. Bossier, from the State Highway department, was in Bellefonte on Monday and the question of the kind of road to build was thoroughly gone over, and it was finally decided to macadamize the road from the northern boundary of the borough line on Linn street and Allegheny south to Parrish's drug store and from there to Bishop street pave it from curb to curb with brick, the Diamond to be paved from the crossing at the court house down to Beezer's meat market.

On Bishop street the road will be macadamized. R. B. Taylor was last fall awarded the contract to build the road and he will begin work as early in the spring as possible. Ladies' \$3.50 lace shoes reduced to \$2.25 at Yeager's. FIRE AT JERSEY SHORE.—On Wednesday fire destroyed two business blocks and the First National bank at Jersey Shore, resulting in the loss of three lives and the destruction of upwards of one hundred thousand dollars worth of property.

The fire started about 2 o'clock in the morning on the second floor of the Crowe & Stenler building. The first floor was occupied by the above firm as a hardware store while the second and third floors were fitted up as apartments. Mr. and Mrs. Crowe occupied the third floor apartments and had as their guests Mrs. Crowe's aged parents, Mr. and Mrs. Dravenstadt, of Williamsport. They were both caught in the flames and Mrs. Dravenstadt burned to death while Mr. Dravenstadt jumped from a third story window and was crushed to death on the pavement below. William O'Connor, the two year old son of Mr. and Mrs. Richard O'Connor, was also burned in the Ferrar brick block. The origin of the fire is a mystery.

BELLEFONTE FIREPLUGS ALL RIGHT.—The disastrous fires in Tyrone and Jersey Shore this week and the destruction of considerable property owing to the fact that water plugs were frozen up and the firemen were unable to render efficient service, aroused Bellefonte officials to the necessity of an inspection of fireplugs in Bellefonte to find out if they are in good working condition. Water superintendent Samuel Rine began the work of inspection on Wednesday and tested twenty-eight out of the total of seventy-two plugs in the town. Every one of them was found open and free of ice and in as good working order as if it were mid-summer. Mr. Rine expressed himself as confident that every freplug in town will be found in good working condition.

The Bellefonte Academy will have a relay team at the University of Pennsylvania's annual relay races which will be held on Franklin field, Philadelphia, April 30th. The Academy has been put in the class with the following preparatory schools: Carbon Collegiate Institute, Bucknell Academy, Kiskiminetas, York county Academy, York Collegiate Institute, Allegheny Prep school, East Liberty Academy and Lerch's Academy.

Workmen this week began making the changes in the room in the Gardner building on High street, recently occupied by Klines shoe store, in order to fit it up into a nice suite of offices for Dr. George F. Harris. Dr. Fisher, of Zion, will likely take the offices in the Curtin homestead to be vacated by Dr. Harris.

Boy's \$3.00 high cut shoes reduced to \$2.25 at Yeager's. We sympathize with our old-time friend, Mr. Patrick McCaffrey, of Lock Haven, in the death of his daughter, Miss Mary McCaffrey, which occurred early Tuesday morning after a lingering illness. Miss McCaffrey was a musician of more than ordinary ability and for some years was organist in the Church of the Immaculate Conception. Her parents and two sisters survive.

Last Saturday George A. Beezer sold his Franklin automobile, gentleman's roadster type, to Mitchell I. Gardner, who decided it was about time to secure a machine for the coming season. Mr. Beezer has not yet decided on the make or style he will secure for his own use. He has two or three cars under consideration, but whichever one he buys will be a late model and up-to-date.

Girl's \$1.50 tan shoes reduced to 85 cents at Yeager's. The Lock Haven minstrels, one of the best local aggregations of black faced artists in central Pennsylvania, will give their annual show this year on Tuesday, Wednesday and Thursday evenings, March 29th, 30th and 31st, to be followed by the usual big charity ball on the night of the 31st. Rehearsals will be started in the very near future and the management are already planning to make the performance this year better than any given in the past.

E. Lloyd Tyson, son of Mr. and Mrs. W. E. Tyson, of Tyrone, but who are well known in Bellefonte as Mr. Tyson was born and grew to manhood here, on Saturday left State College where he was a member of the Sophomore class, and after spending a few days at his parent's home left this week for Colorado where he has secured a good position. Tyson was one of the most popular students at the college and being possessed of considerable musical ability will be greatly missed by the various musical organizations.

Children's \$1.25 shoes reduced to 75 cents at Yeager's. Miss Goldsborough, who came here last week from Philadelphia for a month's engagement as singer at the Scenic, became homesick and left on Saturday. But her leaving does not in any way detract from the attraction at that popular place of amusement. Manager Brown has made arrangements to show three reels of pictures every night and the extra reel is far more appreciated by patrons of the Scenic than the average illustrated song. That is one reason why the Scenic is always such a popular place of amusement. Mr. Brown not only endeavors to find out the wishes of the people but always does his best to satisfy them.

Ladies' \$2.00 calfskin shoes reduced to \$1.25 at Yeager's. The services in the local United Evangelical church will be of special interest next Sunday. At 9:30 in the morning the Sunday school room with its new metal ceiling will be thrown open. Those who have not seen it will be surprised at the change of appearance. At 10:30 a. m. and 7:30 p. m. Miss Emma D. Messenger, of Lewisburg, will deliver addresses. This will be the anniversary services of the Mission Band and the Young People's Missionary society. Those who heard Miss Messenger a year ago will be pleased to hear that she is coming again this year. She is a talented young woman and full of enthusiasm for missions.

Men's \$3.50, \$4.00 and \$5.00 shoes, broken tops and sizes, reduced to \$2.48 at Yeager's. A. D. Mair who, with his brother came here several months ago and leased the Garman opera house, threw up his contract last Saturday and left for his home in Johnstown. After he took charge of the opera house he started a moving picture and vaudeville show but it did not pay expenses. Then he cut out the vaudeville and tried moving pictures alone but the patronage was not sufficient to pay for the films and he had to give it up. Failing in these there was not enough in the theatrical business alone to justify him in staying here so he packed his trunk and left on Saturday. Thus the Garman's are again in full charge of the opera house, though they will rent it if they can find some one willing to take it.

From Saturday night until Tuesday morning was about the coldest spell we have had this winter; or at least it felt so owing to the high wind prevailing all day Sunday and Sunday night. From twelve degrees above zero Sunday morning the thermometer dropped gradually during the day until eight o'clock in the evening when it was five degrees below. The coldest point registered by the thermometer at Mr. Kurtz's weather bureau station was four degrees below zero, but at other places in town seven degrees below zero was the extreme point reached. Though it moderated a little on Monday it was not until Tuesday that there was enough rise in the temperature to make it appreciable to the average man and woman.

ON THE SICK LIST.

While our people have long boasted of the general healthfulness of Bellefonte, surroundings and atmosphere—and not without reason—we are inclined to think that, with conditions as they show up just at this time we don't have much the better of localities usually not so fortunate in the matter of health as our town is. At present an unusual amount of sickness prevails and one meets but few persons who are not complaining of some ache or pain or "under the weather" feeling that gives them reason to think there is something wrong with them. Much of the indisposition is of the kind that people are able to carry about and tell you of, but at the same time we have a full share of those who are too ill to do anything but suffer and take medicine. A partial list of those ill enough to be confined to bed and under the care of a physician are as follows: Miss Mary Bartlett, Mrs. Fred Kurtz, Mrs. Thomas Shaughnessy, Mrs. Burns Crider and daughter Emily, Albert Kniesly son of Mr. Jacob Kniesly, William Steele Jr., a little child of Maggie Valentine's suffering with pneumonia. Mr. and Mrs. Daniel Eberhart, one of the children in the Pruner orphanage, Mrs. Claude Herr, Miss Sue Donachy, Mrs. W. R. Gainsfort, Mrs. George Garbrick, Mrs. Charles Rine, Mrs. Samuel Rine, H. A. Stevens, a student at the Bellefonte Academy, Mrs. George Hazel, Mrs. John Davis, Abner Rider, Miss Maude Sharr, David Kocher, William Kelly, of Coleville, and Miss Sarah Owens.

Doubtless there are many others who the WATCHMAN representative has failed to locate, but from the number given, outside folks can understand that if we do pride ourselves in having the healthiest town in the State, there are times when this "may be otherwise." STATE'S 1910 BASEBALL SCHEDULE.—Manager Sutton, of the State College baseball team, has made public his revised and completed schedule for the coming season, the same having been approved by the advisory committee on athletics. Twenty-one games have been arranged of which number ten will be played at home. On the list are some of the best college teams in the east, the entire schedule being as follows: April 2.—Carnegie Tech at State. April 3.—University of Vermont at State. April 4.—University of Vermont at State. April 13.—Lehigh at South Bethlehem. April 14.—Villanova at Villanova. April 15.—Fordham at Fordham, Mass. April 16.—Brown at Providence, R. I. April 28.—Cornell at Ithaca. April 30.—University of Rochester at Rochester, N. Y. May 4.—Princeton at Princeton. May 6.—Dickinson at State. May 7.—Annapolis at Annapolis. May 11.—University of Pennsylvania at Philadelphia. May 12.—Seton Hall at South Orange, N. J. May 13.—Albright at Meyerstown. May 14.—Bucknell at Lewisburg. May 20.—Gettysburg at State. May 21.—Westminster at State. May 25.—Villanova at State. June 4.—Susquehanna University at State. June 11.—Bucknell at State.

Ladies' 75 cents rubbers reduced to 60 cents at Yeager's. Last week the WATCHMAN called attention to the fact of the bad condition of the pavements in Bellefonte, especially in the business section of the town, owing to the negligence on the part of property owners and business men in keeping their clear of ice. Since then a number of individuals have had bad falls and one at least sustained a severely sprained arm. There is an ordinance requiring either owners or occupants of properties to clean the pavements within forty-eight hours after a snow fall, and in their failure to do so it shall be the duty of the street commissioner to clean the same and charge the cost to the property owner. But the ordinance seems to be as much of a dead letter so far as the borough authorities are concerned as it is with property owners; and possibly will bring a suit for damages and then they will waken up.

Ladies' \$4.00 lace shoes reduced to \$2.48 at Yeager's. If all arrangements carry out as now planned an old-fashioned singing school will open in the Presbyterian chapel this (Friday) evening and continue every Friday evening for a period of twelve weeks. Prof. Philip H. Meyer, of Centre Hall, has been engaged as instructor and, as the course has been arranged by several members of the church, the instruction will be free to all who will avail themselves of this opportunity to study music. It is an admitted fact that there is a woeful lack of training and practice among the younger generations in Bellefonte, principally because there is nobody in Bellefonte who makes a specialty of teaching vocal music, and this is a chance that should not be allowed to go unheeded. All young people, and older ones, desiring to attend can do so without any expense to themselves.

Ladies' \$3.50 comfort shoes reduced to \$2.48 at Yeager's. THE CENTRE COUNTY BIBLE SOCIETY.—Has a surplus stock on hand of the publications of the American Bible Society to be sold at less than cost. Various styles, all in perfect clear type, bibles at 20c. and up; testaments at 5c. and up. Bible schools, families and individuals in the county will never have a better opportunity for bible supplies. Applications can be made at any time to Depository Crittenden or Secretary Weston, at the Y. M. C. A. building, Bellefonte.

LINCOLN DAY.—Saturday, February 12th, 1910, the Bellefonte Central Railroad Co. will run a special train, Bellefonte to State College, leaving Bellefonte 9:30 a. m. after arrival of P. R. R. trains from the east and west. Return will leave State College about 2:00 p. m.

Just as the WATCHMAN was ready to go to press last week we had the pleasure of a few minutes visit of A. G. Bucher, the lumber dealer of Altoona. He had been down here on business and had only a very short time in which to make the train but it was long enough for him to come in and fix up his paper a year in advance.

FREEMAN—LONGACRE.—The friends of Lawrence A. Freeman and Miss Myrtle Longacre were somewhat surprised last Saturday when they announced the fact of their marriage on January 25th. The ceremony was performed by justice of the peace J. M. Keichline, in his office in the Garman house block, and the reason for the quietness of the wedding was because of the serious illness of the bride's father. The bride is a daughter of Mr. and Mrs. Isaac Longacre and for a number of years has been an operator in the Pennsylvania telephone exchange, for some time past holding the position of head operator.
