Mrs. Milton Straub has also bine plenty of power and speed, though been quite ill the past week, but is now a little improved. Mrs. William J. Musser, of east Lamb street, is quite ill, threatened with pleurisy.

---On Sunday afternoon a freight down stairs and went out into the yard train on the Tyrone and Clearfield and almost immediately thereafter two railroad and one west on the Bald Eagle shots were fired in rapid succession and sideswiped at Vail station where the when the family ran outside they found tracks intersect and eight cars were Edward lying in the snow, though still badly damaged, but none of the the building of good roads in the spring conscious. He was carried into the house trainmen were injured. Traffic was at a standstill for several hours while the roads in the county are gone over. It upon examination, found that both balls track was being cleared and passengers did result, however, in awakening such Brouse, of Thomas street. The many friends of Mr. Frank had penetrated the left side about an for both roads were held in Tyrone until the way was opened.

> -Boys \$1.52 for you if you read Yeager's advertisement in this paper.

-Early Sunday forenoon the house failed to penetrate any vital spot. The took fire and there being no adequate fire stroyed, while only a portion of the household furniture was saved. Mr. Dunkle estimates his loss at about twenty-five hundred dollars on which there is only a partial insurance. James Lingle and family live next door to the Dunkle house and their home was somewhat scorched but by hard work of the Milesburg fire company and others the Lingle home was saved, for which the family feel very thankful to all who so willingly aided

-About thirty-five people attended the first night of the old-fashioned singportunity that should not be allowed to evening but they would always return to to be present with his mother on the occasi an able instructor and a course under night two dozen or more of them came one interested in music.

-It is less than two months now until the opening of the trout fishing season and on account of the hard winter we speculation among fishermen as to the low last fall there have been several rains during the winter which raised the waters, so that none of the creeks were frozen dry, and if there is any scarcity of trout next snmmer it cannot be ascribed to such a cause. But there is every likelihood of as many trout being caught next season as there were last, and that was not an overbundance.

-Just because the public can see nothing material being done it must not be supposed that the Centre County Traction company has given up the project of building that proposed trolley road from not. The kind of weather we have had this winter has not been very favorable Miller worked as a night watchman at for railroad building but the local men at the Nittany furnace and also as extra the head of the movement have every brakeman on the yard trains. He was arrangement well under way and expect working in the latter capacity yesterday to have everything in shape to begin the morning about eleven o'clock and went actual construction of the road as soon as weather conditions in the spring will heavy nails in them and the step being permit. Of course it will take some slippery with sleet and ice, he slipped and months to build the road but it is expectfell, his left foot going under the engine. ed that the line will be in operation be-

-If you think the custom so long in vogue on St. Valentine day is wearing out just ask the mail carriers and they will tell you different, as the mails on Monmissives of some lovesick swain. Then comics and the kind that is generally sent stamp upon it. A certain prominent attorney in Bellefonte was the recipient of two of the latter and now he imagines if sessions he would be able to convict two well known young lady stenographers as the selections they made endowed him with every qualification generally accredited to a successful member of the legal fonte?

T. S. Strawn now has his Oldsmobile of last season in the paint shop having it -Mrs. Frank Warfield entertained thoroughly gone over and repainted so

Mitchell I. Gardner George A. Beezer has purchased a new Middleby touring car. -Mrs. Frank E. Naginey, who has This is the first of this make of car in the roads so far have not been in proper condition for a good test of the machine. The car is built in Reading, this State.

With the snow two feet deep on the ground it may seem a little out of date and yet it is not at all untimely to ask what has become of the Bellefonte Motor club? This club was organized last summer but too late to have any influence on of the year, the time when most of the an interest for good roads among the supervisors of the county as well as the farmers that a Road Supervisors association was organized and an earnest spirit manifested toward putting the roads in a better condition. With this as a guidance as to what can be done if the same spirit of earnestness and activity is shown in the future as in the past, the Beliefonte Motor club should begin to get active so that when spring opens up their influence can be exerted toward having the roads put in proper condition for the summer season. This should appeal not only to the automobilist but every farmer and horse owner in the county, for what is good for one is good friends. for all.

STATE FRESHMEN HOLD ANNUAL BAN-QUET.—Over four hundred State College Freshmen sat around the board in the large dining room of the Updegraff hotel, Williamsport, on Tuesday night, and paring class in the Presbyterian chapel last took of their annual banquet undisturbed Friday evening and such deep interest and without even any semblance of mowas shown that there is no doubt but lestation on the part of their arch enethat the school will be a success. The mies, the Sophs. For two weeks past it James A. Beaver over Sunday. number present last Friday evening was pretty generally known that the promises to be greatly increased at this Freshman banquet would be held soon evening's class. This is the first general but the Sophs were unable to find out opportunity the people of Bellefonte have the exact date. Last week small squads had to learn vocal music and it is an op- of Freshmen came to Bellefonte in the him will be of material advantage to any to Bellefonte and on Sunday a number of them walked down.

> The big bulk of them, however, waited until after dark Sunday evening when about three hundred members of the class managed to get to Lemont where friends at Lancaster. they had in waiting a special train of seven cars which they boarded as quietly as possible. As a wise precaution they had secured the services of a half dozen or more giant policemen and these guardians of peace and order were stationed with a big club and not a Soph was able to get on the train and thus the Freshies got away in perfect serenity. From Lemont the train was run as a special through to Williamsport. Some fifty or his parents, at the Registers office in this place on sixty Freshmen who did not get away Sunday night went down on Monday morning in ample time for the banquet Tuesday evening. The entire bunch returned on Wednesday.

> WHO IS GILBERT MUNSON, OF BELLE- him wonderfully well. FONTE?-On Saturday night a young man who gave his name as Gilbert Munson and his home as Bellefonte got himself in the clutches of the law in Altoona because he represented himself to be an- to a hospital for treatment. other man. Munson was going the rounds of the hotels in Altoona and phie on Tuesday to help nurse Mr. and Mrs Juniata and finally got in the company of Thomas Moore, who are both housed up with constable Luther. Under the influence of the drink he had imbibed he told the constable that his name was Frank Anderson. Now the constable happened to recall that there was a reward offered for the capture of one Frank Anderson, who had deserted from the United States army, at Detroit, Mich., last May and he immediately took Munson into custody. Realizing the predicament he had gotten himself into the latter then confessed that he was not Anderson at all but he knew where the right man was, and gave and annoyances that most of us experience, was the officer his address. Not to be fooled, a friendly caller at the WATCHMAN office on Sathowever, the constable locked Munson up and with another officer went to the address given and secured the man who is believed to be the right Anderson. mate friend of Anderson and the latter had written him in Bellefonte to meet constable Luther, with the above result. The query now is, who is this Gilbert -Subscribe for the WATCHMAN.
