—Tomorrow is the day of the public sale of the old office furniture and all the odds and ends accumulated by the remodeling of the court house.

—Miss Marie White was taken to the Williamsport hospital on Thursday of last week and that night underwent an operation for appendicitis. She has since been recovering very nicely.

—Hugh N. Crider has traded his old Matheron roadster into the factory for a new seven passenger touring car of the Silent Six type and expects to have the same here within a few days.

—On the seventh page of to-day's paper are printed four resolutions for proposed amendments to the constitution. Read them carefully and then when you come to vote upon same you can do it intelligently.

—The services in the Methodist church during the absence of Dr. Wilcox will be in charge of Rev. David Y. Brouse, of Warriorsmark, on August 14th, and Rev. Joseph B. Brenneman, of Mill Hill, on August 21st.

—During Wednesday's hard rain storm hail fell in some parts of the county but not in quantities sufficient to do much damage except in the neighborhood of State College where the corn was badly beaten down.

—The summer vacation for the school children of Bellefonte is almost over as the schools will open three weeks from next Monday. And when they do the pupils will enjoy better educational facilities than they ever did before.

—The Bellefonte Chapter D. A. R. will hold a reception at the Fraternity house Saturday evening at eight o'clock, with Miss Overton as hostess, as a welcome to Mrs. Elizabeth Callaway on her safe return from her trip abroad.

—Mrs. Harry Keller entertained for the younger people of the town Tuesday night in honor of her niece and nephew, Daniel and Elizabeth Keller, of Lancaster, who returned to Bellefonte with her son Henry after his visit in Wyncote and Ocean City.

—While leaving the house of the Misses Benner one day last week, Mrs. Frank P. Green made a misstep and in an attempt to save herself from falling sprained her wrist so badly that she was obliged to have the arm bandaged and put in a support.

—Rev. E. Harvey Swank will preach in the United Brethren church at Julian on Sunday at 10.30 a. m., and at Paradise in the evening at 8 o'clock. A festival will be held on the church lawn at Paradise tomorrow evening, proceeds for the benefit of the church.

—Former Centre countians now located in Blair county have decided to forego having a reunion this summer for the reason that they could not secure a suitable date at Stevens' park, Tyrone. Instead of a reunion they will hold a big banquet some time during the winter.

—It is announced from Washington that the complete census returns of the population of the United States will not be ready for announcement until early in October, so that we will have to wait two more months to learn how big we have grown during the past ten years.

—Mr. and Mrs. L. C. Wetzel and family, who have been in Birmingham, England, the past six months, will sail for home on Saturday, August 27th. Mr. Wetzel having completed the business which took him abroad. It will be violating no confidence to state they they are all anxious to get back to this country.

—Newton W. Fredericks, J. H. Smith and C. C. Edmunds, of Lock Haven, have made application to the Governor for a charter for a proposed corporation to be known as the Snow Shoe Fire Brick company, a concern which has in view the erection of a plant in the vicinity of Snow Shoe for the manufacture of fire brick.

—A large delegation of members of the Centre county bar as well as other prominent Bellefonters attended the funeral of the late Senator S. R. Peale in Lock Haven last Friday afternoon. Hon. A. G. Morris took a load down in his Reiner car and the trip from Bellefonte to Lock Haven was made in just fifty-six minutes.

—Company number one of the United Brethren church will hold a festival in the green opposite Gamble, Green & Co's mill tomorrow (Saturday) evening, providing the weather is favorable; if it rains it will be held in the Aid society room. There will be lots of good things to eat and some extra fine cakes will be offered for sale. Everybody is invited to attend.

BURGLARS DO POOR BUSINESS.—Last Thursday night burglars paid Centre Hall a visit but failed to get much plunder. They first visited the home of Shannon Boal where they got seventy-five cents in cash and carried away Mr. Boal's trousers and hat, discarding the latter in the yard of Mrs. J. F. Alexander's home. The second place they tried was the Thomas Moore home where they were in the bed room occupied by Mr. and Mrs. Moore and got away without disturbing the latter's slumbers, though they failed to get any plunder. The third place they visited was the home of Mrs. J. F. Alexander but they got no more there than they did at the two former places visited. From indications an attempt was made to get into the D. J. Meyer home and the Centre Hall hotel but in this they were not successful.

On Friday night the same men, or others equally slick, went through two houses in Bellefonte. The first was that of Joseph L. Montgomery. To gain entrance the burglars carried a ladder from the new High school building and got into the house through the second story window. Mr. Montgomery was not at home and Mrs. Montgomery was not awakened by the depredators, who failed to find anything of value. The next house visited was that of William Chambers, on Curtin street, where they gained an entrance by removing the screen and getting in through the kitchen window. At this place they got fifteen cents in money, ate almost a package of breakfast food and drank a quart bottle of milk. Various articles were strewn over the floor as evidence that they had ransacked the place pretty thoroughly, but aside from what they ate nothing was destroyed. It is alleged that an attempt was also made to get into the Col. Reynolds home, but the men were evidently frightened away before they succeeded in doing so.

The Centre Hall authorities and the police of Bellefonte have no direct clue to the burglars though the general supposition is that they were two strange colored men who came to Bellefonte last Wednesday night. Early Thursday morning they left town and walked out the pike toward Axe Mann. Late Friday afternoon they were seen by Col. Reynolds coming in the pike just a short distance beyond the furnace. Since the robberies last Friday night they have not been seen and the supposition is that they left town the same night. That they were no amateurs is evident from the way they did their work and the fact that in no instance did they make enough noise to arouse the household.

TO DEDICATE NEW HIGH SCHOOL BUILDING.—The Bellefonte school board has decided on Friday, August 26th, as the day on which to dedicate the new high school building and a suitable program will be arranged for that occasion. On account of the fact that replies have not been received from all those invited to deliver addresses a full program cannot be given this week, but it is known that one of the speakers will be Hon. David Sedden, commissioner of education of Massachusetts, who will speak on "Vocational Education." Dr. Edwin Earle Sparks, president of The Pennsylvania State College, is also expected to be present and deliver an address, while somebody representing the State Department of Public Instruction will also be here. By next week the committee in charge expects to be able to give the program in full.

The Haupt brothers have completed the concrete walk from the main entrance out to the pavement and are now at work on the front pavement. With favorable weather they will have all the work done by the day of the dedication. L. C. Wallace this week put the concrete floors in the sub-basement. The steps leading to the second and third floors were put on this week, so that the carpenter work is about completed. The slate blackboards are being put up in the various recitation rooms and the desks arranged in regular order. Col. Taylor has several days work yet in coupling up the heating and ventilating system and installing the thermostats, while the electric light fixtures have to be put in place and the call bells connected with the master clock and regulator in the principal's room. But all this can be done in ample time for the dedication on the 26th.

NURSES' GRADUATING EXERCISES.—Mrs. Margaret Leggett and Miss Artie Keller have successfully completed the three years course in nursing in the training school at the Bellefonte hospital and appropriate graduating exercises will be held in the auditorium at the new High school building on Thursday evening, August 18th. Rev. John Hewitt, pastor of St. John's Episcopal church, will deliver the commencement address. Christy Smith's orchestra will furnish the music and there will be a number of vocal selections by well known singers. Miss Keller has applied for a position as nurse in the United States army service and expects to leave for Washington, D. C., soon after her graduation. Mrs. Leggett will remain in Bellefonte for the present.

The new elevator for the hospital was shipped from Philadelphia a few days ago and will be installed in the near future. There are now twenty-eight patients in the hospital, while several were discharged this week.

—Don't get discouraged because the Bellefonte ball team don't win every game, but go out and help them win to-day. Before the season is over they will give them all a good run for their money.

—John Blanchard has bought the Johnston home on west Linn street for \$4,500. He intends to remodel the house and fix it up into a handsome as well as a comfortable residence for his own occupancy. Theodore Boal has been commissioned to do the architectural work, and this in itself assures a very handsome home when it is completed.

—The degree of Doctor of Divinity was recently conferred by Dickinson college upon Rev. B. C. Conner, superintendent of the Altoona district M. E. Conference, and Rev. Morris E. Swartz, pastor of the Methodist church in Clearfield, and both gentlemen will hereafter be entitled to write Dr. before their name or attach D. D. to the end of it.

—The entertainment and refreshment committee of the ladies' auxiliary of the Y. M. C. A. will hold an exchange in the Y. M. C. A. rooms on Saturday, August 20th, at which both delicacies and substantial will be on sale. A liberal patronage is asked for as the proceeds of the exchange is a starting of a fund for the after-summer cleaning of the Y. M. C. A.

—Last Friday morning Mrs. Sarah Saner, aged sixty-eight years, was on her way from Petersburg to the home of her daughter at Centre Furnace, this county, and in getting off the train at Tyrone her foot caught on the car step and she was thrown to the platform. She was carried into the station and an examination disclosed the fact that no bones were broken and her worst injury was a sprained leg, and she was able to continue her journey home.

—The Johnny Jones carnival company passed through Bellefonte on Sunday evening from Lock Haven to Tyrone. Last week they were in DuBois and in their last performance Saturday night some of the tough element of the town undertook to put the show on the bum but the manager got an inkling of what they intended doing in advance and had a number of state constabulary and policemen on hand and the toughs got the worst of it.

—Eban Bowler, of Coburn, bookkeeper for the Bellefonte Lumber company, is seriously ill with pneumonia at the Witmer home on east Lamb street. His regular boarding place is the Brant house but when he was taken sick a week or so ago he was removed to the Witmer home as they are relatives. Early this week his condition was considered very critical but yesterday he was slightly improved and his friends indulge the hope that he will recover.

—This (Friday) evening will be a benefit night at the Scenic for the Bellefonte baseball team. The price of admission will be ten cents but it will be worth five times that to hear Mt. Pleasant, the Carlisle Indian student, play the piano and the famous baseball team quintette sing, not counting the incomparable program of music pictures. It will be an evening of rare entertainment no one can afford to miss. And ten cents is all it will cost to see and hear it.

—John P. Harris, treasurer of the Bellefonte Trust company, was seventy-eight years old last Friday and celebrated the event by a day's outing at Hecla park. In addition to the Harris family a dozen or more friends were present. Mr. Harris was born in Bellefonte and spent all his life here. He has been actively engaged in the banking business for half a century or over and is today just as keen in intellect and business acumen as he was twenty-five years ago.

—Beef on the hoof has taken a drop in price and is now selling for \$7.25 a hundred against \$8.40, the high water mark; but so far the consumer has derived no benefit therefrom. Young cattle are still bringing a good, stiff price and there is no indication of any great reduction in the near future. Hogs hold very close to the high water mark, even sucking pigs bringing five dollars a piece, and when the time comes there will be a whole lot of us who will have to eat our buckwheat cakes and sausages minus the sausage.

—The weather man has certainly been taking care of his job this summer, at least so far as this section of the country is concerned. Just when the ground was getting fairly dry and the corn and potatoes began to show the need of rain, it came. It began raining about five o'clock on Monday morning and rained until the middle of the afternoon, and just hard enough that it all soaked in the ground. The result is that both the corn and potatoes will be greatly benefitted and the former promises to be a bigger crop in Centre county than we have had in two years.

—When you feel depressed and blue, kind of out of sorts with yourself and everybody else, don't resort to the medicine bottle or call in a doctor but go to the Scenic. An hour there each evening will make you forget all your troubles and imaginary ailments and put you in a good humor with the whole world. That is the character of some of the moving pictures shown there; others are especially interesting because of their educational value, being views of natural scenery, villages and cities in this and foreign countries, bringing the customs and traditions of the old world right to your very door for the small sum of five cents. And the Scenic is the one place in Bellefonte where you can enjoy the pictures in comfort.

BAILEYVILLE PICNIC AND SOLDIER'S REUNION.—The annual Baileyville picnic, which is always the big event of the year in the western end of the county, will be held on Saturday, August 20th, or just one week from tomorrow, and it is safe to predict that all Ferguson township will be there as well as scores of people from adjoining townships.

At the same time and place the survivors of company E, Forty-fifth regiment Penna. Vols., will hold their forty-ninth annual reunion in celebration of the anniversary of their leaving for the seat of war. This gathering will be of unusual interest, as the committee has booked as speakers Gen. James A. Beaver, Hon. J. C. Meyer, Hon. W. C. Heinle, Hon. J. D. Hicks, of Tyrone, and Rev. Ralph Hlingsworth. On that occasion the committee appointed at last year's reunion to arrange for the building of a monument to the company will make its report and as it will be a favorable one definite action will be taken by the association. The monument it is proposed to erect will be within easy possibility, if every family in that section of the county whose ancestors were represented on the honor rolls of the company responds with financial assistance according to their means. The monument will be of granite and will have bronze tablets bearing the names of the two hundred men who at one time or another fought in this command. It is the desire of the association to have the monument erected so that it can be unveiled and dedicated on the occasion of their fiftieth anniversary in August of next year.

It might here be said that there is not another company in the United States more deserving of a monument than company E. During its term of enlistment the members traveled over thirteen thousand miles and fought in a dozen or more different States. They were in thirty-four engagements and their percentage of killed and wounded was fifth on the list of all the companies in the war, while their dead lies buried in ten different States. The company was recruited entirely in Ferguson, Halfmoon and Patton townships, this county, and from Franklin township, Huntingdon county, and on the roster were the names of all the well known families of that section.

SAD FATALITY AT MUNSON.—On Wednesday morning of last week several miners on their way to work discovered the dead body of an elderly woman lying on the street in front of the Moshannon house, at Munson. An investigation disclosed the fact that it was the body of Mrs. Mary Haley, mother of John Haley, the proprietor of the hotel. How she came to her death is not definitely known but it is supposed that sometime during the night she got up in her sleep, went out through the window onto the porch roof and fell from there to the ground, a distance of thirty-five feet, sustaining injuries which probably caused instant death.

Deceased was sixty-nine years old and was born in Ireland, coming to this country with her parents when she was but a child. She was married to Martin Haley and for years the family lived at Snow Shoe, Mrs. Haley being quite well known in Bellefonte. Of her twelve children ten survive as follows: Thomas, residing in Ohio; James, of Patton; Joseph, of Stratonsville, Pa.; Mrs. Margaret McCabe, of Wilkesbarre; Mrs. Catherine Langton, and Mrs. Mame Sickle, of Snow Shoe; Miss Annie, a stenographer in Pittsburg; Mrs. Lena Reese, of Karthaus; John, of Munson, and Miss Agnes, who makes her home with the latter. One brother and one sister, residing at Joliet, Ill., also survive.

The remains were taken from Munson to Snow Shoe on Friday and the funeral was held from the Catholic church in that place on Saturday morning.

—Dr. Karl Reinhardt, Geheimer Regierungsrat for the interchange of professors between German and American colleges, has notified The Pennsylvania State College that he has assigned Herr Heinrich Starcke, of Kottbus, as a member of the faculty of this college for the ensuing year. Herr Starcke will arrive in September and while in this country will lecture before prominent German societies of the State. The interchange is effected under the regulations of the Carnegie foundation.
