INK SLINGS.

-Vote to some purpose. Vote for

-Think well, you Republicans, before you warm up to the Colonel's "New Naonalism." You might find yourself landed as BRYAN Democrats.

-And to think the Vice President of the United States couldn't even get chosen convention in his home State. Isn't it An Esteemed Contemporary's Policies. prices had been paid for carrying the awful, MABLE?

-The Sultan of Sulu is visiting us. He four wives and let our soldier boys alone. Of course it isn't a very munificent salary get Sultany over.

-There is a difference between New York and Pennsylvania Republicans, after all. The New Yorkers have smashed their machine into smithereens, while the Pennsylvanians are intent upon electing an unfit man Governor so that theirs may be made more powerful than ever.

-The equinox, which somehow or other got lost in the shuffle of the elements for the past few years, certainly has shown up in old-time form during the past ten days. Seldom within our recollection have we had such a conglomeration of weather marking the exit of summer and the coming of fall.

-The Hon. VIVIAN LEWIS, the Republican nominee for Governor of New Jersey, is such a pretty man that that is about to look in the glass for months after with him in November.

might serve a good purpose after all if whenever it could. they only succeed in compelling a fast Previous to the Allentown convention girl to slow down a little.

STORER who was falsifylng.

-The individuals form the combinatem violates the law why not punish the individuals responsible for it. We agree with president WOODROW WILSON, of Princeton, in the statement that if the law were to impose a personal guilt clause in its statutes regulating corporations there would be few occasions for invoking the law against them.

-Without raising a question as to their right to desert their party when their votes with it could do a great deal of good we can't help but wonder what the ex-office holders of the Democracy, who are now supporting the Keystone ticket, would have done had that Allentown convention absurdity happened when either of them was a candidate for office. Honestly now, do you think they would have thought that there was anything so radically wrong.

-JOHN H. DEVINE, a stockholder of the Pennsylvania Railroad Co., has found out that there is a charge on the books of that company against Colonel ROOSEVELT for transportation to the amount of \$100,-000. Mr. DEVINE thinks the bill should be paid and has addressed a letter to Presidents to race about over the counif any, of its settlement?" try in special trains and have the corbills to advertising account.

the Department is now preparing. If charged over to the advertising account, this is done we give up the fight of 1912 to balance the books. right now. What's the use of winning Besides the company owes something with any such scheme as this.

STATE RIGHTS AND FEDERAL UNION.

# BELLEFONTE, PA., SEPTEMBER 30, 1910.

The esteemed Johnstown Democrat assures us that it has stood for free trade, is the "smoke" we are paying a salary of public control and if necessary public \$1500.00 a year to pay attention to his ownership of public service utilities, against ship subsidies, special privileges, government by injunction, a central bank and a for a Suitan, but then he hasn't much to tax system which invites fraud. There is certainly nothing Populistic in that attitude though the question of which

VOL. 55.

utilities are public and which not is susceptable of doubt and when public ownership should take the place of public regulation is one of uncertainty. If our esteemed contemporary would limit its activities to the advocacy of those things, however, we should have no quarrel with it. But those are only trifles in its category of policies.

For example, the esteemed Democrat insists on the initiative and referendum as well as the recall in legislation and has already put its anathema upon Judson other Democrat who doesn't approve such has been rock-ribbed in opposition to the He is a gentleman of the highest characpolitical follies. It may have "damned Democratic party. With a population of ter and most unquestioned equipment for all his advocates can talk about.
