DEMOCRATIC STATE TICKET.

For Governor, WEBSTER GRIM, of Bucks County. For Lieutenant Governor, THOMAS H. GREEVEY, of Altoona. For Secretary of Internal Affairs, JAMES I. BLAKESLEE, of Carbon County. For State Treasurer, SAMUEL B. PHILSON, of Somerset County.

Democratic Congressional Ticket.

For Congress, WILLIAM C. HEINLE, of Bellefonte. Democratic Senatorial Ticket. For State Senator, SAMUEL C. STEWART, of Clearfield.

Democratic County Ticket.

For the Legislature, J. CALVIN MEYER, of Bellefonte. The Right Man for the Place.

The qualifications for the office of State Senator are such that the candidate to be selected for this important position in the chief or upper law-making body of the Pennsylvania Legislature should be possessed of the varied knowledge and experience necessary to intelligently represent the diversified interests of this district. Our candidate, Dr. SAMUEL COOPER STEWART, of Clearfield, by reason of his wide experience as a business man and man of affairs generally, has been in close touch and is thoroughly conversant with the wants and needs of this section in the way of laws necessary for the protection of the legal rights of each and every class of his constituents. He has had experience as a farmer, a lumberman, been interested in coal, real estate and manufacturing development in his home county, and as an employer of labor, and will be in position from close personal knowledge to act promptly upon any laws that may be presented at Harrisburg pertaining to the affairs of this district and the State at large.

In addition to the personal knowledge of the business interests of his district, Dr. STEWART has the necessary ability to most intelligently and successfully represent those interests before any body of men and, if elected will be heard from to the very great advantage of the district in the halls of legislation at Harrisburg. In Clearfield Dr. STEWART has been closely identified with the progress and development of the town. He is a progressive, public spirited citizen and has always been in the forefront of any movement tending toward the improvement or betterment of his home town or county. He served as chief burgess of Clearfield three different terms and is the man primarily responsible for the miles of brick paved streets at the county seat.

In addition to his interest in civic improvement, Dr. STEWART has always taken a prominent part in public school matters of all kinds. In 1906 he was elected a member of the school board from the First ward and as a testimonial to his worth as a member of the board, when he was renominated last year he was endorsed for reelection on the Republican ticket as well, and was unanimously re-elected. Although the school board had been paying their treasurer a salary amounting to several hundred dollars a year, when Dr. STEWART was elected to the position he very thoughtfully declined any compensation whatever, doing the work for nothing and allowing the usual salary to remain in the treasury of the school district.

Dr. STEWART is a man of action at all times—a worker and leader and not a follower. He possesses boundless energy and rare executive ability, and if sent to Harrisburg—which he undoubtedly will be—he will be the Senator from the thirty-fourth district, and no man or set of men will be able to control him or handle him in any way. He is no man's man at home and will be no man's man at Harrisburg.

He has the courage and ability to go to the front at any time or place and make a fight for his rights, and when matters pertaining to the best interests of his constituents and the people of Pennsylvania generally are under discussion in the legislative halls, he will be found in the thickest of the fray, standing by his guns, and with both voice and vote, battling valiantly for the rights of the people, even down to the smallest detail concerning the rights of his district.

He is in the front rank in his profession and has served as president of the Clearfield county medical society several terms. He has been called upon to address medical meetings throughout Clearfield, Centre, Clinton and Jefferson counties on many subjects pertaining to his profession, and is recognized as a forceful, earnest speaker. At the county convention of school directors of Clearfield county, held in the court house in May, 1909, Dr. STEWART delivered an address on "Teachings of Health," which was recognized throughout the State as one of the ablest addresses on this subject ever delivered, and it has since been widely quoted.

Dr. STEWART has the force, ability and

all the general qualifications to make an ideal Senator, and every man, without regard to party affiliations, who desires to see an intelligent, earnest, progressive Senator, one who will be a credit to the district, in the next Legislature, should vote for Dr. SAMUEL COOPER STEWART on the 8th day of November.

Judged from the character and schemes of Mr. TENER's various corporations there must have been more than usual in that name SMART, one of the promoters.

ADDITIONAL LOCAL NEWS.

SEARLE.—George W. Searle, a veteran of the Civil war and one of the best known residents of Beech Creek, died at his home in that place last Thursday morning. He had been an invalid the past thirteen years as the result of paralysis and for ten years had been confined to the house most of the time.

He was born in Carbon county in 1841, hence was over sixty-eight years old. When the war broke out in 1861 he enlisted in the army and served until the end of the struggle in 1865. His record during the war was a very meritorious one. At the close of the war he located in Blanchard and engaged in the lumbering business, which he followed until the forests of that locality were entirely denuded of timber. He was one of the men who helped to build the Beech Creek railroad and later was employed in various capacities in Blanchard and Beech Creek.

In 1873 he was united in marriage to Miss Josephine Berryhill, a daughter of Mr. and Mrs. Richard Berryhill, of Beech Creek, who survives with two sons, Richard B. and George B. He also leaves a number of brothers and sisters. The funeral was held on Saturday afternoon, burial being made in the Baptist cemetery at Blanchard.

MILLER.—Following several weeks illness with a complication of diseases Reuben P. Miller died at his home in Spring township early Tuesday morning. He was born and raised in this community and was 57 years, 7 months and 10 days old. For a number of years past he with his son conducted a grocery store on South Water street. He was a man who had the confidence and esteem of all who knew him and his death is a source of deep regret especially to those of his old friends and acquaintances who had come to rely on him for advice and help whenever it was needed. Reuben's success in business was rather remarkable but simply is another evidence of what honesty and hard work will do. From practically nothing the firm of R. P. Miller & Son has grown to be one of the substantial business places of this community and Reuben was its senior partner.

Surviving him are the following children: Mrs. Simon Chalmers, of Duluth, Minn.; Mrs. Robert Thomas, of Pittsburg; Mrs. Robert Klingler and Harry Miller, of Bellefonte; Marie, Daniel and Lizzie at home. The funeral was held at two o'clock yesterday afternoon, burial being made in the Union cemetery.

LOVELAND.—Mrs. Blaine Loveland, of Beech Creek, died at the Mont Alto sanitarium on Tuesday of last week of tuberculosis. She had been a sufferer for a number of months and some time ago had gone to Mont Alto in the hope that the change would be beneficial but her condition was such that she could not recover. She was a daughter of Mr. and Mrs. Enoch H. Hastings, of Beech Creek, where she spent her girlhood days until her marriage to Blaine Loveland, since which time she had made her home at Lamar. She is survived by her husband and one little son; also her parents and one sister, Miss Zoe L. Hastings, of Beech Creek. The remains were taken to Lamar, where the funeral was held last Thursday afternoon, burial being made in the cemetery at that place.

WERT.—Luther W. Wert, a well known, resident of Aaronsburg, died on Monday evening after three week's illness with Bright's disease. He was born and raised in that town and was 53 years, 8 months and 22 days old. He was a member of the Millheim Castle K. G. E., a life-long member of the Lutheran church and a man of considerable prominence and influence in his own community. He was married to Miss Emma C. Homan who survives with three sons, namely: Nelson, of Aaronsburg; Earl H., of Philadelphia, and Guernsey at home. One brother, James Wert, of Aaronsburg, also survives. Rev. B. R. M. Sheeder officiated at the funeral which was held yesterday morning, burial being made in the Aaronsburg cemetery.

She had been an invalid the past ten or twelve years. She was born in Bellefonte about sixty-nine years ago but her mother dying when she was five years old she was taken to raise by an uncle in Philadelphia and that had been her home ever since. Her husband, who during his life was in the employ of the Baltimore and Ohio railroad company, died about fifteen years ago, since which time Mrs. Buckley made her home among her children, of whom she has eight, all living. She was buried in Philadelphia on October 17th.

KELLY.—Michael Kelly, a well known resident of west Beaver street, died quite suddenly on Saturday afternoon of heart failure. Though he had not been in the best of health for some time he was able to be out and around and Saturday afternoon he had split some kindling and was carrying it into the house when he dropped over and died almost instantly.

He was born in County Kerry, Ireland, sixty-seven years ago. When but a boy he came to this country and has lived in Bellefonte ever since. He was a steady, industrious man and as the fruits of his own labor acquired the home he has for years occupied on west Beaver street. In addition to his wife he is survived by the following children: Mary E., Rosa G., Abbie T. and Maurice J., all at home, and one sister, Miss Julia Kelly, of Philadelphia. The funeral was held at ten o'clock on Wednesday morning from the Catholic church, of which he was a faithful member. Burial was made in the Catholic cemetery.

CONDO.—Mrs. John Condo died on Wednesday morning at the home of her parents, Mr. and Mrs. Frank Weber, in Philadelphia, after about a year's illness with tuberculosis. Deceased was about twenty-six years old and was born in Philadelphia where she grew to young womanhood. She was married to John Condo eight years ago and the young couple went to housekeeping in Tyrone where Mr. Condo was employed by the Adams Express company. One year ago they moved to Altoona and it was at that time that Mrs. Condo caught the cold which was the beginning of her illness. She is survived by her husband, a young son, and her parents. The funeral will be held tomorrow.

WILSON.—After many week's illness with bronchial trouble William Wilson died at his home at Rock Springs on Tuesday afternoon. A. has arranged another star course of entertainments and lectures for the coming season and the tickets are now being offered for sale by the members of the association. Practically all of last year's ticket holders have again taken tickets and the indication is that the course this year will be more popular than ever.

Very little game was brought into Bellefonte the past week, and outside of the opening day, the kill in the entire county has been below the average.

Oscar Young has resigned his position as driver for the Lauderbach-Barber company and will move to Greensburg, Westmoreland county, and take charge of a large dairy farm.

Late yesterday afternoon word came to Bellefonte that Isaac Smith, father of Witmer Smith, of this place, had died suddenly at his home in Centre Hall.

Next Monday evening, the last day of October, will be All Hallow'een and, while the occasion will very likely be celebrated as usual by the young people of the town, they should keep within the bounds of reason. Don't destroy property and don't do anything that you would object to anyone doing to you or yours.

The commissioners are not satisfied with the way the entrance to the court house is lighted at night, under the present arrangement and they have secured a twelve electric light fixture which will be hung on a heavy chain in the ceiling, right in the middle of the porch. On Tuesday overseer of the poor John Love took Mrs. Ella Gordon and Eugene Welsh to the Danville asylum. The dwelling house M. I. Gardner is constructing out of the old Midway school building presents quite a nice appearance since it has been moved back, brick cased and a large porch built in front. The Panthers held another meeting on Wednesday evening to hear the reports of the various committees appointed to make arrangements for their annual hunt the last half of November. Last Friday afternoon Joe Bertram was helping thresh on the farm of Robert Hartle, up Spring creek, when he had the prongs of a pitchfork run through two fingers of his right hand. Bertram was standing in the entryway under the hay mow when Maurice Boves threw a pitchfork down from the mow, not knowing Bertram was there. The prongs completely pierced two fingers inflicting a bad wound. At this writing the injury is healing nicely and it is hoped there will be no serious consequences.

Last spring Dale Smeltzer, who lives on the back road from Pleasant Gap to Zion, placed a horse in care of Joseph Gross, on the Beezer stock farm to be pastured for the season. In June the animal disappeared and all efforts to discover what had become of him proved futile. Last Sunday a party of boys from Bellefonte were out in the vicinity of the Beezer and Smeltzer farms hunting chestnuts when they came across the skeleton of a horse lying among the rocks. An investigation showed it to be that of Smeltzer's horse and how the animal met its death is a mystery.

NO NEW DEVELOPMENTS.—No new developments have come to light during the past week in connection with the suicide or murder of Mrs. John Baudis, near her home at Scotia on the evening of October 16th. District attorney W. G. Runkle spent several days at Scotia the past week in an endeavor to unravel the mystery but so far as known obtained no more evidence than was unearthed the first day. All efforts to find the instrument with which Mrs. Baudis' throat was cut have proven futile. It is the general supposition that the deed was committed with a razor, but if such was the case, it has disappeared very completely.

On Monday it was rumored on the street that Bert Delige, who was arrested on suspicion of having murdered the woman and is now in the Centre county jail, had confessed to having committed the deed, but such is not the case. He still maintains the same stoical indifference that characterized his demeanor at the time of his arrest.

Delige, through his attorney, Col. E. R. Chambers, has asked for a habeas corpus hearing and Judge Orvis has fixed Thursday, November 10th, at 10 o'clock a. m. as the time for same.
