INK SLINGS.

The principal one of "My Policies" now will be to keep my mouth shut.

The Oyster Bay blatherskite knows what it means now to be beaten to a frazzle.

Anyhow we haven't had a chance to crow for so long that we're all out of practice.

Centre county will be entitled to one delegate in the next Democratic state convention. Another Keystone victory.

The Keystoners fought a great fight, but how foolish! They're the boys Mr. TENER can thank for his office of Governor.

The gentlemen who came away from the GIBBONEY meeting in Petriken hall Sunday night convinced that "there was more of Christ's gospel talked there than is usually heard in our churches," must have had a very poor opinion of our churches or the ministers that serve. Frankly, we believe that persons who make expressions like the above know very little about what is going on in our churches and it is also probable that they will have less interest than ever in starting to find out when they see ministers of the churches rallying at a political meeting on Sunday night.

STATE RIGHTS AND FEDERAL UNION.

Democracy's Supreme Victory

A Landslide For Sure

Tariff First, Says Clark.

BOWLING GREEN, Mo., Nov. 9.—Downward revision of the tariff at once is the pledge made for the new Democratic House of Representatives by Champ Clark, Representative from the Ninth District, who is a candidate for the Speakership.

"The first and greatest proposition the Democrats should stand for is a reduction of the tariff to a revenue basis," he said. "I would reduce it scientifically and gradually put into it a sliding scale much like there was in the tariff bill of 1833."

With Nothing to Say, Roosevelt is Resting.

OYSTER BAY, N. Y., Nov. 9.—Theodore Roosevelt had not a word to say today as to the results of the election.

It was said at Sagamore Hill that not only did he have nothing to say, but that no statement was forthcoming, at least for an indefinite period.

Colonel Roosevelt had shut himself off from the outside world. When an attempt was made to reach him today he sent out word that he would see no reporter at Oyster Bay.

Colonel Roosevelt said several days ago that he would stay at home to rest for some time, and that he would not go to New York until November 17.

The fly in that fine big dumping that was baked for we Democrats on Tuesday was the defeat of Dr. STEWART for Senator.

Even JIM JEFFRIES, beaten nearly to death by JACK JOHNSON, could give ROOSEVELT pointers on the art of coming back.

Some people's ideas of Civic Righteousness seem to be that it is a glorious chance for them to blow the horns of the political altar, while a lot of pot hunting politicians carry away the offices.

"My Policies" Tariff Revision Upward BEATEN TO A FRAZZLE

IT IS BACK TO THE DEMOCRACY FOR ALL THE DOUBTFUL STATES

Not Since 1882 Has There Been Such a Revulsion of Political Feeling all Over the Country—The Next Congress Will be Democratic and the Way is Paved for a Democratic President in 1912.

While Democratic victories at Tuesday's elections were presaged by the landslide in Maine in September the most optimistic failed to prophesy any such a tremendous outpouring of voters to protest against the administration of the government as was recorded on Tuesday. Personal elements entered into the contests everywhere and local issues to some extent but the preponderance of sentiment is unmistakable in its expression of distrust and dissatisfaction with the Republican party's management of affairs in Washington. DIX may have been elected Governor of New York in order to rubuke ROOSEVELT; HARMON may have been elected Governor of Ohio because he had been tried and found true; WILSON may have

A Clean Sweep in New York. Victory Complete in Ohio.

The Empire State has rolled up a Democratic victory even exceeding that of 1894.

For Governor John A. Dix has been elected by a majority of 65,000 over Stimson, the Republican nominee. The entire Democratic State ticket is elected and with it a Democratic Legislature that will elect a U. S. Senator to succeed Chauncey M. Depew. Already Judge Parker, Sheshan, Shepard and Stanchfield are in the race for this honor.

Mr. Dix for Governor even carried Oyster Bay, the home of the former President Roosevelt. We gained 12 Congressmen in the State and made a clean sweep every where.

Carroll Carries Iowa.

DES MOINES, Iowa, Nov. 9.—In yesterday's election in Iowa two Democratic Congressmen were elected in districts held by Republicans, and the Republicans won a district from the Democrats. Otherwise the political complexion of the State remains unchanged, save that the big Republican majority of other years was all but wiped out.

The Governorship was in doubt till tonight. Early returns indicated the election of Claude R. Porter, Democratic candidate, but when the country vote began to arrive Governor B. F. Carroll showed steady gains. Tonight, with returns in from 85 out of 99 counties, the Governor's plurality is estimated at from 10,000 to 13,000.

COLUMBUS, Nov. 9.—At Republican headquarters all hope of saving any part of the State ticket has been abandoned and Chairman Nichols, of the Democratic committee, is sticking to his declaration, that Governor Harmon's plurality will reach the 100,000 mark.

In the Legislature the Democrats will control the Senate by about 20 to 14, and in the House the Democrats will have at least 69. This means that a Democrat will be elected to succeed Senator Charles Dick, of Akron. The Democrats also carried the congressional delegation, getting 15 of the 21 representatives.

Friends of Governor Judson Harmon are urging him to accept the senatorial election to Charles Dick's seat. They have pointed out that his acceptance not only would prevent a bitter struggle among half a dozen aspirants, but would permit him to disclaim responsibility for the actions of the Democratic Legislature in the event it put on the books objectionable laws and took off the books the county option law—the last, tonight, deemed a certainty.

They argue that the Governor would jeopardize his popularity by remaining in the State House and that he could as easily seek the Presidential nomination in 1912 from Washington as from Columbus, perhaps more easily in having evaded shafts or criticism directed at the Legislature.

Uncle JOE CANNON goes back to Congress with the greatest majority he ever had, but his wings are clipped now.

Pennsylvania Stands by the Boss

REPUBLICANS CARRY 18 COUNTIES, DEMOCRATS 9, KEYSTONERS 40

Berry Wins in Country—Heavy Socialist Vote is Polled and One Candidate Elected.

PHILADELPHIA, Nov. 9.—Complete returns from 60 of the 67 counties, and with estimated pluralities from the missing counties, show an apparent plurality for John K. Tener, Republican, for Governor of Pennsylvania, 32,849. Of this plurality from which complete returns have not been received are Allegheny, Armstrong, Chester, Lawrence, Mercer, Monroe and Wayne. Excluding these counties, Tener polled an official total vote of 348,209; Berry, the Keystone candidate for Governor, 317,345, and Webster Grim, the Democratic candidate, 116,816.

Estimated returns from the seven missing counties give Mr. Tener a net plurality of 2,035, making Mr. Tener's plurality for the State, 32,849. Of this plurality Philadelphia gave Mr. Tener 45,106, and Allegheny approximately 7,910. Mr. Tener carried 18 counties; Mr. Grim 9, and Mr. Berry the remaining 40.

John M. Reynolds, Republican for Lieutenant Governor, carried the State by a plurality about the same as Mr. Tener's. Henry Houck, Republican for Secretary of Internal Affairs, appears to have polled a slightly larger vote than his two colleagues on the State ticket.
