

IT'S A SECRET NO LONGER!

That for the last two years we have given the people of Bellefonte and vicinity, values which have not been equalled by any other concern. In fact we gave more than full value for the money; the proof is by our constantly increasing business. This month we propose to break all previous records. In order to accomplish this wonderful feat we put the knife to our \$25,000.00, twenty-five thousand dollar, stock of brand new merchandise and cut the prices lower than has ever been heard of in the history of merchandising. Beginning

Friday, December 9th, and Lasting Till December 24th,

we place this opportunity before you. You must realize that your chance is now here, don't lay it off till tomorrow. Remember to-day is, to-morrow will be, every day brings you nearer the expiring period. Below you will find a few prices which will convince you of the wonderful bargains.

But it is the same upright clothing that won favor then and holds it now. Woolens are scarce and houses complain of slow delivery; but we had our orders placed ahead and we now have a much larger stock than we like to carry at this time of the year.
