And we want everybody to know and remember that we're fully prepared for the

Christmas Holidays

and have all the dainties and necessities that are needed to make this festive occasion a success—for instance:

Mince Meat, Spices, Celery, Olives,
Vegetables, Currants, Fruits, Raisins,
Prepared Soups, Candied Peels, Citron,
and Canned Pumpkin.

The above are just a few suggestions. We carry everything in the eatable line a grocery is expected to, and our prices are reasonable.

The wearer of our Shoes can justly celebrate this occasion as regards to footwear for we have brought shoe comfort and shoe satisfaction to them. In our Shoes you obtain that happy combination—smart, stylish lasts and long, shape-holding wear. We wish to draw your attention particularly to our Hardman Shoe that is especially suited for wear this cold inclement weather. It sells for \$3.50 and is water-proof.

A GOOD THING

FOR

CHRISTMAS

Have you thought what an acceptable Christmas present a copy of the WATCHMAN for the coming year would be to some friend who is away from home, or some one here who does not receive it. It would be a present that would be greatly appreciated.

There is no better way to lighten the labor of your Christmas giving and at the same time make a present that carries joy into every household that it enters.

A beautifully illuminated receipt, conveying the donors best wishes and Christmas greetings, will be sent with the first issue, to each one, to whom the WATCHMAN is ordered as a Christmas Present.

Cost you only \$1.00 for the year, and every week will be a delightful reminder of your love or friendship for the recipient.
