This town has been so deficient in the way of having the shade trees handled --- The weather during the past week and butchered that an instructive lecture has been quite variable, but there has like the above, illustrated as it is, will be of great benefit to many and to the town in general.

SLOT MACHINES MUST Go.-Last week enough to suit the tastes and fancy of burgess John J. Bower issued an edict everybody in Bellefonte, as well as that the nickel-in-the slot gambling mastrangers in the town. Remember this is chines in Bellefonte must go, and notice business places in which they were welcome and of being treated right. The found to get rid of them by January 20th or they would be confiscated. The authorities found two machines in Bellefonte on which gambling for money was carried on openly, in defiance of the law. Two other machines were found which were operated upon a system which was merely a technical evasion of the law, and

these also had to go. There are a number of slot machines in stores in Bellefonte in which the customer always gets full value for his money, and which do not come under the ban of the law. These, of course, were not interfered with.

GREGG POST OFFICERS INSTALLED .- At a regular meeting on Saturday evening the regularly elected officers for the ensuing year were installed by Col. Emanuel Noll, past commander. Owing to the recent death of Gen. John I. Curtin, who by the way was the officer of the dayelect and which office is still vacant, the usual supper and public installation was dispensed with and the ceremonies were private. The officers installed were as follows: Commander, Herman K. Miller: senior vice commander, Monroe Armor; junior vice commander, John Reed; quartermaster, W. H. Musser; chaplain, Dr. James H. Dobbins; officer of the guard, Charles Eckenroth; officer of the day (vacant;) adjutant, Emanuel Noll; quartermaster sergeant, S. B. Miller.

FRUIT GROWER'S MEETING.-The first annual meeting of the Fruit Growers association of Center county will take place at Spring Mills, Saturday, January 21st. There will be two sessions, morning session, opening at 9.30 a. m. Prof. H. A. Surface, economic zoologist, will be present and talk on the planting and culture of fruit. An invitation is extended to the public in general to be present.

CYRUS BRUNGART, President.
