### BOROUGH COUNCIL ELECTS BOROUGH ENGINEER.

The principal thing done at the regular meeting of borough council on Monday evening was the passing of the ordinance creating the new office of borough engineer, whose duty it will be to look after the streets and water department, and electing C. W. Meyer to fill the office at a salary of one hundred dollars per month.

Every member of council was present and it was an interesting session from start to finish. There were no verbal or written communications, and none of the committees had anything special to report except the Street committee, who stated that the boardwalk around Rhoads' corner had been replaced; that contractor R. B. Taylor had refused to do the work and the same had been done at the expense of the borough. The Water committee also reported the meter bills for the current quarter to be \$714.82; also that \$10.40 had been received from Mrs. Bogle for meters.

Under the head of old business the matter of exonerating the water tax on the M. I. Gardner property on the corner of Howard and Spring streets was taken up. The chairman of the Water committee reported that Mr. Gardner was still receiving his regular rental for the property and ought to be willing to pay the tax on same. Dr. Kirk stated that notwithstanding the fact that Mr. Gardner was receiving rent for his property, if the water had been cut off from his house, as was claimed, he should not be held liable for the tax. The president finally disposed of the matter by stating that if Mr. Gardner would furnish a certificate to the Water committee that the water had been cut off from the house in question the exoneration would be allowed.

The ordinance creating the new office of borough engineer was then taken up for second reading and final passage. Dr. Kirk opposed considering the ordinance at this meeting, on the ground that a number of councilmen desired to attend the tree lecture by Mr. Withers in the new High school building. Mr. Musser, however, stated that something ought to be done to put a competent man in charge of the streets and water department and upon a vote of council Dr. Kirk's motion to hold over the consideration of the ordinance was defeated. The ordinance was then read and Mr. Musser moved that it be adopted, which motion was seconded by Mr. Keller. Dr. Kirk objected to the ordinance because of the last provision, requiring the engineer to make a new map. He stated that there was a borough map in existence and it would be simply a waste of time and expense to make another. He also objected to the ordinance because the engineer would thus be empowered to make "temporary, improvements, because he didn't approve of the word temporary. Mr. Beezer also objected to the passage of the ordinance because he was opposed to creating any new offices. On an aye and nay vote the ordinance was passed by a vote of five to three, Judge Keller, Musser, Sheffer and Yerger voting for it and Beezer, Grimm and Kirk against it.

Mr. Musser then stated that at a joint meeting of the Water and Street committees it had been decided to recommend C. W. Meyer for the position of borough engineer, and that he moved his election to serve until January 1st, 1912, at a salary of one hundred dollars per month; providing that council would have a right to remove him at any time for cause. The motion passed by a vote of five to three, the same being identical with the vote on passing the ordinance.

Borough solicitor J. Thomas Mitchell stated that he had received notice from James Noonan that if some action was not taken relative to his claim for damages for injuries his wife sustained by falling in a hole on the corner of Bishop and Allegheny streets legal proceedings would be instituted against the borough and he suggested that a committee be appointed to confer with the board of directors of the Bellefonte Electric company to see what they were willing to do, inasmuch as it was the company's men who dug the hole. The Street committee was instructed to take charge of the matter and report at next meeting.

The Finance committee asked the renewal of a note for \$1,000 for one year at five per cent, and also a new note for \$2,000 for one year at five per cent. Both were authorized.

The borough solicitor reported that about eight hundred dollars had been collected from property owners on the new brick paving account.

Mr. Yerger moved that the hall of the public building be papered at the borough's expense, but the motion was defeated on the ground that the borough did not have the money.

Mr. Judge, of the Street committee, reported a bad pavement on Race street along the Republic office, and also that the concrete pavement in front of the Italian fruit store on High street is that slippery that it is dangerous. The matter was referred to the Street committee.

Bills to the amount of \$907.13 were approved and council adjourned in ample time for the members to hear the tree lecture by Mr. Withers.

—Last Saturday Mrs. Henry F. Bartley, of Willowbank street, was eighty-four years old and her friends very kindly remembered her with a shower of one hundred and twenty post cards. A few of her neighbors and friends also called to congratulate her upon her ripe old age and the good health she still enjoys.

### —The WATCHMAN last week committed the error of stating that Mr. William Crust was putting a light plant into the Methodist church at Axe Mann. As the only house of worship they have out there is a non-denominational protestant church our designation of it as a "Methodist" church was an error, which is cheerfully corrected.

—Two months ago the WATCHMAN published a notice of the death of Augustus Schnell at his home in Des Moines, Iowa, which occurred on November 30th, 1910, and we now learn that his brother Andrew died in Guthrie, Oklahoma, on December 8th. These were the first deaths in the Schnell family since the death of the father of the above.

—The home of Mr. and Mrs. S. E. Weber, at Boalsburg, was the scene of a joyful gathering on Tuesday evening when their friends gave them a surprise party as a celebration of their wedding (fifth anniversary.) Mrs. John Kimport and Mrs. Annie Lohr had the affair in charge and it was due entirely to their efforts that it was the success it proved to be.

—The invitation issued by the Woman's club of Bellefonte for the Charity Ball, to be given in the armory Tuesday night, is for those interested in a charitable benefit, for the lovers of Bellefonte and a social evening and for every person who may consider themselves a friend of the club or of its members. The reception committee, composed of the entire club, will give you a most cordial welcome.

—The basket ball game in the Y. M. C. A. gymnasium this (Friday) evening between the Bellefonte Academy and Williamsport High school teams should be a good one. The Williamsport boys are playing a fast game and the strength of the Academy team is well known. Game will be called at 8:30 o'clock, which will give everybody an opportunity to attend. Admission only twenty-five cents. Don't miss it.

—Nothing but moving pictures constitute the program at the Scenic every evening. There is no cheap vaudeville or trashy song to take up the time and make the program seem longer. It is nothing but pictures from beginning to end. There are three reels each evening and some evenings four. And they are all the best that manager Brown can secure, so you can always feel sure of seeing something good.

—A very interesting district meeting was held by the Free Methodists in the union church at Nittany furnace, beginning on Thursday, February 2nd, and continuing over the following Sabbath. Ministers were present from Tyrone and Unionville as was also Rev. A. J. Hill, of Bradford, presiding elder of the Oil City conference. Believers were strengthened and the altar was filled nightly with earnest seekers inquiring the way of salvation.

—George Nevin Brandon, organist of the Second Presbyterian church of Scranton and once a resident of Bellefonte, where he was liked so much for his personality and rare genius, is ill at a mountain resort near Scranton with little hope of his recovery. He had been in poor health for years and it is thought was too weak to withstand the trying ordeal of his Christmas music program soon after which he collapsed and has been unconscious since Sunday. Word from there yesterday was to the effect that he will probably never regain consciousness.

—Claire B. Williams, son of Mr. and Mrs. George Williams, of this place, and whose wife prior to her marriage was Miss Tessie Lyon, daughter of Mr. and Mrs. W. A. Lyon, had a narrow escape at the time of the big explosion of powder and dynamite in New York last Wednesday. He was on a boat in the east river the one side of which was torn away by the force of the explosion. Williams was thrown between twenty and thirty feet and would likely have gone overboard had he not struck another man. Aside from the shock of the explosion he was uninjured. Almost every pane of window glass was broken in the Williams home in Jersey City, over a mile from the scene of the accident and Mrs. Williams had to stay at home and guard the house until glass could be secured and put in the windows.

—The social doings in Bellefonte within the past week include Miss Lida Morris' tea Saturday afternoon, in honor of her guest, Mrs. Patton, of Huntingdon; Mrs. S. Cameron Burnside's reception during the same evening, from eight until ten o'clock, was one of the most successful social events of the winter. Mrs. W. F. Reynold's tea Monday, in honor of Mr. Reynold's sister, Mrs. Montgomery, of Lancaster; W. Harrison Walker's dinner at the Country club, Monday night, in honor of Mrs. Patton; Mrs. Wagner Geissen's dinners, Monday and Tuesday, fourteen covers being laid for each; Mrs. Nora Sheldon's card luncheon, Tuesday, at which seven tables of bridge were in play; Mrs. Elizabeth Potter's finch party Tuesday night at which twenty guests were entertained; the Misses Valentine's dinner given at their home, Burnham Place, Wednesday night; Mrs. Jennie Curtin's dinner given to a number of Bellefonte people, at her home at Curtin; Mrs. Joseph L. Montgomery's afternoon with fancy work and cards Thursday, and the Academy dance given in the Armory the same evening.

### MACINTIRE—MEYER.—One of the most pretentious as well as fashionable weddings that has taken place in Bellefonte in some months was that last evening of Walter Hodge MacIntire, an assistant professor in agronomy at The Pennsylvania State College, and Miss Edna Elizabeth Meyer, only daughter of Hon. and Mrs. J. C. Meyer, of this place.

It was a pink and white wedding and the Presbyterian church where the ceremony took place, as well as the interior of the Meyer home on Curtin street, was lavishly decorated with pink and white carnations and roses against a background of green ferns and spruce. A large number of invitations had been issued for the church and that edifice was well filled when the hour for the ceremony, 6.15 o'clock arrived.

Promptly at the appointed hour the wedding party entered the church to the melodious strains of the wedding march from Lohengrin, as played by Mrs. J. H. Robb. First came the bride-elect, leaning on the arm of her father. She wore a gown of white satin, made en train and hand embroidered princess, with lace and seeded pearl trimmings, and a tulle veil with an orange blossom wreath. She carried a bouquet of white roses.

Her maid of honor, Miss Isabelle McKay Young, of Dunn, N. C., wore a gown of pink brocade satin, made decollete and en train, and trimmed in marabout and pink satin roses. She wore a white panama hat with willow plumes and carried a bouquet of pink roses.

The six bridesmaids, Misses Louise Brachbill, Helen Mingle, Roxie Mingle, Elizabeth Conney, Mary Conney and Jessie Etters, wore gowns of point de esprit veiled over pink and white messaline, with lace hats, mushroom shape, trimmed with satin roses. They carried huge bouquets of pink and white carnations.

At the altar, they were met by the bridegroom, Walter H. MacIntire, and his best man, H. R. Fulton, of Mississippi, as well as the officiating minister, Rev. J. Allison Platts, who performed the ceremony that united them in the holy bonds of matrimony, using the ring service. The bride was given away by her father. The ushers at the church were Messrs. S. M. Viele, of Altoona; C. W. Larson, of Wisconsin; J. W. White, of Greenville, N. C.; F. P. Weaver, R. S. Pritchard and Dr. Fred Robinson, of State College.

From the church the wedding party and about one hundred and fifty guests returned to the Meyer home where a reception was held and refreshments were served by caterer Ceader, after which Mr. and Mrs. MacIntire departed for a brief wedding trip which will be spent in the east and south.

The bride is one of the most popular ladies of the younger set of Bellefonte. Her husband, whose home originally was in Greenville, N. C., is now an assistant professor of agronomy at State College, and it is there they will be at home to their friends after April 20th, in their own already furnished home.

As a prelude to the wedding the entire party, to the number of seventeen, were entertained at a dinner at the Country club on Wednesday evening and after their return to Bellefonte on the 9:40 train they had a rehearsal of the marriage ceremonies in the Presbyterian church.

### CRUST—RUMBERGER.—The home of Mr. and Mrs. W. E. Rumberger, near Filmore, was the scene of a pretty though quiet wedding last Thursday when their daughter, Miss Sudie Lenore Rumberger, was united in marriage to Earl Crust. A small crowd of friends were present to witness the nuptials which were performed by Rev. A. L. Frank, of Stormtown, the ring ceremony being used. Following the ceremony a wedding breakfast was served after which the young couple left on a brief wedding tour. For the present they will reside at the home of the bridegroom's parents, Mr. and Mrs. Reuben Crust.

### MUSSER—LEECH.—A quiet though pretty wedding took place at the well known Leech home at Shingletown, at 7:30 o'clock on Wednesday evening, when Miss Edna Leech, daughter of Mr. and Mrs. John Leech, was united in marriage to Harry Musser. Only a few close personal friends were present to witness the ceremony which was performed by Rev. J. I. Stoneypher, of Boalsburg. The bridegroom is a son of Mr. and Mrs. Wallace Musser, of the Branch, and both he and his wife are well known and respected on the South side.

### DON'T MISS THIS ENTERTAINMENT.—"Bibi, a Comedy of Toys," is a new and original entertainment that will be given in the Y. M. C. A. hall next Friday and Saturday evenings, February 17th and 18th; under the direction of the Ladies Auxiliary of that organization. It will be something entirely unique in the entertainment line and cannot fail to please all who attend. The price of admission will be 25, 35 and 50 cents and the proceeds will be devoted to completing the swimming pool of the Y. M. C. A. This is a very good reason why the entertainment should be well patronized.

—Between twelve and one o'clock on Saturday night there was a free for all fight between several foreigners and a half dozen or more young men of the town and the result was that the whole bunch were nabbed by the police and locked up. They were kept in the cooler over Sunday, hence had plenty of time to consider their misdoings.
