Snow squalls here all day Sunday, and cold, too.

Dr. Branch reports considerable sickness in the country, but nothing of a serious character.

Considerable painting and patching is being done in our town, to be ready when spring opens.

Autos are becoming quite numerous of late, of course scattering the mud and slush in all directions.

Mr. and Mrs. J. F. Cameron, of Carlisle, were here last week visiting friends in the valley, guests of O. T. Corman.

Notwithstanding the Arctic weather of a day or two last week robins and bluebirds are still about, so all were not frozen as was feared.

The high winds on Monday last were of the cyclonic order in this neighborhood. Considerable fencing was blown down and a number of out-buildings unroofed. The weather, however, was not particularly cold.

Last week O. T. Corman received another lot of fine frozen fish. After supplying his customers here in town he always goes to Millheim and Coburn, and generally returns with an empty wagon.

W. O. Gramley is making preparations to enlarge his barn. He has just added to his present fine herd several more cows, Alderney and Guernseys, also thirty fine shoats. The "Wheatland dairy" has become quite an institution.

Those who attended a quilting party at Mrs. A. L. Johnsons on Tuesday were Mrs. B. H. Parsons, Mrs. W. H. Ghaner and daughter, Miss Rilla. They all reported having a jolly good time, if they did have to go home through the snow storm.

Paul and John Baudis left for Canada recently, where Paul has been located the past six years. He came home last fall shortly after his mother's death to help settle the family affairs. Ed Baudis and wife went to Unionville where they will make their future home; Mary and Thomas will make their home with their sister, Mrs. Emma Slagle, at State College.

Are Children Worth Bringing Up?

It can't be done without RUBBERS.

This is what appeared in a recent number of the American Journal of Health:

The family doctor should din it into the mother's head all the time, that the health of their children lies in the feet. Keep the feet dry. Never let them get wet. No child should be allowed to go out in snow or rain, or when walking is wet, without Rubbers.

REMEMBER, Yeager's Rubbers are the best and the prices just a little cheaper than the other fellows.
