-After the very gratifying results from the public appeal made to the people of Bellefonte one year ago, to clean up their town, we can but hope that it will only be necessary in a second attempt to notify all residents that the week beginning with May fifteenth has the degree of L. L. B. been appointed for the time when as a people they will work with one interest and that to the cleaning and beautifying of Bellefonte. The hearty response last year would give rise to the thought that those who ignored this suggestion of improving their own conditions, did so through a misunderstanding as to its object-to these is made a most urgent appeal to co-operate this time with their fellow townsmen in accomplishing a work which is uppermost in the minds of all public spirited citizens of any community. Bellefonte is composed of properties owned and occupied by individuals and should each of these individuals realize their duty in seeing to the cleaning and is now playing on the Erie baseball team,
