THINGS ABOUT TOWN AND COUNTY.

A festival will be held tomorrow (Saturday) evening, on the Milesburg ball field, for the benefit of the grounds. All are invited.

Harry Otto has decided to locate permanently in Johnstown, where he has a good position, and expects to move his family there this week.

Mrs. Edward Harper is driving a Maxwell runabout, which was purchased in Altoona and shipped to her at her home at Curtin a short time ago.

Dr. P. S. Fisher was down in Lock Haven the latter part of last week and bought a Maxwell runabout from the Rothrock Bros. Dr. W. W. Feidt has also ordered a Maxwell.

Mrs. John Howley, of Bishop street, will break up housekeeping the last of this month and thereafter make her home with her daughter, Mrs. Harry Taylor, on Penn street.

Rev. Francis S. Hort, pastor of the First Presbyterian church of South Bethlehem, will fill the pulpit of the Presbyterian church of this place at the morning and evening service on Sunday next.

The bass fishing season opened last Thursday and a number of nice catches have been reported from the Bald Eagle creek in the lower part of the valley, though the water is too cloudy for good fishing.

Mrs. Catharine Dinges entertained a number of people at the Green home on east Linn street, Monday evening, in honor of Mr. and Mrs. J. Harvey Hill, of Boston, and Mr. and Mrs. W. L. Antrim, of Philadelphia.

At the annual convention of the Pennsylvania State Undertaker's association in Altoona last week Frank E. Nagney, of Bellefonte, was elected treasurer. Next year's convention will be held in Pittsburg.

Miss Lida Morris' porch party Wednesday afternoon was given in honor of her house guest, Miss Dill, of Clearfield, and at Mrs. David Dale's tea this afternoon her guest, Miss Sangmeister, will assist in receiving.

Miss Rebecca Rhoads yesterday presented sixty-two new volumes to the Francis Sinnickson Rhoads memorial reference library in the Y. M. C. A. These additional volumes bring all the books in the library up to date.

Messrs. Satterlee and Patterson, representing the Scootac Power company, were in Bellefonte this week looking over the situation in regard to securing an electric franchise and it is quite likely they will appear before council at its next regular meeting.

F. W. Crider's new Hupp-Yeates electric brougham arrived in Bellefonte on Wednesday and was unloaded and delivered to his home yesterday. It is a very natty, smooth-running automobile and it now remains to be seen if it has the power to navigate this hilly country.

The high school commencement is over at last and the twenty-three young men and women who were given diplomas on Tuesday evening are now face to face with the world and their future; and it will in a great measure depend upon themselves what that future will be.

A festival under the auspices of the Ladies' Aid society of the Methodist church, will be held at Pleasant Gap, Saturday evening, June 24th. Ice cream, cake, candies and fruit will be served, and a most cordial invitation is given to every one to bring their purses and come and taste of the exceeding good quality of these delicacies.

The Street committee of borough council is the hardest worked committee of that organization, and if they would undertake to put east Lamb street into something like a good passable condition they would be up against a far stiffer proposition. There is not another street in the town as bad as that and one which gets less attention.

The Free Methodist revival meetings which are being held at Hunter's park, and which are having such successful results under the leadership of Rev. Howard Hepler, will be continued this week. For the evening service of Sunday, June 25th, which will begin promptly at eight fifteen o'clock, a special and urgent invitation is given to everyone.

The Ladies Aid society of the Lutheran church will hold a sale in the vacant room on Bishop street formerly occupied by Roan's grocery store tomorrow (Saturday) afternoon and evening. There will be cakes, pies, etc., and many articles needed in every household. The proceeds will be for the benefit of the church and the patronage of the public is earnestly solicited.

The formal opening of the Nittany Country club house last Friday evening, while being quiet informal, proved a most delightful affair throughout. The attendance of members and guests was large, estimated to be in the neighborhood of one hundred people. The Tyrone orchestra of twelve pieces furnished the music for the evening and their playing was much enjoyed by all.

WHAT THE BOROUGH COUNCIL DID.—Six members were present at the regular meeting of borough council on Monday evening, but what was expected to be a very interesting session turned out to be a very tame affair. The borough engineer and contractor R. B. Taylor had been requested at the special meeting a week ago to have ready for council on Monday evening a full statement of the state road expenditures but Mr. Taylor was unable to be present and the borough engineer had not prepared the desired report, so that the members of council as well as the borough at large will have to wait another two weeks at least to find out just where they are in the matter of the cost of building the state road through town.

Clarence Garbrick, who is putting down a concrete pavement in front of his property on east Curtin street, was present and asked that a record be made on the minutes of the grade given him by the borough engineer, so that if the same is changed in the future it will not be at his expense. The grade given him is lower than his property and adjoining pavements and while he is willing to dig down to it now he don't want to be put to the expense of changing it in the future. Borough engineer Meyer stated that the grade given him was the right grade for that street and it was ordered to be so recorded on the minutes.

William Miller, who lives on the southeast corner of Logan and Allegheny streets, was present and made complaint about the noise kept up every night at the livery stable on the corner opposite his home. He claimed that it is made the headquarters and drinking resort for a crowd of white and colored men and that they keep up a continual racket until as late as two o'clock in the morning, disturbing everybody who lives in that neighborhood. The burgess was instructed to notify the police to have the night rackets stopped.

R. B. Taylor asked permission of council to lay a siding from the Pennsylvania railroad into his new coal yard on Thomas street and the matter was referred to the Street committee for investigation and report.

In the matter of the water tax exonerations asked by collector J. Kennedy Johnston the Water committee stated that they had not completed their examination and had no report to make.

At the meeting of council on June 5th borough engineer Meyer was instructed to prepare an estimate of the probable cost of a concrete bridge over the tail race at the Phoenix mill, but his report was not ready for presentation to council.

The borough solicitor presented an ordinance covering the extra width of the asphalt macadam paving on Bishop street which was read for the first time. Under the new law an ordinance providing for the paving of a street must be read in council thirty days before it is passed finally and must also be advertised and notices posted all along the route of the proposed paving. The ordinance having been read the borough solicitor was instructed to see that the notices are posted and the matter properly advertised.

The chairman of the Street committee reported the floor of the Lamb street bridge in a bad condition and that the iron superstructure needs painting very badly. There is some question as to whether or not it is a county bridge and the matter was referred to the Street committee for investigation and report.

In the matter of an additional payment on the state road work it developed that \$571 were due Mr. Taylor on the curb and gutter, counting the ten per cent. off and on motion of Mr. Musser it was agreed to pay him five hundred dollars on account. The borough solicitor was instructed to have liens entered against all properties the owners of which have not paid their assessment for the curb and gutter and the brick paved portion of Allegheny street.

The borough treasurer asked for the renewal of notes in the sum of \$4,000 for four months; \$2,200 for six months and \$800 for six months, and a new note for \$2,200 for four months, to pay current bills. Bills to the amount of \$1,001.00 were approved and ordered paid and council adjourned. As the members were leaving the council chamber Dr. J. L. Seibert and L. T. Munson made their appearance but they were too late to be heard.

THE FOURTH AT HECLA TO BE BIG TIME.—The Lock Haven papers state that Warren Bauman is putting his Curtis bi-plane in shape to make two ascensions at Hecla park on July 4th, when the Bellefonte Lodge of Moose will hold a big picnic at that place. The fact that Bauman's remuneration is to be contingent upon his going up will stimulate him to make the effort, at least, and Bellefonters, as well as Centre county people in general, will thus have their first opportunity of seeing an air ship in action.

In the window of F. P. Blair & Co's jewelry store are displayed a gold watch and two handsome diamond rings, her choice of the three to be presented to the young lady winning out in the Moose Queen contest just inaugurated. There will be prizes awarded the winners in every contest pulled off and the program will be big enough to fill in the entire day. The Lock Haven Moose and other Moose will also be there. Watch for later announcements.

Edward Harper, of Curtin, went to Altoona on Saturday evening and on Sunday drove his little Maxwell home.

J. Norman Sherer and Edmund Blanchard were the originators of the big supper party given at the House of Lords, on Nittany mountain, Tuesday evening.

The summer school for teachers at State College will begin next Monday, June 26th. From present indications from two to three hundred teachers will be in attendance.

The loss on the Bellefonte Methodist church, which was damaged by fire on Tuesday evening of last week, was this week adjusted at two thousand dollars and work on repairing the same will be started at once.

On Sunday evening, July 2nd, at 7:30 o'clock, religious services will be held on the campus at State College, weather permitting. They will be in charge of Rev. J. Allison Platts, of Wilkesburg, but formerly pastor of the Bellefonte Presbyterian church. The public is cordially invited to attend.

Since coming to Bellefonte the Misses Mary and Henrietta Butts, who are the guests of their sister, Mrs. Robert F. Hunter, have been honor guests at a fishing party Saturday, at the Bush house at dinner Wednesday, followed by a party at the Nittany Country club the same afternoon, and on a motor party to Williamsport Thursday.

There are still a few cases of scarlet fever in Allegheny. Last week the little daughter of Mr. and Mrs. John Whippo, on Logan street, was stricken and on Saturday two children of Mr. and Mrs. William Derstine, of Ridge street, were taken ill with the disease. Both houses were quarantined as promptly as possible. All other cases have recovered and the quarantines are lifted.

The Academy camping party went out to the Allegheny mountains last Saturday for their two weeks camping out. In the party this year are James R. Hughes, Percy Eisenbeis and Harvey Irwin, of Pittsburg; Jean and Emily Jassett, of Baltimore, and a friend of Miss Emily from Washington; LeRoy, Mildred and Melvin Locke; Dollie Sitnek and Rachael Shuey. Rev. James P. Hughes expects to go out for a portion of the two weeks but is uncertain how soon.

Dr. R. G. H. Hayes has had a new concrete pavement put down in front of the Pruner block on Allegheny street and Mr. C. T. Gerberich has fixed the pavement along the Curtin property on the same thoroughfare. New flagstones were put down in front of Dr. Fisher's office and the Gazette office and the balance of the pavement was all relaid and leveled up so that it is now in good condition. A number of other property owners on Allegheny street should do likewise.

A squad of fourteen State College students in charge of E. E. Tanguay were in Bellefonte the past week studying and making water color drawings of the geological formation of this section. They were quartered at the Brockerhoff house and every morning they went out to one or the other of the limestone quarries with their note books and lunch baskets and did not return until late in the afternoon, when the remainder of the day would be spent in work on their drawings. The close application they gave to their work showed that they were here for practical study.

There was more or less excitement up in Ferguson township in the beginning of the week over the disappearance of Clyde Price, a sixteen year old boy who lives with Miss Birdie Meek. The lad left home late on Saturday and nothing was heard of him until on Sunday when he was seen in Stonevalley. Mr. J. E. Bressler went after the boy but failed to find him and on Monday he was seen in the Barrens west of the Meek home. He was finally located on Tuesday at Hannah Furnace and taken home by Mr. Bressler. Young Price declines to give any explanation for going away.

The coronation of King George, of England, is officially over and while it was pulled off successfully without the assistance of anybody from Bellefonte manager T. Clayton Brown, of the Scenic, has already given assurance that if there is a moving picture of the coronation and festivities leading up to it, he will procure it at as early a date as possible for exhibition in Bellefonte. This will be a rare treat for everybody who attends the Scenic and is another proof that manager Brown always secures the best that it is possible to obtain. He now has booked for exhibition in the near future a feature picture of especial interest.

Rev. Richard H. Gilbert, superintendent of the Danville district, Central Pennsylvania M. E. conference, with Mrs. Gilbert, their daughter and son-in-law and one other person were seriously injured in an automobile accident last Saturday. They were on their way from Nanticoke to Berwick and going around a curve a nut on the steering gear came off leaving the machine without control and before it could be stopped it plunged through the guard rail and down a fifty foot embankment to the bed of the Delaware, Lackawanna & Western railroad. All the occupants of car were rendered unconscious and were hurried to the Nanticoke hospital where it was found that Mrs. Gilbert's injuries were the most serious. Rev. Gilbert was located in Tyrone a number of years ago and is well known by Bellefonte Methodists.

THE HIGH SCHOOL COMMENCEMENT OVER.—After a postponement of three weeks the Bellefonte High school commencement was held this week and, although the exercises were all considerably curtailed they were attended by a large audience. The baccalaureate sermon was preached to the graduating class on Sunday evening by Dr. Ambrose M. Schmidt, in the Reformed church. It was a very interesting discourse and was listened to with close attention by the entire congregation.

The graduating exercises proper were held in the high school building Tuesday evening, beginning at eight o'clock. The room had been very appropriately decorated with the class pennants and colors, purple and gold, the national colors and potted plants and flowers. The class of young men and women, numbering twenty-three, were seated in two semi-circular rows on the platform and looked quite learned and demure. Deitrick's orchestra furnished the music for the occasion. The evening's exercises were opened with an invocation by Rev. F. W. Barry after which Charles Auman, the principal, introduced as the first speaker Miss Grace Showalter. Owing to the fact that the time was limited the exercises were confined to the salutatory, the class history by Graham Hunter, the class prophecy by Miss Beulah Woods and the valedictory by Miss Anna Shuey.

At the close of the above exercises Dean Samuel E. Weber, of State College, was introduced and made the commencement address. His talk was along the line of development not only of the mind, but opportunity and circumstances. At the close of his address Dr. Melvin J. Locke, president of the school board presented the diplomas to the members of the graduating class and awarded the prizes as follows:

Col. W. F. Reynolds general excellence prize, \$10, Anna M. Shuey. Estate of J. C. Meyer Senior biographical essay, \$10, Grace V. Showalter. Harry Keller mathematical, \$10, Grace V. Showalter. D. A. R. historical, first prize \$6, Anna M. Shuey; second prize \$4, Clare Reynolds.

Dr. and Mrs. Thomas R. Hayes first honor prize \$5, Anna M. Shuey; second honor, \$2.50, Grace V. Showalter; merit, \$2.50, Clare Reynolds; special, \$2.50, Elsie Altenderfer. George R. Meek bookkeeping prize, \$5.00, Mary Kline; spelling, \$5.00, Marie Welch.

Dr. and Mrs. Thomas R. Hayes have further manifested their generosity by establishing permanent prizes of \$2.50 for each and every member of the graduating class who maintains an average standing of ninety per cent. or over, whether they are members of the High school for four years or for one year.

The members of the graduating class are as follows: Anna Shuey, Grace Showalter, Graham Hunter, Beulah Woods, Joseph Taylor, Harry Noll, Adaline Kline, Burns York, Alice Barnhart, Elsie Altenderfer, Bertha Deitrick, Clare Reynolds, Marguerite Coxey, Henry Keller, Mary Streub, Millard Hartwick, Esther Undercoffer, Anne Spangler, Helen Saylor, Edith Hausner, Marie Welsh, Emma Bachman, Mildred Wetzel and Homer Zimmerman.

CENTRE COUNTY NORMAL GRADUATES.—The twenty-fourth annual commencement of the Centre State Normal school at Lock Haven was held this week and among the large number of graduates were the following from Centre county: Sarah Viola Harter and Mabel Margaret Long, of Spring Mills; Mary Blanche Homan, Marguerite Musser and Marie Ruth Rice, of State College; Lulu Leah Schenck, Sarah Edith Wentzel, Edith Weber and Blanche E. Swartz, of Howard; Edith Catharine Shimmel and Alice Laurena Waring, of Philipsburg; Maude E. Viehdorfer, of Pine Glenn, and Olive Emma Way, of Stormstown.

BELLEFONTE ACADEMY PRIZE WINNERS.—During the past week announcement was made of the prize winners at the Bellefonte Academy, as follows. The James Potter Hughes mathematical prize of ten dollars was awarded to John Taylor, of Chelsea, Okla.; the first prize of six dollars for the highest rank in American history to Boyd Irwin, of Unionville, and the second prize of three dollars to LeRoy Locke. Irwin also won the classical prize of five dollars.

During the past week G. Willard Hall announced that he was a candidate for the nomination for register on the Republican ticket and would make a hot fight for it.
