—The wedding of Dr. Wilbur Donahue Twitmore and Miss Elizabeth Steiner Fryberger, daughter of Capt. and Mrs. C. T. Fryberger, of Philipsburg, will take place at the home of the bride's parents on Wednesday, September 20th. On account of the recent death of Mr. Twitmore's mother only the immediate members of the two families will be guests at the wedding. Dr. and Mrs. Twitmore will make their home in Lancaster.

—The great issue that has been dividing and disturbing the statesmen about Washington, and which Dr. Wiley has so far been unable to satisfactorily solve as to "what is beer," has been side-tracked, for the time, by the more imperative and important demand to know the proper way "to mix a mint Julip." Really we common people have little conception of the intricate knowledge it requires to act and pose as an up-to-date statesman.

BUSINESS MEN'S PICNIC NEXT TUESDAY.—The various committees in charge of the fifteenth annual picnic of the Centre-Clinton County Business Men's association have practically completed all arrangements for the gathering at Hecla park on Tuesday of next week, August 22nd, and they feel confident that the picnic this year will be bigger and better than ever before.

The amusement committee has arranged a good program for the day. There will be a game of ball in the forenoon between local teams of Bellefonte and Lock Haven, to be followed by an inter-county clay pigeon shoot, in which some of the best shots in the two counties will participate. In the afternoon the ball game will be between the crack teams of Tyrone and Philipsburg. Both these teams have been playing splendid ball this season, and as there is considerable rivalry between them Tuesday's game should be very exciting. Various track and field contests will also be held in the afternoon.

The music committee has secured the Tyrone band, which will give concerts at frequent intervals throughout the day, and the Germania orchestra, of Lock Haven, which will furnish the music for dancing afternoon and evening.

The "Pike" will contain a good list of harmless attractions and the fireworks display in the evening will be well worth seeing.

The Central Railroad of Pennsylvania has made ample arrangements to promptly and satisfactorily handle the crowd, however large. Arrangements have also been made for special return trains to take care of all those who may attend from Tyrone and other points in Blair county, as well as in the upper Bald Eagle valley. There will also be special train service to Philipsburg, so that all rooters for the base ball team will have no trouble getting home the same evening.

On account of the trouble and increased cost in securing enough cars to handle the crowd the Central Railroad of Pennsylvania has been compelled to make a slight increase in the fare from both Bellefonte and Mill Hall, an increase that has been sanctioned by the transportation committee. Heretofore the rate from Bellefonte was 25 and 15 cents, this year it will be 35 and 20 cents. The rate from Mill Hall was formerly 35 and 20 cents, this year it will be 45 and 25 cents. These advanced rates, however, will prevail on the day of the business men's picnic, only the old rates to prevail for all other gatherings.

The above are the facts in detail. Now all that remains is for everybody to take a day off and go to Hecla park next Tuesday. You need the relaxation and you won't miss the time or expense. There's going to be a big crowd there, notwithstanding the attempt of a few "knockers" to create friction, and you want to be one of the good fellows.

BELLEFONTE SCHOOLS WILL OPEN SEPT. 4TH.—Borough superintendent Jonas E. Wagner announces that all departments of the borough schools will open on September 4th. Entrance examinations will be held in the new building Thursday, August 31st, beginning at nine o'clock in the morning.

Children becoming six years of age between the beginning of the term and the first day of January will be admitted during the first two weeks, and those becoming six between the first day of January and the end of the year, will come in the first two weeks in January.

The vacancies in the High school faculty have been filled by the election of the following persons: Miss Maude C. Bear, M. A., of Rock Island, Ill., a graduate of Augustana College, and who has taken courses at Wellesley College, The Sorbonne, Paris, and in Germany, to be instructor in Latin and German.

THE WILLIAMS REUNION.—The Williams family reunion, the big annual event of the upper Bald Eagle valley, will be held in John Q. Miles' grove near Martha tomorrow, August 19th. Plans have been perfected to make it bigger and better this year than ever. All trains except express east at noon will stop at the grounds and a suitable platform will be erected for the accommodation of all passengers on the Bald Eagle branch.

The Port Matilda band will be in attendance, a merry-go-round will be there for the children, and there will be two games of ball and other athletic events to entertain the crowd. Col. H. S. Taylor, of Bellefonte, and Rev. Gordon A. Williams will make addresses. Harry G. Ebbs, of Milesburg, will be in charge of the refreshment stands. While this is the "Williams" reunion a cordial invitation is extended to everybody to attend.

The officers of the association are: President, E. J. Williams; vice president, Walter H. Williams; secretary, O. D. Eberts; recording secretary, R. R. Hartsock.

—The battle-scarred veterans of the Civil war captured Bellefonte yesterday.

—From the big slaughter houses in the west comes the announcement of another advance in the price of meats. The announcement is bemoaned by the butchers everywhere with a bawling cry of the high prices they are compelled to pay, at the same time soaking the consumer double the amount of the raise. Its the latter person who always gets caught good and proper.

—The picture of the coronation of King George, of England, shown at the Scenic Tuesday evening, was as instructive as it was interesting. Tonight a reproduction of "Faust" will be given, two full reels in color. Other very interesting pictures have been shown during the week so that the Scenic is more than keeping up its reputation for a high class place of amusement.

—Rev. R. Skyles Oylor and family, of Milesburg, arrived home last Friday after spending a four weeks vacation in the northern and western part of the State. During the pastor's absence the Methodist churches at Unionville, and Milesburg were supplied by Rev. C. S. Shuey, of Bellefonte, and Prof. Swigart, of the Juniata College, Huntingdon, Pa. Preaching at Milesburg next Sunday morning at 10:30 o'clock.

—Now that the trout fishing season is over Clay Brown is making pilgrimages to Unionville on pike fishing expeditions. On Friday of last week he and a friend caught ten and on Monday he and Charles Anderson landed ten more, two of which measured twenty inches in length. But at that they did not have much fish, for by the time the head and tail were cut off there was not a great deal of pikeleft.

—If our neighboring contemporary, the Republican, is a little bit sassier this week than usual, don't blame it entirely on ye editor, but rather on the foreman, Andrew B. Young, who last Friday morning became the father of twins, a boy and a girl. Under the present management the Republican has always been a prolific organ, but we never imagined for a minute it would wield such an influence upon the people employed thereon.

The twenty-third annual reunion of the Fifth Pennsylvania Reserves will be held at Milton on Thursday, September 14th, 1911, the anniversary of the battle of South Mountain. Headquarters will be in the Henry Wilson post room, and the business session will be held in the morning. The 131st Pennsylvania Volunteers will hold their reunion at the same place on the same day, but there will be plenty of room for both squads.

—Charles Ricketts, an itinerant upholsterer, who has been in Bellefonte the past two weeks, claims to have been beaten and robbed in broad daylight on Wednesday last week, on the hill between the Evangelical church and the Reuben Valentine property. Ricketts avers that he sat down there in the shade to rest and three men came down the hill and assaulted him when he was not looking at them. He is unable to give a description of his assailants.

—George Miller, of Beech Creek, went to Lock Haven on Saturday and remained overnight, a guest at the Clearfield house. Miller is a somnambulist and about 4:30 o'clock on Sunday morning he got out of bed for a walk in his sleep and accidentally fell out of the second story window into the alley. He awoke when he hit the ground and his cries brought help. An examination showed that he had sustained a broken ankle, which will keep him from work for some time.

—I. J. Dreese, road supervisor of College township, resented the Watchman's assertion last week that he had done no work on the College township portion of the Rishel hill road and very emphatically informed the writer this week that he had put five tons of crushed stone on the roads in that township, but when cornered with the direct question as to how much he had put on the Rishel hill road he had to confess to none at all. And this is the road the Bellefonters gave their money to have fixed up.

—James Furst Esq., last week traded in his second hand Maxwell as par' par on a new Ford from the Keichline agency, while the latter also sold a Ford touring car to A. A. Grow, of Moshannon. Dr. David Dale purchased George Bush's second hand Ford to use as a sort of spell-binder for his Franklin and Bush right away purchased a second hand Buick from George A. Beezer. The newest car in Bellefonte is a runabout with rumble seat at the Sebring agency. It is the product of the International Harvesting company and has not yet been tried out thoroughly.

—Just 443 people left the Bellefonte station at 5:30 o'clock on Sunday morning on the Pennsylvania railroad's special excursion to Gettysburg and the total number off of the Lewisburg and Tyrone railroad was 1050, requiring a train of sixteen cars, run in two sections, to transport them. They reached Gettysburg along about two o'clock in the afternoon and left there between seven and eight in the evening on the homebound trip. The first section reached Bellefonte about 3:30 o'clock Monday morning and the second section about 4:30 o'clock. Of course all who went declare they had a good time, though they didn't see half the battle.

REUNION OF THE 148TH.—Just eighty survivors of the famous 148th regiment, Pennsylvania volunteers, assembled in Bellefonte yesterday in their annual reunion, and as evidence of the fact that there were no boys among them it was noted that James Poorman was the youngest man in the crowd, and he was past sixty-four years old.

The business session in the morning was held in the rooms of Gregg post and was presided over by Gen. James A. Beaver. The mortality report showed that since the history of the regiment was published one hundred members have answered the last roll call. It was decided to hold the reunion next year at Conneville and in acceptance of a pressing invitation from the I. J. Grenoble post, Gettysburg, it was voted to hold the 1913 reunion at that historic spot, inasmuch as it will be the year of the fiftieth anniversary of the battle of Gettysburg.

From twelve until two o'clock the old soldiers were taken in automobiles down the State road to Milesburg and out to the Bellefonte fish hatchery, and at two o'clock they were all guests of Gen. Beaver at dinner at the Bush house. Last evening a camp fire was held in the court house and many were the experiences and thrilling encounters retold by the old vets.

The full roll call of those present is as follows:

THE SCOOTAC POWER COMPANY FRANCHISE.—On Monday Frank Dougherty, of Philadelphia, representing the Schofield Electrical Engineering company, which is back of the proposed Scootac Power company, came to Bellefonte with Lee M. Patterson in the latter's automobile. The trip was made for the purpose of inspecting the route for the proposed power line up Bald Eagle valley to ascertain beyond all doubt as to its feasibility. The route proposed will be across the mountain from the Scootac hollow to Bald Eagle valley a short distance below Beech Creek, then directly up the valley to Milesburg, connecting with all the towns enroute, and from Milesburg to Bellefonte. So far as known Mr. Dougherty was well satisfied with the outlook.

As stated in this paper last week the amended ordinance was read at council meeting the Monday evening previous and referred to the borough solicitor for conference with the projectors of the company as to their willingness to accept the same in its amended form. Up to this writing no word has been received from Mr. Patterson, who is acting as trustee for the projectors of the company and it will hardly be known until council meeting Monday night what they will do. The fact, however, that Mr. Patterson took the trouble to bring Mr. Dougherty to Bellefonte looks as if they meant to accept the proposed ordinance, in which event it will likely pass council without any dissent.

SOMETHING FOR THE LADIES.—The Ecomy jar for preserving, which requires no rubber rings and is really a boon to the woman who puts up fruit in season, is being advertised by the Potter-Hoy-Co. To supplement the newspaper advertising they have now a demonstrator from the manufactory who makes preserves and jellies and jars them right in the store. It is to see this expert work that you are invited to go to the big hardware concern on High street, this place, any time within the next two weeks. The process will have many pointers for you, even if you are not in need of the jars now and you will be made very welcome.
