The Result in Bellefonte Borough.

There were also a number of surprises in the results on the borough ticket in this place. One of these was the defeat of D. F. Fortney Esq., for school director for the six year term by Dr. M. J. Locke. the latter having a majority of 99. A. C. Mingle and Charles F. Cook were elected for the four year term and Mrs. Brouse and Mrs. Gilmour won out in their fight for the two year term. Thus the school board in the future will be composed of three men and two women. Another surprise was the defeat of overseer of the poor P. H. Gherrity by just one vote, Harry Badger and Alexander Morrison, both Republicans, being elected. C. K. Hicklen, for auditor, had the biggest majority on the borough ticket, having just 207 votes more than W. Miles Walker. The complete returns for the borough and wards are as follows:

Big Vote Plloed Showing Democratic Gains in Judges, Mayors, and a Few County Tickets.

HARRISBURG, Nov. 8 .- Although there was no State ticket to elect, the county elections, as shown by the returns so far received brought out an unusually large vote. On their vote the gains were general for the Democrats. In the Judge contests, of which there were twentyour, the gains for the Democrats were seven while the Republican gain was two. Following are the revised returns of the judicial election:

PHILADELPHIA

Democrats and Keystoners Succeed in Electing Mayor, City Solicitor, Three of the Six Magistrates and an Increased Number of Councilmen.

Official returns of Tuesday's election show that Rudolph Blankenburg, inde-pendent nominee, has been elected mayor over Geo. H. Earle, Jr., organization candidate, by a majority of 4797. Blanken-burg received 135,139 votes, against 130,-342 for Earle.

Blankenburg, however, ran ahead of his ticket, and the organization succeeded in electing most of its candidates for the other offices. One Republican candidate for magistrate went down to defeat, the independents electing all three of their children didates, and the city solicitorship is in doubt, with the chances favoring the eleccan, was elected over Dr. W. H. Rock- tion of Michael J. Ryan over James Alcorn, present incumbent. Each claimed his election last night, but it will take the official to settle it.

With one division of the city missing an unofficial computation of the vote for the city solicitorship shows that Michael J. Ryan, Keystone-Democratic nominee, defeated James Alcorn, Republican, by a majority of 1579 votes. IRA GARMAN, a former resident of Belle-

fonte, was elected Select Councilman, by the Democrats.and reformers, from a district heretofore giving an overwhelming Ring majority.

MASSACHUSETTS.

Stands by Her Democracy.

Boston, Mass., Nov. 9.-Complete returns show the re-election of Governor Foss by a larger majority than was given him last year. As the issue in this State was open and distinctly on the tariff question, Massachusetts can be put down ns when that question is at issue.

KANSAS.

Democrats Gain Congressmen.

lol.A, Kan., Nov. 7.—Iola complete gives
Joseph A. Taggart, Democrat, for Congress in the Second Kansas district, two hundred majority over Ulysses S. Guyer, Republican. The same city in 1910 gave A. C. Mitchell, Republican, for whose seat Taggart and Guyer are contesting, a majority of approximately three hundred.

While there was no general election in this State the local elections, showed Republican gains for mayors and members of the General Assembly. Returns which houses of the Legislature and the mayors in Syracuse and Utica. New York city elects its usual number of Senators and Members.

MARYLAND.

Elects Republican Governor, but Other Offices and Legislature Go to Democrats.

BALTIMORE, Nov. 8.-Republican jubilation this morning over the result of yes-terday's election became much subdued this afternoon as the returns began to filter in from the counties. While the figures are far from complete, tonight, they show that the Republicans, instead of sweeping the State, as they thought, merely elected their Governor, Phillips Lee Goldsborough, by a majority that may not reach 3000.

The incomplete figures also indicate that the Democrats retained control of the Legislature and elected Edgar Allan Poe Attorney General and Emerson C. Harrington Comptroller. All three Democratic candidates for Judges of the Su-preme bench in Baltimore city were elected, but the Republicans re-elected Judge Henry Stockbridge to the State Court of Appeals.

DEMOCRATIC LANDSLIDE IN KEN-TUCKY.

McCreary, Democrat, Elected Governor by from 30,000 to 40,000.

LOUISVILLE, KY., Nov. 7.—Kentucky' for years considered in the balance be tween the Democrats and Republicans today went back into the ranks of the former in a landslide victory. Returns tonight indicated that James B. McCreary, Returns Democratic candidate for Governor, had been elected by from 30,000 to 40,000 majority. His opponent was Judge Edward C. O'Rear.

The Herald and Post, both of which supported the Republican ticket, conceded McCreary's election by 40,000, but figures taken from all sources hardly justify such

REGARDING RAFFLING MATCHES.—Sev eral weeks ago burgess John J. Bower issued a proclamation prohibiting all raffling or hustling matches for turkeys, chickens or fowls of any kind, as it is against the law, and gave instructions to the police to arrest any and all offenders. Whether the Spring township authorities were aware of Monday night's raffling match is not known, but if they were they are liable to answer to the court for neglect of duty.
