THINGS ABOUT TOWN AND COUNTY.

—Mrs. Charles Smith entertained a number of friends at an Easter dinner on Sunday evening.

—Forty hours devotion will begin in St. John's Catholic church at eight o'clock on Sunday morning.

—A little baby boy was born to Mr. and Mrs. Wade Cruse, at the Bellefonte hospital, Wednesday morning.

—Warden John Francis was expected in Bellefonte yesterday but did not arrive up until the time of going to press.

—Liberal Easter donations of eggs were received from the parochial and public schools of Bellefonte, to the Bellefonte hospital.

—Tyronne is still dry, as up to this writing Judge Baldrige has not granted a license to any one of the seven hotels in the town.

—Corn and oats are becoming quite scarce in Centre county but a number of farmers still have hay for sale; and are getting the best price of the season for it.

—Bellefonte friends of Robert McKnight, of Philadelphia, will be glad to learn that he has just been promoted to assistant chief warden in the customs office at Philadelphia.

—Don't forget the renowned Thespian and State College orchestra at the opera house Saturday evening, April 13th. A night of rare enjoyment. Prices 25, 50, 75 cents and \$1.00.

—Don't forget Bishop Bell's lecture in the Methodist church next Monday evening, April 15th. For the convenience of the business men the lecture will not begin until 8:15 o'clock.

—The baseball season was opened in Bellefonte last Saturday with a game between the Bellefonte High school nine and the State College High, the former winning easily by the score of 8 to 1.

—J. L. Lejeal, the piano tuner, has gone to Tyronne but will return to Bellefonte the last of April or first week in May. Orders left with Philip Beezer or at the Brockhoff house will be given prompt attention upon his return.

—At the reorganization meeting of the McCoy-Linn Iron Co., Mr. Edmund Blanchard was elected president to succeed the late Frank McCoy; Mr. John Blanchard was elected treasurer and Mr. Lyman Eddy was elected secretary.

—A big freight wreck on the Bald Eagle Valley railroad near Martha, on Wednesday evening, delayed the passenger train east over two hours so that it was almost eleven o'clock when it passed through Bellefonte. None of the trainmen were injured in the wreck.

—Brinton Hall, of Unionville, was given a hearing before Justice of the peace W. H. Musser last Saturday on the charge of shooting two wild turkeys on November 2nd, 1911. The evidence against him was such that he was fined \$30.54, which included the costs, which he paid.

—The State College Thespian will appear at Garman's tomorrow evening in "The Commandant," a production written especially for them. It is said by those who have seen and heard it to be better than any of their former entertainments, so that it will be a treat to hear them.

—The Salvation Army gave up their lease of the hall over the Centre county bank last Saturday and stored their furniture for the present; inasmuch as they have been unable to secure another suitable location. In the meantime they will continue holding their regular evening meetings on the street.

—Mr. and Mrs. Miles Mattern will in a few days move from the David Mattern farm near Warriorsmark to Bellefonte and will occupy one of the Schad houses on Spring street. Mr. Mattern's health was not at all good which accounts for his retirement from the farm. The family formerly lived up Buffalo Run.

—On April first the Bellefonte Lodge Independent Order of the Moose vacated the Brockhoff building on Spring street and moved into rooms on the second floor of the McClain block, opposite the Bush house. So far they have not gotten their rooms entirely fixed up but when they do they will have very comfortable quarters.

—The colored gentlemen and ladies of Bellefonte gave a ball in Bush Arcade hall last Thursday evening, which was attended by guests from Altoona, Tyronne, Philipsburg, Lock Haven and Williamsport. Smith's orchestra furnished the music and it was after two o'clock when the dancers became tired enough to call a halt and retire to their respective homes.

—Mr. and Mrs. J. H. Decker and daughter Helen, who spent the latter part of the winter in Lancaster, were in Bellefonte from Saturday until Wednesday arranging to continue their residence in this place. Mr. Decker, by the way, has been compelled to give up his position as an insurance agent because of cataracts on his eyes, but Mrs. Decker has been appointed in this place and the two of them will work together covering Mr. Decker's old territory.

WELL KNOWN FERGUSON TOWNSHIP FARMER SHOTS HIMSELF WITH SUICIDAL INTENT.—Jacob Calvin Sunday, a well known and prominent farmer of west Ferguson township, shot himself in the head on Monday evening and though he is living at this writing there is only one chance in ten of his recovery, as the bullet is lodged in his head. Sunday owns and lives on a fine farm a half mile south of Tussey mountain. He had not been in good health for some time and lately had suffered several attacks of vertigo.

On Monday afternoon he delivered some milk to the Baileyville creamery and later went to W. S. Ward's general store to make some purchases for his home. It was almost five o'clock when he left the store and went out to his buggy, which was standing a short distance from the store. A few minutes later several boys passing that way saw Sunday lying on the ground face downward and told some men in the store. They went out and it was at once discovered that the man was unconscious and it was supposed he had been seized with another spell of vertigo and fallen to the ground. There was blood on his head but it was at first believed that it came from a cut by striking his head on a stone. The attempt at suicide, however, was discovered when a boy went out to the buggy to get Sunday's hat and found the revolver, one of 32 calibre, lying on the ground.

With this evidence in their possession it was very apparent to the men in the store what had happened and Dr. Houser, of Pennsylvania Furnace, and Woods, of Pine Grove Mills, were hastily summoned. An examination by them showed that the bullet had penetrated the head about two inches above and a little back of the right ear and passing through the brain lodged against the skull bone on the left side of the head. No attempt was made to remove it as it was not believed Sunday would live an hour. But he did and late that evening he was carried on a stretcher the distance of almost two miles to his home.

Mr. Sunday is well situated financially, has a pleasant home, a wife and four children, and the only explanation for his rash act is that it was committed while temporarily deranged as the result of his illness. His mother is still living at Rock Springs and he has five brothers, Elmer, Luther, George, Rev. Orrie Sunday, of Newport, and Rev. William Sunday, of New Bethlehem. The latter is well known in Bellefonte as he was one of the stars on the Susquehanna University baseball team and three years ago played second base and captained the Bellefonte team of the Central Pennsylvania league.

TROUT SEASON OPENS NEXT MONDAY.—Next Monday, April 15th, will mark the opening of the trout fishing season and while there will likely be the usual crowd of fishermen out to try their luck the enthusiastic anticipation of the opening day is not as manifest hereabouts as it was last year when Spring creek and Logan's Branch were thickly populated with trout planted two months previous from the Bellefonte fish hatchery. This year fishermen will have to take everything on faith. The water has been so high and cloudy all spring that there has been no opportunity to see whether there are any trout in the streams or not, and the only way to find out on Monday will be to go out and try your luck. Owing to the high and cloudy waters fly fishing will be impossible only in some of the smaller mountain streams, and most fishermen will be compelled to use bait. Monday's catch will also depend somewhat on the weather conditions of that morning.

As a comparison between this and former years the WATCHMAN would like an accurate report of the catch on the opening day and the editor will consider it a favor if fishermen hand us a report of their catch, either personally or by telephone.

BACK BROKEN.—On Monday morning George Katen, of Chester Hill, and David Burton, of Hudson, employees at the Philipsburg fire brick works, met with a very serious accident. They were in the act of making repairs to one of the large pans, when a heavy piece of casting connected with the same gave way and fell on them. Both men, who have families, were removed to the Cottage hospital at Philipsburg and an examination revealed the sad fact that Mr. Katen's back was broken, while Mr. Burton escaped with several broken ribs. Mr. Katen's condition is naturally very serious, yet it is possible he may recover. Unless other complications develop, Mr. Burton will likely have a speedy recovery.

EASTER IN THE CHURCHES.—All the churches in Bellefonte had special programs of sermons and music; and the decorations were if anything more elaborate than in former years. The eleven o'clock services in St. John's Episcopal church were entirely musical. There were no services there in the evening and a number of the choir joined with the choir at the Presbyterian church in their Easter music service. Holy communion was celebrated in the Presbyterian church in the morning and sixteen persons taken into membership. Beautiful Easter services were also held in the Methodist Episcopal, Reformed and all other churches in Bellefonte.

—State College opened for the spring term on Wednesday after being closed a week for the Easter vacation.

—The State College Thespian will not introduce either the turkey trot, the bunny hug or the bear dance at their entertainment on Saturday evening, but they will have a chorus of very graceful dancers, nevertheless, and this feature alone is worth going to see. The tickets have been going fast since the chart was opened but there are still a number of good seats left, and you had better reserve yours today.

—The Ladies' Aid society of the Presbyterian church will hold a series of weekly exchanges, beginning on Saturday afternoon, April 13th, at two o'clock, and continue for a month or longer. The exchanges will be held in G. R. Spigelmyer's store on Allegheny street, where each Saturday afternoon everything eatable of the good home-made variety will be sold, including bread, rolls, pies, cakes, candy, etc., especially prepared for Sunday use. Watch for their fine line on Saturday afternoon.

—This is the twelfth day of April and so far few farmers in Centre county have done much spring plowing. The weather last fall and during the early spring was such that it was impossible to do any farm work until within the past week, and as it is the ground has been too wet for good work. Because of this fact all kinds of farm work will be late. The few days of nice weather have started the wheat fields to growing and from present indications the crop suffered little damage during the severe winter.

—Easter was not a very auspicious day for the display of spring hats and dresses. Rainy and wet in the morning and fore part of the afternoon, toward evening it blew up cold and stormy and at dusk the snow flakes were flying. Notwithstanding this fact, however, quite a number of Bellefonte ladies sallied forth to church in their Easter finery. Monday morning showed a decided change in temperature, the thermometer being several degrees below freezing point and the ground frozen hard. More spring-like weather has prevailed since.

—Every voter in Centre county ought to attend the primaries tomorrow and every man, woman and child in Bellefonte will find good entertainment at the Scenic every night. Manager T. Clayton Brown makes it a specialty to present a good program each evening, and some evenings an extra feature film of more than usual interest. The reputation of the Scenic is so well established that it is hardly necessary to attempt to influence the public patronage. Every body goes there one time or another, but it is by not attending regularly that you are liable to miss something of unusual interest.

—A constant reader of the WATCHMAN asked the writer a day or two ago as to what had become of the Bellefonte Board of Trade? Such an organization was perfected some months ago but so far there is no outward indication of anything having been done towards securing new industries for the town or booming business in any way. And goodness knows, there never was a time when Bellefonte was in greater need of something to stir it up. Even the Easter business this year was not up to that of former years. At the present time the lime and limestone industries are the only ones of any magnitude in this section and they are not all in full operation.

—A. A. Dale Esq., has accepted an invitation to deliver the Memorial day address at Bradford, McKean county. Last year Mr. Dale delivered the address at Clearfield and a member of the Bradford Post was present and heard him, and he was so favorably impressed with the address that it was through his suggestion and influence the invitation was extended. The old saw that "a prophet is not without honor save in his own country," does not correctly apply to Mr. Dale. Several years ago he delivered the Memorial day address in Bellefonte and it was one of the most scholarly and impressive addresses ever heard here, so that we can assure our Bradford friends that they will hear something fine.

ACADEMY MINSTRELS.—The Bellefonte Academy minstrels are practicing every evening for the performance they will give in the opera house the first or second week of May, the exact date not yet having been fixed. Everybody in Bellefonte knows that these performances in past years have been excellent and this year will be no exception. Between forty-five and fifty young men will take part in the performance and this assures something good. Then the object for which the entertainment will be given is a worthy one. It is to defray the expense of building a one-fifth mile track on Hughes field, the work on which is now being done by contractor R. B. Taylor. Therefore, it is up to the people of the town to patronize the minstrels.

STOUT.—Mrs. Amelia Stout, widow of the late Farley Stout and a sister of James DeHaas, of Beech Creek, died at her home in Lock Haven on Sunday morning. She was eighty-four years of age and was born in lower Bald Eagle valley. Up until her recent three weeks illness she was a remarkably well preserved woman and in full possession of all her faculties. She is survived by five children, her husband dying thirteen years ago. Burial was made in the Dunnstown cemetery on Tuesday afternoon.

GEORGE GRIMM TO LEAVE BELLEFONTE.

—George Grimm has resigned as superintendent of the Nittany Iron company and will leave Bellefonte the first of May for Punxsutawney to accept the position of superintendent of the furnace of the Buffalo, Rochester and Pittsburgh Coal and Iron company, a position made vacant by the transfer of John Ken'edy, who has been in charge of the above plant at Buffalo, N. Y.

Mr. Grimm first came to Bellefonte thirteen years ago as furnaceman for the old Empire Steel company. After being here one year he went to Columbus, Ohio, where he remained two years then returned to Bellefonte as superintendent of the Nittany Iron company, a position he has held ever since. He has a thorough knowledge of the iron making business and is well qualified for the position to which he has been appointed. During his residence in Bellefonte he has taken an active interest in every movement that was for the good of the town. He is a member and trustee of the Methodist church, a prominent Mason and Knights Templar, being a Sir Eminent Commander of the latter order; is a member of the town council and chairman of the Water committee.

His departure from Bellefonte will come as a surprise to his many friends. When he received the offer to become superintendent of the furnace at Punxsutawney he gave it due consideration then tendered his resignation to the Nittany Iron company. The resignation was accepted several days ago to take effect May first, on which date he will leave Bellefonte. If he can secure a house in Punxsutawney he will move his family there at that time, otherwise they will go just as soon as a house can be secured.

We know of few men who have left Bellefonte whose going has been the cause of as general regret as will be that of George Grimm. In almost every circle of the life of our town he has been so well known as to make his departure a matter of more than passing consequence. As superintendent of the Nittany Iron company he has been identified with the big business interests of our community for years. He was the one man in our council who took seriously and dignified what had previously been a "joke" committee. As chairman of the Village Improvement committee Mr. Grimm found himself placed in a position where his activities really could be made felt and he made the place stand for so much that his leaving is really a loss to the civic welfare of our community. While we regret Mr. Grimm's departure very much indeed we wish him and his charming family a full measure of happiness and success in their new home.

A NEW GANISTER ROCK INDUSTRY.

When Charles Schad bought a tract of land on top of the Bald Eagle mountain, planted a peach orchard, built himself a home there and went into the chicken and hog raising business, it is unlikely he had vision of anything else. But some time ago he discovered a good vein of ganister rock on his land and he is now attempting to turn it into cash. The undertaking was a little too much for him alone so he associated with himself J. Thomas Mitchell and Frank H. Clemson, and the three of them now have the rock on the move. The vein of rock is located right on the high point of the mountain east of the McCoy-Linn iron works and to facilitate the handling of the stone a long chute has been built from the top of the mountain down to the bottom by the state road. There the stone is loaded on carts and hauled to a dump on the McCoy & Linn siding of the Central Railroad of Pennsylvania. The rock is shipped to Pittsburgh where it is used for furnace flux. To facilitate loading the stone a siding is to be built into the foot of the mountain at the bottom of the big chute.

A SCHOLARSHIP AT STATE COLLEGE.

Centre county is entitled to one of the five McAllister Freshmen scholarships at The Pennsylvania State College for the year beginning in September, 1912. The scholarship carries with it a rebate of dormitory fees, room rent and incidentals to the amount of \$85.00 and is valid for one year. At the expiration of that time the holder will be eligible to one of the four Mrs. Louise Carnegie scholarships and the John W. White scholarships assigned to members of the three upper classes on a basis of scholarship, character and need. A competitive examination for the McAllister scholarship will be held at the College under the direction of the faculty on June 13th and 14th. The subjects in which candidates will be examined are English grammar, composition, American history, Academic algebra and plain geometry. For further particulars inquire of or address the Registrar of the College.

AT THE HOSPITAL.—Louis Schad was taken to the Bellefonte hospital last Saturday and operated on for appendicitis. The case was one of the worst the physicians ever encountered and the patient is still in a dangerous condition, though he was resting a little easier yesterday. Other operations were Mrs. Elizabeth Rishel, Bellefonte; Fred Shultz, Milesburg; and Fannie Walker, of Yarnell. Mrs. H. S. Taylor and Mrs. Della Keeler, were admitted for treatment. Those discharged were George Zerby, of Tusseyville, and Mrs. Anna Parker, of Potters Mills.

SPANISH-AMERICAN WAR VETERANS REUNION.

—Saturday, April 27th, 1898, the Fifth regiment National Guard of Pennsylvania volunteered their services for the Spanish American war and marched to the orders of the commander-in-chief of the United States regular army. A number of years ago the survivors met and formed an association and a reunion has been held every year since on the anniversary day. This year the 27th comes on Saturday and as the reunion will be held in Bellefonte and it will be inconvenient for those who attend to get home the same day it has been decided to meet on the evening of Friday, the 26th, when the annual banquet will be held at the Brockhoff house at 9:30 o'clock.

J. W. Chase, of Clearfield, was in Bellefonte on Tuesday conferring with Col. H. S. Taylor, president of the association, and the above change in program was decided upon, so that all members will please take notice. It is planned to make the banquet quite an elaborate affair and a number of prominent military men will be invited to attend. The business meeting of the association will be held at nine o'clock on Saturday morning, which will give all those in attendance ample time to reach home on Saturday.

[Altoona, Johnstown, Huntingdon, Lewistown and Clearfield papers are requested to copy the above.]

The solo work done in the Methodist church Sunday by Miss Ethel Gettig is deserving of special mention. A pure, sweet soprano voice, which has been under the training of good teachers for two years promises much for its full development. Miss Gettig sings with confidence and an ease of manner which is most pleasing to her hearers.

HIGH SCHOOL ALUMNI MEETING.—A meeting of the alumni association of the Bellefonte High school will be held in Fortney & Fortney's office Monday night, April 15th, at 8 o'clock sharp. A full attendance is requested.
