It weighed 96 lbs. when twenty-four hours old. —Ralph Moerschbacher is carrying his hand in a sling because one of the new iron cellar doors in front of his father's restaurant on High street fell on it, mashing it badly. —A baby girl, the very first, was born to Mr. and Mrs. David Bartlet, at their home on east Lamb street on Monday night, and Dave was so proud and happy that he didn't go to work at all the next day. —In the neighborhood of one hundred school teachers, mostly young ladies, passed through Bellefonte yesterday on their way to State College for the summer course for teachers, which will begin next Monday. —Israel Heckman was discharged from the Bellefonte hospital on Wednesday and is now at the home of his brother Daniel, on east High street. He expects to be able to return to his home in Ohio in a few days. —Wednesday was Farmer's day at State College and a large number of tillers of the soil gathered there to see for themselves the actual results of the various experiments in farming conducted by the Experiment Station. —Another big crowd of Altoona railroad shopmen and their families picnicked at Hecla park on Wednesday, the second so far this season. Smith's orchestra, of this place, furnished the music for the dancing in the pavilion. —A festival will be held at the Presbyterian church at Meyer's cemetery on Saturday evening, June 29th. Everybody is invited to attend and help along the good cause. The proceeds will be for the benefit of the church. —The Coleville band has been engaged to furnish the music for the big Moose picnic on July fourth. Another attraction will be a ball game between teams from Lock Haven and Bellefonte. Dancing in the pavilion afternoon and evening. —A crowd of sixteen State College students who are doing extra work there their headquarters in Bellefonte Monday, Tuesday and Wednesday while studying the geological formations in this vicinity and out as far as Peru, the site of the new penitentiary. —Mr. and Mrs. Willis A. Ishler, of Pittsfield, Mass., are rejoicing over the arrival of their first-born, a little daughter, on June 5th. The child has been christened Ruth Winifred Ishler, and grandpa William is just about as proud of the distinction as the parents themselves. —Centre county fruit growers are harvesting one of the largest crops of strawberries ever grown. A number of farmers down Nittany valley will have from one to five thousand quarts, while one farmer down Penns Valley estimates his crop at almost double the latter quantity. —A cesspool and drain was built in the front yard of the new High school building this week to carry away the water that accumulates there with every rain. A small concrete gutter was also put in at the base of the front terrace to carry off the water and keep it from flooding the pavement. —Mrs. Elizabeth Wian went to Altoona last week to visit her daughter, Mrs. Roy Bruner, and on Wednesday was taken violently ill. For several days her life hung in the balance but she is now on a fair way to recovery. Mrs. Wian is almost seventy-five years old and has always enjoyed exceptionally good health. —On Monday Solomon Bartlet, who resides on Dr. Kirk's chicken farm south of town, while temporarily deranged attacked the doctor and it was only after a hard tussle that the latter succeeded in getting away unharmed. Later Mr. Bartlet was committed to jail for an examination as to his condition but on Wednesday he was released and allowed to go home.

COUNCIL PROCEEDINGS.—Just five members were present at the regular meeting of borough council on Monday evening. Michael Hall, of Reservoir hill, was present and on behalf of the residents of that locality made complaint about having no water. He stated that the reservoir had been empty and they had had no water for almost two months. Borough engineer Henry Wetzel stated in explanation that the pump at the Phoenix mill station had been broken down for two weeks and that at times the water in the reservoir was low, but at no time had it been empty. In the reports of the standing committees the Water committee reported that the water tax duplicate for 1912 amounting to \$5,297.75 had been made out and turned over to the collector. The above amount is exclusive of the meter bills. The Village Improvement committee stated that the Civic club would like to know if some other place than the High street bridge and High street between the Bush house and the McClain block can not be found as a headquarters for the town draymen while waiting on a call. The majority of them congregate their teams in the locality mentioned with the result that it congests the street and blocks traffic to a certain extent. The matter was referred to the Fire and Police committee for regulation. Under the head of old business the Street committee reported that they had met representatives of the Bell Telephone company of Pennsylvania in regard to moving the telephone poles off of High street and while they devised a plan whereby the same could be done, no action by the company had been taken up to this time. Regarding the company's request for permission to erect seven new poles between Pike alley and Lamb street for a trunk line on Spring street the committee did not feel like taking the responsibility of granting the permission, and stated that it was a matter that would have to be decided by council. The matter was left in the hands of the committee without any further action on the part of council. Mr. Cherry moved that the matter of furnishing light for the two street lamps erected in front of the Bush house entrance and the McClain block be left with the Street committee with power to act. In support of the motion Mr. Daggett stated that the poles and lights were the regulation ones now being installed on the streets and that they had been put in at the proper distance and at the expense of the property owners. Dr. Brockerhoff stated that as a member of the Street committee he would be opposed to furnishing the light in question, owing to the fact that it would establish a precedent whereby any property owner could erect a pole in front of his business block and demand that the borough pay for his light. The matter, however, was referred to the Street committee in accordance with Mr. Cherry's motion. The Finance committee recommended the same tax rate as last year, six mills for street purposes, three for borough and five for interest, and the recommendation was approved. Notes for \$2,200 and \$1,100 were renewed for one year from June 20th, at five per cent., after which bills to the amount of \$522.13 were approved and council adjourned. DROWNED WHILE SWIMMING.—Ellis P. Adams, the youngest son of Henry F. Adams, of Beech Creek, was drowned in Lake Harmon, Mich., on Sunday, June 9th, while swimming with two companions. The young man left Beech Creek in April and went to Michigan to work on a large apple farm about thirty miles from Detroit. The lake in which he was drowned is a favorite swimming place for the people of that community and not a dangerous body of water. Adams was only an amateur swimmer and his companions were too far away to rescue him. He is survived by his father, two brothers and six sisters, his mother having died last January. The remains were brought east last Thursday afternoon and taken direct to the Fearon cemetery where funeral services were held by Rev. Alexander D. Bateman prior to the interment. BRICK PLANT PUT IN OPERATION.—The Howard brick plant was put in operation on Monday morning after a year's idleness. The company was reorganized last week and the following officers elected: President, D. Al. Irvin; vice president, W. H. Long; secretary, Charles G. Bowers; treasurer, Balsaer Weber. The above four men with Matthew Rodgers constitute the board of directors. Fred T. Bard, of Wallaceport, who has been with the Williamsburg Brick company at Bigler, has been chosen as general superintendent. The plant will be started with a force of twenty-five workmen and will be operated two months. If at the expiration of that time there is a demand for the output of the plant it will be continued in operation. SAW MILL BURNED.—Shortly after six o'clock last Thursday evening fire destroyed the saw mill of Grant Williams, at Crider's siding on the Central Railroad of Pennsylvania, and sixty thousand feet of lumber belonging to John Thompson, of Salona. Through the efforts of a bucket brigade one hundred thousand feet of pine lumber was saved. The fire originated from a spark on the roof. The loss on the mill is estimated at \$900 and on the lumber at \$800, with no insurance.

—The Lyric continues to show four reels of pictures every evening, giving a larger program than most any other moving picture show in this part of the State. Three full exhibitions each evening. The regulation price of five cents admission is charged. —The second annual reunion of the Red Men of Centre, Clearfield, Somerset and Jefferson counties will be held at Houtzdale on Wednesday and Thursday, August 7th and 8th. There are fourteen tribes in this district which will be represented at the gathering, among them being the Nehasane Tribe of Bellefonte. —Flag day exercises were held by the Bellefonte Lodge of Elks last Friday evening, which were open to the public. There was music by an orchestra and addresses by Judge Ellis L. Orvis and a number of others. The attendance was quite large, many who were not members of the order taking advantage of the opportunity to visit the Elks Lodge. —A lengthy letter was received in Bellefonte this week from W. Scott Lose, who is in the Danville hospital. Mr. Lose states that he is feeling very well, works in the kitchen and carries the laundry and is quite anxious to return to Bellefonte and his home. His condition will doubtless be watched closely by the physicians in charge and whenever it is considered wise to do so he will be sent home. —W. G. Runkle last week received his Ford runabout and has been carefully learning how to manipulate it the most successfully. On Friday L. H. Gettig brought home a 1912 model, eighteen horse power, four passenger Buick which he got at Boalsburg and which he will use in his business as well as for pleasure. Dr. J. M. Brockerhoff has gotten along so well in handling his car that he sold his horse last Friday to George B. Thompson, of Alto. —Notwithstanding the fact that many of the cities and towns throughout Pennsylvania have safe and sane Fourth of July celebrations State Commissioner of Health Samuel G. Dixon believes it wise to be on the safe side and has designated a depository in each county in the State for the free distribution of tetanus antitoxin on that day, if there is any demand for the same. The depository in Centre county is Green's drug store, Bellefonte. —The electrical storm which passed over the west and portions of Pennsylvania on Sunday did no damage in Centre county. In fact, it did a great amount of good as the ground was very dry and the amount of rain that fell Saturday night, Sunday and Monday was sufficient to wet the ground to a good depth and refresh all kinds of crops and vegetation. Farmers have taken advantage of the improved conditions to cultivate their corn, that is those farmers who have corn high enough for cultivation. —The directors of the Newton Hamilton camp-meeting association announce that the camp-meeting will open on Tuesday, August 8th, to continue ten days. Rev. W. C. Wallace, of Hastings, will have charge of the services and Prof. and Mrs. C. W. Hartzell, of Lewistown, will look after the musical end of the program. The grounds will be ready for tenters and the summer hotel will be opened by July first. J. D. Gill, of Philadelphia, secretary of the association, will furnish all additional information desired. —"The Lady of the Lake," a magnificent feature film, will be the attraction at the Scenic this (Friday) evening. And this will be the first of a number of feature films which will be exhibited at this popular place of amusement and entertainment each week. These pictures come in three full reels and will give you a full hour's entertainment of one subject. They are based on popular writings of the past and present and are educational as well as entertaining. Five cents will admit you to "The Lady of the Lake" or any other feature picture. —Orvis Keller, son of Mr. and Mrs. Harry Keller, and W. K. Cadman, both Juniors at The Pennsylvania State College, will spend their summer vacation on a ranch in Wyoming, adjoining the Yellowstone park. Mr. Cadman is not very strong physically and the above ranch owner being a friend of his persuaded him to go out there for eight or ten weeks and Mr. Cadman induced Orvis to go with him. The two young men will leave Bellefonte today and expect to reach their stopping place early next week. They not only intend living a regular ranch life but if there be any need of their help they will turn in. —On Thursday of last week a traveling man came to Bellefonte and that evening he proceeded to "fill up." Several hours later he was in a condition where he did not know how to get back to his hotel and he gave a Bellefonte man who was with him ten dollars to get a rig to haul him two blocks. Neither the Bellefonte man, the rig or the ten dollars returned and the next morning the traveling man was able to realize what had happened and swore out a warrant for the Bellefonte man's arrest. A hearing was held before Squire Brown the same evening and upon the Bellefonte man's traveling five dollars, all he had left, the traveling man withdrew the charges and paid the costs, \$6.08. Figure out for yourself how he came out on the deal.

WHEN! OH, WHEN!—Every day there are inquiries as to how soon the State will pay over the money for the land for the new penitentiary at Peru, and every day the same answer of "I don't know" is given. And it must be confessed that not only is the question and the answer becoming monotonous but the former property owners are wearing their patience pretty thin. Naturally when the titles had all been put in shape, with the hearty co-operation of the property owners, they confidently expected to get their money in a reasonably short time, and every week or two they have been buoyed up with promises that it would be forthcoming in a few days. But notwithstanding these promises there is no indication as to just when the money will be paid. Warden Francies was in Harrisburg on Tuesday to see Governor Tener regarding the matter of the payment of the money and to consult with him as to some of the details of the plans for the penitentiary, but the Governor was up in Connecticut and he did not get to see him. He stated to the newspaper men of Harrisburg that the plans were not yet complete and of course had not been approved, and it was impossible to say when work would be begun. But that is a question that the late property owners are not concerning themselves about. What they want is their money, and the reason they want it is because they need it. A number of real estate deals are tied up because of the fact that the money has not been paid, and it is not fair to either one or all of the parties concerned. A dispatch from Harrisburg yesterday stated that all the warrants had been drawn on Wednesday but up to the time of going to press they had not been received by the Bellefonte Trust company, where the deeds are in escrow. However, if the warrants were drawn on Wednesday they will likely reach Bellefonte in a day or so when settlements will be made. BELLEFONTE WOMAN ATTACKED BY NEGROES.—Mrs. Della Keeler, of Bellefonte, and her niece, Miss Emma Brown, of Nittany, were attacked by two negroes and a white man in Lock Haven last Saturday night and while Mrs. Keeler escaped Miss Brown, who is only seventeen years old, was assaulted and in fighting with her assailants her clothing was torn to strips. Mrs. Keeler and Miss Brown were out at the show grounds where Frank A. Robbins' show was exhibiting. It was in the neighborhood of ten o'clock and the two women walked around in the rear of the tent when they were attacked. Escaping Mrs. Keeler ran to the nearest houses and appealed for help but by the time she returned the men had disappeared, leaving the Brown girl lying on the ground in a faint. She was badly bruised and scratched and quite hysterical so that it was necessary to take her to the Lock Haven hospital. She was able to go to her home on Tuesday. Several suspects have been arrested but they have not been positively identified as the men implicated in the outrage. —New 5 and 10 opening Saturday. —Miss Mary Brockerhoff entertaining at Yale College, and the reverend's brother, James Aikens, of State College, will sail from New York tomorrow (Saturday) for a three months tour of Europe. —Mr. and Mrs. Earle C. Tuten with their two sons, Tirrell and John left at noon on Tuesday for a two weeks visit with Mr. Tuten's aunts at Ayer, Mass., and Mount Vernon, N. H. They will be away two weeks and will also visit Boston, returning to New York by boat. —Judge Ellis L. Orvis, John Blanchard, Henry C. Quigley, Harry Keller, David F. Fortney, N. B. Spangler, W. Moore, of Boalsburg, an old and valued friend of the WATCHMAN, left for St. James, Missouri, on Thursday where he expects to spend the summer with relatives and friends. He will not return until time to cast his vote for the next President of the United States—Woodrow Wilson, of New Jersey. —Dr. Samuel Gilliland and Dr. Cornman, of Marietta, were guests of Mr. Hammon Sechler on Tuesday. They had been over at Oak Hall visiting Dr. Gilliland's parents, Mr. and Mrs. J. C. Gilliland prior to starting on a trip to the Pacific coast. From Buffalo, N. Y., they will go by boat through the great lakes and by rail the remainder of the journey. —Mrs. E. C. Fye, of State College, who has been visiting her daughter, Mrs. Frank McCormick, at Lock Haven, was a caller at this office on her return home on Thursday. Mrs. Fye tells us that our Lock Haven neighbors were greatly rejoiced over the prospects of good crops in that vicinity and particularly on account of the showers that gave them such a boost on Sunday last. —Mr. A. H. Clawson, of Freeport Penna., a brother of Mrs. Samuel Shaffer, of this place and who has been fishing in the vicinity of Milroy, during the past two weeks, called at the WATCHMAN office on his return on Thursday. He reports a scarcity of trout in each of the streams visited and fishing poor wherever he tried it. And it is about the same report we get from all the other trout streams in this section of the State. —Mr. and Mrs. John S. Walker accompanied by their son Robert, Miss Jane McCalmont, Miss Anna Shortridge and Miss Mary Gray Meek left Bellefonte on Tuesday morning on a ten day's motoring trip. They went by way of Clearfield and Warren to Buffalo, N. Y., thence direct north to the St. Lawrence and east through the Adirondacks to Lake Champlain. The return trip will be down along the Hudson river and home through northeastern Pennsylvania.
