No Paper Next Week.

The Fourth of July coming next week the WATCHMAN force will take their usual mid-summer vacation and in consequence no paper will be issued from this office. The next issue of the WATCHMAN, therefore, will appear on Friday, July 12th.

THINGS ABOUT TOWN AND COUNTY.

—Only one more week until the Fourth of July.

—Are you reading "Freckles"? It began in last week's issue of the WATCHMAN.

—The Great Centre County Fair is hereafter to be held during the first week in September.

—Frederick Daggert fell through a truck on Monday afternoon and tore the ligaments in his leg.

—Mr. John D. Hall, formerly of Bellefonte, but lately residing in Sunbury, has moved to York, Pa.

—Mrs. R. Russell Blair recently underwent an operation at the Bellefonte hospital, and is recovering very nicely.

—The Woman's Auxiliary of the Y. M. C. A. will meet at the Y. M. C. A. next Monday evening at eight o'clock.

—Mr. and Mrs. David J. Kelly and family and Mrs. J. D. Geisinger are up at the Willows for a two weeks outing.

—So far there have been no big catches of bass reported from down Bald Eagle, though they are reported as fairly plentiful.

—Landlord H. S. Ray, of the Brockenhoff house, expects his new auto-bus next week, when he will do away entirely with horses.

—The ladies of U. B. church will hold an ice cream and cake festival Saturday evening, June 29th, in the room next to the church.

—Superintendent J. K. Johnston, of the Tyrone division, has had erected a club house below Beech Creek which he has leased to Tyrone bass fishing parties.

—Richard Brouse Topelt underwent a slight operation, at the Bellefonte hospital on Monday afternoon, for the removal of a cutaneous growth on the head.

—The date for the Great Centre County Fair has been changed. It will be held during the first week in September instead of the first week in October, as in the past.

—It costs but five cents to see the entire exhibition of motion pictures at the Lyric. Four full reels every evening and the subject matter is always new and cannot be duplicated in Bellefonte.

—Last year the owners of automobiles gave the children of Bellefonte a ride on the Fourth of July. Will they display the same generous spirit and do likewise this year. It is to be hoped so, at least.

—Jonas Stine, an employee at the Huyett-McNitt saw mill at Waddle, got his right hand caught in the swiftly revolving saw, last Friday, and had it so badly mangled that an amputation was necessary.

—If you have never read the beautiful story "Freckles" begin it right now. It will be run in the WATCHMAN every week. Hunt up your last week's copy and read the opening chapter if you have not already done so.

—On the thirtieth day of June, 1887, a well known printer of Bellefonte was united in marriage to a popular young lady of the town. For twenty-five years they have braved the storms of life together and on Sunday they will celebrate their silver wedding. The couple referred to are Mr. and Mrs. W. C. Cassidy and they both have the best wishes of all their friends for another twenty-five years or more of happy married life.

—Over a thousand people were at the scenic last Friday night to see the motion picture reproduction of "The Lady of the Lake" and every one was satisfied. The three reel feature picture this (Friday) evening will be "The Orleans Coach" by the Pathe company. You'll miss a good one if you fail to see this, in fact you miss good pictures every evening you remain away from the scenic. Feature films cost manager T. Clayton Brown extra money, but there is never any increase over the five cents price of admission. This always remains the same.

"Freckles," the intensely interesting and dramatic story now being published as a serial in this paper, has been dramatized and it will be one of the attractions to be presented at the opera house early next season. Manager Gorman having booked the same this week. It will be under the management of A. W. Delamater, who presented "Graustark" here two seasons ago. This is another reason why you should read the story as you will then be better able to appreciate the play when you see it. If you are not already a subscriber of the WATCHMAN it will pay you to become one just to get this famous story, if for no other reason.

PENITENTIARY MONEY PAID.—How would you like to receive a check for \$125,349.50 and as good as gold because the whole State of Pennsylvania was back of it? Of course you would be delighted, and no doubt that is the way Col. W. Fred Reynolds felt last Friday when he received a check for that amount for the land he sold to the State to be included in the site for the new penitentiary. As stated in the WATCHMAN last week checks for the payment of all but three or four of the tracts were drawn by the State Treasurer on Wednesday of last week and forwarded to Bellefonte by express. C. O. Dunlop, representing the Potter Abstract and Title company, of Pittsburgh, came to Bellefonte on Friday morning and that day and Saturday paid over in the neighborhood of \$175,000, taking the deeds out of escrow. There are now just two claims, those on the Bilger and Henry Houser properties to adjust, when all of the money will have been paid over and that settles all doubts as to the certainty of the penitentiary being located at Peru.

Whether it was because of the paying of the money last week or merely a coincidence, several gentlemen came to Bellefonte on Friday last as representatives of Pittsburgh trolley promoters and after some investigation endeavored to secure options on the Cooke and Rice properties opposite the old Phoenix mill. Naturally this revived the trolley interest but what will come of it is of course not known at this writing.

WARDEN FRANCIES AND FAMILY ARRIVE IN BELLEFONTE.—Warden John Francies with his wife and three daughters, Sara J., Luella M., and Louise G., arrived in Bellefonte on Wednesday afternoon, having made the trip from Pittsburgh in Mr. Francies' automobile. They came here to take up their residence in the bungalow at Rockview, having shipped their household goods several days ago. Until the goods arrive and are put in place by the butler and other help they will be quartered at the Brockenhoff house, where they have taken a suite of four rooms.

Mr. Francies coming to Bellefonte means that the preliminary work on the building of the new penitentiary will be started within a very short time, as he has come here to personally superintend the work. This will set at rest all doubts of the skeptical ones as to the penitentiary being located in Centre county.

A FALSE REPORT.—During the past few days a report has been circulated around Bellefonte that several Bellefonte grocers had been arrested for selling at short weights and measures. The writer personally interviewed both justices of the peace in Bellefonte and they emphatically stated that no such action had been brought, nor had anything been done on which to base such a report. Just how the rumor was started is not known, but it is a malicious slander on the business men of the town, every one of whom is reliable and of the highest integrity. In fact, it is common report that they generally give over weight instead of short weight. The only possibility of short weight from any of the Bellefonte merchants is in the sale of canned goods or goods in original package, which are bought for a pound, guaranteed so by the makers and naturally are sold at the same. And there are rare cases in which these are found to be short weight.

The only prosecution along this line in Centre county recently was that of merchant Emery, of Centre Hall, who was arrested and fined \$50 for selling adulterated linseed oil. But as he bought the oil for pure he was only technically guilty, and the firm who sold him the product stood for the fine and costs.

P. O. S. OF A REUNION.—Between three and four thousand visitors were present at the annual convention of the Northwestern district P. O. S. of A., held at Osceola Mills last Thursday and Friday. Of the twenty-three camps belonging to the association fourteen were represented and the Port Matilda camp won the \$30 prize for having the largest per cent of members in the line of parade. DuBois was selected as the place of meeting next year after the following officers had been elected: President, J. C. Lord; vice president, D. L. Hayes; secretary, C. H. Clark; treasurer, B. F. Allgood.

LOUIS CARPENETO BUYS POOLROOM.—The trustees sale in bankruptcy of the stock and fixtures of the pool room and cigar store lately owned by George H. Knisely took place last Saturday morning. Louis Carpeneto bought the pool and billiard tables with the room equipment for \$705. The tobacco and cigars brought \$4.50 and the collection of stuffed birds and animals upwards of ten dollars. It is Mr. Carpeneto's intention to open up the pool room with his son George in charge.

CENTRE COUNTY FAIR SEPT. 3-6.—The big Centre county fair this year will be held a month earlier than it has been in past years. Instead of the first week in October it will be held the first week in September, which will be the 3rd, 4th, 5th and 6th of the month, only a little over two months away.

The Methodist congregation of Coleville will hold a festival at the chapel on Saturday evening, June 29th, on the lawn. Ice cream, cake, fruit and candies will be served. Everybody is invited to attend and enjoy an evening of pleasure.

"Freckles" is a story that will do every reader good. It began in the last issue of the WATCHMAN and will be continued to the conclusion. You should read it.

—Eight Centre countians graduated from the Lock Haven Normal school this week. They are Verna Chambers, Clarence Louise Cox, State College; Blanche Zindel, Snow Shoe; Edward Tubridy, Moshannon; Josephine Muffly, Mildred Tobias, Lauretta Weber and Margaret DeHaas, Howard.

—Tuesday forenoon Joseph Fulton, the little son of Mr. and Mrs. Walter Fulton, of east Lamb street, wandered into the yard of Mr. and Mrs. Edward Hill and innocently attempted to take a bone from the dog when the animal bit him slightly on the upper lip. A physician was promptly summoned and the wound cauterized.

—Philpsburgers are interesting themselves in having the route of the state road from that place to Port Matilda changed. They maintained that a decidedly better grade can be secured and the road built at a much less cost by going up Cold stream a short distance then turning eastward to Port Matilda, instead of following the route of the present road. The matter will be taken up with the State Highway Commissioner in the near future.

R. S. Brouse's delivery team made an exciting runaway on Wednesday afternoon. They were on Race street by the Lauderback-Barber company building when one of the horses rubbed his nose on a pile of bricks. The pile tumbled and the crash frightened the team. They made a quick turn and at break-neck speed ran up the street, across High and down Race street to the mill, where they were caught. The horses were uninjured and the only thing broken was one strap.

FINED FOR SHOOTING.—One day last week a dog owned by Thomas Barner, living near Hubbersburg, bit a young child of Edward Evans. The latter took a revolver and started after the dog. Barner demurred and a quarrel ensued in which Evans pointed the revolver at Barner and pulled the trigger. After snapping several times the weapon was finally discharged and a bullet whizzed close to Barner's head. The latter came to Bellefonte and swore out a warrant for Evans arrest. A hearing was held before Squire Musser on Saturday as which Evans assured that he only shot to scare Barner and had no intention of hitting him. He was bound over to keep the peace for one year and fined five dollars and costs, a total of \$18.50. The dog was killed.

CHEESMAN—WEBER.—A quiet but pretty wedding took place at the home of Mr. and Mrs. Abram Weber, in Howard, on Thursday morning of last week, when their daughter, Miss Emma Weber, was united in the holy bonds of matrimony to Paul M. Cheesman, of Jersey City. Only the immediate relatives and a few intimate friends were present to witness the ceremony which took place at eleven o'clock and which was performed by Rev. James E. Dunning, of the Methodist church. A delicious wedding breakfast was served and immediately thereafter Mr. and Mrs. Cheesman departed on a wedding trip at the conclusion of which they will take up their residence in Newark, N. J.

KEELER—MINNEMYER.—On Thursday evening of last week a pretty wedding took place at the home of Mr. and Mrs. Warren Minnemyer, at Coleville, the contracting parties being their daughter, Miss Laura Minnemyer, and Roy Keeler, son of Mr. and Mrs. John Keeler, of Bellefonte. Rev. C. W. Winey, of the United Brethren church, officiated. The bride was given away by her brother, Fern Minnemyer. Miss Nora Shank was maid of honor, Miss Anna Keeler bridesmaid and Ralph Minnemyer best man. After a wedding dinner the young couple left for Williamsport where they will reside.

HOOPER—CLARK.—On Tuesday of last week Lewis Chester Hooper, of Altoona, and Miss Olive Blanche Clark, of Blanchard, went to Williamsport and the same evening were married at the home of Mr. and Mrs. A. M. Champion, by Rev. Elliott C. Armstrong, pastor of the Central Presbyterian church. Mr. and Mrs. Hooper left on a wedding trip to eastern cities. The bride is a daughter of the late Mr. and D. Wilson Clark. The bridegroom is employed by the Pennsylvania railroad company in Altoona and they will be at home in that city after July 15th.

NORRIS—ROTHROCK.—On Wednesday of last week Charles Norris and Miss Eva Rothrock, two well known young people of Philipsburg, went to Hollidaysburg, Blair county, and were married at the Methodist parsonage by Rev. George F. Boggis. The bride is a daughter of Mrs. Ida Rothrock and graduated from the Philipsburg High school in the class of 1910. The bridegroom is an ex-State College student and now holds a clerical position with the firm of Custer & Norris. They will go to housekeeping at once in Philipsburg.

WEISER—DECKER.—Emerson E. Weiser, of Altoona, and Miss Jennie K. Decker, of Spring Mills, were married at the home of the bride's brother, Leonard Decker, at Spring Mills, at eleven o'clock on Monday, by Rev. J. Max Lantz. They will live in Altoona.

CENTRE COUNTIANS MUCH IN EVIDENCE.

—Anybody who happened to stroll around in the neighborhood of Belmont Mansion, Fairmont park, Philadelphia, last Saturday, found a merry crowd of people, and if he was a Centre countian he was promptly taken in hand and made to feel as if he were back among his native hills, as it was the ninth annual reunion and picnic of sons and daughters of Centre county now residents of Philadelphia. One hundred and fifty people were present and the gathering was just like one of the good old-fashioned basket picnics held in this county year after year. There was the usual big supper, speeches by the president and a number of others, music by the band and singing and the customary swapping of stories of boyhood and girlhood days.

At the business meeting Dr. Roland G. Curtin was re-elected president and the other officers chosen were as follows: Ira D. Garman, vice president; Dr. S. Gray Mattern, treasurer; Dr. J. C. C. Beale, secretary; board of directors, Dr. John B. Becker, W. W. Cox, General B. F. Fisher, Thomas Foster, the Rev. W. K. Foster, William S. Furst, Dr. Robert Harkinson, Herman Haupt, Max Liveright, Thomas J. Loughrey, Forrest N. Magee, William A. Magee, L. Olin Meek, Prof. William T. Meyer, E. H. Miller, John I. Rankin, Dr. Geo. P. Rishel, Capt. Geo. P. Runkle, Dr. Stuart C. Runkle, B. Frank Schaffer, W. B. Schaeffer, A. Sternberg, Warner Underwood, Charles H. Wright, Charles McClure.

The following women assisted the regular committee of arrangements in preparing for Saturday's gathering: Mrs. Mary H. Magee, chairman; Miss Mary A. Butts, Mrs. Ella H. Cooke, Mrs. W. W. Cox, Mrs. Robert Harkinson, Mrs. S. Gray Mattern and Miss Eva J. Rich.

YEARICK—HOY REUNION.—The pleasant weather of last Thursday was very favorable for the annual reunion of the Yearick and Hoy families, which was held at Hecla park, and which was attended by about two hundred people. The executive committee met at ten o'clock and transacted the business of the day. The committee consisted of Adam Yearick, of Lamar, president; N. H. Yearick, of Jacksonsville, vice president; Hon. J. H. Wetzel, of Bellefonte, secretary; Albert H. Spayd, of Hubbersburg, treasurer; Rev. Z. A. Yearick, of Shenandoah, Pa., historian on the part of the Yearicks, and John S. Hoy, of Spring Mills, historian on the part of the Hoy's, and the following named in addition to the above: John Hoy, Jr., of Hubbersburg; Benjamin Royer and J. R. Gettig, of Madisonburg; Samuel C. Hoy, of Zion; Allison Rishel, of Clintondale; D. K. Miller and Henry Yearick, of Lock Haven; John C. Hoy, of Jacksonville; William Yearick, of Mill Hall; Amos Garbrick and D. K. Woodring, of Bellefonte.

On account of advanced age Adam R. Yearick resigned as president and Rev. Z. A. Yearick was elected to fill the vacancy.

After dinner a meeting was held in the auditorium at which prayer was offered by Rev. W. E. Harr, of Lock Haven, and addresses made by Revs. M. J. Snyder and E. T. Faust, of Howard. Mrs. Henry Hoy, of Zion, played a number of selections on the piano. It was decided to secure the services of a band for next year's reunion which will be held at the same place in June.

SCHAEFFER—HAZEL REUNION.—A large crowd attended the tenth annual reunion of the Schaeffer and Hazel families at Madisonburg on Wednesday of last week. Addresses were made by Hon. W. C. Heinle, of this place, and Rev. G. A. Stauffer, of Rebersburg. The music was furnished by a band and orchestra composed entirely of connections within the two families. There was an abundance of almost everything good to eat at the big dinner and everybody did ample justice to the feast. There were four people present at the gathering who were past four score years of age. They were Michael Shaffer, aged 88 years; ex-sheriff Benjamin Schaffer, 82; Mrs. Peter Yearick, 82, and Mrs. Henry Feidler, 82; and the four of them enjoyed the reunion as much as any of their younger descendants.

RESIDES REUNION.—The annual reunion of the Resides families and their friends, will be held as usual this year on the last Saturday of July, (27th), at Hunter's park, and as this promises to be the banner year all relatives and friends are requested to turn out and make every effort possible to make it a complete success.

TETANUS ANTITOXIN.—The State Board of Health has sent out a liberal supply of tetanus antitoxin to one supply station in every county in the State, Green's Pharmacy, Bellefonte, being designated as the Centre county station. The antitoxin will be furnished without cost to the poor and can be secured by any physician upon certifying that it is for the treatment of a person too poor to pay. In urging the use of antitoxin to prevent lock-jaw as the result of explosive and other wounds Dr. Dixon, Commissioner of Health, says:

Do not consider any such wounds trivial, send for a physician at once. If it is impossible to promptly secure his attendance, wash out the wound thoroughly with hot, boiled water, remove every particle of foreign matter and until the doctor arrives, apply a wet dressing; the cloths saturated with a solution made by adding a teaspoonful of salt to a pint of boiled water.
