CHRISTIAN SCIENCE SOCIETY. Service Sunday 10:45 a. m. Wednesday 8 p. m., 9 1/2 E. High street.

FOR SUNDAY SCHOOL VETERANS. An appropriate medal is now being designed and will be ready at the time of the State convention in October for presentation to all persons recommended by the executive committee of the county Sunday school association, showing a record of fifty years service as called for by the following conditions: The term of service must cover fifty years or more. The record must show service in the capacity of an officer or teacher.

Fifty years of this service must have been rendered in the State of Pennsylvania. It is not necessary that the service shall have been rendered to one and the same school.

All applicants must have the endorsement or recommendation of the county executive committee. Names must be sent to the undersigned on or before September 1st, 1912.

C. L. GRAMLEY, Pres. Co. Asso. NEW LAUNDRY AT STATE COLLEGE.—John Noll, proprietor of the Bellefonte steam laundry; George N. VanDyke, of Altoona, and Arthur B. Kimpfort, former prothonotary of Centre county, will embark in the laundry business at State College. Yesterday morning they closed a deal with the Fosters for the lot upon which the new plant will be erected. Plans have already been prepared and building operations will be begun in the very near future. It will be a steam laundry and the cost equipped will be between ten and twelve thousand dollars.

S. D. Ray, proprietor of the Bellefonte shirt factory, the output of which, however, during the past few years has been confined exclusively to drawers, intends again resuming the manufacture of shirts, as it is a more lucrative business than manufacturing drawers. He has engaged Miss Claire Rhule, of Philadelphia, an experienced shirt maker, as forelady of that department. For the present, however, Mr. Ray will not give up the manufacturing of drawers but will conduct both departments, increasing his force of help as necessity demands.

MANY CATTLE DYING.—Mr. A. C. Williams, of Julian, reports that many cattle are dying of some unknown disease on the Allegheny mountains near Beaver Mills. Dr. C. J. Marshall, of Philadelphia, state veterinarian, has been notified and is expected to come to Centre county this week and make an investigation. Every year farmers throughout Bald Eagle valley turn their young cattle out on the mountain to pasture during the summer months and it is among these herds that the disease has broken out.

The committee in charge of the children's department at the Centre County Fair in September, being anxious that the exhibit this year be the largest in the history of the Fair, all parents are asked to interest their children in gathering together a collection of their work. Beginning now, a little time spent each day in the garden, in the kitchen, sewing, embroidering, drawing or in doing anything that a child under fourteen or from fourteen to eighteen years might enter for competition.

Mr. F. W. Crider has his electric car again in use. About six weeks ago it went out of commission because the man who had charge of it applied too much oil to the motor causing a short circuit. The result was the motor had to be taken out and sent to the Westinghouse company for cleaning and rewinding. It was returned the latter part of last week and this week was put in place and the machine is now running along as smoothly as ever, very much to Mr. Crider's satisfaction.

ROBB—HEVERLY.—Frederick Robb and Miss Bessie Heverly, two well known young people of this place, were married in Detroit, Mich., on July 17th, by Rev. Dice, of the Methodist church, and announcement of the same has just reached Bellefonte. The bridegroom is a son of Mrs. Elizabeth Robb and was for several years a clerk in John Meese's store. He is now employed by the Metal Products company in Detroit.

PICNICS AT HECLA PARK.—In addition to the regular Friday afternoon and evening concerts at Hecla park the following picnics will be held there during July and August: Wednesday, August 21st. Altoona Freight Station employees.

A special sale of building lots will be held in Bellefonte in the near future, so if you want to create a home of your own you will have the opportunity to do so.

Veiled Gowns. In spite of the wide choice given in at-home dresses for more or less informal wear, there is a strong bias in favor of the veiled gown, whose veillings allow the grace of the wearer to be appreciated at its full.

The trimmings of these frocks are very much a matter for the individual. There seems an almost equal preference for rose garlands and lace. Bugling is the most effective for great occasions, while the dainty flower garlands are more suitable to gowns for intimate occasions.

Must Pay For Papers Taken.

Missouri Court Rules In Favor of Newspaper Publishers. During the last term of the circuit court at Atchison county, Missouri, the case of H. F. Staple vs. Charles Traub was tried. The suit was brought on a long-standing account, and among other items was 16 years' subscription for the Atchison county Mail. Mr. Traub refused to pay for the Mail, claiming that he had refused to take the paper from the post office and mail box a number of times, but the plaintiff proved that Mr. Traub did take the paper during all the 16 years. It was shown that according to law, even if a subscriber does occasionally order a newspaper discontinued or refused to accept it, he cannot evade paying what he owes for the paper, and the subscriber must also pay the arrearage before stopping the paper.

The jury was out only a short time and brought in a verdict for the entire account, including the subscription—16 years at \$1.50 a year, or \$24. The costs amounted to about \$100, besides the attorney fees. A similar case has been decided by the court of appeals, and it was held in that case that any one taking a newspaper must pay for it as long as he takes it from the postoffice.
