The ladies of the United Brethren church will hold their annual chicken and waffle supper in the room adjoining the church Thursday, September 12th, supper beginning at 5 o'clock. Tickets, 25 cents.

Sheriff Arthur B. Lee is having a hard time trying to find out something definite about a young man in the Centre county jail on the charge of stealing a bicycle. He gave his name as William F. The loose railing on the foot bridge over Penna creek should be repaired at once, or will we wait until some one leans against it and is tossed into the creek, and possibly injured.

Monday was Labor day. Well, here in this neighborhood everybody was laboring about as usual. But owing to the fine condition in which C. F. Long has put our roads all the "mud banks" were closed.

We had a very heavy rain storm here on Monday afternoon last. It rained in torrents, with high winds, for about half an hour, turning some of the roads into small creeks. No particular damage has been reported.

T. R. seems to have gotten himself into all kinds of scrapes, not only with his remarks that we don't want any "nigger delegates" in the convention, but with his controversy with Penrose and Archbold. The third term Bull Moose is unquestionably the greatest political trickster and fraud this country ever produced.

Our young folks had a delightful dancing party at the Grange hall on Thursday evening last, which was quite largely attended. The manazers had everything well arranged to insure an evening of pleasure and enjoyment. The music was particularly excellent and of a lively character. The chaperons were Mr. and Mrs. A. J. #### A Woman's Story.

A woman's story is very often a story of suffering if it deals with the period of maternity. A great many such stories have begun with suffering and ended with smiles of happiness because Dr. Pierce's Favorite Prescription had cured the pain and restored the health.

The following is one woman's story: "Mrs. W. J. Kidder, of Hill Dale Farm (Enosburg Center), Enosburg, Vt., writes: 'Your kindly advice and medicines have brought me great relief. During the past year I found myself pregnant and in rapidly failing health. I suffered dreadfully from bloating and urinary difficulty. I was growing weaker each day and suffered much sharp pain at times. I felt that something must be done. I sought your advice and received a prompt reply. I took twelve bottles of Dr. Pierce's Favorite Prescription, and also followed your instructions. I began to improve immediately, my health became excellent, and I could do all my own work (we live on a good sized farm). I walked and rode all I could, and enjoyed it. I had a short, easy confinement, and have a healthy baby boy.'
