T. R. RUNS SECOND ELECTORAL VOTE BY STATES

President Taft Carried Only Four States.

CONGRESS IS DEMOCRATIC

Will Have a Working Majority in Both Branches.

New York, Nov. 7.—Woodrow Wilson, governor of New Jersey, was swept into the presidency of the United States in Tuesday's election, with Governor Thomas R. Marshall, his running mate for the vice presidency, on a Democratic tidal wave.

Thirty-eight of the forty-eight states of the Union are in the Democratic column, the house of representatives in the next congress is assured to that party by a majority of probably more than 160, and the Democrats will have 52 out of the 98 United States senators after March 4, 1913, a clear control of every department of the tederal government.

Many staunch old-line Republican states were among those captured by Wilson and Marshall, and the thirtyseven states credited to him give him 899 of the 531 electoral votes. The victory is only comparable to that in 1872 of U. S. Grant over Horace Greeley, when Grant reecived 286 electoral votes and Greeley 63.

Of the ten states which rejected Wilson, six, with an electoral vote of 104, were credited to Colonel Roosevelt, the Progressive nominee, and four, with only 15 electoral votes, were credited to President Taft, the

Republican nominee for re-election. Some of the states placed on this line-up were very close and may be changed by more complete returns. Included among these were Iowa and South Dakota, believed to be for Colonel Roosevelt; Minnesota and New Hampshire, classed as Wilson states, and Wyoming, which probably has

gone for Taft. Pennsylvania went to Roosevelt by a plurality of 15,000. The city of Philadelphia gave Taft a plurality of 11,-000, and it was a close race between the president and Wilson for second

place in the state. Governor Wilson has carried Maine. Massachusetts, Connecticut, New Jersey, New York, Ohio, Indiana, Wisconsin, Kentucky, Maryland, Tennessee, Nebraska, and Oregon, all the southern states, and has probably carried

Missouri, Iowa and the Dakotas. New Mexico, which the Progressives thought was sure for Roosevelt, has been carried by Wilson. California is safely for Roosevelt, but in North Dakota, which the Democrats thought one of the few states which was not was safe for Wilson, seems to be swung into the Democratic column by about equally divided between Taft the Wilson landslide, nevertheless feit and Roosevelt.

In many parts of the state Debs ran ahead of Taft.

In Indiana the Democratic governor is elected. Beveridge has been defeated and the legislature is Democratic.

Roosevelt carried Michigan by from

The state was oddly divided, apparently, in its allegiance. Many of the rural districts show a strong leaning toward Wilson, while Allegheny coun-

leaves the state divided in three. The Republicans elected their four congressmen-at-large in the state. They are John M. Morin, F. E. Lewis, A. H. Walters and A. R. Rupley.

Two Democrats were elected to congress from Philadelphia districts, and incomplete returns indicate that one or two congressional districts in the 75,000 to 100,000. Ferris, Democrat, for state now represented by Republicans governor, was elected by 25,000 plu- have also been captured by the Demo-

The Republican state candidates were also elected, according to the incomplete returns. They are Robert K. Young for state terasurer and A. W.

Roosevelt suffered losses in counties where his vote wa sexpected to be overwhelming. Lackawanna county was regarded as the citadel of the Progressives, but early returns indicate that Wilson was much stronger than was supposed. The miners voted almost solidly for the colonel, btu Wilson received large support from the workmen in other industries in the soal belt counties.

The President and the Vice President-Elect.

TEXAS. Dallas.—Wilson has carried Texas by about 170,000. The vote for Tait and Roosevelt is nearly evenly divid-

** KANSAS.

Topeka.—Roosevelt will carry Kansas over Wilson by about 10,000 plurality. Taft running a poor third. Capper (Rep.) for Governor, leads Hodges (Dem.) and Stubbs (Rep.) for United States Senator, is slightly ahead of Thompson (Dem.)

SOUTH CAROLINA.

Columbia.—The vote of South Carolina gave Wilson 62,000, Roosevelt 4,900, Taft 1,200, Debs 200. The normal Republican vote with a few exceptions was divided between Taft and Roosevelt in the proportion of about 3 to 1 for Roosevelt.

GEORGIA.

Atlanta.--Complete vote from 24 of ne 148 counties in Georgia give Wilson 16,294, Taft 822, Roosevelt 1,982. Complete returns from Fulton county, including Atlanta, give Wilson 7,302 Taft 508, Roosevelt 1,705, Chafin 20. Debs 112. This indicates the vote of the entire state.

INDIANA.

Indianapolis. — Indiana apparently went overwhelmingly Democratic. Governor Wilson had almost as many votes as Taft and Roosevelt combined. For Governor, Samuel M. Ralston (Dem.) won out over Albert J. Beveridge (Prog.) and Winfield T. Durbin (Rep.)

COLORADO.

Denver.-Wison carried this state by a substantial plurality. Figures on an estimated total vote of 270,000 in the state, Colorado should give Wilson a plurality of about 40,000, with Roosevelt second on the list.

Baltimore.—Wilson carried Maryland by from 20,000 to 25,000 plurality. All of the five Democratic Congress-

men from Maryland were re-elected. KENTUCKY. Louisville,-Wilson carried Kentucky by a heavy majority, several strong Republican counties going into the Democratic column. Louisville

WASHINGTON.
Seattle,—Roosevelt's plurality in Washington will be 45,000 and the Roosevelt vote has carried to victory the state ticket and the two congressmen-at-large.

RHODE ISLAND.

Providence.-The closeness of the voting and the slowness of the returns make it difficult to determine the outcome of the election before the ballots are all counted. Taft leads, however, with Wilson second and Roosevelt last.

OKLAHOMA.

Oklahoma City.-Woodrow Wilson carried Oklahoma by a majority estimated at 30,000. Senator Robert L. Owen, candidate for re-election under the Oregon plan, defeated his Republican opponent, Judge J. B. Dickerson, by a large majority.

Helena.-Five precincts in Butte. Helena, Billings and Great Falls, the largest towns in Montana, give Wiland the rest of the Fifth district went son 545, Roosevelt 458, Taft 353, Debs Democratic for the second time in a 52.

NORTH CAROLINA.

Raleigh,—Wilson swept the state by a large majority, Taft receiving a pitifully small vote, being utterly over shadowed by Roosevelt's vote. In some important counties Taft could not muster 50 votes. In one county he got none at all. The Legislature will be overwhelmingly Democratic. Presidential contest was far out classed in popular interest by the triangular one for Senator. Senator Simpons was winer by a good materity. mons was winner by a good majority.

MAINE.

Portland.—Wilson has a plurality of about 10,000. The total vote is apparently: Wilson 50,000, Roosevelt 40,000 Taft 27,000. Portland, the largest city in the state, gave Wilson a plurality of 936 over Roosevelt. Aroostook county gave Roosevelt a heavy plurality. Returns from 280 out of 521 cities, towns and plantations, comprising 387 out of 634 elections, comprising 387 out of 634 election precincts, gave Roosevelt 35,000, Taft 21,250, Wilson 39,878. Same places in 1908 gave Bryan 27,685, Taft

DELAWARE.

Wilmington.-Returns are slow in coming in, but it looks like Wilson.
