The card was distributed by a Lock Haven sporting goods dealer. In as much as the boys were innocent of wrong-doing they were discharged, after being cautioned not to do it again.

BELLEFONTE BOROUGH COUNCIL.—Bellefonte either needs a new borough council or the old one wakened up to its duties as borough officials. Time used to be when a member thought it a dire neglect of duty to miss one meeting; now it appears to be a burden to attend. Five members, or just the necessary quorum, is about all it is possible to have present any night, and frequently this is difficult. For instance: There was no meeting on November 18th because only three members reported. On Monday evening of this week it took until eight o'clock to get five members together and then one man had to be sent for. Such a condition of affairs naturally leads to the query if a councilman, why not attend to the duties of the office or resign?

When a quorum was finally rounded up on Monday evening the minutes of the last meeting were read and approved. There were no verbal or written communications. The Street and Water committees reported various repairs around town and the latter committee reported that the fire hydrants in front of the postoffice and near the Centre county bank were in such a condition that they would freeze up in cold weather. The borough engineer was instructed to purchase two new ones to replace these then have the old ones repaired. The Water committee also reported that the meter bills for the third quarter amounted to \$675.87. The Finance committee reported a balance in the hands of the treasurer of \$530.

Under the head of old business the Street committee reported the pavements on Curtin street reported at a previous meeting either repaired or the contract let for the same.

Mr. Judge reported that a new splash board had been put on the dam in Spring creek by order of Gamble, Gheen & Co., and wanted to know what council was going to do in the matter. After some discussion Mr. Judge made a motion that the borough engineer be instructed to remove the same. President Keller suggested that in order to make the instructions more effective the motion should be amended in effect that the borough engineer be instructed to remove the board and to see that it is kept off. Mr. Daggett seconded the motion and it passed without a dissenting vote.

Mr. Beezer, of the Street committee, reported that the Bell Telephone company of Pennsylvania wanted permission to change the location of a pole on Wilson street. The matter was referred to the Street committee and borough engineer for investigation and with permission to grant the change in location if they judged it proper to do so.

A note for \$1,000 was renewed for one year; one for \$800 for six months and a new note for \$4,000 was authorized for four months to renew a note of \$2,000, pay to the county \$1,500 and \$500 to go for current expenses, after which bills to the amount of \$1,240.64 were approved and council adjourned.

PROPOSED NEW GLASS PLANT FOR BELLEFONTE.—During the past few weeks representatives of the Mercantile Realty company, of Pittsburgh, builders and promoters, have been working on a project to build a new glass factory in Bellefonte and the matter has already progressed to that extent where J. H. Fisher and B. G. Ott, representing the above company, submitted their proposition to the executive committee of the Bellefonte Board of Trade on Wednesday afternoon. They claim that they have the sum of thirty thousand dollars pledged in Bellefonte for the new enterprise. All they asked of the Board of Trade was to guarantee them exemption from taxes and free water for a period of five years; improvement in railroad facilities in connection with their plant, and that the Board of Trade aid in securing an option on the land desired as well as rates on slag at the nearby furnaces, the slag to be used in the concrete work for foundations, etc.

It was stated on Wednesday that a charter for the new company, which will be called the "Centre County Window Glass company," has been received and the company already organized. It will be composed entirely of Bellefonte people and the location in view for the plant is a piece of ground owned by the Thomas estate on north Thomas street. Those who have the project in charge assured the writer yesterday that the new plant is a certainty. As president of the board of trade Col. Reynolds appointed as a committee to co-operate with Messrs. Fisher and Ott J. Linn Harris, Ad. Fauble and Frank E. Naginay.

VOGEL'S MINSTRELS.—John W. Vogel's big city minstrels will appear at Garman's opera house, Thursday evening, December 12th, and will present one of the most novel and pleasing entertainments ever offered the amusement loving public. The program is overflowing with rapid-fire fun and genuine surprises; pretty music and dazzling scenic and electrical effects form an important part of the entertainment. The entire mammoth program is everywhere presented in absolute perfection, never curtailed in any detail, a fact that makes this organization still more successful each successive season. The management's motto has been, "Perfection Makes Perpetual Popularity." See the big street parade at noon.

—Next week's session of court does not promise to be a very big one as only a few cases will be called for trial and they will not be very lengthy.

The doors will open at eight o'clock and the entertainment begin at 8.30. Price of admission, 25 cents. The public in general is invited to attend.

—Automobile licenses for 1913 are now being issued and, as usual, most of the owners about here are saving themselves a lot of time and annoyance by leaving their applications with W. Harrison Walker Esq. He has all the required blanks and being a notary completes the applications without any more cost than if you did the work yourself.

—Bellefonters will be afforded a special treat on Sunday afternoon when that noted elocutionist and impersonator, Miss Gay Zenola MacLaren will appear in Petrikin hall under the auspices of the Y. M. C. A. in "The Sign of the Cross." This is a sacred impersonation and is said by those who have heard it to be equal to a good sermon. Sunday afternoon, December 8th, at three o'clock.

—The State College football team closed the season on Thanksgiving day by defeating the University of Pittsburgh by the score of 38 to 0. The team went through the season without a defeat and had their goal line crossed only once, by Cornell. They scored 285 points to six against them. Only three teams in the country scored more points than State and each one had a bigger score against it.

—The Scenic is doing business at the same stand and under the old management and will continue to do so notwithstanding various reports to the contrary. Only the latest and best pictures obtainable will be shown, but nothing objectionable will ever appear upon the program. The Scenic stands for everything good in a motion picture show and you will make no mistake by patronizing it. Three reels and three shows every evening.

—W. H. Fielding, who was born and raised at Linden Hall, this county, but who for some years has been connected with the New York police department, resigned his position on November 2nd and one week later purchased the Caldwell pharmacy on Atlantic avenue, Lynbrook, N. Y., where he is now located. He writes us that Lynbrook is considered the second Brooklyn of New York, and his change to there from Newdorp, L. I., is considered a very good one.

—The Bellefonte Academy football team closed the season at Harrisburg on Thanksgiving day with a game with the Steelton High school, winning by the score of 21 to 14. The Academy lost but one game during the entire season, and that was to the Indiana Normal by the score of 14 to 0. Very few prep teams in the State had as good a record and the members of the team as well as everybody connected with the Academy have reason to feel proud of the good work done.

—W. H. Macker, the green groceryman in the Crider building, last Friday filed papers in voluntary bankruptcy and his store was closed the same evening pending the appointment of a receiver. His liabilities are placed at about \$5,800 while the assets will probably be less than five hundred dollars. Failure to realize on produce shipped to different cities is assigned as the cause of Mr. Macker's reverses. On Tuesday G. Fred Musser was appointed temporary receiver for Mr. Macker.

—Sixteen year old William Ralph Waite, a native of Tyrone but of late a resident of Altoona, was accidentally shot in the back on Saturday afternoon by S. C. Fox, of Altoona, while the two were preparing to return home from a three day's camping out near Warriorsmark, dying shortly afterward. Waite was standing at the stove eating and Fox was packing up. He supposed the gun was empty but it proved otherwise. A number of relatives of the unfortunate young man live in Centre county.

—As the Christmas season draws near many a perplexing question can be solved by a visit to Miss Morgan's Shop, where every inch of available room is filled with something you or your friends would accept with great pleasure as a Christmas remembrance. All the cosmetics, creams and furnishings for the dressing table, so much needed at this season, attractive inexpensive jewelry, shell pins, crochet and embroidery cottons, embroideries finished and ready for finishing and countless other things to delight the heart of a woman. Miss Morgan will consider it a great privilege to have you visit her shop.

—While hunting on Tussey mountain last week with the State College hunting club W. L. Foster trapped a lynx that weighed sixty-four pounds. It had a beautifully soft and silky pelt, but Mr. Foster will probably have it mounted. The lynx is a very rare animal in this part of the State and it is believed that this one—or a pair of them, rather—had migrated here from the mountains in New York State or Canada. That there was a pair of them is evidenced by the fact that since Mr. Foster made his kill last week the cries of the other lynx are heard nightly by residents living at the foot of the mountain, and an effort will be made to capture it.

CANON—MARTIN.—Quite an elaborate wedding took place on Thanksgiving evening, in St. Mark's Lutheran church at Nittany, when Miss Alverna Martin, the only daughter of Mrs. Mary Martin, of that place, became the bride of Frank Ashton Canon, of Philadelphia. The church was beautifully decorated for the occasion with rhododendrons, the color scheme being yellow and white. The bride wore a gown of white crepe meteor trimmed with duchess point lace and pearls, with a veil and orange blossoms. She carried a bouquet of bride's roses and lilies of the valley. The attendants were Miss Ruth Beck, of Nittany, as maid of honor; Miss Mildred Martin, of Pittsburgh, and Miss Miriam Beck, of Nittany, as bridesmaids. Their gowns were of yellow satin trimmed with shadow lace, rhinestones and pearls, and their bouquets were yellow chrysanthemums. Sophia Gutzell, of Philadelphia, a small niece of the bridegroom, acted as flower girl, while the bridegroom's brother, Benjamin Canon, of the Schoelkopf Adams, officiated as best man. The ushers were Messrs. William Duck, of Millheim, and John Beck, of Nittany.

—Miss Beulah Miller, of State College, played the wedding march as the bridal party marched to the altar where the ceremony was performed by Rev. L. M. Fleck, of Newry, the ring service being used and the bride being given away by her brother, J. Edgar Martin, of Columbus, Ohio. Following the ceremony a reception was held at the home of the bride's mother and later the young couple left on a brief wedding trip, expecting to be at home to their friends after January first at No. 3914 north Percy street, Philadelphia.

Among the guests present at the wedding were Mr. and Mrs. A. C. Smith and daughter; Miss Laura Harrison and Miss Blanche McGarvey, of Bellefonte; Miss Esther Martin, of Pittsburgh; Miss Kathryn Martin, of State College; Mr. and Mrs. G. L. Emerick, of Benore, and J. A. Emerick, of Lock Haven.

CROMER—CRISSMAN.—A quiet wedding was celebrated in St. John's Episcopal church at 8:30 o'clock last Saturday morning when Miss Eva H. Crissman, daughter of Mr. and Mrs. W. Homer Crissman, became the bride of Alexander B. Cromer, of Baldwinville, N. Y. The ceremony was performed by the pastor, Rev. John Hewitt. There were no attendants and only the immediate members of the bride's family were present. At the conclusion of the ceremony the young couple went by taxi to Milesburg where they left on the train for a wedding trip to Niagara Falls, Buffalo and other places, at the conclusion of which they will go direct to their own home in Baldwinville.

The bride is one of the best known young ladies of Bellefonte, having the past few years conducted a dancing school in the Bush Arcade. Her husband is also quite well known here and at State College. He is a former student of the Bellefonte Academy and also spent two or three years in study at the College. He now holds a very responsible position with Stewart & Co., large contractors of New York city, and has a promising future ahead of him. May they have a happy and prosperous life.

HALDERMAN—KAUP.—John Halderman, of Harrisburg, and Miss Virginia Kaup, of State College, were married at the latter place on Thanksgiving day by Rev. Mr. Horn. Following the ceremony they came to Bellefonte where a delicious wedding dinner was served at the home of the bride's sister, Mrs. Edward R. Owens, and in the afternoon they departed on a wedding trip to eastern cities. They will go to housekeeping at Enola, near Harrisburg.

BEIGHTOL—FRAZIER.—On the evening of November 30th a quiet wedding was celebrated at the United Evangelical parsonage in Howard, when Lewis A. Beightol, of Jacksonville, and Miss Cora R. Frazier, of near Howard, were united in marriage by the pastor, Rev. M. J. Snyder. The young couple have the best wishes of their many friends for their future happiness.

CANDIDATES FILE EXPENSE ACCOUNTS.—Wednesday was the last day for candidates voted for at the recent election to file their expense accounts, but up until yesterday noon there were two or three lacking. James A. Gleason, Democratic candidate for Congress, was the first man to file in Centre county. His expenses were \$976.97, and of this amount \$175 were contributed by outside parties. Congressman Charles E. Patton has not filed any account. John P. Harris, a presidential elector, filed an affidavit that his expenses were less than fifty dollars.

J. L. Montgomery, as treasurer of the Republican county committee, filed an account of \$1,255.84 receipts and \$1,255.06 expenditures, leaving a balance of 78 cents.

C. L. Gramley, Republican candidate for the Legislature, expended \$271.25, and Robert M. Foster, Democratic candidate, \$520.

Charles F. Cook, acting treasurer of the Washington party, received \$270.00, and expended \$217.20, leaving a balance on hand of \$52.80. Two hundred dollars of the above amount was contributed by Charles E. Patton and \$50 by C. L. Gramley, the balance being in small contributions.
