CHRISTIAN ENDEAVOR CONVENTION REPORT. The Ministerial, Sunday school and Keystone League of Christian Endeavor convention for the Center district of the United Evangelical church was held in St. Lukes United Evangelical church in Milheim, May 20th to 22nd inclusive. Twenty-one ministers and about sixty delegates were in attendance, represent-

ing eight different counties.

The singing, under the direction of chorister Rev. A. F. Weaver, was inspir-

chorister Rev. A. F. Weaver, was inspiring and uplifting. The officers of the convention were, president, Rev. Henry A. Benfer, D. D.; vice president, Rev. J. C. Reeser, A. M.; secretary, Rev. H. W. Buck Jr.; treasurer, Rev. W. J. Dice.

The opening address of the convention was made by presiding elder Rev. Henry A. Benfer, D. D., of Lewisburg. He spoke on the subject, "The Preacher and the Demands of the Times." He said, "the times demand novelty sensationalism. times demand novelty, sensationalism, flattery and compromise. The preacher must not yield to the demands but preach

Wednesday morning and afternoon sessions consisted of subjects bearing on ministerial work, such as "Effective Preaching," "Care and Development of Converts," "Pastoral Visitation," "The Value of System in Church Work and Finance," etc. The various subjects were well presented showing thoughtful preparation, and giving many practical hints and suggestions. Some of the sub-jects were largely and profitably dis-

Wednesday evening the session opened promptly at 7:30 o'lock. After song and devotional service, two of the local Sunday school classes sang very beautifully.
Rev. S. A. Snyder, of Middleburg, also
sang a temperance song, entitled "Molly
and the Baby." The speaker of the
evening, Rev. J. C. Reeser, A. M., of Lewistown, was then introduced. He spoke magnificently, in an earnest, forceful manner, on "The Imperative Need in the Present Temperance Crisis." He pictured the colors are a size of the colors and a size of the colors are a size of the colors and a size of the colors are a size of the colors are a size of the colors and a size of the colors are a size of the ed the saloon as a gigantic foe, but convinced his audience that the day is not far distant when it will be a thing of the past. He showed clearly that the only successful way to overcome it is by the vote cast at the polls, and urged that each one vote for the men who will use their power for National prohibition. Build the wall solid, high and complete. Shut the liquor business out everywhere. A solo entitled, "The Twin Ballots,"

was sung by Rev. Snyder. Several very important subjects were presented and discussed on Thursday morning and the Sunday school and K. L. C. E. district secretary, Rev. W. E. Peffley, of Juniata, gave his report, which showed advancement along different lines

Thursday afternoon the subjects bearing on different phases of C. E. work were presented by Rev. R. S. Daubert, of Liverpool; Rev, C. S. Messner, of Mc-Clure, and Rev. D. A. Ertel, of Clinton-

Rev. H. W. Buck, Jr., of Mifflin, spoke very earnestly on "The Importance of Maintaining a Christian Home." The subject, "Music in Our Churches,"

was very ably presented by Rev. A. F. Weaver, of Bellefonte, and so well received that the convention requested that he send it to the editor of the Evangelical for publication.

Thursday evening after song and devotional service, the president of the conventional service, the president of the convention, Rev. Henry A. Benfer, D. D., presented the district K. L. C. E. banner to the delegate representing the society at Winfield, for having raised the highest average per member missionary

There were two speakers for the evening, Rev. W. E. Peffly, B. D., spoke on "The Qualifications and Spiritual Equipment of the Sunday School Teacher." His address was very instructive and

Rev. D. F. Young, of Altoona, read a well prepared paper on "The Great Com-mission and the United Evangelical Church," setting forth the urgent need sionary activity on the part of the

The visiting pastors and delegates were royally entertained by the people of Millheim and we believe all went home feeling that the time spent in Millheim was delightfully and profitably spent.

THE CHURCH'S POSITION.

Woman suffrage is not a dogma of the church and any one is at perfect liberty to believe as they choose on the matter. The fact that Cardinal Gibbons does not approve of woman at the ballot box is simply his personal view, and a Catholic is under no obligation to accept it. In some quarters there is a disposition to claim that the church is pronounced against suffrage. She has done nothing of the kind, and no one need be alarmed that she will. Religion, not politics, interests the church alone.—From the Pittsburgh Catholic.

-In the matter of feeding, too much care cannot be exercised, as on the ability of the horse to properly assimilate into his system the feed he eats depends his usefulness. So far as can be done, he should be given that which is the easiest digested, so that all the nutritious parts will be absorbed into his system and go to make flesh, bone and fibre.
