

**BELLEVILLE'S SAFE AND SANE FOURTH.**  
 —It took the ladies to show Belleville how to celebrate a safe and sane Fourth, and that it was a success is evidenced from the fact that only words of commendation were heard from every one of the large crowd present, hundreds coming to Belleville from throughout the county to participate in and witness the celebration. There were no hideous noises, no fear of the tetanus breeding firecrackers and that not even one slight injury occurred during the day ought to be a strong argument in favor of such observances in the future.

In the following statement the committee of the Women's club having in charge the arrangements give account of everything that came under their jurisdiction. The suffrage parade was arranged separately and it can truly be said it was a representative and dignified turnout, and added greatly to the success of the parade. The rain in the evening is the one thing that interfered with the consummation of a fine day's program, and the WATCHMAN congratulates and commends the ladies who planned everything so successfully. Their statement is as follows:

**To the Public:**  
 The Women's Club wishes to thank Mr. Hunter and Mr. Hall for taking charge of the free automobile ride event, also the owners who kindly sent cars, giving pleasure to about five hundred children, many of whom had never been in an automobile before.

We heartily thank both the fire companies, organizations, women, children, and business houses who aided in making the parade a success. The Boys' Band of Milesburg was also a feature of the parade, and gave much pleasure by their remarkable concert on the Diamond to please charmed all who heard them.

Prizes were awarded to seventeen children competing for the best Uncle Sam, Columbia, cow boy, cow girl, Indian, Indian squaw, go-cart and doll, gipsy, clown, and fancy dress. These prizes were a one-half fare ticket each to all the events of Chautauqua week coming July 17th.

A prize of \$5.00 in gold was awarded Mrs. Edward Harper for the most beautifully decorated automobile. A prize of \$5.00 in gold was awarded Philip Shoemaker as the best town Mummer, who, with his handsome pony was not only beautifully gotten up but acted his part perfectly. Paul Sheffer was also a clown, and won the \$5.00 in gold in the bicycle class.

A prize of \$5.00 in gold for the best organization float was awarded the Moose for their very handsomely gotten up float.

In the advertisement class, for beauty originality, the greatest amount of effort, and the best business advertisement, the Belleville Fuel & Supply Co. was unanimously given first honor; but because both partners of the company and the designer and decorator of the float, were also interested in the management of the parade, first money was not accepted. \$5.00 in gold was given to Sidney Krumrine's Drug store for their very excellent and original float advertisement, "The old Fourth and the new". The second prize, also \$5.00 in gold, was awarded to the A. G. Morris, Jr., coal yard float. Honorable mention is made of Miss Snyder and Mrs. Aiken's very original and dainty advertisement in a stylish victoria, displaying the beautiful gowns of the one and millinery of the other, worn by two charming young women. Honorable mention is also made of the Bell Telephone Company's "Blue Bell," not only the costume which was beautifully gotten up and a splendid business advertisement, but the dignity and bearing of the wearer added much to the display. Mention must also be made of the Joseph Ceder ice cream and bakery float, with its occupants, which was very fine, as was also the Basket Shop's many little advertisers and their wares; Katz's store, the DEMOCRATIC WATCHMAN's rooster, the Keystone Gazette with their faithful leader, the Palace livery with its stunning turnout, as well as the hospital's first aid ambulance, which was a great and useful addition to the parade; and hosts of others all so good and deserving of many thanks for their efforts, but too numerous to mention.

Thanks to Mr. Clayton Brown for giving the scenic at cost, where nine hundred persons, principally women and children, enjoyed the fine pictures and music free.

We also thank Mr. James Hughes, Mr. Donald Wallace, and Mr. James Davis for their efforts and work in getting up the free base ball game where there was an attendance of about five hundred men and boys. We also thank the home players for their work in the past three weeks in spite of the great heat. Thanks are due to the New Century Club, of Tyrone, who so kindly came for the aid of the cause, making no charge but their railroad fare.

Through the efforts of Mr. Weston, boys of surrounding towns and country, as well as the boys of our town, were welcomed to the beautiful swimming pool. Hundreds of boys enjoyed to the fullest this great treat.

The Women's Christian Temperance Union had barrels of ice water placed all over town. That the thirsty appreciated this good thought is shown in the fact that it took over two hundred buckets of water to keep them filled.

At 7:00 p. m., in the High school building, five hundred children were served with free ice cream cones, some little ones telling us that they never before tasted this most loved of all childish dainties. Mrs. Joseph Ceder gave the cream and cones to the committee at actual cost.

At 8:00 p. m., in the High school auditorium, three very fine addresses were delivered by Rev. Dr. Schmidt, Mr. Harry Keller, and Mr. John Blanchard; accompanied by a chorus of very beautiful voices kindly assembled by Miss Mary Bradley, their rendering of our patriotic songs making them seem even more dear to our loyal American hearts.

The very elaborate band concert, for which the Coleville band had been practicing for weeks, for which greatest treat a most attractive selection had been arranged, and for which event the High school commons had been lighted by the Belleville Electric Co., was entirely spoiled by the hard storm which interfered with what would have been a most appropriate ending to a most successful free day.

Thanks are also due to the public who

so freely contributed the necessary funds in countless instances offering more than asked, so gladly was it given. Money subscribed amounted to \$215.00, entire cost of day \$202.56, showing balance in bank to credit of Safe and Sane Fourth fund of \$12.44, to be used on July 4th, 1914.

Very respectfully submitted,  
 COMMITTEE OF SAFE AND SANE FOURTH.

**KILLED ON THE RAILROAD**—Henry Rupert, a son of Mrs. Kansas Rupert, of near Beech Creek, was struck by the passenger train east on the Bald Eagle Valley railroad on Saturday night, June 28th, and instantly killed. No person saw the accident happen but from all appearances Rupert was walking down the railroad and was run down by the train, being knocked to one side and his skull crushed. He was a member of the railroad section gang at that place and why he failed to get out of the way of the train is hard to understand. It was probably five hours after the accident when the body was found by the crew of an east-bound freight train. An inquest was held by Dr. G. H. Tibbens, who was deputized by coroner P. S. Fisher, and the company and train crew exonerated of blame.

Deceased was twenty-two years old and in addition to his mother is survived by seven brothers and one sister, namely: Harry, Edward, Joshua, William Ernest, Claire, Fleming and Edith. The funeral was held on Wednesday of last week, burial being made in the Fearon cemetery.

—The primary class of the United Brethren Sunday school will hold a sale Saturday afternoon and evening, in the vacant room adjoining the Y. M. C. A., at which there will be on sale homemade bread, rolls, cakes, pies, aprons, dust-caps, etc. A liberal patronage from the public is asked.

**A Sustaining Diet.**  
 These are the enervating days, when, as somebody has said, men drop by the sunstroke as if the Day of Fire had dawned. They are fraught with danger to people whose systems are poorly sustained; and this leads us to say, in the interest of the less robust of our readers, that the full effect of Hood's Sarsaparilla is such as to suggest the propriety of calling this medicine something besides a blood purifier and tonic,—say, a sustaining diet. It makes it much easier to bear the heat, assures refreshing sleep, and will without any doubt avert much sickness at this time of year.

**PINE GROVE MENTION.**  
 Farmers are in the midst of hay making and harvesting.

Jack Mayes, of Milton, and lady friend spent Sunday with friends at Fairbrook.

Mrs. Allie Buckwalter and two boys are visiting at the G. W. McWilliams's home.

Mrs. Geo. Kustaborder and lady friend, from Philipsburg, were here last week visiting at the Houck home.

Mrs. R. W. Illingworth and her two interesting children, Ralph and Ruth, are having a royal outing at grandpa Snyder's home.

"Squire Keller was summoned to Pittsburgh Monday to attend the funeral of a little granddaughter, a child of Mr. and Mrs. J. M. Keller.

Mrs. Harry Hoy, just east of town, underwent an operation in the Belleville hospital last Monday for a tumorous growth. She is getting along nicely.

Dr. Frank Bailey and wife and Dr. Hugh L. Fry and lady friend came up from Milton in the former's Ford car and spent the Fourth with friends here, returning home Monday.

Charley Smith is visiting old chums in town. Charley saw service as a member of the fighting 9th Regt., and took in the big celebration at Gettysburg; being on his way home to Medina, Ohio.

Last Saturday evening Mrs. Chas. V. Smith, at Erbtown planned a birthday party for her husband, who as usual had business in town, and on his return was greeted by a host of kind friends which resulted in an enjoyable evening.

Fred Moore, of Chester, and John Moore, of Ohio, both old Vets attended the Gettysburg celebration and for the first time in fifty years are visiting their brother Edward just west of town. It is the first time they have been together in half a century.

**SPRING MILLS.**  
 Every holiday we meet with a loss, and a big one, too. We miss the spicy columns of the WATCHMAN.

Miss Anna M. Cummings left on Monday of last week, on a month's sewing engagement to Mill Hill and Lock Haven.

James N. Leitzell, of Benton, Wis., formerly of this place, is here on a visit and also assisting in the sick chamber of his brother-in-law, Wm. Pealer.

H. H. Rachau, owing to a very sore foot, had been obliged to use a crutch for the last ten days, has improved so that he can now manage to move about with a cane.

The cold snap on Sunday and Monday last was a delightful change from the intense heat of last week. Our farmers are getting busy in the hay fields, and the cool breezes just suit them.

Hon. Wm. Allison is able to be about again and attend to business. Wm. Pealer is still confined to his bed, and has been for the last three or more weeks. He does not appear to improve any.

The main highway from town to Penn Hill is in a splendid condition, and the speed fiend with his auto takes advantage of it, too. If the chauffeur would be the only sufferer—the only one to break his neck, there would be but one verdict—served him right.

**HIGH VALLEY ITEMS.**  
 Mrs. Emanuel Eisenhuth attended the golden wedding in the East End on June 18th.

The wheat crop in our valley is not a bumper one, while corn and grass are short with no fruit of any kind.

High valley is well pleased with President Wilson, and also the WATCHMAN. It gives all the news correctly, and that is what we want.

The elk that were turned loose on the new game preserve near here are not very scary of man. In fact they are fairly tame and can frequently be seen in the fields grazing. In fact some corn fields have been damaged more or less by their depredations.

For high class Job Work come to the WATCHMAN Office.

**Resolutions on the Death of Dr. Roland G. Curtin.**

The following resolutions were read at the 10th annual picnic of the Centre county association in Philadelphia:

WHEREAS: God in His infinite wisdom has called to Himself one of our number in the person of Dr. Roland G. Curtin;

Resolved: That as an association we bow submissively to the will of Him who doeth all things well and extend to the family our sincere sympathy, commending them to the sustaining grace of our Heavenly Father;

Resolved: That we hereby express our sense of the great loss we have sustained in the death of one who served the association so faithfully as its chief executive from its origin;

Resolved: That we voice our appreciation of the deep interest he took, in this unique method of promoting fellowship that serves to bind us together for mutual encouragement in our adopted home;

Resolved: That we hereby appeal to others from the home county, who have not yet allied themselves with this organization, to do so as early date, as in harmony with his oft expressed wish and endeavor to make the Centre county association in reality a source of real helpfulness and encouragement to all its members;

Resolved: That a copy of these resolutions be spread upon the minutes of the association, a copy be printed in the papers of the home county, as far as may seem expedient, and one handed the family of the deceased.

Respectfully submitted,  
 REV. W. K. FOSTER,  
 THOMAS FOSTER,  
 S. C. KIRBY,  
 Committee.

—T. A. Pletcher, of Howard township, has been appointed tax collector to take the place of Jacob Ritzman, resigned.
