THINGS ABOUT TOWN AND COUNTY.

Mrs. Mary Reasner is quite ill at her home on Thomas street.

Mr. and Mrs. Harry J. Jackson are occupying The Willows this week, and entertaining a few of their friends.

Talmage Hafer has accepted a position as clerk at the Garman house.

Twelve more prisoners were brought from Pittsburgh on Wednesday and taken to the new institution in Benner township.

Capt. William H. Brown is now electioneering as a candidate for the nomination of tax collector for Bellefonte borough on the Republican ticket.

The Grangers will hold a festival at Axe Mann on Saturday evening, August 16th, where ice cream and cake will be served. The public is invited to attend.

A little son was born to Mr. and Mrs. Andrew Shively, at the Bellefonte hospital, last Thursday evening. Both mother and babe are getting along splendidly.

Harry Auman has resigned his position as steward of the Eagles in Altoona and purchased a half interest in a pool room and wholesale liquor store at Gloversville, N. Y.

The Moses Thompson farm at Centre Furnace is to be sold in the near future and the trustees of The Pennsylvania State College have taken an option on it, good until September first.

Mrs. Thomas A. Shoemaker, who with Mr. Shoemaker and their family is living at the Country club this week, entertained a number of Bellefonte women at the club with bridge, yesterday afternoon.

The young people of the Methodist church will hold an ice cream and cake social on the Y. M. C. A. lawn, Thursday, August 14th. Go and take your friends and help the young people along.

Mary Evey, the little daughter of Mr. and Mrs. Robert Evey, is suffering with an attack of diphtheria. There is also a case of scarlet fever in town as well as the case of small pox reported last week.

At a meeting of the board of governors of the Nittany Country club, last Friday evening W. Harrison Walker, Edmund Blanchard and Hard P. Harris were elected as the house committee for the ensuing year.

The foundry part of the big machine works at Cherrytree burned down last Thursday, having caught fire from some molten brass. John Guisewite, formerly of Bellefonte, sustained a bad cut on his leg by a falling skylight.

D. Allison Irwin, secretary of the Ebensburg Agricultural association, has sent out racing programs for their fair which will be held the week of September 16th to 19th. The aggregate of the purses offered for the three day's races is \$2,100.

Congressman Edgar R. Kiess, of Lycoming county, has been appointed by Governor Tener a member of the board of trustees of The Pennsylvania State College to fill the vacancy caused by the death of the late Marlin E. Olmsted, of Harrisburg.

While in the horse stable at his home at Dale Summit on Monday evening county commissioner Daniel Grove slipped on a board and fell down, and before he could get out of the way a horse tramped on his foot and broke several bones.

At a session of court on Monday Judge Orvis appointed M. Ward Fleming, John A. Way and John A. Woodward viewers to appraise the damage done the lands of the Prentiss estate in Rush township by reason of the building of the Forge Run railroad.

Twins, a boy and a girl, were born to Mr. and Mrs. D. O. Downing, of Port Matilda, on Sunday morning. The little girl died within six hours and was buried in the Port Matilda cemetery on Monday. The boy and the mother are getting along splendidly.

On Tuesday afternoon the automobile of R. G. Rose, of Johnstown, skidded on the freshly oiled Bishop street and collided with a telephone pole, smashing the fender, causing about eight dollars damage which Mr. Rose will ask borough council to make good.

Cards were received in Bellefonte the past week announcing the marriage of Miss Clara Custer Miller to Mr. Murdoch MacArthur, the wedding having taken place on July 30th. The bride frequently visited here and is known by a number of Bellefonte people.

Least the people of Bellefonte forget the semi-annual rummage sale, for the benefit of the hospital, those who have it in charge would remind them that it will be held the latter part of September. Rummage well and save everything for this sale. Art. as you may not value care of some account to someone and can thus be converted into money. Every effort is being made to equip the laundry, so in this small way you are asked to aid in the work.

BOROUGH COUNCIL HAPPENINGS.—Eight members were present at the regular meeting of borough council on Monday evening.

Mr. Morgan, of north Spring street, was present and asked that property owners in that section be required to put down pavements. The matter was referred to the Street committee for investigation and report.

Burgess John J. Bower presented the request of Emerick Bros., proprietors and operators of the motor bus line from Bellefonte to State College, for an exclusive franchise to operate motor busses on the streets of Bellefonte. In explanation the burgess said that the two cars they are now operating represent an investment of about \$9,000. They have ordered two more, one to cost \$7,500 which will be here about the middle of the month and another to cost \$6,500 to be here about the first of September. That the reason they ask for an exclusive franchise is because they were pioneers in operating a motor bus line in Luzerne county and after they had built up quite a business another company started, got a franchise and they were driven out, a thing they don't want to occur again. The franchise they ask is for motor busses alone, and will not cover any other kind of motor vehicle. The matter was referred to the borough solicitor for investigation and report.

A letter was received from N. B. Spangler, attorney for Gamble, Gheen & Co., notifying council that if proper sewer arrangements were not made to carry off the water from west Lamb street in time of heavy rains, and preventing it from flooding their mill, an action for damages would be brought. The matter was referred to the Street committee with instructions to have the matter attended to at once.

Mr. Seibert, of the Fire and Police committee, reported that he had thoroughly examined the public building and that the exterior woodwork and roof ought to be painted and new spouting put on. The committee was empowered to make whatever repairs were necessary.

An ordinance vacating Academy alley was presented and passed first reading. This is in line with a request made by James R. Hughes at a regular meeting of council on July 7th.

Councilman Paul D. Sheffer asked what council was going to do in the matter of the request of Morris & Sheffer for permission to erect hitching posts in front of their store on Allegheny street. There was considerable discussion in regard to the proposition, the preponderance of sentiment being against the erection of hitching posts there owing to the street being too narrow. Mr. Sheffer, however, insisted that he had a right to hitching posts and made a motion that permission to erect same be granted. The motion, however, was not seconded, so that council could take no action.

Mr. Beezer reported that the glass works bridge was in an unsafe condition and the Street committee was instructed to examine it and report at next meeting whether it could be repaired or a new bridge would be necessary.

Burgess Bower called the attention of council to the fast running of automobiles through the streets of Bellefonte. The new law of 1913 makes the speed limit fifteen miles an hour through corporate limits and twenty-five miles an hour on the public highway. But in order to enforce the fifteen-mile-an-hour limit it is necessary to erect signs every quarter of a mile, reading "Danger, run slow," or something to that effect. Mr. Walker wanted to pass an ordinance limiting the speed to ten miles an hour, but when informed that an ordinance conflicting with the state law would be illegal, he suggested that a traffic ordinance be passed, regulating traffic on the principal thoroughfares as a means of safety. The matter was referred to the borough solicitor to prepare an ordinance and present the same at next meeting.

Mr. Seibert reported that a new floodgate was needed at the Phoenix mill dam and Col. W. Fred Reynolds had agreed to stand \$250 of the expense of putting in a concrete structure so that it would be permanent. This will make the cost to the borough less than it would be to repair the old wooden structure. The Water committee was empowered to go ahead and have the work done. The burgess presented his report for the month of July, which showed fines and licenses collected to the amount of \$56.30; expenditures \$37.26, and the treasurer's receipt for the balance, \$19.05.

Old notes for \$4,000 and \$2,000 were authorized renewed, a new note for \$1,600 and bills to the amount of \$1,369.26 were passed after which council adjourned.

STATE CONSTABULARY SQUAD FOR BELLEFONTE.—General orders were issued last week for a re-assignment of the state constabulary, the troops to be divided into squads so as to cover more territory.

A squad of the troop now stationed at Greensburg has been detailed for Bellefonte and on Sunday Lieut. William Marsh came to Bellefonte to make arrangements for their accommodation. The squad consists of three men, and for the present their headquarters will be at the Brockerhoff house, while their mounts will be kept at Rerick's livery stable. The building of the new penitentiary in Centre county and the outdoor life of the prisoners is doubtless one reason why a squad of the constabulary has been placed here.

Mrs. George Spangler, mother of N. B. Spangler Esq., of this place and who lives with her daughter, Mrs. Edward Crawford, at Centre Hall, fell off of the porch on Saturday morning and broke her arm. On account of her advanced age the injury is regarded as quite serious.

The Salvation Army gave a delightful outing last Friday for the poor women and children of the town, and just forty-three of them took advantage of the Army's generosity. There was an abundance of good things to eat and all present enjoyed the dinner as well as the program of services and amusements arranged for their benefit.

In the obituary notice of the late Hon. Jacob M. Kepler, published in last week's WATCHMAN, we failed to state that he was married twice. His first wife was Miss Hutton, by whom he had two children, and his surviving wife was Miss Charlotte Markle, before her marriage. She is the mother of three children, Mrs. Graff, Mrs. Meade and Charles Aaron Kepler.

The Hazel-Schaeffer annual reunion will be held in Deitrick's grove, near Madisonburg, on Wednesday, August 20th. The program will include several good speeches, good music and various amusements. The gathering will be in the shape of a basket picnic and not only members of the Hazel and Schaeffer families but all their friends are invited to attend, as the committee desires making this the biggest reunion ever held.

It is currently reported that Prof. I. C. M. Ellenberger, who the past three years has been superintendent of the Sunbury schools, has been tendered the position of superintendent of the Pittsburgh schools by the discharge of S. L. Heeter, who was charged with immorality. Prof. Ellenberger, is a native of Centre county, having been born and raised at Gatesburg. Before going to Sunbury he was principal of the Tyrone schools.

About two years ago a young son of Harry Winton was badly bitten by a dog belonging to a foreigner out at Nittany furnace. The owner of the dog got out of town within a day or two but lately he has been working at the White-rock quarries. It cost Mr. Winton \$125 to have his son given the Pasteur treatment and the other day he had the foreigner arrested to compel him to pay the bill. The man will be given a hearing before Squire Brown today.

There are many events that could be depicted very interestingly in motion pictures if an operator happened on the spot at the right moment, but as he does not the public is the loser. However, there are many good pictures made every day and three reels are shown at the Scenic every evening. The hot weather has no effect on the pictures and very little on the audience at the Scenic, because they know it will be as comfortable as anywhere. And there is where you always get your money's worth.

Mr. John P. Harris was eighty-one years old on Tuesday and he celebrated the day by attending to his work, as usual, as treasurer of the Bellefonte Trust company. Very few men are found these days who are in active life at the age of four-score years, and in this respect Mr. Harris is a remarkable man, as he is to be found at his desk as regular as the day rolls around. Tuesday evening about sixty of the older residents of the town called to pay their respects to Mr. Harris at his home on west Linn street.

Judge Harry Alvan Hall, of Elk county, spent last Friday night in Bellefonte, motoring here from Lock Haven where he held a brief session of court. The judge is an enthusiastic motorist and he believes in compelling supervisors to keep the roads in good condition as was evidenced in the Clinton county one townships five dollars each for neglect of duty and held the supervisors of five other townships and Mayor Kremer and the twelve members of the Lock Haven council over to the October term of court on similar charges.

On Monday afternoon Harvey Baney came to Bellefonte from Milesburg with one of Henry Kohlbecker's sorrel colts. He started home about four o'clock and when the colt struck the freshly oiled street at Parrish's drugstore its feet slipped and the animal fell, upsetting the sulky and throwing Mr. Baney some distance. The man had a deep gash cut in his leg but he did not know it until he had gotten on his feet and then he screamed for help. First aid was rendered by persons nearby after which he was taken to the hospital and proper surgical attention rendered. The colt was uninjured.

During Wednesday's storm lightning struck Mrs. W. E. Gray's house on east Linn street, tore off part of the roof and knocked the top off of the chimney but fortunately did not set fire to the building. Fire very badly damaged the house on Sunday, May 11th. Workmen have been busy ever since rebuilding the same and several weeks ago part of the chimney fell down without any apparent reason. This was rebuilt and now Wednesday's accident happening almost one as if a hoodoo hung over the place. Mrs. Gray expected to reoccupy the house on September first but may now be delayed a few days.

GET READY FOR THE BIG CENTRE COUNTY FAIR.—It seems almost beyond conception but it is a fact, nevertheless, that only three weeks intervene until the big Centre county fair will be in full swing.

September 2nd, 3rd, 4th and 5th are the dates and everybody should plan their affairs so they can attend all the time. It takes attendance as well as exhibits and horse racing to make the fair a success and that is where the individual counts.

The fair management are working hard to get up an exhibition that will be pleasing to the people and satisfactory to all concerned. While they have not yet arranged for a complete list of free amusements when the time comes there will be plenty there to occupy the time of everybody. Many applications have already been received for exhibition space, which is very gratifying. The bigger the line of exhibits the bigger the fair, and in this line the farmer and every member of his family can help. Begin to plan for your exhibit now. Don't wait until fair week and then say you hadn't time to prepare an exhibit. Start it this week and add to it every day until the time comes, then bring it in for others to see. The Centre county fair is as much yours as anybody else's, and you should be interested in making it a success.

WORK ON STATE HIGHWAYS DISCONTINUED.—All state highway work in Centre county has been discontinued indefinitely in accordance with orders received from the State Highway Department in Harrisburg. This means that ex-sheriff Hurley and his gang of men have stopped work on the road down Nittany valley; that the gang under George H. Yarnell in Pennsylvania has been laid off and work stopped on the road from Lemont to State College, as well as all repair work on dirt roads now under jurisdiction of the State. The orders were peremptory, and gave no intimation as to when work would be resumed.

The lay-off has been general all over the State, extending to the various surveying corps, and so far no reason has been assigned, though the supposition is that it is because of the holding up of money on the state highway account by Auditor General Powell. It is even rumored that no more work of any kind will be done on state roads this year.

W. I. FLEMING GETS NICE PLUM.—John Price Jackson, Commissioner of the new Department of Labor and Industry, on Wednesday announced several appointments and among them was that of Wilson I. Fleming as assistant chief of the bureau of statistics. Mr. Fleming heretofore has been a clerk in the State Department in charge of election papers.
