The regular September term of court will convene on Monday next, the 22nd inst. The list of criminal cases in the quarter sessions is neither large nor very important, though there are quite a number on the list for both the first and second week in the common pleas court, some of which, however, are likely to be continued.

The peach crop in the big orchard on the penitentiary farm will be practically cleaned up this week. The crop aggregated between five and six hundred bushels and most of the fruit was disposed of in the local market. In addition several car loads of peaches were shipped to Bellefonte from other peach growing sections of the State.

Mrs. A. Linn McGinley entertained Tuesday night with a linen shower, for her niece, Miss Harriet Ray, one of the October brides. Jack A. Lane was host at a party given in his apartments, Wednesday evening, in honor of Miss Marie Gherry, also an October bride. Mr. Lane's guests were all Miss Gherry's friends at the Basket Shop.

DOINGS OF BOROUGH COUNCIL.—Seven members were present at the regular meeting of borough council on Monday evening and the regular time of convening was delayed twenty minutes or longer on account of a conference between the special power committee and Asbury W. Lee, A. J. Musser and Mr. Thompson, of Clearfield, representing the interests seeking a franchise for electric light and power in Bellefonte borough.

Though the matter was not brought before council it is understood that the Clearfield people submitted a proposition for the purchase of the Green mill property at Milesburg and installing electrical pumping machinery at the pumping station.

The Lauderbach-Barber company through Gettig, Bower & Zerby desired to know what rental council would ask for the Phoenix mill property, recently occupied by the Yeager Swing company, as they were desirous of securing same. The matter was referred to the Water committee to make a proposition and report.

The Finance committee reported the balance in the hands of the borough treasurer on September first as \$824.00. The Street committee reported that the county commissioners had refused to contribute anything toward the erection of a new bridge at the old glass works, and that they had examined the structure and recommended that the old bridge be repaired by the erection of one new abutment and replacing any worn out plank. The committee was empowered to secure bids and have the work done as soon as possible.

International Opera Co. opens star course this year. 5 numbers, \$1.00. Y. M. C. A.

GRANGER'S PICNIC A SUCCESS.—Practically every one of the several hundred tents in Grange park at Centre Hall has been occupied this week by farmers from every portion of Centre county in attendance at the annual Grange picnic and encampment. While the gathering was unofficially opened on Saturday the first crowd of any importance was there for the religious services on Sunday. Motor cars and vehicles of all kinds were used in transporting the crowd.

Monday was devoted to the placing of exhibits and getting everything in readiness for the formal opening of the encampment on Tuesday morning. The exhibits, by the way, compare very favorably with those of other years. The space allotted to implement exhibits is crowded and the building and tent used for farm produce and other exhibits are also well filled.

Tuesday afternoon the Centre County Veteran club held its thirty-ninth annual reunion. Hon. Leonard Rhine made the address of welcome to which D. F. Fortney Esq., responded. The principal address was made by Rev. E. H. Yocum, of Bellefonte. Brief speeches were also made by S. M. Spangler, of Kansas; W. H. Musser, of Bellefonte, and Miss Hall, of Wyoming, who plead for woman's suffrage. The Coburn band and Bellefonte drum corps furnished the music. All the old officers were re-elected for the ensuing year. One notable incident in connection with the gathering was the absence of the club's president, Gen. James A. Beaver, confined at home on account of illness, and first vice president W. H. Fry, who is on his way to Chattanooga to attend the national encampment of the G. A. R.

A fair crowd was at the picnic on Wednesday but the pleasure of the day was somewhat marred by the rain. Threatening weather also interfered with the attendance yesterday, though at that the crowd was a fair Thursday crowd. The picnic will close today and by tomorrow the grounds will be deserted.

Ferguson township farmers are just now on the lookout for sheep killing dogs. On Tuesday night last the flocks belonging to Mr. Gordon Harper, Mr. Henry Houck and Mr. John McWilliams were all visited with these pests and several good sheep belonging to each of them were killed while a number of others were torn and mutilated. We would not wonder if considerable hunting would be done up in that township before the regular hunting season opens, and nobody will complain if those engaged in it are entirely successful.

Dr. Whiting will lead the young people's meeting in the United Brethren church, in this place, on Sunday evening at 6:15. Members are urged to be present and the public is cordially invited, as well.

Crider, of this place, who left Tyrone ten days ago for the west for the benefit of his health, was taken seriously ill at Salt Lake City, Utah, and is now in the hospital at that place. His mother went out to Salt Lake City in the beginning of the week to be with him.

An examination for the positions of clerk and carrier in the postoffice service will be held at the Bellefonte postoffice on Saturday, September 27th, 1913. All applications must be properly executed and filed prior to the hour of closing business on Tuesday, September 23rd.

On Sunday afternoon a party of Altoona automobilists were driving up Bald Eagle valley in the neighborhood of Vail station in a Ford car when a rear tire exploded, causing the machine to jump a ditch and land on its side in an adjoining field. Two men and two women composed the party and they all sustained minor cuts and bruises and were badly shaken up but their injuries were not serious.

Mr. W. D. Port, one of the health officers in the upper end of the county, while driving near the residence of Miss Bertie Meek, in the upper end of Ferguson township on Tuesday last, was stricken with paralysis, and when found some time later was entirely helpless and unconscious. Wednesday's report of his condition showed some slight improvement but left us to understand that he is still a very sick man.

On his cultivated chestnut farm in Buffalo valley C. K. Sober, of Lewisburg, this year expects to gather three thousand bushels of nuts. A western commission firm has agreed to take the entire crop at five dollars a bushel. Mr. Sober now has a force of men at work spraying the trees for moths and the prevention of worms. If the yield proves as large as Mr. Sober expects it will be the biggest crop he has ever gathered.

Miss Harriet Ray, who will marry in the month of October, Harold Raymond Smith, of Allentown. Miss Martha Shutt will be married on the 2nd of October, to Edward L. Gates, of Bellefonte, and Miss Marie Gherry, will be married in October, to James Davis of the Garman house, Bellefonte.

Now that State College has opened for the ensuing year, and the consequent amount of travel between State College and Bellefonte will in all probability be largely increased, some person who is in authority ought to take some action compelling the improving of the roads between the two towns. In some counties of the State the court has taken summary action where a piece of road was allowed to get into a bad condition, and there is hardly another piece of road in Pennsylvania in a worse condition than some of the road between Bellefonte and State College.

"Big Bill" Hollenback is now at State College selecting candidates for the 1913 football team and, as the season at State will open on Saturday, October 4th, he will have to do some hustling in the way of training and coaching to get a team in shape for a contest on that date. The fact that a number of the best men on last year's team will be missed this season, and that at least half of the team will be new men, makes the work doubly hard. State's schedule this year includes games with the U. of P., Navy and University of Pittsburgh. Cornell is not scheduled.

Why worry if the Granger's picnic is over and the primaries were held on Tuesday when the scenic is open every night. Out in Chicago a jealous woman had her husband arrested for looking at the pretty girls as posed in the movies. The pictures at the scenic show the same pretty girls as are shown in Chicago, but so far no Bellefonte woman has become so jealous as to have her husband arrested. But there is no telling what might happen any night, owing to the wonderful realism of some of the pictures. The bill boards tell you every day what you can see that night.

HIGHWAYMEN HOLD UP AND ROB MADISONBURG CITIZEN.—John Roush, a well known resident of Madisonburg, was held up and robbed in the Millheim Narrows, on Tuesday forenoon, by three highwaymen, all foreigners, who then fled to the mountains and at this writing have not been captured.

Mr. Roush was walking from Madisonburg to Coburn on his way to the Granger's picnic at Centre Hall. At the bend north of the toll gate in the Narrows he was suddenly confronted by three rather disreputable looking foreigners who demanded money. Mr. Roush began to parley with the men but without any ceremony they grabbed him and threw him down, kicking him on the head and face until he was powerless to help himself when they took his watch and purse containing about six dollars in money and fled to the mountain, taking a westerly direction.

Mr. Roush was too badly hurt to get up at first, but later recovered sufficiently to get to the toll gate, the nearest house where his injuries were attended to and later was taken to Millheim. He had a much larger sum of money on his person but this the robbers overlooked. Outside of the fact that the men were foreigners Mr. Roush could give no good description of them.

As soon as possible the authorities here were notified and sheriff Lee and two state police went down to the scene of the hold-up and started on the trail of the highwaymen.

They hunted the balance of Tuesday afternoon and up to ten o'clock that night without getting any trace of the men. Wednesday morning they started in again and shortly before noon they got sight of the three men in the mountains not far from Loganton. Two of them managed to evade the officers and get away but one was caught and the same afternoon brought to Bellefonte by "Billy" Burke, of the state constabulary, and lodged in jail. The man is evidently a Pole and so far has refused to give his name or do any talking in regard to himself and companions.

KAPUSTA ROBBED POKA.—Frank Poka, a Hungarian workman at the Whitecock quarries, is minus \$110.10 because he was too lax in his vigilance of his own countrymen and Tony Kapusta has the money and is now probably on his way to his fatherland. The two men worked at the Whitecock quarries, boarded at the same house and bunked together. Poka kept his savings in a treasure box under the bunk and Sunday counted the money in the presence of his countryman. Kapusta evidently could not resist temptation and some time during Sunday night he got out of his bunk, dressed, got together his few belongings, securing the key to Poka's treasure box took all his savings and departed for parts unknown. Just when the theft was discovered is not known but it was one o'clock in the afternoon when Poka came to Bellefonte and sought the aid of the authorities in apprehending Kapusta and recovering his money. But the latter had from twelve to fifteen hours start and it was like searching for a needle in a haystack. All the quarries in this section where foreigners are employed were searched without avail and up to this writing no trace of the man or the money has been found.

STEWART—MONTGOMERY.—The wedding of Dr. John Pogue Stewart, of State College, and Miss Isabella Stuart Montgomery took place at the home of the bride's parents, Mr. and Mrs. Robert L. Montgomery, at "Paradise Farm," near Milton, on Wednesday of last week. One hundred invited guests were present to witness the ceremony which took place at high noon and was performed by Rev. George Marr, of Swarthmore. The bride was given in marriage by her uncle, Hon. William Stuart Montgomery, of Muncy. Mrs. Randall Jacobs, of Milton, was matron of honor and Howard Woodward, of Warren, Ohio, best man. Following the wedding reception Mr. and Mrs. Stewart departed on a wedding trip to southern cities. The bridegroom is professor of pomology at State College and it is there they will make their future home.

GARBRICK—STOVER.—A wedding that will interest many a people of Bellefonte was that at two o'clock yesterday afternoon of Joseph Garbrick Sr., and Miss Sarah Stover, the ceremony having taken place at Boalsburg and being performed by Rev. J. I. Stonceypher. Mr. and Mrs. Garbrick returned to Bellefonte last evening and have gone to house-keeping in the bridegroom's already furnished home in Bush Addition.

Y., and Miss Ruth Wyland, a daughter of Mr. and Mrs. Isaac Wyland, of Bellefonte, the ceremony being performed by Rev. George Herbrooke in St. Barnabas Episcopal church at Troy. The young couple will make their home in that city where the bridegroom is in the employ of the Cluett-Peabody company.

Howard borough and Howard township were well represented in Bellefonte on Monday when testimony was taken before the board of road and bridge viewers in the damage cases of Robert Cooke, Burdine Butler and Mr. Confer against the Pennsylvania railroad.
