THINGS ABOUT TOWN AND COUNTY.

The curb market is a thing of the past, so far as this season is concerned.

Apples are being shipped from Bellefonte by the car load, but it is almost impossible to buy a gallon of cider.

Bishop Eugene A. Garvey, of Altoona, will be in Bellefonte on Sunday and have charge of confirmation services of a large class in St. John's Catholic church.

The World's Series is now on but by the time the next issue of the WATCHMAN reaches its readers the baseball echo will have given way to the resounding thud of the football hero.

W. Fred Musser last week purchased a second hand Ford runabout for the use of his salesman in visiting the merchants of Centre county in the interest of the new wholesale grocery for which he is manager.

In his will the late Elias Heckman, of Orangeville, Ill., bequeathed Miss Della Heckman, of Bellefonte \$500 as a remembrance for the care and kindness bestowed upon him when he was ill in Bellefonte during the summer of 1912.

Mr. and Mrs. Harry Harper recently made sale of their household effects in this place and last week moved to Centre Hall to take possession of the old Harper homestead made vacant by the death of Mr. Harper's mother, Mrs. Simon Harper.

Mary Parrish, the only daughter of Dr. and Mrs. C. M. Parrish, has been seriously ill with what was thought to be pneumonia, but what has now developed into pneumonia. The child's vigorous constitution it is hoped, will insure her a rapid recovery.

Some person or persons on Saturday night stole five cushions from the porch of the C. C. Shuey residence on High street. The sneak thieves were evidently after something soft to sit on but if found out they are liable to get an iron cat in a stone cell.

Uriah P. Stover, of Axe Mann, and Miss Ida M. Shirk, of this place, will be married at the home of Mr. Stover's parents on Wednesday evening October 15th. After a wedding journey west the young couple will make their home in Pittsburgh where Mr. Stover is employed.

In attempting to light an alcohol stove in her room on Monday morning Miss Mollie Snyder set fire to her night dress. Her cries brought Mrs. Thomas Mayes to her assistance who smothered the flames with a blanket. As it was, however, Miss Snyder's arm was painfully burned.

The thirtieth annual reunion of the 110th regiment Pennsylvania volunteers will be held in Tyrone on Thursday of next week, October 16th. There will be three sessions during the day, one at ten o'clock in the morning, one at two in the afternoon and a camp fire in the evening at 7.30.

All donations for the rummage sale are to be sent directly to the room next door to Mrs. Aiken's store, where the sale will be held. Those who will be unable to send it there will please notify Mrs. Joseph Ceder that she may send the drayman, who will be employed to do the collecting.

The football season at State College was opened last Saturday in a game with Carnegie Tech. State winning by the score of 49 to 0. Miller was the star of the game, scoring three touchdowns in six minutes. The showing made by all the men on the State team was very gratifying to the coaches.

The police and state constabulary were called into action last Saturday evening over an alleged shooting scrape out by Mallory's blacksmith shop, but an investigation disclosed the fact that it was only a harmless prank of a few Academy students. But at that one or two young men were pretty badly frightened.

Miss Louise Brachbill entertained a number of her friends Thursday of last week, with cards. A dance for the younger set in Bellefonte was given in the town hall Tuesday night and at Mrs. William Jenkins' party, given at her home on Spring street Wednesday night, Miss Marie Gherry, a bride of next week, was the honor guest.

An organ recital will be given in the Catholic church on Wednesday evening, October 22nd, at eight o'clock, by Dr. Baldwin, claimed to be one of the world's greatest organists. The price of admission will be fifty cents and the proceeds will be devoted to the benefit of the church. The public is cordially invited to attend, as it will be a great musical treat.

The Epworth League members of the M. E. church will give a reception to the Methodist Academy boys and their friends from the student body, also to the newly received Epworth League members on Friday evening, October 10th, at 8:30 p. m., instead of Saturday evening as was previously announced. All members are invited. Please note the change in the date.

WITH THE BOROUGH DADS.—Seven members were present at the regular meeting of borough council on Monday evening, Brockerhoff and Walker being the absentees.

W. A. Ishler was present in the interest of the Lutheran congregation and asked permission to make a connection from their new parsonage to the sewer pipe on Linn street, and if any reduction would be made in the charge for the permit. Council granted permission and a free permit.

Joseph L. Runkle, who recently built a porch along his building on Pike alley, without getting permission to do so, appeared before council and asked that official permission be given him. Inasmuch as such permission had been granted to one or two others it was also granted Mr. Runkle.

Under the head of old business the Street committee reported that they had received two bids for putting in a concrete abutment for the glass works bridge, one from Rhoads & Kniesly for \$50,000 and M. R. Johnson \$48,000. The committee was empowered to go ahead and have the bridge repaired.

About two months ago, at the request of James R. Hughes, an ordinance was presented to council vacating the alley running from Bishop to Logan streets east of the old Academy grounds, in order to permit of a better grading; Mr. Hughes agreeing to construct a driveway connecting the two streets and keep the same in repair and well lighted. The ordinance was held up until a proper agreement could be prepared and on Monday night the agreement was presented and executed and the ordinance passed.

Mr. Sheffer made a motion that Morris & Sheffer be granted permission to erect three hitching posts in front of their store on Allegheny street and maintain the same provided they do not interfere with street traffic. The motion was put without discussion and carried.

The Fire and Police committee reported that delegates representing the Logan and Undine fire companies had met that evening and elected the following officers of the fire department: Chief, John McCulley; first assistant, Elmer Yerger; second assistant, Francis Miller. Council approved the selections and ordered the same entered of record.

Through Mr. Beezer Mrs. John Powers, of north Spring street, complained that several years ago the street commissioner tore up the stone gutter in front of her house and hauled the stone away, and that now the water is gradually undermining the pavement, and she wants the borough to replace the gutter. The matter was referred to the Street committee.

Complaint was made about several bad pavements and the Street committee was instructed to look after them.

KARNAIEN SENT TO PENITENTIARY.—At a brief session of court on Saturday morning Theodore Karnaiens, the Polandian who was convicted of holding up and robbing John Roush, of Madisonburg, on the highway in the Millheim Narrows, was sentenced to not less than two and a-half nor more than ten years in the western penitentiary.

In the case of John Hughes, who pleaded guilty to the charge of carrying concealed deadly weapons, sentence was suspended upon the payment of the costs.

In the case of Frank Finnegan, Ernest Shelle and Ernest Nelson, the three young men who pleaded guilty to the larceny of beer, sentence was also suspended upon the payment of the costs, which was done Saturday morning when the defendants were discharged.

Recognizances were forfeited in the cases of Raymond Jones, indicted for betrayal; H. M. Denning, embezzlement, and Edgar Sheffer, misdemeanor.

THREE WOMEN TOOK OUT HUNTERS' LICENSE.—Three Centre county women are enrolled among the army of hunters who took out a license to hunt this fall. They are Mrs. Harvey, of Orviston; Miss Daughenbach, of Howard, and Mrs. Gramley, of Spring Mills. The license will entitle them to go after any kind of game from a red squirrel (pinney) to a bear.

Up to noon on Wednesday county treasurer John D. Miller had issued just 1560 licenses to Centre county hunters. But there is no danger of him running short as his total supply is 2,500, so that 940 more hunters can get a license from treasurer Miller if they want one. Inasmuch as the season for small game opens next Wednesday it is likely that the big rush for licenses will be over by that time, save the very few who go out for deer only.

The picnic and county fair season is over and the only event to look forward to is Thanksgiving; but at the rate butter and eggs are going up there may not be much to be thankful for.

The State College High school football team came to Bellefonte last Saturday and played the Bellefonte High school team, the latter winning by the score of 3 to 0.

Everybody is invited to attend the good roads meeting to be held in the court house on Thursday evening, October 16th, at eight o'clock. Charles E. Foote, of New York, will be the principal speaker of the evening, but addresses will also be made by Hon. John Francis, Dr. E. E. Sparks and others. No one should miss this opportunity of listening to these eminent public men. Ladies are especially invited.

William H. Brouse, who has been with the Eyr-Schoemaker Construction company the past four years and lately been located at Bippus, Ind., has resigned his position there and accepted one with Sheesley & Janney, large railroad contractors of Paw Paw, West Virginia, to which place he went last week. The position carries with it a nice increase in salary and the job they are now working on will last two years or longer.

Last week the WATCHMAN stated that there was a probability that State and Harvard would sign an agreement for a football game on October 25th. The agreement, was consummated in New York on Friday and the managers of the Villa Nova team, which State had scheduled for that day, released the game, so that a State-Harvard game is now an assured fact. This will give State an unusually hard schedule for the season.

Four well defined cases of small-pox have been discovered at Mill Hall, two at Flemington and one at Salona. The disease is in a mild form, similar to the kind experienced in this vicinity last winter. All the cases are under strict quarantine, families and friends of the sick men have been vaccinated and the places where they worked thoroughly fumigated. In this way the authorities hope to prevent any further spread of the disease.

Last Friday morning Mrs. Matilda Bechdel, of Blanchard, left that place to go to Johnstown to attend the W. C. T. U convention. While going down the steps to cross under the railroad tracks at the Tyrone station she tripped and fell, striking her head on the hard concrete, sustaining a cut lip, contused nose and bad face bruises. She was given proper attention by the railroad physician and that afternoon was sent to her home in care of a railroad detective.

A general invitation is extended the public to attend the thirty-sixth annual reunion of the 7th Penn's Veteran Volunteer cavalry at Watsonstown, Pa., Tuesday and Wednesday, October 28th and 29th, 1913. Comrades who cannot attend can have a badge by sending 25 cents to the secretary, H. D. Loveland, Lamar, Pa.

"From the Manger to the Cross" is the subject of a motion picture story of the life of Christ which is exciting considerable interest wherever it is shown. It is a five reel feature and manager T. Clayton Brown has booked it for exhibition at the Scenic on Thursday evening, December 4th, the earliest possible date he could secure it. This is another instance of Mr. Brown's determination to give the people of Bellefonte what he believes they will appreciate. The Scenic is the place to see the big and newest features in moving pictures.

On Saturday night, September 27th, the dead and mangled body of Hans Reidel, a German, was found along the New York Central railroad tracks at Orviston. It was naturally supposed that he had been killed by the train and the remains were buried at Blanchard. Since then two Italians have mysteriously disappeared from that locality without any apparent reason and now there is a suspicion floating around in that community that Reidel had been murdered and his body placed on the railroad tracks to be mangled so as to cover up all traces of the murder. Whether an investigation of the case will be demanded of the county authorities has not yet been decided.

Mrs. William Laurie has been in such a critical condition during the past ten days that much alarm has been felt by her friends, concerning her recovery. Mrs. Uriah Gates, who was operated upon this week, is very seriously ill at her home at Warriorsmark. Mrs. S. A. Bell, Mrs. William T. Speer and Mrs. Snyder Tate, all of whom have been ill during the past week are slowly recovering. The illness that obliged Mrs. George F. Harris to abandon her motor trip to Downingtown, has developed into chicken-pox, an epidemic among the residents in the northern part of Bellefonte. Mrs. R. C. Weston, is under the care of a trained nurse, at her home on Linn street. Mrs. William Bottorf is quarantined for measles, her small son Jacob being ill. Theodore Kelly, the oldest son of Mr. and Mrs. David Kelly, who has been in ill health for several weeks has developed a case of poisoning, which it is feared will result in a long illness. Mrs. Hugh N. Crider's sickness dating from the time of her brother's death two weeks ago, has been pronounced shingles and Mrs. John Noll, among the sick in Bellefonte during the past week, is slowly recovering.

ARRESTED FOR HANDLING BEER ILLEGALLY.—On Wednesday evening of last week John Terrtag, an Italian employed at the Whiterock quarries, came to Bellefonte and informed the authorities that beer was being sold at the commissary attached to an Italian boarding house, making information against Ottilio Latini as the man who was handling the beer.

Thursday afternoon Messrs. Conrad and Burke of the state constabulary, armed with a warrant for Latini's arrest, went out to the Whiterock quarries and paid a visit to the commissary. They asked for two bottles of beer which Latini gave them. One of the men threw down fifteen cents in payment for the beer but Latini declined to take it. Detourre Sorge, another Italian, picked up the money and put it in a box. The officers then arrested Latini and brought him to Bellefonte and had him locked up in the Centre county jail. They also took into custody Sam Lindaman, Noe Sinnih, Charles Alexandria, Cosmo Dallun, Joe Manrie, Joseph Taso and Eprere Sorge, whom they brought to Bellefonte and put to jail as witnesses in the case.

Latini was given a hearing before "Squire Brown on Friday afternoon. The Commonwealth's interest was looked after by D. F. Fortney Esq., while the Italian had no lawyer. Terrtag, the Italian who made the information, swore that he bought beer at the commissary and paid for it in cash at the rate of two bottles for fifteen cents. Latini and the Italians held as witnesses stated that each man who had access to the commissary gave his order for the amount of beer he wanted. It was all kept at the commissary and each man was given a ticket, and when he got a bottle of beer the ticket was punched, and on pay days they settled for their tickets. Mr. Fortney characterized the transaction as illegal and wanted Latini held for court but finally agreed to a settlement of the case under the summary conviction act by the payment of a fine of one hundred dollars and costs, the costs being \$39.85. Latini secured the money and settled the case within an hour.

On Saturday deputy sheriff W. C. Rowe and W. G. Burke, of the state constabulary, went out to Whiterock and confiscated the beer in the commissary, eighteen cases, which they brought to Bellefonte and which is now in the hands of the sheriff awaiting a court order for its disposal.

CENTRE COUNTY GIRL IN TROUBLE.—Miss Gertrude Ream, aged twenty-two years, a domestic in the home of William Decker, at Montgomery, Locoming county, who twice set fire to the house to cover up robberies that she had committed from time to time, is said to be from Spring Mills, this county. On two different occasions during August fire was discovered in the Decker home just in time to prevent the flames from spreading. Detectives were put to work upon the case. Among articles discovered missing after the fires was a diamond from a brooch. The girl lately had a stone set in a ring and this was her undoing. She was taken to task by the detectives and finally broke down and confessed her guilt. The diamond was returned and the case against her will not be pressed, it is said.
