THINGS ABOUT TOWN AND COUNTY.

A good roads meeting will be held in the town hall at Millheim this (Friday) evening at 7.30.

Mrs. John Howley is quite seriously ill at the home of her daughter, Mrs. Harry Taylor, on Penn street.

After an idleness of several months the Armor Gap quarries of the American Lime and Stone company were put in operation this week.

R. B. Montgomery has been appointed constable of the South ward to fill the vacancy created by the resignation of William Beezer.

A baby boy was born to Mr. and Mrs. Clarence McCafferty, of Quaker hill, on Monday. It is their first child, though they have been married over six years.

The missionary society of the United Brethren church will give their annual "Woman's Day" entertainment Monday evening, October 26th, 1913. The public is invited to attend.

A sale consisting of bread, cake, pies, candy, etc., will be held by the Ladies Aid society of the Lutheran church on Saturday, October 25th, in the vacant store room next Aiken's store.

A public sale of the household goods will be held at the Laurie residence on Spring street near the Presbyterian church tomorrow, Saturday afternoon at 2 o'clock. Many useful articles will be offered.

John McCoy has sold his coal yard to Reynolds and William F. Shope who will conduct the same in the future, while Mr. McCoy will devote his entire time to attending to the various business interests of the McCoy estate.

The regular monthly meeting of the Woman's Club will be held next Monday evening, October 27th, at 7.30 o'clock, in the high school building. A very important question is to be presented so that a large attendance is desired.

Henry C. Quigley Esq., was up in the Scootac region last week for the opening of the hunting season with his brother, Richard S. Quigley and several friends of Lock Haven, and the entire party got over one hundred and twenty pheasants.

The Ladies Aid Society of the M. E. church of Pleasant Gap will hold a bazaar and supper in Noll's hall on the evening of Halloween, October 31st. There will be served a regular supper, including iced and ice cream. The public is invited.

Mr. F. Potts Green, the veteran druggist, was seventy-nine years old on Wednesday and though he tried to keep the fact from being generally known a few of his friends who knew the date of his anniversary called and extended congratulations.

Fingering trout are now being shipped from the Bellefonte fish hatchery to various parts of the State to restock the streams. A number of trout were recently placed in Spring creek, and a good many more will be placed in Centre county streams.

Twenty-four people left Bellefonte last Saturday evening for Lock Haven to join the cheap excursion to Washington, D. C. But they had a sorry time of it as it rained quite hard from the time they arrived in the national capital until they got back to Bellefonte at 3.10 o'clock Monday morning.

J. A. Conrad, a member of the state constabulary who has been located in Bellefonte since August 13th, has been transferred to Portage, Cambria county, and rode out of town between nine and ten o'clock yesterday morning on his trip to that place. Trooper Perks will take his place here.

At their rummage sale on Wednesday evening and Thursday of last week the Ladies Auxiliary of the Bellefonte hospital took in \$298.00, every cent of which is clear money. It will be added to the fund for equipping the new laundry. Mrs. Harriet Thomas Kurtz contributed two dollars to make up the \$300.

Sheep dogs went on the war path in Ferguson township, on Friday night of last week, killing a number of J. C. Homan's flock and crippling others. The dogs, one black the other white, are strange in that community and though they have been shot at several times they always managed to make good their escape.

Owing to there being no perceptible improvement in the condition of Mary Parrish, who has been ill for several weeks, with what was thought to be intestinal poisoning, she was taken to the Bellefonte hospital and operated Thursday morning. The child's very vigorous constitution, it is hoped, will aid in speedily restoring her to health.

Bellefonte hunters who have been going out after pheasants and squirrel will probably be interested to know that squirrel are reported quite plentiful on the Bald Eagle mountain in the vicinity of Hannah Furnace, and that there are also quite a number of pheasants there. On Thursday and Friday of last week one hunter secured twelve squirrels and four pheasants.

BOROUGH COUNCIL GRANTS NEW ELECTRIC COMPANY FRANCHISE.—The one important thing done at council meeting on Monday evening was the granting of a franchise to the Moshannon Electric company and the passing of a resolution accepting the company's proposition for a ten years' contract for lighting the streets. The company also entered into an agreement to purchase the Green mill property for the sum of \$15,000.

The Moshannon Electric company is composed of Clearfield capitalists and they were represented at council meeting by A. J. Musser and Mr. Thompson, of Clearfield, and A. A. Dale Esq., of Bellefonte. Prior to council convening the special power committee held a brief session. Under the head of old business the ordinance submitted by the Moshannon Electric company almost six months ago and which was amended in a few minor details, was read for the second time. Then an agreement of the company was read submitting a proposition for lighting the streets of Bellefonte for a period of ten years at the following rates:

All arc lights \$66 per year; four 400 kilowatt Mazda lamps \$63 per year; thirty-four 250 kilowatt lamps \$45; and one hundred and forty-two 100 kilowatt lamps \$22.50. They also agreed that during the life of the above contract they would furnish light for domestic and private use at 10 cents per kilowatt for the first 100 watts; 9 cents for the next 200; 8 cents for the next 300; 7 cents for the next 400, and 5 cents for all over 1,000 kilowatts, bills to be based on monthly settlements. The maximum rate for power will be 8 cents per kilowatt, with a sliding scale down to 1 1/2 cents, according to the amount used. On all bills of ten dollars and over five per cent discount will be allowed for prompt payment.

In consideration of the borough accepting this proposition they agreed to take the Green mill property at Milesburg for \$15,000, \$5,000 of which amount was to be paid in cash upon delivery of the deed, and the balance to be paid in five annual payments of \$2,000 each with interest at four per cent. The deferred payments to be in the shape of notes of the company payable in one, two, three, four and five years. Following the reading of the agreement Dr. Brockerhoff read a resolution in effect that the offer of the company be accepted, the agreement executed and the ordinance passed, and moved its adoption. The motion was seconded by Mr. Judge and was passed by a unanimous vote of the seven members present, namely: Brockerhoff, Cherry, Daggett, Judge, Seibert, Walker and the president, Mr. Keller. The absentees were Beezer and Sheffer. Mr. Brockerhoff then moved the adoption of the ordinance granting the new company a franchise and the same was seconded by Mr. Daggett. It was adopted by a unanimous vote of the seven members present. Attorney A. A. Dale extended thanks in behalf of the members of the new company.

When council convened Dr. J. L. Seibert asked if some way could not be provided to take care of the water that overflows Burrows' alley, alongside his new residence during times of heavy rains. The matter was referred to the Street committee for investigation and report.

Mr. Seibert, of the Water committee, reported that the total cost of a copper standpipe with base and valve would be about \$500. The matter was referred to the Fire and Police and Water committees for consideration and report.

A resolution was presented and passed in effect that Col. W. Fred Reynolds be officially notified that council would exercise the right of their option in releasing the Phoenix mill property for another term of years dating from February 1st, 1914.

Bills to the amount of \$2,011.40 were approved and council adjourned.

VANGORDER SENT TO PENITENTIARY.—Last week the WATCHMAN printed the particulars of the theft of fifty dollars in cash from David Harshberger, of Walker township, by W. E. VanGorder, of Howard township. The latter pled guilty before Judge Orvis on Wednesday but was remanded to jail for further inquiry into the case. He was taken before the court on Saturday morning when the judge told him that his record was such that there were few extenuating circumstances in his case and he was sentenced to the penitentiary for not less than nine months nor more than three years. VanGorder was somewhat taken aback when given a penitentiary sentence but once back in the jail regained his composure and appeared indifferent to the result of his action. He was taken to the penitentiary on Monday.

A COURT DECISION.—On Wednesday afternoon Judge Ellis L. Orvis handed down a decision in the equity case of the Anthracite Lumber company vs. J. Toner Lucas, of Moshannon, in which he gave judgment in favor of the defendant in the sum of \$4,252.63. In 1905 the plaintiff company purchased the timber right on a large tract of land in Snow Shoe township from the Lehigh Valley coal company and Mr. Lucas was engaged to cut, stock, saw and deliver the lumber at \$3.75 per thousand feet. The price was afterwards increased to \$9.75. There was a dispute about the amount due Mr. Lucas for his work and action was brought to recover the full amount of his claim. This was allowed with interest to date and a court order was made that the entire amount be paid within thirty days.

The Grand Opera company will appear at the Y. M. C. A. on Thursday night of next week as the opening number in the Y. M. C. A. star course.

George M. Graham, sporting editor, and cartoonist Hoban, of the Philadelphia North American, were at State College from Sunday until Wednesday morning gathering material for a write-up and caricature cartoon of the State football team which will appear in the North American on Sunday.

Sanford Wilson, of Bellefonte, is in the Centre county jail on the charge of stealing fifty dollars from Wesley Hendershot, while they were both employed in the woods. Hendershot gave Wilson the money to keep while he went hunting and when he returned both Wilson and the money were gone. Wilson admits the theft but claims he was drunk when he did it.

The Postoffice Department at Washington has sent out notices to all postmasters that they are expected to do all possible in the interest of the good roads movement that is attracting such great interest all over the country. This means that postmasters can become active advocates of all movements for the betterment and improvement of the public highways.

The State College football team passed through Bellefonte yesterday noon on its way to Cambridge, Mass., where it will play Harvard tomorrow afternoon. Notwithstanding the fact that State was defeated by Washington and Jefferson last Saturday coach Bill Hollenbach has confidence enough in his players to believe that they will give a good account of themselves in tomorrow's game.

The Dickinson Seminary eleven will be the Bellefonte Academy football team's opponents on Hughes field tomorrow (Saturday) afternoon. Game will be called promptly at three o'clock. While the Academy has not been successful in winning games this year they are able to make their opponents do some hustling so that their games are always interesting. Go out and see tomorrow's game and pay your twenty-five cents for the privilege. Football teams can't be run on wind or deadheads.

The Civic club of Boalsburg promise an evening of fun at their masquerade Halloween party in Boal hall. They expect some very notable people to be present. Enoch and Maria Pickleweight and family have promised to come and many other equally good characters will be there. The ladies will serve Halloween refreshments. The doors will be open at eight o'clock and the grand march and introduction of characters will take place at half past eight. Admission will be twenty-five and fifteen cents.

The Bellefonte High school football team was the only one that upheld the reputation of the county last Saturday. They defeated the Lock Haven High school team on Hughes field by the score of 13 to 0. The Bellefonte Academy was defeated by the Indiana Normal by the score of 12 to 0, and out at Washington, Pa., State College went down to defeat before the strong Washington and Jefferson team by the score of 17 to 0. This was the first time State was ever beaten by W. & J. and the first defeat suffered under Bill Hollenbach's coaching.

One thousand people wanted every evening during the week to look at the motion pictures at the Scenic. Twenty-five cents worth of instruction and amusement given every evening for five cents. The best way to make money is to save it, and if you save twenty cents an evening by attending the Scenic for one hour how much ought you to have at the end of the year? But be sure you don't spend during the balance of the evening the twenty cents you save in the hour you are at the Scenic. In any event the motion pictures at the Scenic are worth the price, and worth seeing.

The rain last Saturday interfered to a certain extent with the barbecue, basket picnic and good roads jollification held on the old Boal place at Boalsburg. The weather was so threatening for an out-of-doors gathering so the meeting was held in the Boal hall. A fair crowd was present, there was an abundance to eat and the roast lamb tasted just as good eaten inside as it would out in the grove. A number of speeches were made and each speaker explained why the constitutional amendment providing for a fifty million dollar bond issue in the interest of good roads should be supported. It was the general opinion that every farmer would be benefited thereby.

On Monday evening A. J. Tate and Leslie Harper, furniture dealers and undertakers of State College, took a load of furniture to Pine Grove Mills and when they were about ready to start on the return trip home their horses frightened and ran away. Both Tate and Harper were thrown under the horses' heels and dragged some distance until the wagon struck a hitching post and the team broke loose from the vehicle. Tate sustained a number of cuts and bruises but Harper was more fortunate, being only slightly injured. The team was caught after running half a mile. The horses were uninjured but the wagon was damaged some.

IN THE INTEREST OF GOOD ROADS.—Between one and two hundred people attended the good roads meeting held in the court house last Thursday evening and heard the arguments of Charles E. Foote, the good roads editor of the American Motorist; Dr. Edwin Erle Sparks and Hon. John Francies in favor of good roads and why everybody, and especially the farmers, should vote for the fifty million dollar bond issue constitutional amendment.

Mr. Foote was the principal speaker and after paying a tribute to Pennsylvania as the second greatest State in the Union, with boundless natural resources, he said that there were any number of other States that beat it in the matter of good roads. He called attention to the ninety thousand miles of road that had been built in New York State on an appropriation of fifty million dollars, and the citizens are so pleased with the change that it is probable they will vote for another fifty million loan. Up in Massachusetts farms that years ago were abandoned have been taken up and improved since good roads were built and are now held at prices ranging up to \$250 an acre.

The three speakers were strong in their advocacy of good roads and urged everybody to support the constitutional amendment providing for a bond issue of fifty million dollars as the first sure step toward the rebuilding of all the important state highways.

DUMPED INTO THE CREEK.—Tuesday evening about five o'clock two daughters of Adam Reish, of Pleasant Gap, were driving from this place to their home. They had just reached Ax Mann and were approaching the bridge that covers the stream running away from the "Boiling Spring." The girls were evidently thinking of something else than the docile, blind horse they were driving for without being frightened it went over the four foot embankment and landed on its side in the creek. Of course buggy, girls and all went along and as the buggy turned clear over it is a miracle that neither one of the occupants was hurt. They were wet to the skin, however, and were more frightened than hurt when George O'Bryan and Harry Kelley rescued them from the chilly water.

Though the buggy was lying on its side in the creek, when righted and dragged out nothing was found broken about it.

PENNSYLVANIA DAY AT STATE.—Big preparations are now under way for the celebration of the annual Pennsylvania Day at State College on Friday, November 7th, and invitations have been sent to prominent men all over the State to attend. The speaker for the day will be Miza Ali Kuli Kahn, the Persian Minister at Washington, who will be introduced by Governor John K. Tener. Other prominent guests expected are Lieutenant Governor Reynolds, Senator Penrose and State Senator W. E. Crow, while efforts are being made to secure a United States army officer to inspect the college cadets.

Saturday, November 1st, will be Philadelphia day when a large delegation from the Quaker city is expected to visit the college and inspect its various departments.

Harry Gehret met with a serious accident on Wednesday evening which will keep him housed up for six weeks. He was walking down through the backyard at his mother's home when he stumbled and fell off of a boardwalk that is not over six inches higher than the ground and sustained a compound fracture of his right leg about six inches above the ankle. It was not the distance he fell but the way he fell that broke his leg.
