Keeler, of Clearfield, murderer of Mr. Roessner, for a new trial, and sustained the finding of the lower court. It is hardly likely the case will be carried to the Supreme court, in which event it will be up to the Governor to set the date for the execution of the sentence.

Predictions are rife that there is going to be a general reduction in everything that goes to make the high cost of living, and if the prophesy will only come true it will be a welcome boon to everybody in the country; but up to this writing we have failed to see any material evidence of it.

—The Bellefonte High school football team journeyed to Jersey Shore last Saturday and defeated the Jersey Shore High by the close score of 7 to 6, getting revenge for their defeat on Hughes field a week previous. This (Friday) afternoon Bellefonte High will play Clearfield High on Hughes field and Bellefonte lovers of the sport should not fail to see the game, as it is sure to be an interesting and exciting contest.

—Congressman Richard Pearson Hobson, of Alabama, he of the Merrimac fame, has cancelled his engagement to deliver a lecture in Bellefonte on November 20th, as the second number on the Y. M. C. A. star course, owing to his being too busy waging his campaign for reelection to the United States Senate. In his stead Miss Margaret Stahl, a wonderful impersonator, will be here on Tuesday evening, November 25th.

—H. E. Prevost, of Altoona, last week entered into a contract with graduate manager Ray H. Smith to umpire all the baseball games played at State College next spring. Mr. Prevost, who is now connected with the Bell Telephone company of Pennsylvania, is a graduate of Syracuse University and an old baseball player. He at one time was a student at Bucknell and caught for the now famous pitcher, Christy Mathewson.

PENNSYLVANIA FARMER COMMITS SUICIDE BY SHOOTING HIMSELF.—About 8.30 o'clock on Monday morning Miller J. Goodhart, who lived on the old Ross farm about two miles west of Spring Mills, committed suicide by shooting himself through the head. Mr. Goodhart ate his breakfast as usual then took an old pistol and going out to the barn fired two or three shots evidently to make sure it would work all right, as the weapon was an old one with a nail holding one of the parts in place instead of the original screw, which was missing. He then went to the house and into an out-kitchen and almost immediately his family heard a shot. On entering the kitchen members of the family were horrified to find Mr. Goodhart prone on the floor, dead, and the bullet hole in his head told the story.

Financial difficulties and mental trouble are assigned as the cause of the suicide. Mr. Goodhart had recently erected a house, barn and necessary farm buildings on an eighty acre farm belonging to his wife. He still owed about \$2,300 on the buildings and worried over how to raise the money to pay the debt was one of the reasons for his rash deed.

Mr. Goodhart was a son of Samuel Goodhart and was born in Potter township about forty-eight years ago. He followed farming all his life. When a young man he was united in marriage to Miss Lettie Ross, a daughter of Mrs. Mary A. Ross, of Centre Hall, who survives with four children, namely: Herbert, who teaches school at Penn Hall, and who was on his way to Bellefonte to attend teachers' institute when recalled by a message telling of his father's tragic death; John, Sarah and Martha. He also leaves one sister, Mrs. Harvey Mark, of Potter township.

Funeral services were held at his late home at 9.30 o'clock on Thursday morning, conducted by Dr. W. H. Schuyler, after which private burial was made in the Centre Hall cemetery.

CHILD BADLY BURNED, DIES.—While playing in the back yard at the home of Mr. and Mrs. Elmer Bryan, on east Lamb street, last Friday afternoon, little Margaret Murphy's clothing caught fire from burning refuse and she was so badly burned that she died at the Bellefonte hospital shortly before four o'clock the next morning. Mrs. Bryan was housecleaning and had burned a lot of papers and refuse in the back yard. Margaret and several other children were playing about the yard. The fire had partially died out and Margaret tried to fan it into a flame with her dress. A spark caught her skirt and in a twinkling she was enveloped in flames. Her screams and those of the other children attracted Albert Schrad, who was working at the Burns Crider home, on Linn street, and he ran up and wrapped his coat around the child, smothering the flames. As it was, however, almost every stitch of clothing was burned from the little body and the tender flesh terribly seared.

Mrs. Murphy was down street at a neighbor's and was called home and a doctor summoned as soon as possible. By the child's own request, however, she was removed to the hospital, where everything possible was done but the burns were too deep and she died as above stated.

The unfortunate child was the second daughter of Mr. and Mrs. Thomas Murphy and was born in Bellefonte, being eight years old on the third of last July. In addition to her parents she is survived by two sisters and a brother, Katharine, Gertha and Barrett. Funeral services were held at the Murphy home at two o'clock on Monday afternoon by Rev. George E. Hawes, after which burial was made in the Union cemetery.

ANOTHER DEATH FROM SCARLET FEVER.—Edward Shutt, the five year old son of Mr. and Mrs. William Shutt, died on Monday night of scarlet fever, making the second death within a week, and a little daughter and baby Shutt are also sick with the disease. The funeral of Edward was held on Tuesday afternoon, burial being made in the Union cemetery. Mr. and Mrs. Shutt, who live on the eastern end of Burrows alley, are deserving of the sympathy and support of the people of Bellefonte. Two of their five children have died within a week, and with two more sick they are in a pitiable condition indeed.

During the past week a number of new cases of scarlet fever have developed, so that all told there are now eight cases in Bellefonte, as follows: May Crider, aged eight years, daughter of Mr. and Mrs. Burns Crider; Violet Clevenstine, aged eight years, daughter of Mr. and Mrs. Frank Clevenstine; Katharine Nolan, aged six years, daughter of Mr. and Mrs. Joseph Nolan; Pearl Shutt, aged nine years, and baby Shutt, aged two years, children of Mr. and Mrs. William Shutt; Mallory Kniely, aged five years, son of Mr. and Mrs. Jacob Kniely; Thomas McGovern, aged seven years, son of Mr. and Mrs. Bernard McGovern; Joseph Fatzinger (scarletina) at the James McCuskey home.

None of the above cases are considered in a dangerous condition, but owing to the treacherous nature of the disease no patient is safe until entirely well. How the disease originated in Bellefonte has not yet been determined, but every precaution is being taken to confine it to as narrow a limit as possible.

Last Friday morning while the Tyrone division work train was on a trip, east near Unionville, conductor John Woodring lost his balance and fell off while the train was running about twenty-five miles an hour. Fortunately he fell clear of the track and his injuries were confined to a broken nose and severe sprains of his neck and back. He was taken home on the first train to Tyrone and is now getting along all right.

Shortly before eleven o'clock on Saturday night there was a call for the state police to go to Martha where a drunken riot was in progress. Notwithstanding the rain two members of the constabulary made the trip in an automobile and when they got there they found that the facts had been greatly exaggerated. However, they arrested W. H. Ingram and brought him to Bellefonte and placed him in the Centre county jail. On Monday morning he paid his fine and costs and was released.

"From the Manger to the Cross" is the title of a five reel motion picture which the Scenic will show the first week in December. It is a realistic biblical picture which has won very favorable comment wherever shown, but don't wait for it to go to this popular moving picture show. Every evening in the week you can see something there that will amuse and entertain you. The school teachers of Centre county showed their approval and appreciation of the Scenic by their liberal attendance this week, so why shouldn't you? It costs but five cents an evening.

Several weeks ago the WATCHMAN published the fact that Miss Gertrude Ream, of Spring Mills, had confessed to starting one or two fires in the William Decker home at Montgomery, while she was a domestic in the family, in order to cover up robberies. Following her confession and restitution of the stolen articles Mr. Decker declined to prosecute. On Wednesday of last week, however, W. W. Wunder, assistant state fire marshal, made information charging the girl with having set fire to the Decker home last August and it is said the State fire authorities will push the case.

Walking down High street on Monday afternoon Daniel McLaughlin, employed in the Pennsylvania railroad station at Milesburg, slipped on the icy pavement between Petrikin hall and Dr. Dale's office and fell full length, striking the back of his head on the pavement with such force as to render him unconscious. Two men who saw him fall went to his assistance but they were unable to arouse him and they finally carried him into Dr. Dale's office. It was some time before the doctor returned and when he did he found that McLaughlin's fall had caused concussion of the brain and he was immediately taken to the Bellefonte hospital for treatment.

The Penn State quartette which gave the delightful concert in the court house on Wednesday evening as one of the entertainments at the teachers' institute, will sail from New York on December 17th for the Canal Zone, where they will remain two weeks as guests of the United States government, giving concerts in the various club houses along the canal. This quartette was part of the gleu club that made the trip to the Pacific ocean during the Easter vacation in the spring. The party will include director and Mrs. C. C. Robinson, of State College; S. J. Keister, Irwin; L. A. Austin, Erie; H. P. Vail, Erie, and A. J. Leyden, Springfield, Mass.

To-morrow afternoon at 3.00 o'clock the Bellefonte Academy will meet at the Penn State Freshman football game on Hughes field and there is hardly any doubt but that this will be the best game seen in Bellefonte this season. It will be remembered that last year there was a dispute over a decision and the Freshmen left the field, refusing to finish the game. This year they will play to a finish and as they held Mercersburg to a tie score last Saturday, it is evident they have a pretty strong team. The Academy eleven is improving right along and ought to be in condition to put up a hard battle to-morrow. Bellefonters are urged to go out and see this game and pay for the privilege.

The Bellefonte Academy—Kiski game at Tyrone Saturday came to an end in the beginning of the fourth period when the Academy objected to a decision of referee Frye, of Pittsburgh. Kiski had the ball. It was snapped to one of the half-backs for an end run but before he could get away one of the Academy players broke through and tackled him. The man went down and the wet ball slipped from his arm and rolled away. Casey Jones, of the Academy, grabbed the ball and ran eighty yards for a touchdown. The referee refused to allow the touchdown and ordered the ball back to where it had been first put in play. The Academy team objected and their contention that the touchdown was fairly made was supported by the umpire, Dr. Howell, and head linesman, Mr. Prevost, both of Altoona. The referee left the field and was followed later by the Kiski team, which of course ended the game. Up to the time of the dispute Kiski had scored a goal from the field and a touchdown, five points in all, so that if the Academy's touchdown were allowed it would make the score 6 to 5 in their favor.

WALLIS—CONLEY.—The marriage on Wednesday evening of Miss Nelle Meese Conley, only daughter of Mr. and Mrs. J. Will Conley, to William B. Wallis, son of Mr. and Mrs. John I. Wallis, of Crafton, was the social event of the season. St. John's Reformed church was crowded with invited guests to witness the ceremony which took place at six o'clock. The pastor, Dr. Ambrose M. Schmidt, read the service using the symbolic wedding ring.

The bride, who was given away by her father, wore a gown fashioned of white duchess satin, en traine, with trimmings of princess lace. The tulle veil and cap were finished with princess lace and orange blossoms. The bride's bouquet was white roses and valley lillies and the ornament worn was a platinum necklace with a diamond and emerald pendant, the gift of the groom. The bride was attended by Miss Jean Wallis, as maid of honor, who was gown in lavender crepe de chine, with a shadow lace tunic edged with fur. She wore a black picture hat and carried lavender chrysanthemums. Miss Caroline Poorman, of Tyrone; Miss Margaret Harbison, of Saltsburg; Miss Elizabeth Baker, of Lewisburg, and Miss Rebecca Jacobs, of Mifflintown, were bridesmaids. Two were gown in blue and two in pink charmeuse, with tunics of tulle and trimmings of rosebuds. They carried gold baskets filled with Killarney roses. Dale R. Mason, of Pittsburgh, was best man to the bridegroom and the ushers were Lowrie C. Barton, of Cincinnati; James B. Stephenson, of Crafton; Hugh M. Clark, of Pittsburgh; Roger M. Evans, of Davis, Va., and Neal M. Fleming, of Williamsport, all of whom were either classmates or belonged to the same college fraternity as Mr. Wallis.

Just prior to the processional Miss Jenkins, of Milton, sang "Because," and as the last vibrant notes of the beautiful love song floated through the profusely decorated auditorium of the church the strains of Lohengrin's wedding march were heard and the maids entered from the lobby. They proceeded singly through the middle aisle to the chancel, while the ushers went up the sides. At the altar they met and formed the circle into which came the bride with her father and the groom and his best man. Great banks of roses, chrysanthemums and foliage plants made a perfect background for the brilliant gowns. The setting might well be said to have been exquisite and the wedding, beautiful.

Mr. and Mrs. Conley and Mr. and Mrs. Wallis received with the bridal party, immediately following the ceremony, at the Conley home on Logan street, where palms, ferns, rhododendrons and chrysanthemums in profusion formed the floral decorations. To more comfortably take care of the large number of guests all the furniture on the first floor of the house had been moved out onto the porches which were enclosed and heated.

Mr. and Mrs. Wallis left on the 8:30 p. m. train for a wedding trip east and south, and after December first will be at home at Bellevue, Pittsburgh. The bride is one of Bellefonte's well known young ladies while her husband is a graduate of State College in the electrical engineering course, class of 1911, and now holds a splendid position with the J. S. and W. S. Kuhn Co., Pittsburgh. The wedding rehearsal was held on Tuesday evening immediately after a supper given by the bride for the bridesmaids and ushers, following a tea for the bridal party given by Miss Sara Hastings. Guests from a distance were Mr. and Mrs. John I. Wallis, parents of the bridegroom; Mrs. Elizabeth Wallis, grandmother of the bridegroom, and Mrs. R. B. Reed, of Crafton; The Misses Marjorie and Fretta Johnson, Miss Edith Craig and Mr. and Mrs. E. C. Poorman, of Tyrone; Miss Ruth Osborne, of DuBois, and Mr. and Mrs. B. C. Achenbach, of Lock Haven.

SMITH—ERTLEY.—Miss Nelle Ertley, a daughter of Mr. and Mrs. W. F. Ertley, of State College, was married shortly before noon Wednesday to Foster W. Smith, of Bethlehem. On account of the ill health of Mrs. Ertley the wedding was a very quiet affair, only intimate friends being present. The ceremony was performed by Rev. Samuel Martin, pastor of the Presbyterian church at State College. Miss Kathryn Foster, an intimate friend of the bride, played the wedding march. Following a luncheon which was served immediately after the ceremony Mr. and Mrs. Smith were driven to Bellefonte in an automobile and left on the 1.07 p. m. train on a wedding trip to eastern cities, at the expiration of which they will be at home in Bethlehem where Mr. Smith, who was until a year ago a member of the class of 1914 at State College, holds a responsible position with the Lehigh Valley railroad company.

SMITH—RAY.—Raymond Harold Smith, of Shoemakersville, and Miss Harriet Elizabeth Ray, daughter of Mr. and Mrs. Sylvester D. Ray, were married in New York city on Tuesday. Mr. Smith came to Bellefonte Sunday morning and on Monday morning he and Miss Ray left on the 6.30 train, going to Shoemakersville where they spent the night with Mr. Smith's parents. On Tuesday they went to New York and were quietly married. They are now on a wedding trip to Boston and other eastern cities and after December first will be at home at No. 29 north Eighth street, Allentown. Mr. Smith is a graduate of The Pennsylvania State College, class of 1910, and now holds the position of supervisor of the Lehigh Valley Transit company.

John Toner Harris, of Harrisburg, was in Bellefonte Saturday and Sunday to see his mother, Mrs. Henry P. Harris, of Howard street. Mr. Harris, by the way, has recently been given another promotion and is now virtually the superintendent of the Bell Telephone company of Pennsylvania for the entire State except the Pittsburgh and Allegheny district; a position that carries with it a nice increase in salary.

Meek, Miss Bertha Laurie will go Saturday, to be a guest of the Misses Nan and Mary Hoy, at their home north of town, and from there will go for a short visit with Mr. and Mrs. James H. Potter.
