—The regular monthly meeting of the Woman's club will be held on Monday evening at 7:30 o'clock in the High school building. The subject for discussion will be full of suggestions for the coming X-mas season.

—At the regular meeting of the Harmonic club Tuesday night, at Miss Margery McGinley's, the names of Miss Mary Mott and Miss Ethel Gettig were proposed and accepted. The resignation of Miss Harriett Ray and the acceptance of Miss Mott and Miss Gettig, gives this musical organization a membership of seven of the girls from Bellefonte's young set.

—Thursday of next week will be Thanksgiving day, and while a whole lot of us may not be able to get a turkey to grace the festive board that day, we still have much to be thankful for. There are many people in the world who may have a hard time getting any dinner at all, then if we lived down in Mexico we would stand a good chance of losing our heads as well.

—This has evidently been a bad year for theatrical companies on the road. Since the last attraction at Garman's opera house four dates have been cancelled and the companies withdrawn from the road. In fact there have been fewer good companies on the road this year than in former years, and only a few of them are making money, it is claimed. The next show booked for Garman's is almost three weeks distant.

HERBERT E. SCHAEFFER KILLED BY FELLOW HUNTER.—Mistaken for a deer Herbert E. Schaeffer, son of Mr. and Mrs. William Schaeffer, of Mifflinburg, and a nephew of L. A. Schaeffer, of Bellefonte, was shot by James Culp about 8:30 o'clock on Saturday morning and died within twenty minutes.

The hunting party which included Schaeffer, his father and brother Charles, his brother-in-law, Lewis R. Robb, of Altoona, Culp and a number of other men left Mifflinburg early Saturday morning and went to the mountains about seven miles distant to hunt for deer. The men spread out along the side of the mountain on crossings with Culp and Schaeffer making a drive. They had not gone a great distance when Culp discovered large deer tracks which appeared quite fresh. He called Schaeffer and the two of them examined the tracks very closely. Schaeffer walked away and Culp continued his examination of the tracks, in his excitement overlooking the fact that Schaeffer had gone away. Suddenly Culp heard the crackling of underbrush in the forest ahead of him and after a moment's hesitation to locate the direction pulled up his gun and fired.

Following the report there was a scream and Schaeffer staggered out of the bushes with the cry, "My God, Jim, you've shot me." The shot brought the rest of the party to the scene and a hasty examination disclosed the fact that the man's wounds were mortal. Culp used a high power gun and the ball went through Schaeffer's left wrist, punctured his cartridge belt and entered the abdomen, tearing the abdominal wall apart and piercing the bowels. Death was caused by internal hemorrhages. A wagon was secured to convey the young man's remains to his home near Mifflinburg and when his mother was informed of the accident she collapsed.

Culp, who fired the fatal shot, has been a member of the hunting party for four years and was always considered one of the most careful men in the crowd. He was completely overcome by the tragedy.

Herbert E. Schaeffer was about twenty-two years of age and was born on the old Schaeffer homestead near Nittany, this county. Some years ago his parents moved to Mifflinburg and since then that place has been his home. He was a young man who was held in high esteem and his death under such circumstances is a sad blow to his family and friends. He is survived by his parents, two sisters and one brother named: Mrs. Lewis R. Robb, of Altoona; Mrs. Eleanor Ruhl, and Charles, of Mifflinburg. The funeral was held on Wednesday.

ACADEMY DEFEATED FRESHMEN.—The annual football game between the Bellefonte Academy and State College Freshmen was played on Hughes field on Saturday and ended in a victory for the Academy by a score of 19 to 6. Notwithstanding the bad weather between two and three hundred Freshmen headed by the college band came down on a special train to cheer their comrades. A big crowd of Bellefonters was also out to see the game, and they all got the worth of their money. During the contest there was an individual fight between an Academy player and a Freshman which caused considerable commotion for a few minutes but it was soon quieted down and the game played to a finish. The only unfortunate circumstance was the injury of Jacob Stahl, an Academy student. He was butted so hard by a Freshman that the bone of his right leg was fractured just below the knee cap. He is now in the hospital receiving proper attention.

The Academy's game tomorrow, and the last game on Hughes field this season, will be with Wyoming Seminary. This is an unusually strong team and will naturally be the Academy's hardest game. Lovers of the sport will therefore be able to see a contest equal to many college games and there should be a good crowd in attendance. The admission is only a quarter and no one should bum their way in. Game will be called at 2:30 o'clock.

BIG P. R. R. DAIRY AND AGRICULTURAL EXHIBIT.—Hundreds of people of Bellefonte and vicinity inspected the Pennsylvania railroad's big dairy and agricultural exhibit during the two days it was in Bellefonte this week. The dairy exhibit is carried in one car and includes everything needed in an up-to-date dairy from the silo to the creamery, all in miniature, of course.

The agricultural exhibit fills another car and includes all kinds of grain, seed, vegetables, fruits, berries, etc., grown on the farm and in the garden. The exhibit was made up entirely of stuff grown on farms in eastern New York, eastern Pennsylvania, New Jersey and Delaware, and shows what can be done if farmers will apply the same business-like methods of making the most possible out of their land as the business man does in deriving the greatest returns upon his capital invested. The farm is the farmer's capital and it yields in returns according to the way it is worked.

—Miss Margaret Stahl, a great interpreter of plays, will appear in the opera house next Tuesday night, November 25th, as the second number in the Y. M. C. A. Star course. Miss Stahl is a remarkably beautiful woman and her interpretation of leading characters in well known dramas astonishes and delights her audiences. If you are not a holder of a course ticket get a single admission and don't fail to hear her.

BISHOP EUGENE A. GARVEY, of Altoona, was in Bellefonte on Sunday and officiated at the eight o'clock morning services in St. John's Catholic church. The same afternoon the Bishop and Fathers McArdle and Caprio held confirmation services in the Catholic church at Howard.

—The State College foot ball team suffered another defeat on Saturday at the hands of the Navy, the score being 10 to 0. State now has only one more game on her schedule, the Thanksgiving day game with the University of Pittsburgh at Pittsburgh and every effort will be put forth to get the team in shape for a victory, if possible.

—George W. Eaton, of Blanchard, has been appointed agent for the International Harvester company to fill the place made vacant by the recent death of Charles W. Cook. In his official capacity as justice of the peace at Blanchard Mr. Eaton has gained knowledge and experience that will be of excellent service to him as a salesman.

—The Pennsylvania railroad company is building a branch railroad a mile and a-half long from Meadowbrook road near Phillipsburg up Victor hollow which will develop about fifteen hundred acres of valuable coal lands. Four or five new mines will be opened up in that vicinity and the people of that section are looking forward to a boom in business as a natural consequence.

—The Bellefonte High school football team last Friday defeated the Clearfield High school eleven on Hughes field by the score of 6 to 0, thus adding another to their string of victories. The local team has lost but one game this season which is a pretty good record. To-morrow they will play Lock Haven High school in Lock Haven and the latter are keyed up to get revenge for a former defeat.

—Good pictures, good order, a comfortable and well ventilated room is what you get at the scenic. The pictures include some of the best on the market and they cannot be seen anywhere else in Bellefonte. If you are interested in motion pictures don't miss an evening's program at the scenic, because the best pictures may be on the nights you stay away. Arrange to see "From the Manger to the Cross" on December 4th.

—One day last week while Mrs. Mary Singer was walking along an alley in Beech Creek borough she was attacked by a cow owned by Edward Heverley. The animal butted her hard enough to knock her down then proceeded to trample her. One ankle was broken and the ligaments torn at the knee. While not of a fatal nature the injury is serious enough to keep the aged lady housed up for a month or six weeks.

—On Monday of this week the grocery firm of Morris and Sheffer dissolved partnership, Paul D. Sheffer retiring. The business in the future will be conducted by Robert F. Morris. The latter gentleman, since engaging in the business has proven himself worthy the utmost confidence of the public at large, consequently he merits a continuance of his share of the trade of this community. Mr. Sheffer has secured a position with the Pottes-Hoy Hardware company.

—Three new cases of scarlet fever have developed in Bellefonte since the last issue of the WATCHMAN and all those who have been sick are either convalescing or getting along encouragingly. With the precautions that there will not be any further spread of the disease. The new cases are at the Reformed parsonage, the John Martin home on Howard street, and Miss Wetzel, a nurse at the hospital, all of which have been quarantined.

—Among those who entertained in Bellefonte during the past week were Miss Alice Wilson, who entertained with cards, Friday and Saturday evenings of last week. The same evening Mrs. John L. Kurtz gave a finch party in her rooms at the Brockhoff house and Miss Adaline Olevine entertained with a five hundred party at her home on Spring street. Mrs. John Walsh, at whose party Tuesday evening cards were in play. Mrs. J. Coburn Roger's afternoon card party Wednesday, was given in compliment to her sister, who is spending the fall and early winter in Bellefonte. Mrs. Edwin F. Garman and Mrs. Charles Cruse entertained together at Mrs. Garman's home on High street, both Wednesday and Thursday evenings of the week, cards being in play each evening.

—Early in the summer Lee H. Walker went to the Island of San Domingo on an assignment that would last for a year or more. Two months ago an insurrection broke out upon the Island and Mr. Walker's friends in this place felt some alarm over his safety, but a close blockade had been thrown around the Island and it was impossible to get word there or from there. Wednesday morning, however, ex-sheriff W. Miles Walker received a wireless from his son saying that he was well. The message was dated on the "Algonquin," a U. S. gunboat, on October 28th, and relayed via Buxton, N. C., November 18th. Just why it took three weeks to get the message to its destination is unexplained. In the message Mr. Walker said that the blockade had been lifted, but he didn't state whether he was still on the Island or coming home on the Algonquin.

BOROUGH COUNCIL IN BRIEF SESSION.

Seven members were present at the regular meeting of borough council on Monday evening. Clement Dale Esq., representing W. Reynolds Shope, made complaint about the bad condition of a boardwalk on south Thomas street and borough engineer J. Henry Wetzel stated that the contract had been made for a new concrete pavement at that place which would be put down next week.

A communication was received from the county commissioners requesting a committee of council to confer with them relative to an amicable adjustment of the borough's share of the cost of High street bridge. President Keller appointed the Finance committee consisting of Messrs. Walker, Brockhoff and Daggett, and borough solicitor J. Thomas Mitchell as a committee to meet and make a settlement with the commissioners.

The Street committee reported a number of bad pavements around town and one or two new crossings badly needed. The clerk was instructed to give the customary notice to the property owners.

A statement was received from F. W. Crider showing the balance due on the mortgage he holds on the Green mill property, with interest to November 18th, costs of record and satisfaction to be \$1,110.69, and council authorized an order to be given him for that amount in order to clear the title to the property.

Mr. Walker presented the request of C. T. Gerberich that the Y. M. C. A. be exonerated of water taxes for 1913, as had been the custom in past years, and the same was done.

Borough solicitor J. Thomas Mitchell reported that all the papers for the transfer of the Green mill property to the Moshannon Electric company had been prepared and that they would be duly executed and the conveyance probably made on Tuesday.

A notice was received from the insurance inspector that No. 1 H. T. boiler at the water works was in the main in good condition but needed cleaning out, and the Water committee was instructed to have the same attended to.

Bills to the amount of \$1,709.22 were approved and council adjourned.

AFTER CIGARETTE SMOKERS.—Squire W. H. Musser, of the North ward, has started a crusade on cigarette smokers. On Saturday he caused the arrest of a young man caught in the act and it cost his friends just \$7.50 to keep him out of jail. On Wednesday evening he went after another young man whom he had seen smoking cigarettes and imposed a fine of five dollars and costs. The young man refused to settle and the Squire informed him that he would give him twenty-four hours in which to settle or go to jail. As the time was not up when the WATCHMAN went to press the outcome is not known.

ROAD AND BRIDGE VIEWS.—The board of road and bridge viewers will hold a meeting in the grand jury room at the court house on Monday, November 24th, to hear the application and testimony thereon of citizens of Snow Shoe township for a road from the old Cato road near Stubbs' school house to the Cato store house. D. Crosby, of Phillipsburg. The ceremony was performed by Rev. C. W. Todd. The bride was a teacher of history in the Phillipsburg High school last year.
