Names Goethals to Rule Canal Zone

Steps Will Soon Be Taken to Reor ganiez the Government of Canal

April 1 a permanent government for the Panama canal zone and naming Colonel George W. Goethals, chief en-

first civil governor. In some quarters this action is looked upon as putting an end to consideration by Colonel Goethals of accepting the police commissionership of New York city, a post pressed upon

him by Mayor Mitchel. Secretary of War Garrison made the announcement of Goethal's selection thing? Why do you keep quiet?" as he carried away the executive order from the White House. He said meekly, "it takes two to make a fight, Colonel Goethasl had not been inform- an' it ain't propah foh ladies to fight." ed officially, but that he would be as soon as his name was sent to the senate.

Garrison said the cabinet meeting was devoted largely to a discussion of the Panama canal government. He added that the question of tolls had not been discussed and that the executive order merely makes provision for the collection of such tolls as are

provided by law. The order puts into effect the Adamson act for the government of the zone. Steps will be taken within the next few days to prepare for the reorganization of the canal government under the provisions of the act.

While no announcement was made, it is expected that the entire plan chine a harder blow than did Judge Bonevolved by the secretary of war regarding the disposition of Colonel gantic scheme hatched by the Penrose Goethal's lieutenants in the building crowd to provide fat berths for gang of the canal will be carried out. A commission to have charge of the formal opening of the canal will be appointed, with Richard S. Metcalfe, at present civil commissioner of the zone, as its chairman, and with Colonels Hodges and Gorgas as its other members.

The president's order creates these departments in the canal zone government: Operation and maintenance; purchasing department: supply department; accounting department; health department, and an executive secretary.

While Mrs. Wilson's letter stated that she is the owner of the land, a deed introduced in the hearing vests the titled in the president himself.

Heir Guards Gold Three Weeks. After standing guard, gun in hand, over a treasure chest containing \$1800 in gold for three weeks, John Enders, twenty-five years old, of Dalmatia, near Herndon, Pa., was overpowered by William High, a constable, and
