The boy will be brought home within the week.

—The State-Centre Electric company has everything in readiness to begin changing the system here from a direct to an alternating current. To do this will take some time as the change will have to be made so as not to disturb light and power users, and to this end a certain district will be taken at a time. The first work will be on the lines that run on Water street and Thomas street, as feeders throughout the West ward.

—On Wednesday morning W. F. Gore, who has been in charge of the naval recruiting station in the Aiken block the past two weeks, received telegraphic orders to close the station as soon as possible and return to Baltimore. Only the immediate families and most intimate friends of Miss Blanchard and Dr. Beach, will be guests at the wedding, which will take place in June.

DAVID O. ETTERS RE-ELECTED COUNTY SUPERINTENDENT.—The school directors of Centre county met in convention in the court house on Tuesday morning and re-elected David O. Eters county superintendent of public schools for a term of four years. Superintendent Eters called the convention to order and read the two sections from the new school code providing for the election of county superintendents. He then read the list of school directors to see if he had it correct, after which he asked for nominations for a presiding officer. Rev. R. P. Miller, of Philipsburg, was chosen president. The convention further organized by electing Charles F. Cook, of Bellefonte, reading clerk, and W. H. Austin, of Liberty township, and Harry F. McManaway, of Millheim, tellers.

Announcement was made that the Rush township school directors had telephoned they were on their way in automobiles and would like the convention to await their arrival. As the exact time of their arrival was indefinite, Dr. Thomas I. Mairs, of State College, moved that the convention suspend business until eleven o'clock and give the delegation that much more time to reach Bellefonte. The motion, however, was voted down and the president announced that he would hear nominations for county superintendent.

M. S. McDowell, of State College, nominated David O. Eters and the nomination was seconded by Dr. F. A. Robinson. J. E. Harter, of Penn township, nominated Robert U. Wasson and his nomination was seconded by W. A. Guisewite. The nominations closed and a ballot was taken, resulting in 118 votes for Eters and 31 for Wasson. President Miller then announced the election of Mr. Eters and that gentleman was called upon for a speech, and addressed the convention briefly. No action was taken upon the superintendent's salary, the directors preferring to allow the salary to be as prescribed by law.

FARMERS NOW BIGGEST BUYERS OF AUTOMOBILES.—Joseph Royer, of near Zion; Dal Smeltzer, of Spring township, and William Bigler, of Pleasant Gap, this week purchased automobiles through the George A. Beezer agency. Though this is only the beginning of May Mr. Beezer has sold this season five new Chalmers cars, sixteen new Studebakers and seven second hand cars, and four-fifths of them were sold to farmers. Just how many cars other local agencies have sold to Centre county farmers is not known, but there is evidence that they now regard the car as they do any other piece of labor-saving farm machinery. And the farmer is the man who appreciates labor-saving machinery, when manual labor is so scarce and hard to get. Automobile dealers appreciate the farmer trade, because when they buy a machine there is no quibbling about payment, they simply draw their check for the full amount and that ends the matter.

And now that so many farmers are buying automobiles they are naturally interested in good roads, but owing to Auditor General Powell's bull-headedness practically all the sources of revenue for the building of state highways and even for the up-keep of those roads the State took over, has been held up and Centre county roads are already showing it.

CHANGES IN BELLEFONTE CEMETERY MANAGEMENT.—The board of managers of the Bellefonte Union cemetery, of which John P. Harris was president and Miss Olive Mitchell secretary and treasurer, held a meeting at the Bellefonte Trust company last Saturday afternoon. Those present were John P. Harris, William P. Humes, David F. Fortney, Charles F. Cook and Clement Dale.

Owing to the death of the late Gen. James A. Beaver, who had been a member of the board a number of years, and the resignation of John P. Harris, William P. Humes and David F. Fortney the following were elected as a board of managers for the future: Clement Dale Esq., president; Charles F. Cook, Thomas Beaver, J. Linn Harris, D. Paul Fortney, James C. Furst, Joseph L. Montgomery, Henry S. Linn, Dr. R. G. H. Hayes, Miss Mary Gray Meek and Mrs. Harry Keller. Miss Olive Mitchell was elected secretary and treasurer and George W. Port superintendent.

The report of the secretary was read and approved after which the board adjourned to meet on the first Monday in June.

TYRONE P. R. R. BAND CONCERT.—The Tyrone P. R. R. shop band will give their 260th concert in Garman's opera house on Saturday, May 16th, afternoon and evening. This band gave an open air concert in Bellefonte last summer and their standing as a musical organization is well known here, as it is throughout the State. When they appear in Bellefonte on the 16th Miss Dorothy Wilson will be with them as soprano soloist. This will be a musical treat that should be taken advantage of by all music-loving people of Bellefonte. The prices will be within the reach of all. Admission to the afternoon concert at 2.30 will be children 10 cents, adults 20 cents. The evening concert will be at 8.30 and the admission 15 and 25 cents for the balcony. A short concert will be given on the street before the entertainment in the opera house.

—Remember if you have not yet cleaned up your premises you should do so at once. Don't let an accumulation of old cans, boxes, broken glass, etc., lie around and become an eyesore for yourself, as well as everybody in your neighborhood. Others have cleaned up so why not you?

—John Statton, of Curtin, was arrested on Saturday by constable W. W. Pettigill, of Lock Haven, on the charge of being the father of the child of his thirteen year old niece. Statton is twenty-eight years of age and his crime being a statutory offense bail would not be accepted and he was taken to Lock Haven and locked up in the Clinton county jail.

—Truly the path of a candidate for public office is not strewn with roses. In addition to making a fight for votes he must answer the temperance advocates as to whether he is for or against Prohibition; the American Federation of Labor asks him for pledges on a dozen or more issues and the women are after him to know how he stands on Woman's Suffrage.

—Eighty new houses have already been started or are under contract for erection at State College during the coming summer. Most of these buildings will be of brick and furnished throughout with all modern conveniences. Several new buildings are also in course of erection by the College, so that the building boom up there is even bigger than it has been in any past year.

—One of the nicest catches of trout made in this section this year was that on Tuesday by William Brown, of Axe Mann. Fishing in Logan's branch above the black barn he caught a salmon trout which measured 22 inches and dressed 3 1/2 pounds. He also caught a brown trout 17 inches long and six others that measured 11 and 12 inches. And yet Bellefonte fishermen go down to Fishing creek for good trout fishing.

—Last Friday George Ray, the little son of Mr. and Mrs. H. S. Ray, went out with Capt. A. C. Mingle in his automobile. He fell asleep and coming down the Bishop street hill he fell off the seat and rolled out of the car before Mr. Mingle could catch him. Fortunately the car was not going fast and the child rolled out onto the running board and from that to the ground, and the only injuries he sustained were two bruises on the left cheek and forehead.

—The Altoona Gazette, an evening paper, was last week purchased by Henry W. Shoemaker, owner of the Altoona Tribune; John D. Meyer, cashier of the Second National bank of Altoona, and George C. The plant was taken over on Friday and while no change was made in the personnel of the staff some important changes in the make-up of the paper are promised in the near future. John D. Meyer, who is treasurer of the company, was formerly a resident of Bellefonte.

—The warm weather of the past week is a sure indication that summer is coming but notwithstanding the fact that it may be hot outside it is always pleasant in the Scenic. Manager T. Clayton Brown takes special pains in having the room as comfortable as possible at all times, and it is an enjoyment to go there and watch the motion pictures as they pass in review upon the screen. The moving picture has grown to be one of the greatest public entertainers and you can't help being satisfied with the kind shown at the Scenic.

—John W. Campbell, of Uniontown; Dr. Cummings, of Williamsport, and Mr. McGevry, of Pittsburgh, the committee representing the Knights of Columbus in the erection of a Catholic chapel at State College, were at the College over Sunday and approved after which the board adjourned to meet on the first Monday in June.

—N. B. Spangler Esq., purchased a new Ford car last week and on Sunday afternoon he and Mrs. Spangler took a trip over Nittany mountain to Pennsylvania, up to State College and back home. They made the trip without any mishap and Mr. Spangler drove his machine out to Keichline's garage. Another car was standing in the doorway and to avoid running into it he turned sharply to the left at the same time moving the lever to throw off the power, but he moved it the wrong way and threw on more speed with the result that the machine jammed the side of the doorway, smashing one lamp and bursting the left front tire. Fortunately Mr. Spangler was not hurt and after surveying the damaged car a few minutes he remarked, "It might have been worse."

MRS. WILCOX KNOCKED UNCONSCIOUS BY WOULD-BE THIEF.—Mrs. Wilcox, wife of Rev. Thomas S. Wilcox, of Williamsport, a former pastor of the Bellefonte M. E. church, was knocked unconscious on Monday evening while her husband was absent from the house, and the person who did the deed made his escape without leaving any trace as to his identity.

According to Mrs. Wilcox's statement she had gone down town early in the evening and had returned about eight o'clock. The house was dark and while passing through it she was struck a stinging blow on the head presumably by a black jack. She had been slightly injured by a falling window some time previous and by some trick of fortune the would-be robber struck on the exact spot of the former injury. She sank to the floor unconscious. When she recovered consciousness some time later, she at once summoned aid and as soon as possible an investigation was made.

The back door was found to be wide open and the screen door was also propped open, showing that the thief had evidently provided this means for a hurried exit. Outside the building the police found fresh tracks leading to nearly all the windows on the south side of the building.

A search of the house showed that nothing had been disturbed nor could it be found that any article had been removed.

MISSIONARY WOMEN HOLD INTERESTING MEETING.—The twenty-sixth annual meeting of the Woman's Foreign Missionary society of the Altoona district M. E. conference, was held in the Bellefonte Methodist church last Thursday afternoon and Friday morning. Mrs. H. A. Hutchison, of Altoona, presided and Miss Lillian Smith, of Bellefonte, made the address of welcome. The response was by Mrs. W. W. Andrews, of Philipsburg.

The following committees were appointed: Woman's Friend subscriptions, Miss Lillian Smith; Children's Friend, Mrs. J. Freas; resolutions, Mrs. Buck, Mrs. Andrews, Miss Curry; enrollment, Mrs. Louder. Mrs. John I. Olewine, of Bellefonte, read an interesting paper on the "Organization of Women's Missionary Societies," in which she showed how the movement was increasing right along, spreading to the colleges and other educational institutions.

On Thursday evening Miss Carrie Purdy, who spent eight years in Mexico in mission work, gave a splendid talk on "Mexico's Great Awakening." She stated that only eleven per cent. of the population can read and write, and because of the extreme illiteracy of the people at large they are not capable of self-government. The meeting adjourned after a brief session Friday morning.

GOOD WORDS FOR A FORMER BELLEFONTER.—The forty-sixth summer session at the Peabody Conservatory of Music, Baltimore, Md., will be held July 1st to August 12th. His instruction will be on the organ and the following complimentary notice of him appears in the Conservatory's prospectus:

Mr. Weaver is a holder of the Peabody diploma and had the distinction of winning the first organ scholarship, which was awarded to him by the Faculty after a competitive examination at which he displayed exceptional talent and peculiar aptitude for the instrument.

Mr. Weaver is organist of the First Presbyterian church and also of the Madison Avenue Synagogue of this city.

BADLY INJURED IN AUTOMOBILE ACCIDENT.—Harry Baum is in the Bellefonte hospital with a badly injured leg which he sustained in an automobile accident Thursday night. Harry was driving down the state road and when about two miles out of Bellefonte he stalled his engine. He got out of the car to crank it and unthinkingly left it in gear. The minute the motor started the car also started and jammed Harry up against the bank at the side of the road. Several bad holes were torn in the calf of his right leg and his right knee was also badly hurt. He finally managed to get out from in front of the car and to the side and stop it. He was brought home and his injuries attended to by a physician but on Sunday it was deemed best to take him to the hospital for treatment.
