The only expense to the borough would be making the water connection, sewer drainage and for the water. The matter was referred to the Special committee.

Mr. Nagney moved the election of Mr. Symmonds, but the motion was not seconded. Mr. Seibert then moved the election of Mr. Dunlap, Harris seconded the motion and Dunlap was elected.

The Finance committee recommended the tax rate for the coming year to be the same as last—6 mills for streets, 5 for interest and 3 for borough, and the recommendation was approved by council. The committee also asked for the renewal of a note for \$3,000 for six months from June 20th, and that a note for \$1,000 falling due on June 12th be increased to \$1,500 and renewed for one year.

COUNTING THE DAYS.—The big tent is on the way. The musicians, lecturers, entertainers, tent crews, superintendents will soon be in town, are you ready for them? Does the community know they are coming? Are the people on the tip-toe of expectancy? Are the tickets sold?

If the community is not ready, there is still time to make it ready. Just a strong pull and a pull all together. The contract which every guarantor signed, provides, in paragraph number 4, that he will co-operate in making a Chautauqua a complete success, especially by encouraging attendance upon all its sessions. Let this personal question be put to every guarantor: Have you co-operated? The program is exceptionally fine. Don't let your friends miss the opening day.

Remember the privilege of being a guarantor. You may say to your friends as your daily greeting: I wish you 7 Joyous Days; or Have you bought your season ticket? Remember our rallying cry "Chautauqua week; 7 Joyous Days."

PLANS FOR JUNIOR CHAUTAUQUA. While plans for the Grown-Ups' Chautauqua week are so excitedly buzzing, it is not amiss to call attention to the arrangements which are being made for the Junior Chautauqua which will be conducted at the same time as the other, July 7th to 13th. It will be exclusively for the youngsters who will have the time of their lives.

Junior Chautauqua will again be in charge of Miss Anna Oppenlander who was director last summer, and made it such a marked success. The plans she has out-lined are so attractive that they make the writer almost wish that he were to be one of the Junior Chautauqua youngsters.

THRESHERMEN MEET.—The Centre county branch of the Pennsylvania Threshermen and Farmers Protective association held a meeting in the grand jury room at the court house on Wednesday morning. Ira M. Hart, of Chambersburg, chairman of the State organization, was present and addressed the meeting. He was followed by A. C. Shaeffer, of Williamsport, who urged that all threshermen and operators of traction engines join the association for their own protection.

The following uniform rate for threshing was agreed upon: Wheat and rye, 3 cents per bushel; oats and barley, 2 1/2 cents. Baling hay and straw, \$1.25 per ton. It was further agreed that in a locality where it is impossible to do the work for the above price more could be charged, but never less. No operator of a threshing machine shall invade another man's territory.

—The fruit crop in Centre county, with the exception of peaches, will be one of the largest grown in years. Cherries are unusually abundant, the trees being laden almost to the breaking point. Apple trees are also heavily laden, and so are plums, pears, etc. Home grown strawberries are now in market and the crop is a good one, but rain is needed to bring the berry crop along in fine shape.

—Alfred Stewart, who resigned as man of all work for Mr. and Mrs. G. Murray Andrews a month or more ago and went to Newark, N. J., to accept a position, returned home on Monday. The work there was too hard for a man of his years and he decided to come back to Bellefonte and his old home.

—While engaged in shoeing a fractious horse on Tuesday, of last week, Jonathan Packer, of Yarnell, had his leg broken when the animal kicked him. Mr. Packer did not realize his injury was serious until Sunday, when he had a physician reduce the fracture.

—When you can get the best as cheap as you can get the cheapest, why don't you do it. Get the WATCHMAN and you are sure you have it.

DEER SLAYERS FINED.—Stewart Ellenberger, of Marengo; Grant Ellenberger, of Warriorsmark, and Jacob L. Barto, of Tyrone, but formerly of Marengo, were arrested last week by game wardens A. W. Wilson, of Altoona, and L. C. Ale, of Bellwood, on the charge of killing a deer out of season and at a hearing before justice of the peace John T. Patton, at Warriorsmark last Friday, they plead guilty and were fined \$100 each and costs. It is alleged that the men went to Scotia to spend July 4th, 1913, with a party of friends and while there went into the woods to give a shooting exhibition. The men claim that while doing so a three pronged buck came leaping through the woods and was accidentally shot. When the men discovered what had happened they were filled with regret, but the deer being dead, they dressed it and ate some of the meat. The incident only recently reached the ears of the game wardens and they started an investigation which resulted in the arrest of the men named above.

BOYS WARNED TO KEEP OFF NEW HUGHES FIELD.—Trespass notices have been put up warning boys and young men to keep off of new Hughes field this summer, and parents should see that their boys respect the notice. Next year, or when the field is covered with sod, he will have no objections to the boys playing there. But keep off the premises this year, or you are liable to get into trouble.
