ing who will be the lucky one. casions.

-The Chautauqua's feast of good be seen anywhere else in Bellefonte.

----Wednesday was St. Swithin's day, and according to the weather-wise old saws because it rained that day will give us rain every day for six weeks. It might also be added that on the same day we were passing through the zodiacal sign of the fish, and that may have had something to do with the rain.

Miss Curtin, who as a child lived in come. With the music of the Adriatic of Mr. and Mrs. A. L. McGinley, of Bellefonte, was the daughter of Mr. and band and Dr. Cadman's lecture it can Thomas street. She was engaged in Mrs. Andrew Curtin, and has frequently truly be said that the Chautauqua closed shooting firecrackers in the afternoon, visited here during recent years.

-Pete Weidel, of State College, asweek were lost sight of completely. sisted by Henry Keller, of this place, has been doing some tree doctoring on High street the past two weeks, principally in front of the Elks home, Mrs. W. P. Wilson and Dr. Dale's residence. Some of the trees were affected by dry rot in could have been disposed of, if they shut for several days and it was feared spots and this was thoroughly cleaned could have been had on Wednesday. Such being the case very little difficulty out and the hole filled with concrete.

is being experienced in securing guaran--During last Friday's hard thunder storm Hon. James Schofield was going through the alley from his shop to the postoffice. There was a terrific crash and a vivid flash of lightning just as he was opposite Wian's garage and Mr. Schofield was knocked to his knees. The shock gave him a severe pain in the head, though he suffered no external iniuries.

-Bellefonte is to have another circus, not the wild-western kind, but a real circus and menagerie. It will be the Frank A. Robbins aggregation, and following call: although it requires only twelve cars to convey it from one town to another, it is a very good one-ring show, with quite a collection of wild animals. The show will arrive in Bellefonte Sunday morning, August 2nd, and will exhibit the following day, Monday, August 3rd.
