ADDITIONAL LOCAL NEWS.

BIG MIDSUMMER FESTIVAL AND CARNIVAL OF FUN—ONE DAY ONLY.—The Frank A. Robbins all Feature Shows will hold forth at the ball grounds, in Bellefonte, on Monday, August 3rd. The show will come here fresh from its Eastern tour, and with a line of acts and a program of snappy surprises that will be hard to equal. For the last thirty-four years Mr. Robbins has been catering to the public, which in turn wants the best for its money. With the Robbins shows people are sure to get the best and a whole lot more, as Mr. Robbins has this season the neatest and the cleverest program of features that he has ever had yet. For the thriller, and it is all that the name implies, he has secured Hilary Long, the famous upside-down-man. Long has been, until a few weeks ago, the main outdoor attraction at Coney Island and at Young's pier, Atlantic City. While standing head first on a slender rope at the lofty heights of the big top, he deliberately slides twice daily to the arena below while standing on his head. This is positively the greatest feature attraction ever carried with a circus and is bound to startle and surprise the most skeptical. The All Feature Shows have a grand outlay of acts that are worth while. Countless wonders and a menagerie of dens of wild beasts, along with trained dumb brutes in performances that are astounding. Riders, ropers, aerialists, gymnasts, and in fact everything that makes a really good show are to be found with the Robbins Circus. Kenneth Waite and his company of clowns will deal out the laughs. There will be a big parade in the morning, also a concert at the grounds in the evening. The show will arrive over the Pennsylvania lines from Lock Haven and will pitch their tents on the ball grounds.

SOLDIER BOYS RETURN HOME.—Troop L, Bellefonte's National Guard cavalry organization, returned home from the annual encampment at Selinsgrove about 7.30 o'clock on Saturday evening. They were a dusty and tired looking bunch, most of them somewhat sore from the vigorous weeks work, but in the main none the worse for their first experience as cavalrymen. Though new and inexperienced they departed themselves well and from unofficial reports made a very creditable showing. Capt. Brown and his whole troop are to be congratulated on their work on the field.

While down at the Dr. Hiller camp on Fishing creek, last Saturday, Harry Ott, son of Mr. and Mrs. William Ott, of Bishop street, accidentally shot himself through the right leg above the knee with a revolver. Dr. Hiller dressed the wound and it is healing nicely.

STOVER.—Mrs. Maria Stover, wife of Isaac Stover, died at her home in Zion about eleven o'clock Sunday night, after a long illness with cancer. Her maiden name was Kauffman and she was born in Spring township on March 20th, 1848, making her age 66 years, 4 months and 6 days. About thirty-five years ago she was united in marriage to Isaac Stover and for almost a quarter of a century they lived on a farm in Spring township. A few years ago they retired to a cosy home in Zion where they have since lived. Mrs. Stover was a life-long member of the Lutheran church and a good christian woman. She was unusually kindhearted and unselfish and an excellent neighbor, so that her death is universally mourned by the community in which she lived.

Surviving her are her husband and two children, Cora S., at home and Joel B., on the old homestead. She also leaves three brothers, Benjamin and John, of Spring township, and Amos, of Zion. The funeral was held from her late home at ten o'clock yesterday morning, burial being made in the Zion cemetery.

KILLED BY KICK OF A HORSE.—Henry Felmele, an aged resident of Boggs township, was kicked on the head while out with his son Laird, who was mowing grass on the farm occupied by Mr. and Mrs. George Shuey, in the Curtin gap, last Friday morning, had his skull crushed and died while he was being brought to the Bellefonte hospital. Mr. Felmele went out with his son because of having to hitch a colt in the mower. The colt did not work well on the off side and they changed the team. Mr. Felmele was walking alongside the team when the son hit the colt to make it pull its share. The animal kicked and hit Mr. Felmele on the head, crushing his skull. A physician was summoned and realizing the seriousness of his condition he started to bring him to the hospital but he died on the way up.

Deceased was eighty-four years of age and spent most of his life in Boggs township. He was a laborer by occupation and a hard-working, industrious man. He was twice married. His first wife was Miss Eliza Cox, who died many years ago. Surviving him by this wife are the following children: Stewart Felmele, of Kane; Elmer, of Hyner; Harry, of Centre Hall; Mrs. James Bartley, of Jacksonville, and Miss Mary, of Bellefonte. His second wife was Miss Eliza Teirney, who is also dead. Of his children to her the following survive: Mrs. George Shuey, of Curtin's Gap; Irvin, of Bellefonte; Roland, of Orvis; Mrs. Jefferson Breneman, of Huntingdon; Constance, of Union Furnace; Mrs. Elmer Aikey, of Curtin, and Laird, at home. He also leaves two brothers, Howard Felmele, of Renovo, and Frank, of Lock Haven.

Funeral services were held in the M. E. church at Curtin at one o'clock on Sunday by Rev. Snyder, of Howard, after which burial was made in the Curtin cemetery.

MULLEN.—Mrs. Mary Hinkle Mullen, widow of Col. Amos Mullen, died at her sister's cottage at Mt. Gretna, on Wednesday night of peritonitis. Two weeks ago she fell down stairs sustaining injuries which at first were not considered serious but later developed into peritonitis causing her death.

Deceased was born in Columbia about sixty-one years ago. Her early life was spent in that city but about forty years ago she came to Bellefonte with her husband and lived here until after the death of Col. Mullen, when she returned to Columbia and made her home with her sister, Mrs. Wyke. She was a member of the Lutheran church all her life and had many warm friends in Bellefonte who sincerely mourn her death. While Mrs. Mullen never aspired to leadership in the various charitable undertakings of the women of the town she was always most diligent and helpful in the ranks. In the auxiliary of the Hospital, the G. A. R. her church and among the needy of the families of the men who were under her husband, when he was superintendent of the old Valentine furnace, her ministrations were constant and lovingly done and only those most intimately associated with her personally know of the sacrifices she so cheerfully made in the effort to be of service to others.

Surviving her are three sisters, namely: Mrs. Menges, of Menges Mills; Mrs. Wyke, of Columbia, and Mrs. Killian, of Lancaster. The funeral will be held tomorrow (Saturday) afternoon, burial to be made at Columbia.

SHAFER.—Mrs. Lovina Shaffer, widow of the late John Shaffer, died quite suddenly at her home at Zion at 6.45 o'clock last Friday evening. She had been afflicted with dropsy the past four years, most of which time she had been confined to the house but was no worse than usual until a short time before her death.

Deceased was a daughter of Jacob and Polly Sholl and was born in Clinton county on October 6th, 1845, at her death being 69 years, 9 months and 24 days old. She was united in marriage to Mr. Shaffer in 1865, and most of their married life was spent in Walker township. After the death of her husband Mrs. Shaffer moved to Zion where she lived until her death. She was a member of the Evangelical Lutheran church of Zion for fifty years and always lived a consistent christian life.

Surviving her are two daughters, Mrs. John L. Cole and Mrs. A. E. Garbrick, both of Zion. She also leaves three brothers, namely: George Sholl, of Houserville; Thomas, of Coburn, and James, of Farmers Mills. Funeral services were held in the Lutheran church at Zion at 9.30 o'clock Tuesday morning by her pastor, Rev. W. H. Schultz, followed by interment in the Zion Union cemetery.

HALDEMAN.—Donald Cameron Halde-man, a grandson of Simon Cameron, died in a private institution in Philadelphia on Monday, and on Tuesday the remains were taken to Harrisburg, his old home, for burial. Deceased was well known by many Bellefonte people. He was a graduate of Yale, a member of the Dauphin county bar and socially prominent. Five years ago he startled Harrisburg society by eloping and marrying a young girl who was a cloak model in a Harrisburg store.

The wheat is about all housed and this week the threshermen started on their rounds threshing out the golden grain. The yield is good and the grain of fine quality.

W. H. MACKER COMMITTED TO JAIL.—On Monday J. W. Snyder, a deputy United States marshal of Harrisburg, came to Bellefonte with a commitment from Hon. Charles B. Whitmer, of Sunbury, judge of the United States district court, and delivered to sheriff Arthur B. Lee W. H. Macker, a well known resident of Bellefonte, who was held in contempt for failing to obey the mandate of the court and make proper return of moneys due W. Fred Musser and other creditors in a voluntary bankruptcy case in which Mr. Macker was defendant.

The case dates back to the fall of 1912, when Mr. Macker, who conducted a green grocery in the room now occupied by H. R. Bell in the Crider building, and also bought and shipped farm produce and apples, became financially embarrassed and took out papers of voluntary bankruptcy. Within a few weeks prior to his going into bankruptcy he had shipped from Bellefonte and sold in Pittsburgh and Ohio markets three or four car loads of apples. At the hearing which followed the bankruptcy proceedings Macker failed to account for the proceeds of the apples as well as other money.

An investigation was made which disclosed the fact that he had received in the neighborhood of eleven hundred dollars which he had not declared or accounted for. He was given ample time to make an accounting and failing to do so the case was thrown into the United States district court. The case was heard before Judge Whitmer who issued a mandate requiring him to make restitution of the amount of money in question within a certain time or go to prison. Mr. Macker failed to make restitution or even a declaration, hence his being committed to jail on Monday. The commitment to Sheriff Lee states that he is to be held until discharged by due process of law.

While the hearing before the local referee in bankruptcy, H. C. Quigley Esq., disclosed a discrepancy of \$1105.00, Judge Whitmer reduced the amount to \$700 and in his opinion handed down in June gave him thirty days in which to make settlement, and it was his failure to do so that landed him in jail.

Clement Dale Esq., was recently retained by Mr. Macker and petitioned Judge Whitmer to have the proceedings opened but the judge declined to do so. Mr. Dale stated that Mr. Macker cannot raise the money required by the court and it is his expectation to make an application for his discharge at the end of three months' time under the insolvency laws of Pennsylvania. But as this is not a case that comes within the jurisdiction of the laws of Pennsylvania, but under the laws of the United States, the probabilities are that Mr. Macker will remain in prison until such time as Judge Whitmer sees fit to release him.

BELLEFONTE ARMORY REPAIRS NEARING COMPLETION.—The remodeling and repairs of the Bellefonte armory are fast nearing completion and when finally done the building will be so changed that the members of Troop L will hardly recognize it. The large arway which originally comprised the main entrance has been built up and makes one big room on the first floor which will be used as a property room. Next to this on either side is an entrance wide enough for two men to march abreast. On the left hand corner going in is the captain's room, equipped with toilet, etc. Back of it is the quartermaster's room. On the right hand corner are two reception rooms, one for ladies and the other for men, both equipped with toilets. On the second floor of the front part of the armory is a large room which will be fitted up as a music room and recreation hall. On each side is a smaller room which will be used for property purposes.

In the main room of the armory the stage has been removed and the entire space will be devoted to drilling purposes. In the basement will be installed a bath room, with tub and shower baths. A new slate roof has been put on the building and every repair necessary made to put it in first-class condition. Concrete steps and walks will be built from the Spring street pavement to the two entrances and the remainder of the ground in front will be leveled, terraced and sodded. When completed Troop L will have as good and comfortable an armory as any command in the State.

HURT IN AUTOMOBILE ACCIDENT.—Henry Davis, of Tyrone, formerly of Bellefonte, was badly hurt in an automobile accident last Friday afternoon, on the old Kepler farm in Ferguson township. Davis, who is agent for the Overland, sold Hon. J. W. Kepler a car and was showing him how to operate it. Kepler was at the wheel and in crossing an old road lost control of the steering wheel with the result that he ran the car into the fence. The machine struck a post and Davis was thrown over the fence into the field. No bones were broken but he was badly shaken up and it was at first feared hurt inwardly. He was taken to State College where he was given medical attention and on Saturday taken to Tyrone to the home of his parents, Mr. and Mrs. J. McC. Davis. He has since been improving.

Kepler was uninjured but one wheel of his car was wrecked and the fenders badly twisted. On Saturday, however, he had the car repaired and with a regular chauffeur at the wheel gave his friends a ride on Sunday.

—Have your Job Work done here

SOME PROSPECT OF ROAD IMPROVEMENT.—The ten days that have passed since it was decided that the automobile license fund should be turned over to the State Highway Department for maintenance and repair of roads, have demonstrated according to the Highway Department that the amount of work necessary to put the highways in good shape far exceeds expectations. The amount involved in the 1914 fund was approximately \$1,150,000 while \$250,000 remained from the unexpended portion of the 1913 funds. In view of the lateness of the season, the State Highway Department has decided not to begin resurfacing on State highways until the general condition of the roads has been improved, work on which is now going on in many parts. The amount of State-Aid maintenance money now remaining is about \$25,000.

In the district comprising Centre, Clearfield, and Clinton counties maintenance work aggregating \$10,384.69 has been authorized to date this year. In Clearfield county \$200 is being expended in maintenance work on the road extending from the borough line of Clearfield to the intersection of the road with Glen Richey. In Sandy township, Clearfield county, \$200 was expended in maintenance on the 12,300 feet of macadam road running from DuBois borough to Brady township line. In Decatur township, \$41.76 is needed for repairs on the 14,045 feet of macadam road commencing at Moshannon creek near Philipsburg and extending out the old Erie Pike to a point near Graham Station on the road to Blue Ball. The road running from Woodland Village at Pa. Railroad to Lawrence township through Bradford township, a distance of 21,352 feet of brick and telford macadam construction will need \$150 for repairs. In Lawrence township, the brick and macadam road connecting with Clearfield borough at Daisy street to the intersection of the road in Bradford township a distance of one and one-half miles will need \$50 for repairs.

The Clinton county, Lamar township, one and one-half miles of telford macadam road built in 1909 running from the borough line of Mill Hall following the line of the old turnpike near the village of Salona is taking \$917.14 to repair, a force of men and a team having been at work there for some time. The department has furnished no estimate of amount necessary to put the State highways in this, Centre county, in good condition nor of the amount they will have to expend for that purpose.

MUST OBSERVE TRAFFIC ORDINANCE.—On Sunday the Bellefonte police took the numbers of a dozen automobilists who either willfully, carelessly or unintentionally broke the new traffic ordinance and the same were on Monday handed over to Burgess Blanchard for the collection of the stipulated fines. The borough authorities have been exceedingly forbearing in the matter of enforcing the ordinance to the limit, but recently there has been a disposition on the part of motorists to regard it very much as a joke, so far as keeping to the right side of the street and running their machines with the cut-out wide open. This is true not only of strangers but among local motorists as well, as was evidenced by the fact that among the numbers taken on Sunday were those of two borough councilmen who helped to pass the ordinance.

The Burgess has given ample notice that the ordinance will be enforced and from this on there is no reason why it should not be. Strangers coming to Bellefonte should make it their business to find out what the traffic regulations are; failure to do so should not excuse them if they do not observe the ordinance. And local motorists, no matter who they are, should be held just as rigidly to an observance of the new law, as it is no more difficult to do right in this respect than it is to do wrong.

BRUCE WILSON WINS GOLD COIN FLOUR CONTEST.—Bruce Wilson, an inmate of the Pruner Home for Friendless children, won the Premio Juvenile auto for having turned in the most orders in the Gold Coin flour contest inaugurated by G. R. Danenhowe & Son. His total was 10,375 pounds, or almost 51 1/2 barrels. The seven highest contestants showed the following results:

Table with 2 columns: NAME and POUNDS. Bruce Wilson 10,375; Carl Stahr 8,300; Joseph Jodon 7,400; George Brown 625; Gilbert Noll 625; Paul Brandon 175; Edwin Miller 175.

Total 27,675. The judges in the contest were C. E. Robb, J. Will Conley and W. Harrison Walker, and they all certified to the correctness of the above count.

The above total of 27,675 pounds would mean 138 1/2 barrels or a little over two-thirds of a car load, so that the boys did remarkably well. The advertising of this contest was all done in the WATCHMAN and that, with the good quality of Gold Coin flour were other features that entered into the success of the contest.

While all the contestants could not win the auto both Carl Stahr and Joseph Jodon deserve great commendation for the good efforts they put forth.

—Mrs. Nathan McCloskey, of Rochester Mills, Indiana county, was in Bellefonte last Friday seeking the whereabouts of her husband, who disappeared from home on April 27th. The missing man is a son of D. W. McCloskey, of Howard.

CHRISTIAN SCIENCE SOCIETY. Service Sunday 10:45 a. m. Wednesday 8 p. m., 9 1/2 E. High street.

THE THIRD UNION VESPER SERVICE Will be held next Sunday evening at 7:00 o'clock, on the plaza in front of the High school building. The attendance last Sunday evening was much larger than at the first meeting. The air was delightful. The declining sun cast a glow of soft coloring. The twilight added a restful feature. The gospel message from the lips of the venerable "man of God," the Rev. Dr. Vocum, brought humanity's best friend to the door of each heart. The large audience sang with a will, "Onward, Christian Soldiers" and "Throw Out the Life-line." The two strokes of the church bell increased the solemnity of the occasion. The whole scene, with streets and buildings surrounding, was attractive and inspiring. "Weary after a week of the world," said to this service next Sunday evening and worship Him who has promised: "Peace I leave with you, my peace I give unto you; not as the World giveth, give I unto you. Let not your heart be troubled, neither let it be afraid."

"Come up higher, come up higher. From the lowland and the mire. From the mist of Earth—Desire. From the vain pursuit of self, From the attitude of Self: Come up higher, come up higher."

ROBBED EMPLOYER THEN SKIPPED.—On Memorial day a young man who gave his name as Hugh Boyles, and his home Pittsburgh, applied to farmer Frank Swabb, of Ferguson township, for work. Mr. Swabb employed the man and on Sunday evening while the family were at church he took \$18.00 in bills and change belonging to Miss Grace Swabb, arrayed himself in one of Mr. Swabb's suits and left for parts unknown. The last seen of him was about eight o'clock in the evening, when he was noticed walking along the White Hall road, headed for Pennsylvania Furnace.

The young man was a good worker, pleasant and affable, and was taken in as one of the family. When the family went to church on Sunday evening Boyles was left in charge of the house and hardly had they disappeared from sight when he pilfered the money and clothes and took his departure. Another sum of money in a bureau drawer was overlooked. Boyles is described as about 26 years old, 5 feet 5 inches tall, of slight build, weighing about 130 pounds. He has light sandy hair, wears glasses and wore a light gray suit.

—Last Saturday evening John E. Bowes, of Beech Creek, attempted to shoot a dog because of its killing chickens. He had a twelve-gauge shot gun and when he pulled the trigger the gun exploded. A hole was blown in the steel barrel close to the cartridge chamber and particles of the powder and shell were imbedded in Mr. Bowes' face. He also sustained quite a gash on his forehead. Fortunately when he pulled the trigger he closed his eyes and this act saved them from injury. His injuries are not considered serious.

—An automobile which attracted considerable attention in front of the Bush house, on Wednesday, was the "Simplex," 1914 model. It was a ninety-five horse power machine, and the owner averred that he had driven it at the rate of eighty-two miles an hour. The car was a four-cylinder one, of six passenger capacity. The cost, equipped as it is, was \$6,200. It was one of the finest cars ever seen in Bellefonte. The party who were in the car registered from Alexandria, Pa.

—Threatened with arrest on a criminal charge Vito Gentile, the Italian who conducted the shoe shining parlor in the Bush Arcade, sold his business to a fellow countryman on Saturday morning and walked down Nittany valley to Dunkle's station where he took passage on the Central Railroad of Pennsylvania for Mill Hall and thence by trolley to Lock Haven. At the latter place he purchased a new suit, fixed himself up so as to be hardly recognizable and left for parts unknown.

One Captured, Bloodhounds Trailing the Other as Victim Lies Dying. Rev. Lincoln R. Long, superintendent of schools at Margaretsville, N. Y., was shot and fatally wounded by two highwaymen, who held him up on a lonely road three miles from the town. No hope is held out for his recovery.

A posse started out in pursuit of the highwaymen, and one of them was captured in the Central hotel. Bloodhounds are now trailing the second man.

Pray For Rain In St. Louis. A majority of the Protestant congregations in St. Louis offered special prayers for rain and for relief from the intense heat. The movement originated at a meeting of the St. Louis Bible Training school.

Middles on Way Home. The American battleships Missouri and Illinois, with naval academy cadets aboard, sailed from Gravesend, Eng., for Hampton Roads, after a fortnight's stay.
