Court Upholds Board of Censors.

The lower courts have upheld the recent Act of the Legislature creating a board of censors for moving pictures and the board will continue its work in this State. The only way the board can become a real good to the public is to eliminate most of the silly, senseless, melodramatic stuff now being foisted upon the public as the work of leading artists, when they are not worthy even of mediocre talent.

The only thing certain about the European war is that it will make a radical change in the map of the world and vastly increase the number of Republics on the face of the earth.

The Cantaloupe exchange of Chicago has been indicted by a federal grand jury. It is to be hoped that the result will be a decrease in the price of this breakfast delicacy.

ADDITIONAL LOCAL NEWS.

Thursday morning of last week two motor cars from Osceola Mills, driven by S. W. McLaren and Mine Superintendent Isenberg, respectively, took a crowd of ten men to inspect the St. Paul's M. E. church at State College. While there they also visited the new Presbyterian church. Rev. H. H. Crotsley, pastor of the Osceola Methodist Episcopal church, was among the number. The officials of that congregation are raising a building fund and hope to break ground for a church in the spring. From State College they went to Tyrone, Bellwood and Altoona.

MILLER.—Mrs. Sarah Elizabeth Miller, wife of D. K. Miller, a well known merchant of Lock Haven, died at the Lock Haven hospital on Saturday morning, following an operation.

Deceased was a daughter of Mr. and Mrs. Jacob Yearick and was born at Penns Cave sixty-nine years ago on April 29th. Her girlhood life was spent on the farm but when seventeen years old she was married to D. K. Miller, who conducted a store at Madisonburg. Some years later they sold out there and opened a store at Jacksonville where they lived until 1889 when they moved to Lock Haven.

Early in life Mrs. Miller became a member of the Reformed church and was always a most active worker, taking a great interest in the Mite society and sewing circle. She was a lovable woman in every way and in addition to her neighbors in Lock Haven had many friends throughout Nittany and Pennsvalleys who deeply regret her death.

She is survived by her husband and the following children: William W., Claude S., Oliver D. Miller, Mrs. Ira Shoenfelt, Mrs. T. W. Bittner and Mrs. Charles Gallagher, of Lock Haven; Ammon A. Miller, of Orviston, and Mrs. George T. Hoy, of Hublersburg. Three brothers, Frank A. Yearick, of Akron, Ohio; Harvey S. Yearick, of Pitcair, and Isaiah M. Yearick, of Gettino, Pa., and three sisters, Mrs. A. Z. Fenton, of North Braddock; Mrs. Adaline Gingerich, of Grand Island, Nebraska, and Mrs. Charles Bitner, of Pitcair, also survive.

Funeral services were held at her late home in Lock Haven, on Tuesday afternoon, by her pastor, Rev. William E. Harr, after which interment was made in the Dunntown cemetery.

SPIGELMYER.—Shem Spigelmyer, father of our townsman, G. R. Spigelmyer, and one of the oldest traveling salesmen in Pennsylvania, died at his home in Milliflinburg, on Sunday evening, after a comparatively brief illness.

Deceased was a son of Daniel and Hannah Spigelmyer and was born at Hartleton, Union county, on November 27th, 1821, making his age 92 years, 8 months and 12 days. When twenty-two years of age he entered the mercantile business at Hartleton which he followed until 1876 when he sold out and went on the road as a traveling salesman. He followed this occupation for thirty-eight years, or up until quite recently, and has for years been the dean of traveling men in Pennsylvania. He was always courteous and affable and a gentleman whom it was a pleasure to meet and do business with. When he went on the road he located in Milliflinburg and that had been his home ever since. MRS. BURDINE BUTLER AND TWO SONS ARRESTED.—Chief of Police Harry Dukeman went to Howard on Saturday afternoon and arrested Mrs. Burdine Butler and her two sons, Hugh and Thomas, on warrants sworn out by officials of the Pennsylvania railroad company charging them with malicious mischief and trespassing. There were two warrants, one for the arrest of Mrs. Butler and son Hugh and the other for the arrest of Hugh and Thomas Butler. The three were brought to Bellefonte and gave bail for their appearance at court.

When the railroad company took a small part of Mr. Butler's farm two years ago under the right of eminent domain, for which they afterwards paid him in the neighborhood of \$10,000, they got possession of a small strip of land not needed for railroad purposes. This they enclosed with wire fencing, against the protest of Mr. Butler, who stated that they were fencing up his watering place. In order to avoid driving their stock a quarter of a mile to water Mrs. Butler and the boys cut down the fence, and when rebuilt cut it down again, hence their arrest.

KILLED IN AUTO ACCIDENT.—Albert S. Brown, of the firm of Brown, Baird & Co., coal operators at Osceola Mills, was killed and three young ladies seriously injured on Wednesday afternoon when the automobile in which they were riding crashed into a moving train at Bigler, on the New York Central railroad. The young ladies are Misses Dorothy and Caroline Brown, daughters of the dead man, and Miss Mary Keegy, a friend of the young ladies from Hagerstown, Md. Miss Keegy's condition is serious but the Brown sisters will recover. The party were on their way to Clearfield and Mr. Brown was at the wheel of his own car. The crossing where the accident occurred is at the foot of a steep hill and a moving train cannot be seen until close to the track, so that Mr. Brown was unable to stop his car. He was killed instantly.

FARMER'S INSTITUTES.—The dates for these popular and most instructive meetings for the coming season have been fixed by the Department at Harrisburg as follows: Centre Hall, Monday and Tuesday, December 14th and 15th; Unionville, Wednesday and Thursday, December 16th and 17th; Philipsburg, Friday and Saturday, December 18th and 19th.

Swartz, a member of the state constabulary, on the charge of attempting to blow up property at J. E. Horn & Co's mining operations on Wednesday of last week. A dynamite trap was found and suspicion pointed to Smith as the man who laid the plant.

Clyde Peters, of Milesburg, was arrested in Tyrone Saturday night and on Sunday brought here and locked in jail, charged with a rather serious crime.

Mrs. J. Coburn Rogers gave a motor party to State College yesterday afternoon in honor of her sister and cousin who are her house guests.

The bridegroom is a son of Mr. and Mrs. M. C. Levi, of this place, but has been located in Lock Haven for some months past.

It was a very quiet affair, only the necessary witnesses being present to witness the ceremony which was performed by Rev. Lambertson. Mr. and Mrs. Rees will make their home in Kane, where the former is employed by the Pennsylvania railroad company.

Four German Airmen Killed. A dispatch received by the London Standard from St. Petersburg says that a small German dirigible airship of the Parseval type was riddled with shots and brought to the ground near Czenstochowa, Russian Poland. Its occupants, four German officers, were killed. They were scouting over Russian Poland.

A MASTERPIECE OF ELOQUENCE.—Commenting upon the features of Methodist day at Lakemont Park, Altoona, the Altoona Tribune of Saturday says: The sermon by Rev. E. H. Yocum, of Bellefonte, was a masterpiece of eloquence. It was one of those discourses that baffles a reporter's pencil, abounding in illustrations that drove home the truth with telling effect. The text was "All are yours and ye are Christ's and Christ is God's." 1 Cor. iii 22-23. St. Paul in this text was emphasizing the richness of the Christian heritage. The different churches now, as the variations in allegiance of that day to Paul, Apollus or Cephas, are but the sluices through which the teaching of the truth is to run. "All are yours—the world, life and even life and even death—belong to the Christian who belongs to Christ. The great father-heart and mother-heart of God enfolds the believer and enrich his life.

PINE GROVE MENTION. There is still some oats to harvest. John H. Markle, of Bellwood, is visiting friends in the valley. Boyd and John Potter, with their wives, were Sunday visitors in town. Dr. George Kaup spent the early part of the week on a trip to Altoona. Farmers generally are well along with their plowing and ready to seed. J. A. Decker, with a gang of men, is trimming up sections of the state road. O. F. Shaw has moved his saddle shop to 225 E. Allen street, to his new building. George Burns, of Bald Eagle, was a Tadpole visitor Friday, with Lloyd Barto and wife. Miss Lucy Tanyer, of Pittsburgh, is visiting her parents, Mr. and Mrs. J. D. Tanyer, on east Main street. Hon. J. W. Kepler and A. G. Archey and wife enjoyed a spin in the former's new car, to State College.

Mr. and Mrs. D. C. Krebs, of State College, spent Saturday evening at the old home tree, at White Hall. Charles Goss, a train man on the Pennsy, spent several days last week greeting old friends in this section. Miss Margaret Musser, who has been a patient at the Bellefonte hospital the past month, is home again, quite well. Alfred Musser, of Clearfield, visited his mother on Main street, last week, and gave a glad hand to many of his old chums. Mrs. Martin Foster and three children have been visiting at the home of her father, J. A. Decker, on Main street, the past week. Mrs. Charles Fenstamacher and little daughter, of New York, are spending the hot weather at her parental home, that of A. J. Lytle. William Swabb, who underwent an operation at the Bellefonte hospital two weeks ago, is back home greeting his friends and feeling fine.

A. P. Welland and son, of Alexandria, visited friends in the valley last week, before starting on an extended journey toward the setting sun. Miss Etta Keller, who holds a responsible position in the city of Brothly Love, is spending a week among friends of her youth, in and out of town. The ladies Mite society will hold a festival in the I. O. O. F. hall Saturday, August 22nd, afternoon and evening. Everybody is cordially invited. A congregational meeting will be held in the lecture room of the Presbyterian church Monday, at 7.30 p. m. Business of importance demands a full house. Last week George T. Miller and daughter Mary turned the key on the old and well known home just west of town, to make their future home in Tyrone, and the old home is on the market. Dr. Grover Cleveland Glenn is receiving congratulations over the arrival of a little daughter at their home. As it is No. 1, the young parents are correspondingly happy. Both mother and babe are doing well. Saturday evening the Fred Gearhart home on Chestnut street was thronged with the younger set who gathered to aid Miss Mary celebrate her sixteenth birthday. It was to have been a surprise but late in the afternoon one of her friends mentioned it, so that Miss Mary bade them all a hearty welcome. A sumptuous supper was served and many nice presents brought. Everybody had a joyous time. Last Friday evening the Ira Benner home was filled with friends who had assembled to aid in properly celebrating Mrs. Benner's birthday. The good lady had been deceived away from home and on her return at twilight was very pleasantly surprised. Many useful presents were brought and refreshments for all who had the good fortune to be present. At a late hour the guests took their leave, wishing her many returns of her natal day. Last Saturday evening the newly elected officers of Tussey Council, No. 525 O. of I. A., were duly installed by Past Councillor, W. H. Glenn, as follows: Councillor, G. R. Dunlap; vice-councillor, A. Decker. The Lodge is in a flourishing condition, adding to its membership and has \$1,800 solid cash to its credit.

SPRING MILLS. All Europe seems to be at war. Who will be the next Napoleon? J. C. Lee, our able station agent, goes on his two weeks vacation on Monday. The civil service examination having been reported, of course all the applicants expect to be post-master. The Grange picnic comes next. An unusual number of our folks will occupy tents, and play housekeeping in that style for a week. Sunday last was decidedly a scorching day. To keep cool was out of the question. The heat was excessive throughout the entire valley. Mrs. C. C. Cummings, Mrs. VanDement and her two daughters, with Miss Helen Bartholomew, as chauffeur, made an auto trip to Mill Hill last week, and on Wednesday a trip to Sunbury. Allison Bros. are painting the residence they have just erected opposite the mill, and the ground being considerably elevated above the road the building presents a very attractive appearance. The army worm has not made its appearance in this immediate neighborhood, and we don't want it. Potato bugs have not been very troublesome, just about sufficient to keep the chickens and geese busy. Samuel Wise has built a concrete wall along the road in front of his residence. The road at this point is somewhat elevated. Also wide steps are being built to the level leading to the porch. It is a decided improvement. A chicken thief, one night last week, stole from 35 to 40 chickens from W. O. Gramley. Of course the neighbors are on the alert as to the thief's next visit to that locality. No doubt he will receive the contents of a revolver.

CHRISTIAN SCIENCE SOCIETY. Service Sunday 10:45 a. m. Wednesday 8 p. m., 9 1/2 E. High street.

The "Battle of Armageddon" is Dr. Hawes' subject for Sunday morning. So much is being said about the present European war in connection with prophetic scriptures that it is a timely subject for discussion. The sermon should be heard by as many people as possible. The public is welcome.

THE FIFTH UNION VESPER SERVICE Will be held in front of the High school building next Sunday evening at 6:45, instead of 7 o'clock. Notice the change in the time of the opening. As the days are becoming shorter these services will begin one quarter of an hour earlier. Make a special effort to be present on time. On last Sunday evening the Rev. Fulcomer, of the United Evangelical church, had charge and delivered the sermon. His expression of the significance of the mountains was very instructive. His pointed reference to the Saviour's use of these as appropriate places for secret prayer was suggestive. His appeal for all christians to spend much time alone with God was effective. "More things are wrought by prayer than this world dreams of." Pray for the message and the messenger and attendants at the meeting next Sunday evening at six forty-five o'clock.

Parcel Post Service to Continent Discontinued. All parcel post service between the United States, France and Germany was ordered suspended on Monday by the postoffice authorities at Washington. This action was taken because the war has made it impossible to deliver parcels to the two foreign countries mentioned. The "2-cent postage" to Germany has also been discontinued. This means that the rate of 2 cents an ounce no longer prevails. A rate of 2 cents is made possible by sending the mail direct to German ports on German steamships. As none of the German merchant ships now dare take to the high seas, the rate has been suspended. Five-cent rate letters have not been discontinued. Mail for Liverpool or other English ports is being received. The postoffice authorities accept this mail in the regular course of events, making no guarantee that it can be delivered, as it is recognized that any of the steamships upon which it would be forwarded, with the exception of those of American registry, may be withdrawn from service at any time.
