FOREST FIRES ON THE ALLEGHENIES.—In a letter received from our good friend, John E. Fryberger, of Philipsburg, on Tuesday, he comments upon the dry weather by saying: "I guess we are as dry as you. The forest fires are advancing rapidly, burning everything in all directions. While there is no danger as far as Philipsburg is concerned the fire is cleaning out all the game. The flames now extend from Sandy Ridge past Philipsburg to the Six Mile run, and from the Black Moshannon to Bilgers. Many men are engaged in fighting the fire but it is hard to get under control."

ALEXANDER.—The venerable James Alexander, of Centre Hall, was found dead in the corn field on the Alexander homestead near Earlstown between twelve and one o'clock last Friday. The farm is occupied by deceased's son, Abner Alexander, and his son-in-law, J. Elmer Royer, and although Mr. Alexander lived in Centre Hall he walked the mile out to the farm most every day and of late had been helping cut corn. When noon time came on Friday he told his son that he would not go to the house for dinner, as it was quite a distance, and that he could bring his dinner out to him. It was then about 11:30 o'clock and at 12:15 Abner returned. His father was not in sight but on going to where he had been working he found him lying on his back, dead; the corn chopper clasped in his hand. From all appearances he had been dead only a few minutes as he had cut quite a bit of corn from the time his son went to dinner until he dropped dead, evidently from heart failure. Mrs. Alexander and her daughter, Mrs. Royer, were in Bellefonte at the time and did not learn of their bereavement until their return home on the train.

Deceased was a son of Francis and Letitia McElroy Alexander and was born on what is now known as the Mrs. Crust farm east of Centre Hall on March 14th, 1837, hence at his death was 77 years, 6 months and 18 days old. When he grew to manhood he took over the old homestead that had been occupied by his parents a number of years and followed farming all his life until eighteen years ago, when he retired to a comfortable home in Centre Hall and established his children on the farm. Mr. Alexander's antecedents for several generations had been residents of Pennsylvania and the family was one of the best known on the South side. Mr. Alexander lived close to the family tradition, and though of a quiet and retiring disposition he was the soul of integrity and honor. He was a life long member of the Lutheran church and he was just as sincere in his religion as he was earnest and progressive in his farm work. He not only preached christianity on Sunday but practised it during the week and in all his dealings. Such a man could not help but be a lasting good to his fellowmen and the community in which he lived.

On March 11th, 1869, he was united in marriage to Miss Eliza Emerick, who survives with two children, William Abner Alexander and Mrs. J. Elmer Royer, both living on the farm at Earlstown. One son, Frank, died when seventeen years old. He also leaves two sisters, Mrs. Mary A. Ross, of Centre Hall, and Mrs. W. A. Murray, of Boalsburg. Funeral services were held in the Lutheran church at Centre Hall at ten o'clock on Tuesday morning by Rev. J. M. Reaick, of Williamsburg, a former pastor of the deceased. Burial was made in the Centre Hall cemetery.

During the past few months their condition was such that they were under the constant care of their daughter, Mrs. Belle Cramer and other near relatives. Mrs. Markle died at 2:30 o'clock last Friday morning and Mr. Markle at 2:15 o'clock in the afternoon.

Mr. Markle was born on Cedar creek near where he died on September 2nd, 1841, hence was 73 years and 1 month old. Mrs. Markle was Miss Anna Koch before her marriage and was born in Gregg township on December 25th, 1843, hence was in her seventy-first year. When a young man Mr. Markle learned the blacksmithing trade at Oak Hall and on November 5th, 1863, he and Miss Koch were united in marriage. For many years they lived on Buffalo Run, where Mr. Markle followed blacksmithing. Three years ago his health failed and he sold his shop and moved to Centre Hall. Their surviving children are Mrs. Nathaniel Krape, of Buffalo Run; Mrs. William Cramer, of Waddle, and Harry Markle, of Oak Hall. Mrs. Markle leaves two brothers, Amos Koch, of Boalsburg, and James, of Zion. ADAMS EXPRESS OFFICE AT STATE COLLEGE BURGLARIZED.—Robbers broke into the Adams Express company's office at State College some time during Wednesday night and carried off the messenger's safe and a number of packages. The big office safe was not locked and so far as could be seen was not tampered with. The only contents in the messenger's safe were some papers of value to no one, but merely records of the company which can be replaced. The packages stolen were only of a nominal value. PROCEEDINGS IN BOROUGH COUNCIL.

Five members were present when borough council convened on Monday evening. Mr. Naginey arrived later and left before adjournment.

Mr. Thompson, representing the Westinghouse General Electric company, was present and portrayed to council a plan for an improvement in the lighting of the town, proposing 24 lights of 450 watts for the business section; 42 lights of 300 watts for the main residential section and 57 lights of 100 watts for the outlying streets and districts. For the 24 lights posts would have to be erected which would cost approximately \$18.00 each. Inasmuch as Mr. Thompson's plan had not been developed to the point where the committee could make a report upon it, it was referred to the Special committee for investigation and report at next meeting.

The Street committee reported that in their judgment Pike alley could not be repaired as requested at last meeting by George Eberhart.

The Water committee reported meter bills for the last quarter aggregating \$698.22, which have been turned over to the collector.

Mr. Naginey for the Fire and Police committee, reported a check received from Burgess Blanchard for \$13.00, for fines collected during the past two weeks. He also stated that the Undine fire company reported the destruction of five sections of hose at the recent big fire and the tearing off of a coupling from one of the new sections. Referred back to the committee for investigation and report.

Mr. Naginey also stated that some arrangement would have to be made for a fire alarm, as the present plant of the State-Centre Electric company would be abandoned within a month. The question was referred back to the committee to investigate as to what can be done and report something definite at next meeting. John J. Bower submitted a proposition to furnish new hose if council wanted to purchase same, and his proposition was turned over to the Fire and Police committee.

In the absence of the chairman of the Nuisance committee Mr. Seibert complained about the excessive number of dogs in the South ward, fifteen families having twenty-five dogs. The matter was referred to the Nuisance committee.

The Street committee reported on the petition of residents of east Lamb street that it was badly in need of repair, but the ground was so dry now it would be almost impossible to make a good job of it. The matter was referred back to the committee for further investigation and report at next meeting.

Mr. Brockerhoff of the Finance committee reported a balance in the hands of the borough treasurer on October 1st of \$796.48. He also asked for the renewal of two notes, one for \$630 and one for \$1,000, for six months from October 7th, which were authorized. He also presented a resolution ratifying the action of the Bellefonte Trust company in appointing John M. Keichline water rent collector, and empowering the chairman of the Water committee to act with him and turn off the water where users refuse or fail to pay their tax to the collector. Approved by the five members of council present.

Secretary W. T. Kelly reported that there were some eight or ten lawn sprinklers in use in the town for which no water tax was received, and the matter was referred to the Water committee for investigation and report at next meeting.

Under the present law it is the duty of the president of council to appoint five members of the board of health and president Walker therefore appointed Joseph L. Montgomery, for one year; Dr. M. J. Locke, two years; Dr. R. G. H. Hayes, three years; John Blanchard, four years, and Dr. David Dale, five years, dating from the first of last January, and the appointments were approved by council.

Bills to the amount of \$1,171.53 were approved and council adjourned.
