THINGS ABOUT TOWN AND COUNTY.

—Samuel B. Miller is putting down a new flagstone pavement in front of his residence on east Linn street.

—For a real good smoke try Board of Trade cigar at Brockerhoff house cigar stand, 5 cents. 2*

—Up until yesterday morning county treasurer John D. Miller had issued 3418 hunters licenses.

—Candyland is still booming and has secured the additional services of Miss Anna Thompson as clerk.

—Francis A. Miller has been made superintendent of the State-Centre Electric company at State College.

—I will have a second car of Danish Baldhead cabbage about next Thursday. D. Wagner Geiss. Send your orders.

—Mrs. A. B. Sprague, who has been poorly for some time is improving, and it is hoped will soon be in her accustomed place.

—The Woman's Auxiliary of the Y. M. C. A. will meet at Miss Linn's home Monday evening, November 9th, at half past seven o'clock.

—Quite a drain was made on the county commissioners during the month of October for payment of bounties on noxious animals, the amount paid out being \$628.

—Three Bellefonte fathers were arrested last week for not regarding the compulsory education law, and at a hearing before Squire Musser were fined two dollars each and costs.

—The University of Pennsylvania cross country team defeated the State College runners, in a five mile cross country race at State College on Saturday by the score of 37 to 22.

—Mr. J. M. Keichline, who since the death of Mr. Ishler has taken charge of the water duplicates, collected water rent and paid over to the borough treasurer \$2400.00 from Sept. 3rd, 1914, to Nov. 2nd, 1914.

—Anyone who has found a hand engraved gold bar-pin, with the initials G. A. B. on the back, will be given a reward upon taking the pin to Zeller's drug store. The pin was lost in Bellefonte Wednesday.

—The Centre county teachers' institute will this year be held during the Christmas week, beginning on Monday, December 21st, and closing Thursday evening in time to allow all teachers who care to do so to get home for Christmas.

—While at work at T. R. Hamilton's planing mill just before noon on Monday Robert Garman, son of William M. Garman, got his left hand too close to a swiftly revolving circular saw and had his thumb almost severed. The accident will keep him from work for some time.

—John T. Noll, of Pleasant Gap, a brother of county commissioner W. H. Noll, was brought to the Bellefonte hospital on Tuesday and underwent quite a serious operation for the removal of gall stones. He was resting fairly easy yesterday and has every prospect of a recovery.

—The Bellefonte High school football team will play its first home game of the season against the strong Tyrone High school team tomorrow afternoon. Through the kindness of Prof. J. R. Hughes, the game will be played on new Hughes field. The game will begin promptly at 2:30. Encourage the team. Admission 15 cents.

—George Hoover, twelve years old, a son of Mr. and Mrs. J. F. Hoover, of Pennsylvania Furnace, was brought to the Bellefonte hospital Wednesday of last week, and operated the same day for appendicitis. The child was thought for a time to be in a very serious condition, but owing to his vigorous constitution, he is rapidly recovering from the illness and operation.

—Workmen began yesterday morning on remodeling the front of Lyon & Co's store. The windows will be lowered to within ten inches of the floor and plate glass inserted. The door will also be reconstructed to compare with the windows. The change will give better show window accommodation as well as better light and will make it look like a different store entirely.

—Keep in mind "Peg O' My Heart," which will appear at Garman's in the near future. Doris Moore as "Peg," with Alfred Cross, Seth Smith, Edwin Dalby, Ada Allen, Florence Hart and others comprise a cast of unusually strong histrionic ability. "Peg O' My Heart" is a play that holds the attention of the audience from the rise of the curtain to the finale. Don't fail to see it when it appears at Garman's.

—A fine concrete support and pavement has been built around the corner of the Rhoads property on west Linn and north Water street and when a railing has been added to it, it will be a very commendable and permanent improvement. Miss Rhoads is also having the wall around the yard topped with concrete and will have concrete posts erected, which will fix up the property in better shape than it has ever been.

DOINGS IN BOROUGH COUNCIL.—Every member was present at the regular meeting of borough council on Monday evening. There were no verbal communications and the only written communication was a notice that the boilers at the water works had been inspected and found in good condition.

The Street committee reported progress in the work of fixing up east Lamb street.

Mr. Naginey, for the Fire and Police committee, reported that he had examined the hose of the Undine fire company and believed some of it could be repaired and he recommended the purchase of 300 feet of lower grade new hose. Mr. Seibert stated that he had ordered material for repairing hose and as soon as it was here he would test and repair all the hose worth repairing, then they would be able to tell definitely what amount of hose was needed. Mr. Naginey stated that he had nothing definite to report on the new fire alarm and president Walker said that he had seen H. J. Thompson, superintendent of the State-Centre Electric company, and he told him that the Bellefonte plant would not be closed permanently for two or three months, and if the borough would install a Bell telephone they would willingly give the alarm in case of fire, which will probably be done.

The Finance committee and borough solicitor explained what was being done toward the collection of leins entered for taxes. A test case will be made at the next argument court which will be early in December, and proceedings will then be taken in accordance with the court's decision. The Finance committee asked for the renewal of a note for \$5,000 for six months from November 5th, and also recommended that an order be drawn for \$2,000 to be placed in the sinking fund.

The street light proposition was discussed at some length, including the poor quality of the light, no light for hours last Saturday night and lamps being out for nights before being replaced and the borough solicitor was instructed to notify the company that in the future they would be held responsible for any accident that might occur by reason of lights being out, and council would exercise the right of deducting a pro rata amount from their monthly bill for any delinquency in service.

A motion was passed accepting Mr. C. T. Gerberich's offer at last meeting of council to donate land for the opening of Cowdrick alley from Burrows alley to Howard street, and the Street committee was instructed to build the sewer required and put the alley in shape for traffic.

Bills to the amount of \$1262.72 were approved and council adjourned.

DEPLORABLE ACTS OF DEVILISH YOUNGSTERS.—As a prelude to Halloween a bunch of devilish youngsters committed acts of a deplorable character several nights last week and if the right parties are caught they should be duly punished.

Several houses on Linn street were bombarded with stale eggs; filthy refuse was smeared on porches and banisters and tar and black paint were used in defacing private residences. On Friday night fences were torn down, portions of boardwalks torn up and one wagon hauled from his shed and dumped into the creek below Crider's lumber yard. The same gang of boys took another wagon from Bartley's livery stable and were on their way out Allegheny street when chief of police Harry Dukeman suddenly made his appearance in the vicinity of the Episcopal church. Four of the boys escaped but three others were captured. They were compelled to take the wagon back and put it where they got it then were taken to the lock-up. The lads were kept there until after midnight when they were released upon telling the names of their companions and promising to appear before the burgess on Monday. The other boys interested were arrested on Saturday.

Some boy or boys on Friday evening ransacked R. Russell Blair's refrigerator and stole all the eggs therein. Nothing else was disturbed although there were two nice, fat chickens on ice. Egg throwing was indulged in Saturday evening, even throughout the business section of the town, as was evidenced by the blotches on steps and pavements Sunday morning. Otherwise no special devilry was done on Saturday evening, the young people mostly parading the streets in costume.

ELECTRICAL TERMS EXPLAINED.—A volt is the unit of measure of the pressure or electromotive force which forces the electric current through the resistance of a circuit.

An ampere is the unit of measure of the intensity of this electric current flowing through the circuit.

A watt is the work done in a circuit, with a current of one ampere flowing at a pressure of one volt and it is the unit of electrical energy.

A kilowatt is 1000 watts and is used as the unit of basis of charge for light and power, to avoid the use of a large number of figures, as when expressed in watts. Electrical energy is sold by the kilowatt-hour, or the use of one kilowatt for one hour.

A horse power is a mechanical term of the energy required to raise 33,000 pounds one foot in one minute. Expressed in electrical terms it is equal to 740 watts or approximately three-fourths of a kilowatt.

—The strong Bloomsburg Normal eleven went down to defeat before the heavy Bellefonte Academy team, on Hughes field Saturday afternoon, by the score of 45 to 0. A number of Academy subs were used in the latter half.

—Daniel Hockenberry, the fourteen-year-old son of Mr. and Mrs. Harry Hockenberry, of Nigh Bank, was accidentally shot in the leg yesterday morning by an elder brother. The boys were about to start rabbit hunting and on the porch stopped to load their guns. It was while thus engaged that the gun was accidentally discharged. Though quite painful, the wound is not regarded as serious and the boy is now in the hospital undergoing treatment.

—With Capt. Tobin and three other Varsity players out of the game the State College football team defeated Lafayette at Easton last Saturday by the score of 17 to 0. Capt. Tobin was in the Bellefonte hospital under treatment for burns received in the big gasoline explosion at the bonfire at the College on Monday evening of last week and for his benefit a special wire was run into his room and Robert Walker gave him the plays just as they were made on the field.

—Forty State College students, candidates for the dairy cattle judging team sent by State College to the national dairy show in Chicago, recently made a tour of inspection of the important commercial and private dairies in eastern Pennsylvania. They were in charge of E. L. Anthony, a professor in the animal husbandry department. Last year Penn State won fifth place among the sixteen teams sent from agricultural colleges throughout the United States as judges at the dairy show.

—The election is over and the country still lives. So does the Scenic. It continues showing a big program of moving pictures every evening with matinees of unusual attractions once and twice a week. It is over seven years and six months since the Scenic was opened as a moving picture theatre and it has enjoyed the popular patronage in all that time. Manager T. Clayton Brown continues in the confidence of the public and endeavors to maintain the good reputation of the Scenic by giving up-to-date pictures.

—Mrs. Elizabeth H. Callaway has been appointed a district inspector under the Pennsylvania State Board of Censors for moving picture exhibitions for this district by J. Louis Breiting, chief censor of Pennsylvania. Mrs. Callaway is the only inspector in this district and as the appointment came to her unsolicited she appreciates it very much. So far only a very few district inspectors have been appointed in the State. Local inspectors are required to make a written report on the first of each month on the number of places visited, the character of the pictures and the number of complaints sent to the Board.

—Superintendent F. H. Thomas gives the following explanation of the accident to the passenger train on the Bellefonte Central railroad at State College on October 22nd: An employee of one of the contractors at State College, without warrant and against the rules of the railroad company, started to move cars on the siding at the College. The cars got beyond his control and obstructed the main track. He delayed notifying the railroad agent until too late to stop the approaching passenger train and the result was the passenger coach was "side-swiped" and overturned. Fortunately only one passenger was slightly injured.

—Capt. E. W. Tobin, of the State College football team, and G. J. Sauerhoff, president of the Sophomore class, the two students who were so badly burned on the face, hands and arms by an explosion of gasoline at a big bonfire on the night of October 26th, are doing very nicely at the Bellefonte hospital. While the hands of both young men are yet quite sore their arms and faces are healing nicely. The eyesight of neither one will be impaired and they will be little marked as the result of their burns. From present indications the young men will be so much improved that they will probably be discharged from the hospital in a week or ten days.

BELLEFONTE ACADEMY-STATE FRESHMAN GAME.—The annual game between the Bellefonte Academy and State Freshman football teams will take place tomorrow afternoon on Beaver field at State College, and it promises to be an exciting contest. Two years ago the game ended in a dispute and the Freshmen left the field. Last year there was another altercation during the contest but the game was played to a finish, the Academy winning by the score of 19 to 6. This year's Academy team is an unusually heavy and aggressive one, both strong on offense as well as defensive play, but on the other hand there are some players among the Freshmen at State College whose work on the gridiron is high class. It will probably be the hardest game the Academy will have this season. The team with practically all the Academy students will go to the College on the 10.15 train. Game will be called at 1.30 o'clock in order to get through in time to allow the students to hear the State-Lehigh game as received over a special wire. Bellefonters motoring up to see the game will have to leave before one o'clock or miss the opening of it.

BIG BUSINESS DEAL.—The general mercantile firm of Joseph Bros., which has been doing business in Bellefonte the past forty-six years, was sold out this week to C. Y. Wagner and George Hazel, of Hazel Bros. Though the purchase price has not been made public it is somewhere between forty and fifty thousand dollars.

The firm of Joseph Bros. was originally started as E. Joseph & Bro., during the Christmas holidays in 1868. The original members were Emil and Sigismund Joseph. A year or so later their brother-in-law, Herman Holz, was admitted into the firm. Thirty-seven years ago they erected the building on Allegheny street which they have occupied as a store and residence ever since. During the years they have been in business they have built up a trade second to none in Centre county, and acquired a reputation of fair dealing to all. Within the past few years all the original members of the firm have died, and the heirs, Harry Holz, of Bellefonte, and Mrs. Louis E. Friedman, of New York, decided to sell the store and settle up the estate. The deal was closed on Wednesday evening and yesterday the store was closed, owing to the taking of an inventory.

Messrs. Wagner and Hazel expect to open up in a day or two and while their plans are not definitely known, it is rumored that they expect to make it into a department store, putting in a full line of clothing as well as general merchandise. The new proprietors are both well known business men and they merit the confidence of the public. Having sold the store Harry Holz and his mother, Mrs. Herman Holz, do not expect to leave Bellefonte but will continue to make their home here.

PARKER-NIXON.—Trood D. Parker, formerly of Bellefonte but now of Clearfield, and Miss Helen E. Nixon, daughter of Mr. and Mrs. W. E. Nixon, of near Mill Hall, were quietly married at the home of the bride's sister, Mrs. E. N. Ohl, Mill Hall, at 7.30 o'clock yesterday morning. The ceremony was performed by Rev. Bateman, of the Presbyterian church, and the attendants were Miss Christine B. Harris, of Lamar, a cousin of the bride, as bridesmaid, and Paul Parker, of Jersey Shore, a brother of the bridegroom, as best man. In addition to the above the only guest present was Miss Margaret Hurd, of Williamsport. Immediately following the ceremony a delicious wedding breakfast was served after which Mr. and Mrs. Parker left on the 8.33 a. m. train over the New York Central railroad for a wedding trip to Buffalo, Niagara Falls and points in Michigan.

The bride is a graduate of the High school at Clintondale, class of 1910, and is a bright and attractive young woman. The bridegroom is a son of Mrs. Alice Parker, of east Bishop street, and spent his youth in Bellefonte, graduating from the Bellefonte High school, class of 1910. He now holds a good position in the motive power department of the New York Central railroad at Clearfield. He is a steady, energetic young man and the WATCHMAN extends congratulations. Mr. and Mrs. Parker will not go to house-keeping until next spring.

LIVINGSTONE-BOOP.—John Livingstone, of Lock Haven, and Miss Sarah Boop, of Wingate, were married in Phillipsburg on Wednesday evening of last week by Rev. H. S. McClintock, pastor of the Church of Christ. The bride is a daughter of Mr. and Mrs. Daniel Boop, of Wingate, but has been living in Lock Haven for some time. The bridegroom is a member of the clerical force of the Union Pacific Tea company in Lock Haven and it is in that city the young couple will make their home.

VOGEL-HOY.—A quiet wedding at the Lutheran parsonage, on Saturday of last week, was that of Harry P. Vogel and Miss L. Annie Hoy, both of State College, the ceremony being performed by the pastor, Rev. W. M. B. Glanding. Both young people are quite well known at the College and they have the best wishes of their many friends for their future happiness.

MCCALLUS-RUBLEY.—A quiet wedding was celebrated at the parsonage of the Trinity Methodist church in Lock Haven, on Monday evening, when Michael McCallus, of Avis, and Miss Stella Rubley, of Snow Shoe, were united in marriage by the pastor, Rev. A. Lawrence Miller. The young couple will reside at Avis.

MAYES-BOHN.—Russell Mayes, of Salona, and Miss Elizabeth Bohn, of Oak Hall, came to Bellefonte last Saturday and going to the parsonage of the Lutheran church were united in marriage by the pastor, Rev. W. M. B. Glanding. The young couple will reside at Salona.

SOCIAL AFFAIRS.—Mrs. W. F. Reynolds' dinner, Saturday evening, was given in compliment to her house guests, Mr. and Mrs. Stetson, of Philadelphia.

Tuesday, Mrs. F. W. Crider entertained twelve of her friends at a finch dinner, given at six o'clock.

At Miss Mary S. Thomas' luncheon Wednesday, eight covers were laid.

Mrs. Henry Kline entertained Wednesday evening with a ghost party; twenty-five guests were Mrs. Kline's guests.

Mrs. J. E. Ward will give an informal tea this afternoon in honor of her house guest, Mrs. R. H. Foster. Mrs. Ward will give a tea tomorrow afternoon also, at which Miss Foster's friends will be the guests.
