BOOKS, MAGAZINES, Etc.

The February *American Magazine* has a remarkable article by Cleveland Moffett, telling the story of a wonderful young American who persuaded the Pope to appear in motion pictures. The story of how he overcame the obstacles that appeared before him is not only highly entertaining but genuinely inspiring.

In the same number Ida M. Tarbell goes on with her new series of business articles entitled "The Golden Rule in Business." This month she writes about wages, and illustrates her points with the inside stories of many interesting businesses. Will Irwin, special war correspondent for the *American Magazine*, contributes a news article about England. Stewart Edward White, writing under the title, "Four Lions at Once," describes a personal experience he had hunting lions in South Africa that is both thrilling and instructive.

Fiction is contributed by David Grayson, Maravene Thompson, Harry C. Carr and Thomas Crawford Calbreath. George Fitch writes another piece about life in a small town, entitled "Homebody's Worst Enemy," in which he shows how the cities take the young people away from the small places, and James Montgomery Flagg contributes an amusing piece in words and pictures entitled "The High Coat of Friends."

"STOP, LOOK, LISTEN!"

A Lawyer received \$10,000 for suggesting these words to a railroad. The sign, "Stop, Look, Listen!" saved the road many thousands of dollars in damages. It's a good sign. It's worth \$10,000. Wise people are often warned by a similar sign on the road of extravagance. They stop in time. How about yourself? Think this over seriously. A bank account is the Best Kind of Security at any time. Special Offer
The First 10 Curable Cases that Call at The Garman Hotel Parlors on Wednesday, February 3rd, will be Examined Free (Medicine Excepted.)

INTERNAL MEDICATION.
Regarding the medical treatment of medicines used internally, this form of treatment used by the Doctors is mostly from private formulas, which have been combined after years of study and experience in the treatment of Chronic, Nervous, Complicated and Special Diseases of men, women and children. Their use in the various forms of Chronic and Long Standing Diseases has proven more than satisfactory.

DEAFNESS CURED.
I have made a discovery in the treatment of deafness and deafness which I consider an important one. My discovery does away with the necessity of passing instruments into the ear tubes, which measures have proved unsatisfactory and painful and instead of curing the disease have often forced it further up into the ears.

CATARH OF THE STOMACH AND BOWELS.
Do you suffer with indigestion, headache, spots before the eyes, pain in the pit of the stomach, belching, sour stomach, waterbrash, heart burn, palpitation of the heart, dizziness, constipation, etc. Come to us, we have the specific for these troubles. Let us show you how quickly you can be relieved with the right kind of treatment.

PILES.
Hemorrhoids, Fissures, Fistulae or Itching parts. Every person so afflicted should investigate our claims. We guarantee to cure any case undertaken—no pain, no cutting, bleeding, acid injection or salves. The greatest scientific medical discovery of the age. Reference from cured sufferers. I am the only licensed Medical Specialist who has this treatment.

New Methods.
New Methods are necessary in the Hands of Progressive Physicians. Combined Treatments Must be Used to Successfully Treat Chronic, Nervous, Complicated and Special Diseases.
Perhaps you will ask yourself, Why is it necessary to have so many different kinds of treatments? The answer is this: Treating chronic, nervous, complicated and special diseases of men, women and children, is a science and specialty within itself, and is entirely different from treating acute diseases. As you well know all acute diseases, such as typhoid fever, pneumonia, scarlet fever, etc., runs a definite course, and by skillful medical treatment and nursing, the patient in most cases recovers.
While on the other hand, chronic, nervous and special diseases go on indefinitely, and the patient continues to suffer more and more, and in hundreds of cases suffers for years and lives a living death, the original disease causing complication, of other organs, which if neglected, or the proper treatment cannot be had, the patient finally dies, glad to be relieved even by death of the suffering and agony he or she has endured for years.
By a careful consideration of the above you can readily see the importance of the various forms of treatments, and how essential and necessary it is, not only for the physician to be able to give to the sufferer the treatment or treatments required, but it is just as important to the sufferer to know where such treatment can be obtained and to take advantage of them.
The Radio Specialists treat Catarrh, Eye, Ear, Nose and Throat Troubles, Bronchial and Lung Diseases; Heart Complications, Liver, Spleen, Stomach and Bowel Troubles, Kidney and Bladder Diseases, Rheumatism, Sciatica and Lumbago, Skin Diseases, Epilepsy, all Nervous Diseases, Spinal Troubles, Piles, Fistula and Rectal Troubles without operation or pain. All Diseases of Women, Special Diseases of Men and Special Diseases of Children.
If you are sick or afflicted in any way the Doctors extend to you a cordial invitation to consult them free of charge and find out what results can be obtained in your case by this new combination treatment.
REMEMBER, The First 10 Curable Cases That Call on WEDNESDAY, FEBRUARY 3rd, will be Examined Free.
