The floor and wall in one end of the room was only slightly damaged.

Thomas Mitchell Esq., made his first appearance down town last Saturday, and has been down for a few hours each day this week. While the injury is healing up nicely he is still compelled to use two canes to get around.

—The strong Y. M. C. A. basketball team of Altoona had the Bellefonte Academy five guessing during the first half of the game in the Y. M. C. A. gymnasium Saturday evening, but in the second half the Academy came back strong and finally defeated the visitors by the score of 37 to 26. This is the second time the Academy five has defeated the Y. M. C. A. this season.

—All moving pictures do not pass a critical audience as high class, and then again pictures that some do not like others consider fine, so that all in all the average program of the motion picture show today pleases somebody. In this respect the Scenic aims to give more than the average program by securing specials and big features every week. The Scenic is a nice, comfortable place to go for an hour or two of interesting entertainment each evening.

TWO CONDEMNED PRISONERS BROUGHT TO DEATH HOUSE.—The first condemned prisoner to reach the new death house in Benner township was Andrew Malinowski, of Allegheny county, who was brought to Bellefonte on the 1.23 train Monday afternoon and taken over the Lewisburg & Tyrone train at 1.40 to the new penitentiary. John Talap, of Montgomery county, was brought to the death house about two hours later, on the L. & T. train from Sunbury.

When Malinowski was taken through Bellefonte by the sheriff of Allegheny county he appeared unmoved and when he reached the death house he entered with a firm step and was not at all nervous. He bore himself like a man who had not given up hope, and his confidence was justified by the action of the Board of Pardons on Wednesday when they held under advisement his application for a commutation of sentence. This action will postpone his electrocution indefinitely, or until the Pardon Board finally disposes of the case.

When John Talap was taken into the death house he walked with a lagging step and showed some signs of nervousness, but did not break down. The Pardon Board refused to interfere in his case and his electrocution will take place some day next week, warden John Francis naming the hour, as prescribed by law.

WORK AT NEW PENITENTIARY.—The long, hard winter naturally compelled a shut-down on all building operations at the new penitentiary and the only work that has been done during the past six weeks or more was grading for roads, digging ditches for water pipe and excavating for buildings. This work was somewhat slow on account of being done by hand but a big steam shovel was among the equipment received a week or two ago and it will now be used in excavating, which will greatly facilitate the work.

Large quantities of material have been shipped to the penitentiary during the past two months, such as lumber for constructing the forms for the concrete buildings, and iron and steel bars for the reinforced work. All this material has been hauled and piled convenient to the building operations, so that when the weather opens up in the spring there will be no delay on account of lack of material.

When the Thompson Starrett company was compelled to cease operations early in January they had completed the foundations for the laundry, a building 218x30 feet in size, and the dining hall, a building 205x145 feet in size, and had started to pour concrete for the walls of one end of the laundry building. Just as soon as the weather will permit work will be resumed on these buildings, with a rush. Henry Keep, superintendent of the Thompson Starrett company, estimates that he will need in the neighborhood of two hundred and sixty carpenters when he starts work to put up the forms fast enough for the concrete men, and these in addition to a big number of other men who will be employed on the job will make things quite lively at the new penitentiary and ought to help business in Bellefonte considerably.

A large number of men will also be employed by the State in excavating, road making and grading.

FORESTER MUELLER TO GO TO HARRISBURG.—Harry J. Mueller, forester, who has been a resident of Bellefonte going on two years, was on Tuesday appointed city forester of Harrisburg by park commissioner M. Harvey Taylor. The position carries with it a salary of \$1,000, and he will have one hundred dollars for the purchase of equipment. Mr. Mueller was selected out of a list of nine applicants, and he has been requested to take charge of the work by March first, which will necessitate his moving from Bellefonte some time next week.

Mr. Mueller is a native of Harrisburg and is thirty-five years old. He spent several years at State College and was five years in the employ of the State Forestry Commission. During his residence in Bellefonte he has been engaged in personal forestry work. As city forester Mr. Mueller will have charge of tree trimming, planting and the removal of trees in the city of Harrisburg.

BELLEFONTE ACADEMY NEWS.—The mid-year examinations are being held at the Bellefonte Academy this week.

This (Friday) evening at 7.30 o'clock the Academy basketball team will play the Academy stars, now students at the University of Pittsburgh, at the Y. M. C. A. gymnasium. This will be one of the most interesting games of the season and should draw a large crowd. Admission, 25 cents.

The Academy athletic banquet will be held at the Bush house this (Friday) evening at nine o'clock. Covers will be laid for about ninety guests.

Tomorrow afternoon at 2.30 o'clock the Academy basketball team will play the Clearfield high school team in the Y. M. C. A. gymnasium. An interesting game is expected.

MAY GET THEIR MONEY.—District Attorney D. Paul Fortney received a letter from a Sunbury attorney last Friday inquiring the amount of money H. E. Campbell got out of Bellefonte's citizens, stating that an effort was being made by his friends to raise the money to pay back those who got caught. Mr. Campbell got \$85.00 in Bellefonte and with the accumulated costs the amount is \$91.50.

Justice of the peace W. H. Musser this week sold his home on East Lamb street to Alfred Derr, business manager of the Centre Democrat for \$1,300. Mr. Derr with his mother will occupy the place on and after April first. Mr. and Mrs. Musser are now seeking a location down town, so that Mr. Musser will not have so far to travel to and from his office.

Bellefonte's street cleaning force has been engaged this week in hauling the huge piles of ice and snow off of the main streets and dumping it into Spring creek. High street has been cleaned from the railroad to the bridge and the force is now working on the Diamond and along Allegheny street. Bellefonte streets have been covered with snow ever since the first fall on Thanksgiving, almost three months, and it looks good to see the brick paving again. In fact, it makes one feel that spring will soon be here.

Train No. 52 over the Bald Eagle Valley railroad was held up five minutes between Beech Creek and Mill Hall, one day last week by a big bull on the track. The animal not only refused to get off the track but charged the pilot when the train came to a standstill. Fireman Clint Swartz, of Milesburg, climbed down off of the engine to drive the bull away, when it charged him, and he barely escaped its horns in a hurried climb into the cab. But his efforts got the bull off the track and the train then proceeded on its way.

Garman's opera house was crowded last Friday evening by those anxious to hear the concert by the Penn State mandolin and glee club, given for the benefit of the Bellefonte hospital. The total receipts of the concert were about \$260, and of this amount about \$200 were clear and turned over to the hospital authorities for the purchase of equipment and any necessary furnishings needed in the institution. The concert was enjoyed by all who saw it. G. J. Sauerhoff, president of the Sophomore class, being one of the stars.

Quite a number of Bellefonters motored to State College on Saturday evening to see the wrestling bout between Levi Lamb, State's heavyweight, and the mighty Greek, Mike Dorizas, of the U. of P. And well did the mighty Mike live up to his reputation, as it took him only three minutes and thirty seconds to put Lamb flat on his back on the mat. But at that it was the only fall secured by the visitors and State won the meet by the score of 20 to 11. This was Lamb's last bout and he had been unthrown until the Greek brought about his down-fall.

Quite a number of Republicans threw their hat into the political arena last week and announced themselves as candidates for office. The list includes the following: County Treasurer, David Chambers, of Snow Shoe, and A. H. Hartwick, of College township. Sheriff, George H. Yarnell, of Walker township. Prothonotary, L. Frank Mayes, of Lemont. Recorder, William H. Brown, of Bellefonte. County Commissioners, Isaac Miller, of Bellefonte; Harry S. Stuart, of Sandy Ridge, and Harry P. Austin, of Milesburg. So far the only Democrat who has announced is James E. Harter, of Penn township, for County Treasurer.

If the new fee bill which was introduced in the Legislature by Representative Spangler, of York, becomes a law it will put a damper on the aspirations of candidates for office. The bill provides that in counties having from forty to fifty thousand population, which would include Centre county, the fees shall be as follows: Sheriff, \$1,400, and as keeper of the county jail \$500 extra; Treasurer, \$1,400; Prothonotary, \$900; Register, \$1,200; Recorder, \$1,000; County Surveyor, \$800; Auditor, \$90; County Commissioners, \$80; County Solicitor, not exceeding \$500; Jury Commissioner, \$130; Coroner, \$75. Nothing very enticing in the above, is there?

KEELER-STINE.—The many friends of Harry V. Keeler were surprised last Saturday when they learned that he and Miss Nettie B. Stine, of Zion, had taken a quiet trip to Lock Haven last Friday where they were united in marriage at the United Evangelical parsonage by the pastor, Rev. A. F. Weaver, returning home the next day. The bride is a daughter of Mr. and Mrs. Jacob Stine, of Zion, and for some time past has been employed in the telephone exchange at that place. The bridegroom is a clerk in Hazel & Co's store and is a sober, industrious young man. For the present they will make their home with Mr. and Mrs. I. Newton Haupt, on Pine street.

PROMINENT ELK SHOOT HIMSELF.—Oscar G. Munro, senior member of the firm of O. G. Munro & Co., shoe dealers of Lock Haven, went into the Elks home at Lock Haven on Monday afternoon and after purchasing a cigar went into the parlor. Shortly afterwards a shot was heard and when other members of the Lodge hurried into the parlor they found Mr. Munro lying on the floor with a bullet wound near his heart. He was conscious and maintained that the shooting was accidental. He was taken to the Lock Haven hospital where he died the same evening. Mr. Munro was thirty-eight years old and leaves a wife and six children. He will be buried in Highland cemetery this (Friday) afternoon.

CELEBRATED GOLDEN WEDDING.—Mr. and Mrs. David Porter Henderson celebrated their golden wedding on Monday, at their comfortable home at Spruce Creek. It was on February 15th, 1865 that Mr. Henderson was united in marriage to Esther Stover, of Stover Station. The ceremony was performed by Rev. J. P. Shearer. Their attendants were the present Mrs. James W. Thompson, who was present at the reception last Monday and James Wilson, who is still living but could not be present.

Mr. Henderson is almost seventy-six years old and was born on the farm where he has lived his entire life. Mrs. Henderson is five years younger than her husband and both are enjoying remarkably good health. They are the parents of eight children, all of whom are living and were at home for the golden wedding celebration. They are Mrs. Belle Neidigh, of State College; Charles M. Henderson, of Gatesburg; Mrs. Lizzie Horrell, of Pittsburgh; Mrs. Gramley, of Indiana; Mrs. Esther Shultz, of Spruce Creek; John, of Warriorsmark; William M. Henderson, of Huntingdon, and Wallace, at home. They have sixteen grandchildren and five great-grandchildren. Mr. and Mrs. Henderson received many valuable presents including a victrola and a purse of gold.

Mr. Henderson is an old veteran having served during the Civil war in the 125th Pennsylvania regiment. He served in some of the fiercest battles of the Virginia campaign and among his relics of the war is a cane cut at Fort Sedgewick. He is an enthusiastic member of the G. A. R. Mr. Henderson is a Democrat of the Jacksonian type, and never misses an election. Though married fifty years both Mr. and Mrs. Henderson are young at heart and take an active part in the social and economic life of the community in which they live. Their friends wish for them many more years of life together.

ONE HUNDRED NEW MEMBERS FOR Y. M. C. A.—Last week's booster campaign for the Bellefonte Y. M. C. A. resulted in about one hundred new members, and enough money was raised to complete the fund for the payment of the \$1,000 debt on the Association. Just \$270 were taken in up to Saturday evening on new memberships and about \$50 additional have either been taken in this week or are pledged which will make a total of \$320. As membership fees were \$3.00 during the booster campaign it would mean at least an acquisition of one hundred new members.

The winning team in the contest for new members was the Reds, captained by Eugene H. Weik, a teacher in the High school. They were given a banquet at the Y. M. C. A. last evening and very magnanimously invited the team of Blues to share it with them. This large increase in new membership ought to put the Y. M. C. A. on a more substantial basis than it has ever been before.

FATHER CAPRIO CASE SETTLED.—The hearing which was to have been held at Squire Henry D. Brown's office on Monday morning in the assault and battery case of Father Caprio against William Adams and his son, Thomas Adams, of Milesburg, particulars of which were given in last week's WATCHMAN, developed into an amicable settlement of the case. Mr. Adams and son made an apology to Father Caprio and paid all the costs in the case, including attorneys fees, etc. Each side was represented by two attorneys and what promised to be a sensational hearing ended in good fellowship all around.
